RE: Memorializing the New York State Legislature to Amend the Education Law, In Relation to Developing Guidelines to Encouraging Participation in Apprenticeships and Raising Awareness in Apprenticeship Opportunities.

Honorable Legislators:

Skilled trades are vital to the fabric of our communities. Every year many jobs go unfilled because of the lack of workers with the appropriate skills. Many of these jobs are in the building trades. Apprenticeships are often the best way to receive the skills necessary to obtain such jobs. Creating more, and promoting existing apprenticeship opportunities, is vital to bridging the gap and matching potential workers with those jobs.

Skilled trades support the necessary components to maintaining buildings, transportation, housing, technology infrastructure, and so many other everyday functions that often are taken for granted. The importance of expanding knowledge and increasing opportunities in skilled trades is necessary to maintain quality of life for all.

Ensuring young adults are aware of the many opportunities in the building trades and the apprenticeships available through labor unions is a necessary component to building the workforce. These apprenticeships offer an opportunity to learn a skilled trade, advancing their knowledge, and widening their employment opportunities. Skilled trade apprenticeships offer an alternative to college and career opportunities without the high burden of student loan debt.

Skilled trades and building trades allow a person to learn a skill that is transferable in life. Once learned, a person can use their skills to maintain and improve a home, or repair a vehicle, or gain an understanding that allows them to assess the quality of work done by others. Furthermore, apprenticeships allow for young adults to teach their children skilled trades for future use.

Through this plan, awareness of apprenticeships will primarily be targeted to high schools in partnership with guidance counselors. The schools will receive information from the New York State Department of Labor and pupil personnel advocates.

Assembly Bill A00360 will expand education and knowledge of opportunity for the apprenticeship programs in the workforce.

We encourage the New York State Legislature to pass and Governor Hochul to sign this important legislation that will raise awareness and participation in apprenticeships, to help improve the lives of children and families in Monroe County and New York State.

RE: Memorializing the New York State Legislature and Governor to Establish a Moratorium on the use of Glyphosate-based Herbicides.

Honorable Legislators:

Many herbicides and pesticides have been shown to be detrimental to human health and wellbeing. Glyphosate is a broad-spectrum systemic herbicide. Glyphosate is commonly sprayed on agriculture fields and is also used on suburban lands. Though the term glyphosate is not well known, it is the primary ingredient in many brands of products including Roundup, Rodeo Aquatic Herbicide, and Eraser, among others. Glyphosate based products are among the most common and heavily utilized herbicides in the United States.

Studies, including one conducted by the University of Washington Department of Environmental and Occupational Health Sciences, have linked repeated exposure to glyphosate to non-Hodgkin’s Lymphoma. The chemical has also been linked to increased incidence of Chronic Lymphocytic Leukemia. The risks with continued use to health is an indicator that this product should not be used in New York State.

An Environmental Protection Agency ecological risk assessment identified “the potential risk to terrestrial and aquatic plants, mammals, and birds, and low toxicity to honeybees for most uses.” Studies have also shown that glyphosate does not breakdown into soil or water quickly, staying in soil for as long as 289 days. The substance can runoff into nearby waterways potentially destroying the microbial contents of soil and removing some of the nutrients in the soil needed for vegetation. Glyphosate will harm shore lines. As runoff increases and the chemical moves into larger bodies of water, the chemical kills shoreline plants. These plants are a necessary and vital component to prevent erosions because native plants act as a barrier. Shoreline plants are vital to the ecosystem as they also provide food for some fish and are a

protection for animals to lay eggs. Spraying this chemical near shorelines can potentially kill fish and amphibians.

Senate Bill S4165 will have a positive effect on the health and safety of our environment and increase the quality of lives for families and children.

We encourage New York State legislators to pass and Governor Hochul to sign, The Glyphosate Moratorium to help improve the quality of the environment and the lives of children and families in Monroe County and New York State.

RE: Memorializing the New York State Legislature and Governor to pass the Home Energy Affordable Transition Act

Honorable Legislators:

The Home Energy Affordable Transition Act, formerly the Gas Transition and Affordable Energy Act, will implement recommendations from the New York Climate Law. Specifically, eliminating billions in ratepayer subsidies for new gas hookups, enable neighborhood scale building decarbonization, and ensure energy affordability for low-to-moderate income families.

