Subject: Amend Resolution 293 of 1994 to Amend Airport Access Fees for Car Rental Companies and Valet Parking Companies Operating Off Airport Property

Honorable Legislators:

I recommend that Your Honorable Body amend Resolution 293 of 1994 to amend the airport access fees established for car rental companies and valet parking companies operating off airport property at the Greater Rochester International Airport.

In June of 1994, Your Honorable Body adopted Local Law No. 4 that amended the Monroe County Airport Law providing for the imposition of off airport fees. The fees were effective August 1, 1994 and are imposed on any off airport car rental operator or off airport parking operator that does not have a concession or lease agreement for operating at the Airport. Any off airport car rental operator and off airport parking operator must register with the Airport and pay an annual fee for the privilege of picking up or dropping off its customers on Airport property.

The fees and effective date of the fees are to be established by resolution of Your Honorable Body. Resolution 293 of 1994 established the current schedule of fees. The current off airport fees for both operating categories have not been amended since the local law was adopted. The original fee schedules were developed based upon industry rates at that time.

Off airport car rental operators are presently required to pay a percentage of gross receipts beginning with 3% in the first year of their operation and increasing to 5% in the fifth year and following years. The first \$100,000 of gross receipts and any prorated portion of a partial year of operation are exempt from imposition of the fee.

Off airport parking operators are to pay 5% of their gross receipts in the first year of operation and 6% each year thereafter.

The Department of Aviation recommends that the off airport fees for both the car rental operators and the parking operators be increased to 10% per year. This percentage was found to be the current industry standard for off airport fees assessed by airports. By amending the off airport fees for the Greater Rochester International Airport to the 10% industry standard, our fees will be consistent with the off airport fees for the other thruway airports and also be consistent with the concession fees paid by the car rental companies operating within the Airport terminal.

The 10% fee will be assessed beginning with the first year of operation for both car rental and parking operators and will be the same for each succeeding year. There will be no exemptions from imposition of the fees.

**The specific legislative actions required are:**

1. Amend Section 1, subsections (a) and (b) of Resolution 293 of 1994, establishing off airport fees for Car Rental Operators and Parking Operators pursuant to §205-59C of the Monroe County Airport Law by amending the current off airport fee schedules for Car Rental Operators and Parking Operators with the following off airport fee schedules:

	<u>Percentage of Gross Receipts</u>
a. Car Rental Operators	10%

	<u>Percentage of Gross Receipts</u>
b. Parking Operators	10%

2. Establish the effective date of this amendment as March 1, 2012 in accordance with Section C2-7 of the Monroe County Charter.

These concession fees are revenue generating to the Monroe County Airport Authority. No net county support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Honorable Legislators:

I recommend that Your Honorable Body amend Resolution 277 of 1996 to authorize an amendment to the lease with Bell Atlantic Mobile of Rochester, L.P. d/b/a Verizon Wireless, successor in interest to Rochester Telephone Mobile Communications, (hereinafter "Verizon") at the Greater Rochester International Airport, to increase the rent from \$8,752 annually to the total amount of \$16,000 annually, with annual increases of 3%, for an initial term of five (5) years, and may be renewed for three (3) additional five (5) year terms, upon mutual consent.

Verizon will continue to utilize the premises at 750 Beahan Road for a telecommunications tower and equipment. The amendment increases the annual rent to \$16,000 for the first year of the initial term, with annual increases of three percent (3%).

The proposed amendment was approved by the Monroe County Airport Authority on December 14, 2011, by Resolution 25 of 2011.

**The specific legislative action required is to amend Resolution 277 of 1996 to authorize the County Executive, or her designee, to execute an amendment to the lease on behalf of the Monroe County Airport Authority, and any amendments thereto, with Bell Atlantic Mobile of Rochester, L.P. d/b/a Verizon Wireless, successor in interest to Rochester Telephone Mobile Communications ("Verizon"), One Verizon Way, Mail Stop 4AW100, Basking Ridge, New Jersey 07920, for the lease of approximately .10 acres of land located at 750 Beahan Road at the Greater Rochester International Airport, in the City of Rochester, to increase the rent from \$8,752 annually, to the total amount of \$16,000 annually, with annual increases of 3%, for an initial term of five (5) years and may be renewed for three (3) additional five (5) year terms, upon mutual consent.**

**Subject:** Authorization to Advertise for Bids and Authorize a Contract with the Monroe County Water Authority in Conjunction with the South Lincoln Road Project in the Town of Perinton and Town/Village of East Rochester

Honorable Legislators:

I recommend that Your Honorable Body authorize the Department of Transportation to advertise for bids and authorize a contract with the Monroe County Water Authority, for water main installation, in conjunction with the South Lincoln Road Project in the Town of Perinton and Town/Village of East Rochester.

