Rochester, New York 14614

Subject: Acceptance of a Grant from the New York State Division of Criminal Justice Services for the County Reentry Task Force Program and Authorize a Contract with Delphi Drug and Alcohol Council, Inc.

Honorable Legislators:

I recommend that Your Honorable Body accept a grant from the New York State Division of Criminal Justice Services in the amount of \$334,064, and authorize a contract with Delphi Drug and Alcohol Council, Inc. ("Delphi") in the amount of \$334,064 for the County Reentry Task Force Program for the period of October 1, 2022 through September 30, 2023.

The County Reentry Task Force ("Task Force"), which is co-chaired by the County's Deputy Chief Probation Officer and includes members from over 40 local law enforcement agencies and human services providers, has a goal of reducing recidivism through improved coordination among criminal justice, social services, educational, health, and mental health systems. The Task Force is addressing the following four reintegration issues of parolees: basic education, employment, sobriety support, and housing. This grant will fund a contract with Delphi for a Local Reentry Coordinator and also the provision of services related to these reintegration issues.

This is the seventeenth year of grant funding for this program. This year's funding represents the same amount as last year.

Delphi is a community-based behavioral health agency serving the Finger Lakes community. Delphi provides a drug and alcohol outpatient program, two domestic violence programs, and case management to clients in specialized courts and Health Home initiatives. With its capacity and experience, Delphi will provide a Local Reentry Coordinator and case managers to facilitate obtaining services for approximately 418 parole re-entry participants. Delphi will also obtain temporary housing for these participants as needed.

A request for qualifications was issued and Delphi Drug and Alcohol Council, Inc. was rated the most qualified to provide this service.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to accept a \$334,064 grant from, and to execute a contract and any amendments thereto with, the New York State Division of Criminal Justice Services for the County Reentry Task Force Program for the period of October 1, 2022 through September 30, 2023.

2. Amend the 2022 operating budget of the Department of Public Safety, Office of Probation and Community Corrections, by appropriating the sum of \$334,064 into general fund 9300, funds center 2403010000, Probation/Community Corrections Administration.
3. Authorize the County Executive, or his designee, to execute a contract, and any amendments thereto, with Delphi Drug and Alcohol Council, Inc., 835 West Main Street, Rochester, New York 14611, for coordination and provision of the County Reentry Task Force services in the amount of \$334,064 for the period of October 1, 2022 through September 30, 2023.
4. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, and to make any necessary funding modifications within grant guidelines to meet contractual commitments.
5. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

This action is a Type II action pursuant to 6 NYCRR §617.5(c)(26) ("routine or continuing agency administration and management, not included new programs or major reordering of priorities that may affect the environment") and is not subject to review under the State Environmental Quality Review Act.

This grant is 100% funded by the New York State Division of Criminal Justice Services. No additional net County support is required in the current Monroe County budget.

Delphi Drug and Alcohol Council, Inc. is a not-for-profit agency, and the records in the Office of the Monroe County Treasury have indicated that it does not owe any delinquent Monroe County property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Subject: Acceptance of a Grant from the New York State Division of Criminal Justice Services for the Raise the Age Legislation

Honorable Legislators:

I recommend that Your Honorable Body accept a grant from the New York State Division of Criminal Justice Services in the amount of \$2,329,133 for the Raise the Age Legislation for the period of April 1, 2021 through March 31, 2022.

Raise the Age legislation was enacted with a number of objectives. It aims to reduce crime victimization; provide meaningful opportunity for a life without the stigma of a criminal record for adolescents who turn away from crime; eliminate the disproportionate incarceration of 16- and 17-year-olds of color in adult jails and prisons; reserve the juvenile placement system for only those young people who present a risk to public safety; and create therapeutic out-of-home placement settings for young people who do not present a risk to public safety.

In order to achieve these objectives, the Monroe County Office of Probation – Community Corrections has developed a Comprehensive Plan that utilizes a combination of increased staff resources, specialized training, and expanded community programs and services.

Implementation of the Comprehensive Plan will reduce the reliance on out-of-home placement, reduce the reliance on detention, reduce the need for family court adjudication, increase the adjustment rate of diversion cases, reduce the rate of probation violations, reduce the rate of long-term recidivism, and arrange for community-based services to improve outcomes for youth.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to accept a \$2,329,133 grant from, and to execute a contract and any amendments thereto with, the New York State Division of Criminal Justice Services for the Raise the Age Legislation for the period of April 1, 2021 through March 31, 2022.
2. Amend the 2022 operating budget of the Department of Public Safety, Office of Probation and Community Corrections, by appropriating the sum of \$1,777,568 into general fund 9300, funds center 2403020100, Juvenile Services Family Division.

3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, and to make any necessary funding modifications within grant guidelines to meet contractual commitments.
4. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

This action is a Type II action pursuant to 6 NYCRR §617.5(c)(26) ("routine or continuing agency administration and management, not included new programs or major reordering of priorities that may affect the environment") and is not subject to review under the State Environmental Quality Review Act.

Partial funding for grant is included in the 2022 operating budget of the Department of Public Safety, Office of Probation and Community Corrections, general fund 9300, funds center 2403020100, Juvenile Services Family Division. The appropriated amount will adjust the current funding to that established by the grant.

This grant is 100% funded by the New York State Division of Criminal Justice Services. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Subject: Amend the 2022-2027 Capital Improvement Program and the 2022 Capital Budget to Add a Project Entitled "Sheriff's Body Worn Camera and Less Lethal Weapon Project" and Authorize Financing for the Project

Honorable Legislators:

This matter is being referred to Your Honorable Body at the request of Sheriff Todd K. Baxter.

I recommend that Your Honorable Body amend the 2022-2027 Capital Improvement Program and the 2022 Capital Budget to add a project entitled "Sheriff's Body Worn Camera and Less Lethal Weapon Project" in the amount of \$800,000 and authorize financing for the project in the amount of \$800,000.

Currently the Sheriff's Office has 90 body worn cameras assigned to the road patrol and 40 assigned in the jail. The cameras have proven effective to demonstrate transparency to the community, improve evidentiary outcomes and enhance the safety of interactions between deputies and the public. The new capital project will allow the Sheriff's Office to deploy additional cameras and sustain their continued use across all bureaus of the agency, as well as dash cameras for the road patrol vehicles. The Sheriff's Office would also like to deploy additional less than lethal devices across all bureaus; currently the Sheriff's Office has 199 units deployed. Each of these pieces of technology have a life expectancy of up to five (5) years. Going forward the Sheriff's Office would schedule to replace 20% of this equipment every year as they age out, allowing them to maintain consistent and effective deployment.

This project is scheduled to be considered by the Monroe County Planning Board on October 27, 2022.

The specific legislative actions required are:

1. Amend the 2022-2027 Capital Improvement Program to add a project entitled "Sheriff's Body Worn Camera and Less Lethal Weapon Project" in the amount of \$800,000.
2. Amend the 2022 Capital Budget to add a project entitled "Sheriff's Body Worn Camera and Less Lethal Weapon Project" in the amount of \$800,000.

3. Authorize financing for the project entitled "Sheriff's Body Worn Camera and Less Lethal Weapon Project" in the amount of \$800,000.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(31) ("purchase or sale of furnishings, equipment or supplies, including surplus government property, other than the following: land, radioactive material, pesticides, herbicides, or other hazardous materials") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this project, consistent with authorized uses, will be included in the capital fund to be created, and in any other capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.