This Act aligns utility regulation with the state climate justice and emission reduction targets – repealing provisions relating to the continuation of gas service and substitutes heat service. The Act empowers the Public Service Commission (PSC) to equitably achieve the New Climate Law targets and amends the current PSC Law that undermines the New York Climate Law Goals.

The Home Energy Affordable Act will mitigate costs for all utility customers, reduce greenhouse gas emissions and co-pollutants impacting local air quality, and provides a transition for impacted workers. The significance of removing the pollutants will help reduce the higher prevalence of asthma in urban settings, effectively increasing the health of people.

Furthermore, this Act will aid in the reduction of cost burdens to low-to-moderate income families by reducing the utility burden to no more than six percent of their income. This will increase financial outcomes for families living at or below the poverty line.

We urge the New York State Legislature to pass and the Governor to sign this legislation to bring New York in line with the climate goals set forth by the climate commission.

RE: Memorializing the New York State Legislature and Governor to pass the Build Public Renewables Act, The Energy Efficiency, Equity and Jobs Act, and The All Electric Building Act

Honorable Legislators:

New York State should be a national leader on environmental issues. I encourage the New York State Legislature and the Governor to enact the following package of legislation:

Build Public Renewables Act (A279/S4134): Will expand renewable electricity operations in New York State and reduce the carbon footprint from energy generation.

The Energy Efficiency, Equity and Jobs Act (S2469/A2655): Will invest in job training in underserved communities to improve energy efficiency, and remove known health hazards from buildings.

All Electric Building Act (A920-A/S562A): Will Help New York Achieve its climate goals through reducing future dependency on fossil fuels.

Renewable energy is the future to climate justice and a solution to reducing harmful greenhouse emissions. New York State residents deserve access to affordable solutions for energy products. The Build Public Renewables Act will allow the New York State Power Authority the ability to build, own, and operate new large-scale renewable energy. Through the expansion of renewable energy generation, New York Power Authority will supply customers with the energy and become the sole provider of energy to all state owned and municipal properties, with an opt-out clause if the cost is higher than a local supplier.

This legislation will greatly benefit low-to-moderate income families through the requirement to provide renewable energy to residential customers and Community Choice Aggregation (CCA Communities). As a result rates could be as much as 50% lower than what is

currently provided by local utility companies. The Build Public Renewables Act will increase employment, provide prevailing wages to workers, and invest in job training. The Act will also allow for NYSERDA to invest in underserved communities.

The Energy Efficiency, Equity and Jobs Act will provide job training and funding for the removal of known carcinogens and other hazardous chemicals from buildings. Mold, asbestos, and lead are all tied to significant health conditions. Mold can cause lung infections, contact dermatitis, and irritate the eyes and nose. Lead can damage the central nervous system, cardiovascular system, reproductive system, hematological system, and kidneys. Abatement and remediation is necessary to improving the health and well-being.

Continuing to meet the goals set for New York State’s Climate Initiatives – the All Electric Building Act will help decrease fossil fuel dependency. The state energy conservation construction code shall prohibit infrastructure, building systems, or equipment used for the combustion of fossil fuels in new construction statewide no later than December 31, 2023 if the building is less than seven stories and July 1, 2027 if the building is seven stories or more. It will help to enhance the air quality of New York, and this building code already exists in New York City, as well as, Washington, California, and Germany.

This package of legislation will effectively help move New York towards a more climate and environmentally friendly state. We urge the New York State Legislature to pass this legislation to increase the quality of life for residents while reducing the negative environmental impact.

Re: Memorializing the New York State Legislature to Pass the SAFE Streets Act

Honorable Legislators:

The number of traffic fatalities remains historically high. In 2022, preliminary data from the National Safety Council shows traffic crashes in New York killed 1,051 people, a figure that barely budged from the prior year. Crashes kill an average of three New Yorkers every day, while thousands more suffer from lifelong injuries.

Monroe County experienced nearly 68,000 crashes between 2017 and 2021, with nearly 4,000 injuries and 220 deaths. Crashes take an enormous toll on our community, and they are not inevitable. There are things we can do to make our streets safer for everyone, no matter their mode of travel.

