To The Honorable
Monroe County Legislature
407 County Office Building
Rochester, New York 14614

Subject: Acceptance of a Grant from the Genesee Transportation Council for the Monroe County High Accident Location Program

Honorable Legislators:

I recommend that Your Honorable Body accept a grant from the Genesee Transportation Council, in the amount of \$36,000 for the Monroe County High Accident Location Program for the period of April 1, 2022 through March 31, 2023.

The Monroe County High Accident Location Program consists of a detailed analysis of each location identified as a Priority Investigation Location, identifying and evaluating potential countermeasures, and developing specific safety recommendations. Both the County and City road network are included in this program. Locations, if not recently studied for some other purpose, are analyzed to determine if there are any accident patterns, how persistent they are, what may have caused the accidents, and what countermeasures may be appropriate to improve safety at the location. This is an active program for Monroe County to monitor the safety performance of the road network.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to accept a \$36,000 grant from, and to execute a contract and any amendments thereto with, the Genesee Transportation Council for the Monroe County High Accident Location Program for the period of April 1, 2022 through March 31, 2023.
2. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, and to make any necessary funding modifications within the grant guidelines to meet contractual commitments.

Subject: Authorization to Rename the Regional Traffic Operations Center Located at 1155 Scottsville Road the "James R. Pond Regional Traffic Operations Center"

Honorable Legislators:

I recommend that Your Honorable Body authorize the renaming of the Regional Traffic Operations Center ("RTOC") located at 1155 Scottsville Road the "James R. Pond Regional Traffic Operations Center."

Jim Pond served Monroe County and the Monroe County Department of Transportation for nearly 28 years, working as Senior Traffic Engineer, Associate Traffic Engineer, Chief of Traffic Signal Engineering and Operations, and Director of Transportation.

Jim was instrumental in RTOC's design, development, and management from its inception in 2002. For over 18 years, Jim managed the state-of-art facility that serves as the primary traffic management center for the Greater Rochester area and hosts a variety of traffic emergency responders under one roof. RTOC continues to support County DOT traffic signal maintenance and expressway lighting services, and County Airport, State DOT, and State Police operations.

Prior to his distinguished career with Monroe County, Jim served in the United States Navy Engineer Corps at various domestic and overseas stations from 1981 to 1987, including three years in the Seabees. Jim received a bachelor's degree from Tulane University and a master's degree from Rensselaer Polytechnic Institute. Jim also worked as an Adjunct Professor at the Rochester Institute of Technology.

The specific legislative actions required are:

1. Change the name of the Regional Traffic Operations Center located at 1155 Scottsville Road to the "James R. Pond Regional Traffic Operations Center."
2. Authorize the County Executive to take appropriate steps to effectuate the name change in an economical and reasonable manner.

(585) 753-1000 • fax: (585) 753-1014 • www.monroecounty.gov • e-mail: countyexecutive@monroecounty.gov

This is a Type II Action pursuant to 6 NYCRR §617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello

Monroe County Executive

Subject: Authorization to Memorialize a Section of Clarkson-Parma Town Line Road in the Towns of Clarkson and Parma to Honor Our Nation's Fallen Firefighters and their Families

Honorable Legislators:

We recommend that Your Honorable Body authorize the fabrication and posting of two signs along Clarkson-Parma Town Line Road ("County Route 254") between Peck Road and Stag Creek Trail in the Towns of Clarkson and Parma to honor and memorialize the brave and selfless firefighters who have given their lives in the service of their communities, and the families of those firefighters.

From our Nation's inception firefighters throughout the country have answered the call of their cities, towns, and villages by arriving at the scenes of perilous and unpredictable fires and other disasters and have placed their lives at risk, too often with tragic consequences. According to the U.S. Fire Administration, 141 firefighters died in the line of duty in 2021.

The two signs will be paid for by the National Fallen Firefighters Foundation ("the Foundation"), an organization created by Congress to honor America's fallen firefighters. The Foundation provides resources to families devastated by the loss of loved ones who died in the line of duty, and works with the fire service community to reduce firefighter deaths and injuries. The signs will be fabricated and installed by the Monroe County Department of Transportation and placed on the East and West sides of County Route 254 between Peck Road and Stag Creek Trail in the Towns of Clarkson and Parma. This location is significant given that Deerfield Golf and Country Club, which is located on County Route 254, hosts an annual golf tournament and fundraiser for the Foundation. This year's event will take place on May 15 and 16 and involves over 300 participants.

The specific legislative actions required are:

1. Memorialize the section of Clarkson-Parma Town Line Road between Peck Road and Stag Creek Trail in the Towns of Clarkson and Parma (County Route 254) to Honor Our Nation's Fallen Firefighters and their Families.
2. Authorize the County Executive to take appropriate steps to effectuate the fabrication and posting of the two signs along Clarkson-Parma Town Line Road between Peck Road and Stag Creek Trail in the Towns of Clarkson and Parma.

This is a Type II Action pursuant to 6 NYCRR §617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

Jackie Smith