This project involves the improvement of South Lincoln Road between Fairport Road (NYS Rte. 31F) and E. Commercial Street. The work includes reconstruction of the roadway, construction of new granite curb, new shoulders, sidewalks, drainage improvements, new watermain and watermain relocations, new signs and pavement markings.

Major funding will be provided by Federal and State Aid in the approximate amount of 83% of the project cost, by the Monroe County Water Authority in the approximate amount of 12% of the project cost with overall project administration by Monroe County.

Plans, specifications and cost estimates have been prepared and the Department of Transportation is ready to advertise for bids. Several public information meetings have been held with the most recent held on May 23, 2011. The total anticipated construction cost is \$4,374,000, which includes the following estimated amounts:

Construction Cost	\$3,804,000
Construction Supervision	380,000
Contingency	<u>190,000</u>
Total	\$4,374,000

**The specific legislative actions required are:**

1. Authorize the Department of Transportation to advertise for bids for the South Lincoln Road Project in the Town of Perinton and Town/Village of East Rochester.  
110 County Office Building • 39 West Main Street • Rochester, N.Y. 14614

2. Subject: Authorize Contract with Popli Design Group for Engineering Services for the Highway Rehabilitation Program, Pinnacle Road in the Town of Rush

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with Popli Design Group for engineering services for the Highway Rehabilitation Program, Pinnacle Road in the Town of Rush.

Pinnacle Road is a County owned road with project limits going from NY Rte. 251 (Rush-Mendon Road) north to the Rush-Henrietta town line in the Town of Rush. This project will involve rehabilitation of the road and related components. The current total project estimate is \$2,340,000.

Several consultants were considered, with Popli Design Group rated the most qualified for this project. Popli Design Group proposes to provide these services in the amount of \$180,780.

A cost breakdown of these services is as follows:

Table with 2 columns: Service Type, Amount. Rows: Design Services (\$116,190), Special Services (64,590), Total (\$180,780)

The specific legislative action required is to authorize the County Executive, or her designee, to execute a contract with Popli Design Group, 555 Penbrooke Drive, Penfield, New York 14526, in the amount of \$180,780, for engineering services, for the Highway Rehabilitation Program, Pinnacle Road in the Town of Rush, and any amendments necessary to complete the project within the total capital fund(s) appropriation.

Environmental assessments were completed for the Highway Rehabilitation Program, Pinnacle Road, and it was determined that there would be no significant effect on the environment.

Funding for these services, consistent with authorized uses, is included in capital fund 1618 and any capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury have indicated that neither Popli Design Group, nor any of its principal officers, owe any delinquent Monroe County property taxes. The principal officers of the firm are:

Om P. Popli, President  
Rod Penniman, Vice President  
Jay Popli, Treasurer & CFO

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

**Subject:** Amend the 2012 Capital Budget and Bond Resolution 353 of 2010 to Provide an Increase in Funding and Authorize a Contract with Crane-Hogan Structural Systems, Inc. for Construction Services for the Kirk Road Bridge over Round Pond Creek Project in the Town of Greece

**Honorable Legislators:**

I recommend that Your Honorable Body amend the 2012 Capital Budget and Bond Resolution 353 of 2010 to provide an increase in funding and authorize a contract with Crane-Hogan Structural Systems, Inc. for construction services for the Kirk Road Bridge over Round Pond Creek project in the Town of Greece.

This project involves the replacement of the Kirk Road Bridge over Round Pond Creek in the Town of Greece. The work includes the replacement of the existing bridge with precast concrete three-sided bridge units and wingwalls supported on a concrete foundation. Additionally, the project includes removal of the southern bridge and replacing it with a small pipe culvert, minor approach reconstruction, installation of guiderail and bridge rail, placement of stone fill and sidewalk. There are currently insufficient funds available for the project since it was initially programmed in the Capital Improvement Program due to additional design and hydraulic analysis needed to remove the southerly bridge, additional Right of Way, additional construction costs to install sidewalk and to replace the southerly bridge. The total estimated project cost is now \$1,519,000. The increased cost (\$300,000) will be partially offset by an increase in Federal and State aid and Town of Greece betterment.

Major funding will be provided by Federal and New York State Department of Transportation funds in the amount of approximately 93% of the project cost and by the Town of Greece in the approximate amount of 2%, with overall project administration by Monroe County. The funding to be provided by the Town of Greece is for sidewalk betterment improvements on the west side of the bridge.