It is imperative that the New York State Legislature pass a package of bills known as the SAFE Streets Act. These bills put in place measures to reduce collisions through road design and vehicle standard measures, as well as safeguarding the legal rights of those impacted by crashes.

Here is a summary of the bills that pertain to Monroe County:

- S2714 /A01280 Includes, when possible, complete street design features in resurfacing, maintenance and pavement recycling projects and further enables safe access to public roads for all users.
- S100/A3180: Will expand the state's current complete street design principles policy to include all state, county and local transportation projects that are undertaken by the DOT or receive federal, state or both federal and state funding.

- S1952/A04057 : Would mandate technology in new vehicles including intelligent speed assistance and other features.
- S8152/A9152 : Guarantee rights and a voice for crash victims and their loved ones in legal proceedings.

The data shows there is urgency to act, as traffic injuries and fatalities devastate thousands of families in our own community and around New York. Passing the SAFE Streets Act will save lives and make our streets safer for all.

Subject: Acceptance of a Grant from the New York State Department of Environmental Conservation for Climate Smart Communities for the Organics Management Plan

Honorable Legislators:

I recommend that Your Honorable Body accept a grant from the New York State Department of Environmental Conservation ("NYSDEC") in the amount of \$50,000 for Climate Smart Communities for the Organics Management Plan.

Monroe County was awarded this grant as part of an initiative by the NYSDEC to provide resources for projects aimed at addressing climate change and its effects. This project complements the goals established in the Monroe County Climate Action Plan, Phase I of which was approved by Your Honorable Body (Resolution 276 of 2022), and the Climate Smart Communities program, which Your Honorable Body resolved to participate by adopting the New York State Climate Smart Communities pledge (Resolution 260 of 2020). Completion of this project will further Monroe County's goal of achieving Silver Certification, the highest level in the Climate Smart Communities program.

The grant will support the development of an organics management plan study as part of the Monroe County local solid waste management plan. The study will analyze the existing food waste recycling environment in Monroe County, and the opportunities to build upon existing local composting programs, food waste diversion pilots and other data. The anticipated outcome of the study will be a set of waste management options, goals, and benchmarks that can be used to develop a coherent organics management strategy for Monroe County.

This grant was submitted through the New York State Consolidated Funding Application program in 2022, and the award was announced in January 2023. The Monroe County Department of Environmental Services will lead the project funded by this grant and administer the grant requirements.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to accept a \$50,000 grant from, and execute a contract and any amendments thereto with, the New York State Department of Environmental Conservation for the Organics Management Plan.
2. Amend the 2023 operating budget of the Department of Environmental Services by appropriating \$100,000 of general fund committed fund balance previously committed for Climate Change Initiatives, into the solid waste fund 9009 in the amount of \$50,000, funds center 8201010000 Solid Waste Administration, and into solid waste fund 9309 in the amount \$50,000, funds center 8201010000 Solid Waste Administration.

110 County Office Building • 39 West Main Street • Rochester, New York 14614

3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, and to make any necessary funding modifications within the grant guidelines to meet contractual commitments.
4. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(27) (“conducting concurrent environmental, engineering, economic, feasibility and other studies and preliminary planning and budgetary processes necessary to the formulation of a proposal for action, provided those activities do not commit the agency to commence, engage in or approve such action”) and is not subject to further review under the State Environmental Quality Review Act.

This grant requires an equal local funding match, in the amount of \$50,000. The local match will require additional net County support, for which general fund committed fund balance is being appropriated.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Subject: Amend the 2023 Capital Budget to Provide an Increase in Funding for the Monroe County Library System Fleet Replacement Project and Authorize an Interfund Transfer

Honorable Legislators:

I recommend that Your Honorable Body amend the 2023 Capital Budget to provide an increase in funding for the Monroe County Library System Fleet Replacement Project and authorize an interfund transfer.

In 2020 the Monroe County Library System ("MCLS") began planning for replacement of its delivery fleet in the Capital Improvement Program ("CIP"), for cyclical replacement of three (3) box trucks which are seven years old. Funding was allocated in the 2022 CIP based on cost estimates from early 2021. Bids were received in spring 2022 with cost exceeding the debt allocation of \$216,000 by over \$59,000, given the current inflationary and supply chain environment.

