Office of the County Executive

Monroe County, New York

Adam J. Bello
County Executive

February 4, 2022

To The Honorable
Monroe County Legislature
407 County Office Building
Rochester, New York 14614

Subject: Amend the 2022 Capital Budget and Bond Resolution 455 of 2021 to Provide an Increase in Funding and Authorize a Contract with M.L. Caccamise Electric Corp. for Construction Services for the Highway Lighting Rehabilitation Southeast 1 Project in the Towns of Penfield and Perinton

Honorable Legislators:

I recommend that Your Honorable Body amend the 2022 Capital Budget and Bond Resolution 455 of 2021 to provide an increase in funding in the amount of \$370,000 and authorize a contract with M.L. Caccamise Electric Corp. in the amount of \$3,084,820.44 for construction services for the Highway Lighting Rehabilitation Southeast 1 Project in the Towns of Penfield and Perinton.

This project consists principally of the furnishing of all labor and materials for improvements to I-490 expressway lighting in the Town of Penfield and Perinton. Work shall comprise lighting upgrades including LED fixtures, conduit, wiring, pullboxes, and replacement of poles, bases, and foundations as per the plans. There are currently insufficient funds available for the project due to recent increases in costs of labor and materials. The total estimated project cost is now \$3,820,000.

The following two (2) bids were received on December 17, 2021:

Table with 2 columns: Bidder Name and Bid Amount. M.L. Caccamise Electric Corp. \$3,084,820.44; Power & Construction Group, Inc. \$4,625,069.00

The bids have been reviewed and M.L. Caccamise Electric Corp. has been determined to be the lowest responsible bidder pursuant to General Municipal Law §103.

This project is scheduled to be considered by the Monroe County Planning Board on February 24, 2022.

The specific legislative actions required are:

- 1. Amend the 2022 Capital Budget to increase the project authorization by \$370,000 for the Highway Lighting Rehabilitation Southeast 1 Project from \$3,450,000 to \$3,820,000, making the total project authorization \$3,820,000.
2. Amend Bond Resolution 455 of 2021 to increase financing for the Highway Lighting Rehabilitation Southeast 1 Project, capital fund 1949, from \$3,450,000 to \$3,820,000, for a total authorization of \$3,820,000.

110 County Office Building • 39 West Main Street • Rochester, New York 14614

(585) 753-1000 • fax: (585) 753-1014 • www.monroecounty.gov • e-mail: countyexecutive@monroecounty.gov

3. Authorize the County Executive, or his designee, to execute a contract with M.L. Caccamise Electric Corp., 721 Portland Avenue, Rochester, New York 14621, in the amount of \$3,084,820.44 for construction services for the Highway Lighting Rehabilitation Southeast I Project in the Towns of Penfield and Perinton.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(2) ("replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this contract, consistent with authorized uses, will be included in capital fund 1949 once the additional financing authorization herein is approved and in any other capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

The records in the office of the Monroe County Treasury have indicated that neither M.L. Caccamise Electric Corp., nor its sole principal officer, Michael L. Caccamise, President, owe any delinquent Monroe County property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

To The Honorable
Monroe County Legislature
407 County Office Building
Rochester, New York 14614

Subject: Authorize an Intermunicipal Agreement with the Town of Greece for Sidewalk
Installation in Conjunction with the Highway Preventive Maintenance #9 Project in
the Town of Greece

Honorable Legislators:

I recommend that Your Honorable Body authorize an intermunicipal agreement with the
Town of Greece for reimbursement to Monroe County of appropriate design and construction
costs relating to the installation of sidewalks in conjunction with the Highway Preventive
Maintenance #9 project in the Town of Greece in the estimated amount of \$140,000, with the
final amount to be determined upon project completion.

This project involves the improvement of Long Pond Road between Ridgeway Avenue and
Janes Road. The work includes milling and resurfacing of the existing roadway, drainage
improvements, curb repairs, sidewalk ramp upgrades, minor traffic signal work, and application of
new epoxy pavement markings. During the design for the Highway Preventive Maintenance #9
project, the Town of Greece expressed an interest in the installation of sidewalk on the west side of
Long Pond Road between English Road and Brandon Circle, and reimbursing the County for the
appropriate costs relating to this work. Subsequently, the County included this sidewalk work in the
final design for the Highway Preventive Maintenance #9 project and this contract will allow the
Town of Greece to reimburse the County for its share of all costs relating to the sidewalk
installation. The Town's share is estimated at \$140,000 and the project's total anticipated
construction cost is \$5,550,000.

The specific legislative action required is to authorize the County Executive, or his
designee, to execute an intermunicipal agreement, and any amendments thereof, with the Town
of Greece for reimbursement to Monroe County of appropriate design and construction costs
relating to the installation of sidewalks in conjunction with the Highway Preventive Maintenance
#9 project in the Town of Greece in the estimated amount of \$140,000, with the final amount to
be determined upon project completion.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(2) (“replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site”) and is not subject to further review under the State Environmental Quality Review Act.

Funding for this agreement, consistent with authorized uses, is included in capital fund 1978 and any capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

A handwritten signature in blue ink, appearing to read "Adam J. Bello". The signature is fluid and cursive, with a large initial "A" and "B".