The following nine (9) bids were received on November 17, 2011:

Crane Hogan Structural Systems, Inc.	\$ 859,517.30
Keeler Construction, Inc.	916,390.20
Villager Construction, Inc.	941,999.00
Babcock Enterprises	958,589.00
Windsun Construction, Inc.	972,517.30
Economy Paving, Inc.	988,290.00
Sealand Contractors, Inc.	1,003,590.00
Ramsey Construction, Inc.	1,074,616.25
CP Ward, Inc.	1,289,097.00

The bids have been reviewed and the Department of Transportation recommends the award of the contract to the lowest responsible bidder, Crane-Hogan Structural Systems, Inc., in the amount of \$859,517.30.

**The specific legislative actions required are:**

1. Amend the 2012 Capital Budget to increase the project authorization by \$300,000 for the Kirk Road Bridge over Round Pond Creek project in the Town of Greece from \$1,219,000 to \$1,519,000, making the total project authorization \$1,519,000.
2. Amend Bond Resolution 353 of 2010 to increase financing for the Kirk Road Bridge over Round Pond Creek project in the Town of Greece, capital fund 1491, from \$1,219,000, to \$1,519,000, for a total authorization of \$1,519,000.
3. Authorize the County Executive, or her designee, to execute a contract with Crane-Hogan Structural Systems, Inc, 3001 Brockport Road, Spencerport, New York 14559 in the amount of \$859,517.30, for construction services, for the Kirk Road Bridge over Round Pond Creek project in the Town of Greece, and any amendments necessary to complete the project within the total capital fund(s) appropriation.

Environmental assessments were completed for the Kirk Road Bridge over Round Pond Creek project in the Town of Greece and it was determined that there would be no significant effect on the environment.

Funding for this contract, consistent with authorized uses, will be included in capital fund 1491 once the additional financing authorization requested herein is approved and any capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

The records in the office of the Monroe County Treasury have indicated that neither Crane-Hogan Structural Systems, Inc, nor any of its principal officers, owe any delinquent Monroe County property taxes. The principal officers of the firm are:

5. Authorize the County Executive, or her designee, to execute a contract, and any amendments thereto, with the New York State Department of Transportation, for the Preventive Maintenance Bridges/Rustic Rail Replacement project in Monroe County.

Environmental assessments were completed for the Preventive Maintenance Bridges/Rustic Rail Replacement project in Monroe County, and it was determined that there would be no significant effect on the environment.

Funding for this project will be available in the capital fund to be established pursuant to the financing authorization requested herein and any subsequent capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury have indicated that neither Barton and Loguidice, P.C., nor any of its principal officers, owe any delinquent Monroe County property taxes. The principal officers of the firm are:

Nicholas J. Pinto, President  
Paul F. Dudden, Executive Vice President & Treasurer  
Paul Czerwinski, Executive Vice President & Secretary

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Subject: Amend Resolution 95 of 2011 to Increase the Contract with T-Y-LIN International for Code Enforcement Term Services

Honorable Legislators:

I recommend that Your Honorable Body amend Resolution 95 of 2011 to increase the contract with T-Y-LIN International, for Code Enforcement Term Services, from an amount not to exceed \$75,000 annually, to an amount not to exceed \$225,000 annually, with all other terms to remain the same.

The County's Division of Engineering is responsible for building code enforcement for all County facilities in accordance with the New York State Uniform Fire Prevention and Building Code (Code). By Resolution 95 of 2011 Your Honorable Body authorized a contract with T-Y-LIN International, for Code Enforcement Term Services, which allows the Division of Engineering to supplement its staff with T-Y-LIN International staff, on an as-needed basis, to assist with code enforcement responsibilities including plan review, basic building, fire-life-safety and specialized construction inspection, code compliance training and related documentation. An increase in the contract authorization is necessary to support anticipated services.

The specific legislative action required is to amend Resolution 95 of 2011 to increase the contract with T-Y-LIN International, for Code Enforcement Term Services, from an amount not to exceed \$75,000 annually, to an amount not to exceed \$225,000 annually, with all other terms to remain the same.

This contract involves term services and no direct physical activity and therefore, does not require an environmental review.

Funding for this contract, consistent with authorized uses, is included in capital funds 1312, 1314, 1499 and 1540 and any capital fund(s) created for the same intended purpose. Funding is also included in the 2012 operating budget of the Department of Environmental Services, fund 9001, funds center 8301010000, Engineering Administration, and will be requested in future years budgets. No additional net county support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Honorable Legislators:

I recommend that Your Honorable Body amend Resolution 94 of 2011 to increase the contracts with Barton & Loguidice, P.C., Clough Harbour & Associates LLP, LaBella Associates, P.C. and D.J. Parrone and Associates, for General Engineering and Architectural Term Services, from a total annual amount not to exceed \$150,000, to a total annual amount not to exceed \$300,000, with all other terms to remain the same.

