The duly adopted Capital Budget of the County, to the extent inconsistent herewith, is hereby amended to provide for the appropriation of an additional \$1,636,000 to pay the cost of the aforesaid class of objects or purposes (\$5,314,000 having been heretofore appropriated from one or more Capital Budgets). The period of probable usefulness of the aforesaid class of objects or purposes is fifteen (15) years, pursuant to subdivision 35 of paragraph a of Section 11.00 of the Local Finance Law based, in part, on the determination by Jason R. Kennedy, P.E., that the useful life of the aforesaid alternative fuel dispensing stations will be at least fifteen years.

Section 2. The maximum estimated cost thereof is determined to be \$6,950,000, and the plan for the financing thereof is by the issuance of \$6,950,000 bonds of the County herein authorized; provided, however, that to the extent any State and/or Federal aid and/or grant is received for the aforesaid purpose, such aid and/or grant shall be used to redeem any outstanding indebtedness incurred for such purpose or shall be applied, dollar for dollar, to reduce the amount of bonds to be issued for such purpose.

Section 3. The faith and credit of the County are hereby irrevocably pledged for the payment of the principal of and interest on such obligations as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such obligations becoming due and payable in such year. There shall annually be levied on all the taxable real property of said County a tax sufficient to pay the principal of and interest on such obligations as the same become due and payable.

Section 4. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell the bonds and bond anticipation notes in anticipation of the issuance and sale of the bonds herein authorized, including renewals of such notes, is hereby delegated to the Director of Finance-Chief Financial Officer, the chief fiscal officer of the County under the Local Finance Law. The Director of Finance-Chief Financial Officer may sell such bonds or notes at public or private sale, at a discount or premium, at fixed or variable rates of interest or at no interest whatsoever, or as capital appreciation bonds, and with such amortization of principal as the Director of Finance-Chief Financial Officer shall determine is
