Monroe County Fishery Advisory Board Meeting Minutes December 12, 2022

The meeting was called to order at 7:03p.m. Brandon White was present from the Irondequoit Fish and Game Club. The minutes were approved as read.

Website Update:

The Visitor's Bureau is looking into the estimate we received from Accountable Digital and seeing if the invoice can be adjusted. Currently we have insufficient funds to cover the 2023 advertising proposal.

Budget Update:

There is \$172 remaining in the 2022 budget. Estimated expenses for 2023 are approximately \$5,400 currently before any adjustments for the digital advertising proposal. The board's budget for 2023 is \$4,000.

Action Items:

S. Olufsen reported that staffing is needed for the LOSPC sport shows in January and February, as some of the locations bring in business to this area. Anyone interested should contact Steve. Springfield is a possibility Friday-Sunday 2/24-26. S. Zucco says it is not sure that there will be a show in Suffern. S. Olufsen said Cleveland is staffed, Harrisburg is not being done because staffing is a problem, and it is a 10 day show plus setup and tear down. Hamburg and Niagara are being done. B. White will look into his ability to participate. S. Rutherford said he could man a booth, but could not do setup and take down.

Other Items:

S. Rutherford asked W. Pearsall if the Atlantic Salmon plan for Sandy Creek was going forward, Web said the public comments received were still under discussion. Steve said some Kings and Cohos would be appreciated.

F. Sanza asked about the reef, W. Pearsall says the discussion is underway.

W. Pearsall announced that he will be retiring sometime in the next year. He will be sorely missed.

Action Items Update From Last Month:

S. Furgal talked about Sea Grant hosting seminars for charter boat captains and will keep the board updated with any developing dates and location.

The meeting was adjourned at 7:21pm.

The minutes were approved.