The County's Division of Engineering provides engineering and architectural services to various County departments for small-scale projects as well as those projects requiring prompt turn-around. By Resolution 94 of 2011 Your Honorable Body authorized contracts with Barton & Loguidice, P.C., Clough Harbour & Associates LLP, LaBella Associates, P.C. and D.J. Parrone and Associates, for General Engineering and Architectural Term Services, which allows the Division of Engineering to supplement its staff with consultant staff, on an as-needed basis, to assist with interior and exterior architectural investigations and design; mechanical, electrical and plumbing engineering investigations and design; structural engineering investigations and design; civil/site engineering; cost estimating; landscape architecture planning and design; and construction inspection. An increase in the contract authorizations is necessary to support anticipated services.

**The specific legislative action required is** to amend Resolution 94 of 2011 to increase the contracts with Barton & Loguidice, P.C., Clough Harbour & Associates, LLP, La Bella Associates, P.C., and D.J. **Subject:** Authorize Contracts with Atlantic Testing Laboratories, Ltd., LaBella Associates, P.C., Lozier Environmental Consulting, Inc., Lu Engineers and Paradigm Environmental Services, Inc. for Professional Environmental Testing Term Services

Honorable Legislators:

I recommend that Your Honorable Body authorize contracts with Atlantic Testing Laboratories, Ltd., LaBella Associates, P.C., Lozier Environmental Consulting, Inc., Lu Engineers and Paradigm Environmental Services, Inc. for environmental testing term services, for a total annual amount not to exceed \$150,000, for the period of February 15, 2012 through February 14, 2013, with the option to renew for two (2) additional one-year extensions. Escalations on the two (2) additional one-year extensions will be limited to an amount equal to the increase in the previous year's Consumer Price Index (U.S. City Average CPI-U from the Bureau of Labor Statistics).

These contracts will provide Monroe County with environmental consulting, sampling and laboratory testing services when asbestos or other potentially hazardous materials are encountered and must be dealt with in accordance with applicable codes and regulations. These contracts establish an agreed upon rate for a variety of environmental consulting, sampling and laboratory testing services so that when services are required, the County is assured of a timely response to projects. These services will be made available to all County departments, including Monroe Community College and Monroe Community Hospital.

Several consultants were considered, with Atlantic Testing Laboratories, Ltd., LaBella Associates, P.C., Lozier Environmental Consulting, Inc., Lu Engineers and Paradigm Environmental Services, Inc. rated the most qualified to provide these services.

**The specific legislative action required is** to authorize the County Executive, or her designee, to execute contracts, and amendments thereto, with Atlantic Testing Laboratories, Ltd. 3495 Winton Place, Bldg. **The specific legislative action required is** to authorize the County Executive, or her designee, to acquire the referenced property interests and execute all documents necessary for the South Lincoln Road Highway Improvement Project from Route 31F to Commercial Street, P.N. 4753.78, in the Town/Village of East Rochester and the Town of Perinton, by contract and/or the Eminent Domain Procedure Law, along with any amendments for unanticipated damages, within the total capital fund(s) appropriation.

Environmental assessments were completed for the South Lincoln Road Highway Improvement Project from Route 31F to Commercial Street, P.N. 4753.78, in the Town/Village of East Rochester and the Town of Perinton, and it was determined that there would be no significant effect on the environment.

Funding for these acquisitions, consistent with authorized uses, is included in capital fund 1446 and any capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury have indicated that the property owners listed above do not owe any delinquent Monroe County Property taxes, with the exception of the Estate of Violet DiBiase at Maps 35 and 37. The records in the Office of the Monroe County Treasury have indicated that neither Tim Donut US Limited, Inc., nor its principal officers, Donald B. Schroeder, CEO and Michel Meilleur, Sr. Vice President, owe any delinquent Monroe County property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Maggie Brooks

**Subject:** Authorize the Sale of Permanent Easements on County Owned Property in the Town of Ogden and the Village of Spencerport

Honorable Legislators:

I recommend that Your Honorable Body authorize the sale of permanent easements on County owned property to the property owners described as follows:

<u>Parcel</u>	<u>Offeror</u>	<u>Amount</u>
TA# 087.04-1-31 3.2 acres Manitou Road Spencerport, NY 14559	Town of Ogden 269 Ogden Center Road Spencerport, NY 14559	\$1
TA# 087.14-1-13 2.1 acres Lyell Avenue Spencerport, NY 14559	Village of Spencerport 27 West Avenue Spencerport, NY 14559	\$1

The conveyance of the easements is a necessary component for the completion of the development of the Heritage Trail Park, located in the Town of Ogden and Village of Spencerport along the Erie Canal. This is a companion referral for the sale of real property at Spencerport Road, Town of Ogden, TA# 087.03-1-2.