To continue progress, the MCLS awarded the first two vehicles and with a fund balance appropriation in June 2022 and requested fall bid of the third vehicle. Cost escalation for the final vehicle, with delivery not anticipated until 2024, has exceeded prior CIP and fund balance appropriations. An additional appropriation from the fund balance is requested to award bid of the third truck at \$110,000.

The MCLS provides member library delivery services Monday through Friday as part of a shared service agreement. Delivery includes pickup and drop-off of library material returns, requests/holds, and interoffice mail. For decades, the MCLS has provided the community with the ability to check out and return library materials at any MCLS location of convenience, known as *One County, One Card*. In the MCLS catalog library users can also place requests for materials filled as first available across the MCLS, delivered via MCLS fleet to their preferred pick-up location.

The specific legislative actions required are:

1. Amend the 2023 capital budget to increase funding for the Monroe County Library System Fleet Replacement project in the amount of \$20,000, from \$286,000 to \$306,000, for a total project authorization of \$306,000.
2. Authorize an interfund transfer of \$20,000 from library fund 9006 to capital fund 2035.

This is a Type II Action pursuant to 6 NYCRR §617.5(c)(31) (“purchase or sale of furnishings, equipment or supplies, including surplus government property, other than the following: land, radioactive material, pesticides, herbicides, or other hazardous materials”) and is not subject to further review under the State Environmental Quality Review Act.

Funding for this project, consistent with authorized uses, will be available in capital fund 2035 once the interfund transfer requested herein is approved and in any other capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Subject: Authorizing a License Agreement with Monica Daniel Gil to Run a Summer Camp Program at Ellison Park's Pavilion Lodge

Honorable Legislators:

I recommend that Your Honorable Body authorize a License Agreement with Monica Daniel Gil to run a weekday summer camp program at Ellison Park's Pavilion Lodge in July and August 2023.

Ms. Daniel Gil seeks to rent Pavilion Lodge at Ellison Park to run a six week summer day camp, on weekdays only, starting July 10, 2023 and ending August 18, 2023. Under county law, commercial use of a county park facility requires the issuance of a revocable license and the approval of the County Legislature.

The day camp's programming is fully English-Spanish bilingual and its mission is focused on helping campers and their families learn to appreciate their natural surroundings and take an active role in caring for our environment. Programming for participants would include creative activities such as songs, calisthenics, dance, yoga, and science experiments, outdoor activities such as using the park playground, soccer, and mini-golf, and camp games.

Each camp session would run approximately 8:30 a.m. to 4:30 p.m. weekdays, and approximately 72 children aged 4-12 would participate in each of the weeklong sessions.

The Summer Day Camp would be required to work with the county Department of Public Health to meet the same safety planning and permitting requirements as any day camp program in Monroe County and would be required to demonstrate insurance coverage naming Monroe County as an additional insured entity, like any other permitted special event held in a county park.

As consideration for the license, Ms. Gil would be required to remit a payment equal to the standard weekday rate for Pavilion Lodge for 30 days totaling \$10,650.

The specific legislative action required is to authorize a license agreement with Monica Daniel Gil to run a weekday summer camp program at Ellison Park's Pavilion Lodge in July and August 2023.

Subject: Amend Resolution 282 of 2021, as Amended by Resolution 330 of 2022 to Accept Additional Funding from the United States Department of the Treasury for the Emergency Rental Assistance 2 Program, Monroe County Eviction Prevention Pilot Initiative 2.0

Honorable Legislators:

I recommend that Your Honorable Body amend Resolution 282 of 2021, as Amended by Resolution 330 of 2022 to accept additional funding from the United States Department of the Treasury ("Treasury"), in the amount of \$46,004.30, for the Emergency Rental Assistance 2 Program (ERA2), Monroe County Eviction Prevention Pilot Initiative 2.0 for the period of March 11, 2021 through September 30, 2025.

Your Honorable Body accepted an initial ERA2 award of \$22,050,597.30 in August 2021 and an additional allocation of \$226,900.63 in November 2022. Funding has been used to support the Monroe County Eviction Prevention Pilot Initiative 2.0 (EPPI 2.0). Under the EPPI 2.0 program, Monroe County covered up to fifteen months' rent and utilities arrears for eligible households, and up to three months future rent and utilities where ongoing housing stability is at risk.