TRANSPORTATION -L

To The Honorable
Monroe County Legislature
407 County Office Building
Rochester, New York 14614

Subject: Confirmation of the Appointment of the Director of Transportation

Honorable Legislators:

I recommend that Your Honorable Body confirm the appointment of Thomas J. Fry, P.E. as the Director of Transportation effective immediately, pursuant to Section C2-6(C)(9) of the Monroe County Charter and Section A4-3 of the Monroe County Administrative Code.

Mr. Fry has served as Transportation Project Manager and Deputy Director within the Monroe County Department of Transportation since 2009, and is currently serving as Acting Director. He has vast experience in the transportation field and will be an effective administrator for the Department of Transportation. A copy of Mr. Fry's resume is attached for your review.

With more than 25 years of experience in his field, Mr. Fry is well qualified to manage the Department of Transportation. He shares my commitment to achieve the highest standard of service to the residents of Monroe County.

The specific legislative action required is to confirm the appointment of Thomas J. Fry, P.E. as the Director of Transportation, pursuant to Section C2-6(C)(9) of the Monroe County Charter and Section A4-3 of the Monroe County Administrative Code, effective immediately.

The legislative action requested in this referral is not an "Action," as that term is defined in 6 NYCRR § 617.2(b), and is not subject to review under the State Environmental Quality Review Act.

This confirmation will have no impact on the revenues or expenditures of the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely
Adam J. Bello

AJB:db

THOMAS J. FRYS JR., P.E.

Education

Rochester Institute of Technology (RIT), Bachelor of Science degree, Civil Engineering Technology, 1993
Obtained Professional Engineering license: 2001

Professional Experience

October 2021-present Acting Director Monroe County DOT

Ensures the proper operation and maintenance of County highways, bridges and traffic controls. Duties also include serving as County Superintendent of Highways and Traffic Engineer for the City of Rochester.

- Develops and updates transportation improvement programs and budgets of proposed county highway bridge, culvert and traffic control projects for inclusion in the capital improvement program
- Develops and implements operating procedures and policies;
- Prepares annual operating budget
- Directs traffic surveys and recommendations regarding traffic regulations, and the location of signs, signals and other devices
- Directs the development and implementation of the highway, bridge and culvert maintenance program, including routine and major reconstruction, and snow and ice control
- Assesses county transportation needs and coordinates the planning and development of all transportation-related projects in order to effectively meet those needs
- Coordinates efforts with the City of Rochester and local towns and villages for the delivery of highway, bridge and traffic engineering services
- Directs the design, planning and installation of traffic control markings and signal systems in accordance with the National Manual on Uniform Traffic Control Devices (MUTCD) and the current New York State Supplement
- Represents Monroe County at the Metropolitan Transportation Planning Council
- Advocates for State and Federal Transportation Funding

January 2018-October 2021 Deputy Director Monroe County DOT

Assist with the administration of the Monroe County Department of Transportation.

- Manages and administers the Capital Highway and Construction Unit, the Major Maintenance Unit and the Highway Operations Unit
- Coordinates and plans the departments Capital Improvement Program by estimating project costs
- Comments on plans, specifications and estimates to ensure good engineering practices are being used as well as to ensure County guidelines, procedures and design standards are being followed
- Develops and monitors annual operating and capital budgets and projects in construction
- Evaluates engineering consultant proposals to ensure hours and staff are appropriate for the scope of work involved

- Develops and monitors annual maintenance program for highways
- Calculates and submits Consolidated Highway Improvement Program (CHIPS) reimbursement to NYSDOT
- Calculates snow and ice contract summaries used to reimburse towns
- Provide yearly performance evaluations of personnel

January 2009-January 2018 Transportation Project Manager Monroe County DOT

Manage the design and construction of both County and federally funded highway and bridge projects.

- Review and comment on engineering reports and designs
- Monitor capital project budgets and schedules
- Provide approval of engineering consultant and contractor billings
- Update and enhance Monroe County documents to keep County policies and practices current
- Represent the County on City of Rochester street design projects
- Conduct consultant evaluations to provide positive feedback as well as constructive criticism on consultant's design and construction support performance

April 2005-January 2009 Transportation Design Engineer Bergmann Associates

Responsible for Design Approval Documents, drawings and estimates.

- Provide hydraulic analysis and calculations; signal analysis
- Project design and layout for maintenance and protection of traffic
- Provide geometric layouts
- Create pavement designs; water main designs
- Produce ROW taking requirements and mapping
- Present projects and answer questions at public meeting/hearings

December 2004-March 2005 Transportation Design Engineer Dewberry-Goodkind

Designed horizontal and vertical alignments for the Route 347 corridor in Suffolk County. Developed a three dimensional model for over 2 dozen roadways, varying from local roads, collectors, arterials and parkways.

March 2004-October 2004 Site Design Engineer Passero Associates

Site engineering for local subdivisions and individual parcels.

- Investigative analysis for project parcels
- Create and submit town board applications
- Perform and document percolation tests
- Provide calculations for water and storm water analysis
- Write easement descriptions

December 1994-January 2004 Transportation Design Engineer LaBella Associates

Responsible for Design Reports and environmental analysis.

- Provide project estimates
- Perform parking and gap studies
- Produce pavement design
- Curve analysis studies

Also held the positions of field resident engineer and office engineer.