**The specific legislative action required is** to authorize the County Executive, or her designee, to enter into contracts for the sale of two (2) permanent easements consisting of 3.2 acres to the Town of Ogden and 2.1 acres to the Village of Spencerport on a portion of the RL&B Trolley Line for \$1, and to execute all necessary documents for the conveyances.

The permanent easements above do not interfere with County purposes.

An environmental review will be completed for this action prior to Your Honorable Body taking any action on this matter.

No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Subject: Authorize the Sale of County Owned Tax Foreclosure Property in the Town of Ogden

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract to sell a County owned tax foreclosure property in the Town of Ogden as follows:

Table with 3 columns: Parcel, Offeror, Offered Amount. Row 1: TA# 087.03-1-2, Town of Ogden, \$172. Row 2: 3.4 acres, 269 Ogden Center Road, Spencerport, New York 14559. Row 3: Spencerport Road, Town of Ogden.

The conveyance of the parcel is a necessary component for the completion of the development of the Heritage Trail Park, located in the Town of Ogden and Village of Spencerport along the Erie Canal. This parcel was acquired through tax foreclosure and is surplus property. The purchase contract will provide that closing shall take place on or before 60 days after legislative approval. The price for this parcel is the amount of town taxes guaranteed by the County. This is a companion referral for the sale of easements on Manitou Road and Lyell Avenue in Spencerport, New York.

The specific legislative action required is to authorize the County Executive, or her designee, to enter into a contract with the above named offeror, and to execute all necessary documents to convey the property identified above for the amount indicated.

The property above is not needed for County purposes.

An environmental assessment was completed for this action, and it was determined that there would be no significant effect on the environment.

No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Subject: Authorize the Acquisition of Interests in Real Property for the Klem Road Bridge at Mill Creek Tributary Project in the Town of Webster

Honorable Legislators:

I recommend that Your Honorable Body authorize the acquisition of interests in real property for the completion of the Klem Road Bridge at Mill Creek Tributary project in the Town of Webster, from the property owners described as follows:

Table with 3 columns: Parcel, Owner, Amount. Contains details for three parcels (Map 8, Map 9, Map 10) including owner names and amounts.

The specific legislative action required is to authorize the County Executive, or her designee, to acquire the referenced property interests and execute all documents necessary for the Klem Road Bridge at Mill Creek Tributary project in the Town of Webster, by contract and/or the Eminent Domain Procedure Law, along with any amendments for unanticipated damages, within the total capital fund(s) appropriation.

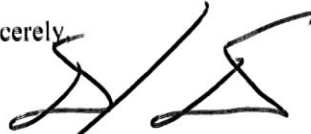

Environmental assessments were completed for the Klem Road Bridge at Mill Creek Tributary project in the Town of Webster, and it was determined that there would be no significant effect on the environment.

Funding for these acquisitions, consistent with authorized uses, is included in capital fund 1532 and any capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury have indicated that the property owners listed above do not owe any delinquent Monroe County Property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Subject: Designation of Official Newspapers

Honorable Legislators:

I recommend that Your Honorable Body designate The Daily Record and the Rochester Business Journal as the official newspapers for the year 2012 for publication of all local laws, notices and other matters required by law to be published.

Section 214(2) of the County Law of the State of New York requires designation of at least two (2) newspapers within the County as official newspapers for publication of all local laws, notices and other matters required by law to be published. Designating The Daily Record and the Rochester Business Journal will allow the County to maintain the broadest possible readership, as well as to most efficiently use our financial resources. These newspapers have been designated the official newspapers since 1997.

### The specific legislative actions required are:

1. Designation of The Daily Record and The Rochester Business Journal as the official newspapers for the year 2012 for publication of all local laws, notices and other matters required by law to be published.
2. Said official newspapers shall be required to send copies of all pertinent information required by state law to be published in the official newspapers to the clerks of each respective town, village and city in Monroe County. In addition, each library system and fire district within the County should also be provided with copies of said local laws, notices and other matters required by state law to be published in official newspapers. Furthermore, such pertinent information should be posted in a conspicuous manner for public review.

This designation of official newspaper will have no impact on the revenues or expenditures of the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,