The Treasury has been monitoring actual spending of ERA2 funding and offered municipalities the opportunity to apply for additional funding from reallocated under-spending of other governments. Monroe County applied for reallocated funding and has been granted an additional \$46,004.30 bringing the total ERA2 award to \$22,322,502.23. At this time, Monroe County intends to use its remaining ERA2 funding, including this additional award, to provide legal services to those facing eviction.

Monroe County's EPPI 2.0 is also funded by the first iteration of the Treasury's Emergency Rental Assistance program, ERA1. Under ERA1, Monroe County has received to date a total of \$24,156,425.99 (combined City and County allocations), which was fully obligated as of December 29, 2022. With this new reallocated award, the combined ERA1 and ERA2 funding for the Eviction Prevention Pilot Initiative 2.0 is now a total of \$46,478,928.22.

The specific legislative actions required are:

1. Amend Resolution 282 of 2021, as Amended by Resolution 330 of 2022, to accept additional funding from the United States Department of the Treasury for the Emergency Rental Assistance 2 Program in the amount of \$46,004.30 for a total award of \$22,322,502.23.

2. Amend the 2023 operating budget of the Department of Finance by appropriating the sum of \$46,004.30, into general fund 9001, funds center 1209070200, Emergency Rental Assistance.

This action is a Type II Action pursuant to §6 NYCRR 617.5(26) (“routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment”) and is not subject to further review under the State Environmental Quality Review Act.

This grant is 100% funded by United States Department of the Treasury. No net County support is required in the Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, and to make any necessary funding modifications within the grant guidelines to meet contractual commitments.

Any termination or abolishment of positions shall be in accordance with the New York State Civil Service Law, and when applicable, the terms of any labor agreement affecting such positions.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) (“routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment”) and is not subject to further review under the State Environmental Quality Review Act.

**OUTCOME ASSESSMENT
METHODOLOGY:**

All program activities are designed to promote goal achievement and be quantified, measured and tracked. Routine (monthly, quarterly, annually) reviews of progress activities and outcomes allow modifications to be made as needed to support successful outcomes and goal achievement. Measurement tools are developed, and data is collected, reviewed and analyzed by program administrators and the agency Board of Directors, and is used to mark progress toward program goals and to make quality improvements. Measuring program performance is accomplished by querying the agency's Management Information System (which has been maintained for over 23 years) to generate utilization, outcome and impact reports no less than quarterly which is essential to planning, updating, revising and developing new procedures, protocols and services.

Reports compare actual outcomes to the projected outcomes and are used to inform service methodology or program objective modifications needed. These reports also identify emerging trends, changes in client demographics, geographic distribution and service utilization. Program goals are quantified so that data can be collected and progress evaluated. The efficacy of services/activities is reflected in the impact (i.e., knowledge gained, skills developed, and behavior change) on the participant and by their direct feedback as to its relevancy. Service methodology is modified as needed to improve efficacy. In this way, services remain client-centered and directed, current and meaningful and successful services/activities are noted and replicated.

The Compeer Model is a proven best practice. The Compeer Model is listed in the National Registry of Evidence-based Programs and Practices (NREPP), a searchable online database of mental health and substance abuse programs that have been rated for the quality of research supporting intervention outcomes and the availability of training and implementation materials. All interventions in the registry have met NREPP's requirements for readiness for dissemination. The NREPP is a program of the Substance Abuse and Mental Health Services Administration (SAMHSA), a branch of the U.S.

Department of Health and Human Services. SAMHSA's mission is to reduce the impact of substance abuse and mental illness on America's communities. The purpose of NREPP is to help the public learn more about mental health and substance abuse programs and determine which of these may best meet their needs.

The Compeer Model includes thorough mentor screening, comprehensive training and ongoing monitoring of the mentor-mentee match. Fidelity to the Model maintains the integrity of the match and the increased likelihood that match goals will be achieved. Compeer Rochester is unique in our community because we provide the services of a bilingual (Spanish) Family Peer Advocate whose role is to assist families through challenges that arise that might have an offsetting impact on an otherwise effective mentoring relationship.

