Subject: Approve the Addition of Classifications of Monroe County Employees Eligible for Hazard Pay Due to Greater Risk of Exposure or Working Hours Due to the County's Response to COVID-19

Honorable Legislators:

I recommend that Your Honorable Body approve the addition of the classifications of Monroe County employees shown in Schedule "C," attached hereto, to Schedules "A" and "B" authorized pursuant to Resolution 135 of 2020, as amended by Resolution 164 of 2020, due to risk of exposure to COVID-19 and/or need for extended hours during the State of Emergency. Such hazard pay would commence as of the effective dates and/or pay periods shown on Schedule "C."

Pursuant to Section 2 of Resolution 135 of 2020, as amended by Resolution 164 of 2020, your Honorable Body authorized the County Executive or his designee, with approval by resolution of the County Legislature, to add or delete classifications of Monroe County employees from Schedules "A" and "B" if the risk of exposure to COVID-19 and need for extended hours changes during the State of Emergency.

As you are aware, Monroe County Department heads continue to identify Monroe County employees whose risk of exposure to COVID-19 and need for extended hours change during the State of Emergency. Such classifications identified by Monroe County Department heads are shown in Schedule "C," attached hereto.

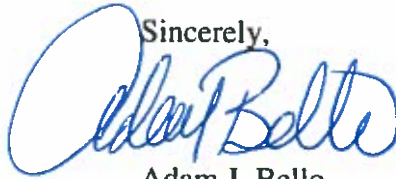

The specific legislative action required is to approve the addition of the classifications of Monroe County employees shown in Schedule "C," attached hereto, to Schedules "A" and "B" authorized pursuant to Resolution 135 of 2020, as amended by Resolution 164 of 2020, due to risk of exposure to COVID-19 and/or need for extended hours during the State of Emergency. Such hazard pay would commence as of the effective dates and/or pay periods shown on Schedule "C."

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c) and is not subject to review under the State Environmental Quality Review Act.

Funding for this hazard pay will be 100% reimbursed through the Coronavirus Aid, Relief, and Economic Security (CARES) Act stimulus appropriation from the Federal government. No additional net County support is required in the current Monroe County budget.

I recommend that this matter receive favorable action by Your Honorable Body.
