Office of **the County Executive**
Monroe County, New York

Maggie Brooks
County Executive

Dear Millennial:

As I announced in my 2014 State of the County Address, Monroe County will soon be launching "The Monroe 200" and we need you to help make it a success.

This new initiative will begin next month and will include 200 millennials from the region ages 20 - 30. With membership in the Monroe 200, you will have the attention of local leaders and will help define the type community you want to live in. No topic or idea will be off-limits, because our community shares a vested interest in identifying and understanding what your generation needs to make Monroe County home.

In order to secure your spot in the Monroe 200, please send your contact information and resume to me at countyexecutive@monroecounty.gov. Along with that information, I also ask that you indicate your level of interest in the following categories by ranking them from 1 to 4, with 1 being the topic you are most interested in. The categories are:

- Jobs
- Housing
- Recreation & Culture
- Education

If you have any questions feel free to contact Mike Barry, the Director of the Rochester-Monroe County Youth Bureau at mikebarry@monroecounty.gov or (585) 753-6455. Thank you in advance for your important contribution to this exciting effort. I look forward to kicking-off the Monroe 200 with you this fall.

Sincerely,

Maggie Brooks