Subject: Amend the 2023 Capital Budget and Bond Resolution 472 of 2021 to Provide an Increase in Funding for Additional Engineering Services for the North Hamlin Road Bridge Project in the Town of Hamlin

Honorable Legislators:

I recommend that Your Honorable Body amend the 2023 Capital Budget and Bond Resolution 472 of 2021 to provide an increase in funding in the amount of \$75,000 for additional engineering services for the North Hamlin Road Bridge Project in the Town of Hamlin.

The project initially involved the rehabilitation of the existing bridge on North Hamlin Road over Sandy Creek in the Town of Hamlin which included restoring the existing bridge deck and maintaining the existing steel superstructure. However, during preliminary design, it was determined that the steel and the bridge deck needed full replacement. In addition, two species of mussels were observed at the project site that are not listed as threatened or endangered, however, they are of conservation concern and will require relocation prior to construction activities. Therefore, additional funding of \$75,000 is needed at this time to facilitate this added design work. The current total for the project design is now \$275,000. The current schedule for this project is to conduct design in 2023-2024 with a construction start in 2025.

The specific legislative actions required are:

1. Amend the 2023 Capital Budget to increase funding for the North Hamlin Road Bridge Project in the Town of Hamlin, in the amount of \$75,000 from \$200,000 to \$275,000, for a total project authorization of \$275,000.
2. Amend Bond Resolution 472 of 2021 to increase financing for the North Hamlin Road Bridge Project in the Town of Hamlin, capital fund 2022, in the amount of \$75,000 from \$200,000 to \$275,000, for a total project authorization of \$275,000.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(2) ("replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this project, consistent with authorized uses, will be included in capital fund 2022 once the additional financing authorization herein is approved and in any other capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

This matter is being referred to Your Honorable Body at the request of District Attorney Sandra Doorley and Sheriff Todd Baxter.

I recommend that Your Honorable Body authorize Federal Equitable Sharing Agreements with the United States Department of Justice and the United States Department of the Treasury for participation by the Monroe County District Attorney's Office and the Monroe County Sheriff's Office in the federal equitable sharing programs for federally forfeited cash, property, and proceeds obtained in the course of joint law enforcement investigations and prosecutions for the period of January 1, 2023 through December 31, 2023.

In an effort to further encourage cooperation among federal, state and local law enforcement agencies and to punish and deter criminal activity by depriving criminals of property used or acquired through illegal activities, the United States Congress provided the Secretary of the Treasury and the United States Attorney General with the authority to share federally forfeited cash, property, and proceeds with participating federal, state, and local law enforcement agencies. Subject: Authorize a Contract with Squad 9, LLC for Rochester Threat Advisory Committee Program Management

Honorable Legislators:

This matter is being referred to Your Honorable Body at the request of Sheriff Todd K. Baxter.

I recommend that Your Honorable Body authorize a contract with Squad 9, LLC for Rochester Threat Advisory Committee ("ROCTAC") Program Management, in an amount not exceed \$50,000 for the period of January 1, 2023 through September 30, 2024.

Squad 9, LLC will provide program management for the Rochester Threat Advisory Committee. Program Management will allow a central point of information coordination for the ROCTAC Team. Squad 9, LLC will conduct case review, update cases, implement a communication, marketing and training plan along with increasing the awareness of ROCTAC in the community. Squad 9, LLC will also coordinate ROCTAC cases and data collection.

Funding for this project is provided by the NYS Division of Homeland Security and Emergency Services ("DHSES"), FY22 TVTP grant and a single source request was approved by NYS DHSES this contract.

The specific legislative action required is to authorize the County Executive, or his designee, to execute a contract, and any amendments thereto, with Squad 9 LLC, 65 Falling Brook Road, Fairport, New York 14450, for Rochester Threat Advisory Committee Program Management in the amount of \$50,000 for the period of January 1, 2023 through September 31, 2024.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this contract is included in the 2023 operating budget of the Sheriff's Office, fund 9300, funds center 3803010000, Police Bureau Administration. No additional net County support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury have indicated that neither Squad 9, LLC, nor any of its principal officers, owe any delinquent Monroe County property taxes. The principal officers of the firm are:

Kevin Black
Joseph Testani

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Subject: Authorization to Enter into Three Settlement Agreements in the New York Coordinated Opioid Litigation (Supreme Court, Suffolk County Index No. 400000/2017)

Honorable Legislators:

I recommend that Your Honorable Body authorize settlement agreements to recover funds from three national retail chain pharmacies, Walgreens, CVS, and Walmart, in connection with the New York Coordinated Opioid Litigation, *In re Opioid Litigation* (Supreme Court, Suffolk County Index No. 400000/2017) and the national settlement agreements reached with these pharmacies. Through these settlements, Monroe County will receive additional funds to address the opioid crisis in our community.

