What Impacted and/or Disproportionally Impacted population does this project primarily serve?	1 Imp General Public
Secondary Impacted and/or Disproportionately Impacted populations	2 Imp Low or moderate income HHs or populations
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	Provide vaccinations to all Monroe County Citizens through the use of three fixed locations and several mobile clinic vehicles to homebound individuals. Use community ambassadors to serve underrepresented communities more negatively impacted by the pandemic. All actions are intended to address the covid 19 harms and mitigation of further harm. Monroe County seeks to achieve a 100% vaccination rate in the County.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	The County used community ambassadors, advocates and liaisons and leaders to develop relationships and trust between the vaccination providers and the populations most vulnerable to serious health issues. The primary focus was to reach directly into disadvantaged neighborhoods.