Your Honorable Body has previously authorized settlements with several opioid manufacturers and distributors. This round of settlements addresses the responsibility of several major national retail pharmacy chains. Pursuant to these nation-wide settlement agreements, Walgreens will pay approximately \$5.7 billion over 15 years, CVS will pay approximately \$5 billion over ten years, and Walmart will pay approximately \$3 billion over 6 years.

Under the terms of the settlement, Monroe County will receive up to \$2,382,816.76 from Walgreens, \$2,219,665.82 from CVS, and \$1,403,151.82 from Walmart, each paid over the term of the settlement agreements. As with the prior opioid settlements, the total amount the defendants are obligated to pay to participating municipalities is dependent on the level of participation by municipalities in the settlement agreement. Monroe County will receive the maximum settlement value if the maximum participation threshold is met. Like prior settlements, these settlements technically consist of both funds restricted to use in combating the opioid epidemic and unrestricted funds, but Monroe County will place all settlement proceeds in a trust fund dedicated to responding to the opioid epidemic and the ongoing harm it is causing our community.

Both Monroe County's outside counsel for the opioid litigation, Simmons Hanly Conroy, and the New York Attorney General on behalf of the State of New York have approved this settlement.

The specific legislative actions required are:

1. Authorize the settlement and release of the County's claims in *In re Opioid Litigation* (Supreme Court, Suffolk County Index No. 400000/2017) against Walgreen Co., CVS Health Corporation, CVS Pharmacy, Inc., Walmart, Inc., and other affiliated entities as defined in the applicable nation-wide settlement agreements.
2. Authorize the County Executive, or his designee, to execute and deliver any and all documents necessary to effectuate such settlements.

The legislative action requested in this referral is not an "Action," as that term is defined in 6 NYCRR § 617.2(b), and is not subject to review under the State Environmental Quality Review Act.

These contracts are revenue generating and no net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body. I request that this referral be considered in Executive Session, pursuant to Public Officer's Law § 105(1)(d).

Sincerely,

Subject: Enact a Local Law Entitled "Waiver of Residency Requirement for Monroe County Road Patrol Deputies"

Honorable Legislators:

This matter is being jointly submitted by myself and Sheriff Todd K. Baxter. I recommend that Your Honorable Body enact a local law entitled "Waiver of Residency Requirement for Monroe County Road Patrol Deputies."

Over the past five years, the pool of applicants for the position of Monroe County Deputy Sheriff-Road Patrol ("Road Patrol Deputy") has significantly decreased. Currently, Road Patrol Deputies are required to reside in Monroe County. All other law enforcement agencies in Monroe County allow their officers to reside outside of the County or the jurisdiction where they serve. Because of this requirement, Monroe County loses highly-qualified applicants to other local police agencies. Lateral candidates, many of whom have established homes and children in local schools, are reluctant to consider transferring to the Monroe County Sheriff's Office because of the residency requirement.

The proposed local law will help ease staffing levels among Road Patrol Deputies and allow deputies to reside in Monroe County or any other adjoining county. Furthermore, this local law will enable the Sheriff's Office to be competitive with other local law enforcement agencies in the recruitment of qualified Road Patrol Deputies.

This action is a Type II Action pursuant to 6 NYCRR §617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

Enactment of this Local Law will have no impact on the revenues or expenditures of the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable body.

Sincerely,

Adam J. Bello
Monroe County Executive

Subject: Amend the 2023-2028 Capital Improvement Program and the 2023 Capital Budget to Add a Project Entitled "ERP System Replacement" and Authorize an Interfund Transfer

Honorable Legislators:

I recommend that Your Honorable Body amend the 2023-2028 Capital Improvement Program and the 2023 Capital Budget to add a project entitled "ERP System Replacement" in the amount of \$9,500,000 and authorize an interfund transfer for the project in the amount of \$9,500,000.

Monroe County's current Enterprise Resource Planning ("ERP") system, SAP, was acquired in 2004 and put into production in 2005. After eighteen years, significant customization, and numerous upgrades, the system has reached the end of its serviceable useful life. Procurement for a replacement system has begun with the assistance of our contracted ERP advisors, Avero, LLC, and County staff from several administrative and operating departments are evaluating the solicited proposals that have been received.

The purpose of this capital project is to secure authorization for the necessary professional services to appropriately configure a new ERP system for County use, allow for sufficient data migration from SAP and accessible archived data for historical data that will not migrate, provide connectivity solutions for other existing County systems that will continue to operate outside of the ERP environment, provide the requisite employee training prior to full system production, and provide post-production support.

Upon selection of a new ERP system, we will request authorization from Your Honorable Body to enter into agreements for ERP system licensing and professional services for system implementation.

This project is scheduled to be considered by the Monroe County Planning Board at its March 23, 2023 meeting.

The specific legislative actions required are:

1. Amend the 2023-2028 Capital Improvement Program to add a project entitled "ERP System Replacement," in the amount of \$9,500,000.
2. Amend the 2023 Capital Budget to add a project entitled "ERP System Replacement," in the amount of \$9,500,000.

3. Appropriate fund balance in the amount of \$9,500,000 and authorize its transfer from general fund 9001 to the capital fund to be created for the project entitled "ERP System Replacement."

This action is a Type II Action pursuant to 6 NYCRR §617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this project, consistent with authorized uses, will be included in the capital fund to be established once the interfund transfer is approved, and any other capital fund(s) created for the same intended purpose.

The interfund transfer will require \$9,500,000 of net County support for which the appropriation of fund balance is requested.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

Re: Enacting a Local Law Amending the Code of Ethics

Honorable Legislators:

As Legislators and public servants, we must be held to the highest standards of conduct. This legislation would strengthen the Monroe County Code of Ethics, adding provisions addressing conflicts of interest, use of county resources for political purposes and sexual harassment.

The Code of Ethics has not undergone substantial revisions in many years. This legislation seeks to begin to bring the Code of Ethics in line with peer counties in New York State.

The reforms proposed in this legislation would do the following:

- Make sexual harassment conduct that is prohibited.
- Require high-ranking officers to receive approval for outside employment.
- Require officials to recuse themselves in writing from matters in which they have a conflict.
- Close the revolving door of officers leaving County employment.
- Prohibit candidates from putting their images on taxpayer-funded mailings and ads before elections.
- Ban coercion of employees and use of County resources for political campaigns.

The specific legislative actions required are:

1. Schedule and hold a public hearing.
2. Adopt the Local Law as attached.

These important and common-sense additions and modifications to the Code of Ethics further ensure integrity of Monroe County government and the public's confidence in our work.

This proposal will have no impact on the revenue and/or expenditures of the current Monroe County Budget.

Sincerely,

Rachel Barnhart

By Legislator Barnhart

Re: Enacting a Local Law Amending the Code of Ethics

Honorable Legislators:

As Legislators and public servants, we must be held to the highest standards of conduct. This legislation would strengthen the Monroe County Code of Ethics, adding provisions addressing conflicts of interest, use of county resources for political purposes and sexual harassment.

The Code of Ethics has not undergone substantial revisions in many years. This legislation seeks to begin to bring the Code of Ethics in line with peer counties in New York State.

The reforms proposed in this legislation would do the following:

- Make sexual harassment conduct that is prohibited.
- Require high-ranking officers to receive approval for outside employment.
- Require officials to recuse themselves in writing from matters in which they have a conflict.
- Close the revolving door of officers leaving County employment.
- Prohibit candidates from putting their images on taxpayer-funded mailings and ads before elections.
- Ban coercion of employees and use of County resources for political campaigns.

The specific legislative actions required are:

1. Schedule and hold a public hearing.
2. Adopt the Local Law as attached.

These important and common-sense additions and modifications to the Code of Ethics further ensure integrity of Monroe County government and the public's confidence in our work.

This proposal will have no impact on the revenue and/or expenditures of the current Monroe County Budget.

Sincerely,

Rachel Barnhart

By Legislator Barnhart

Subject: Banning of Vaping in Monroe County Parks

Honorable Legislators:

We, the undersigned, do hereby submit to this Honorable Body a resolution to ban vaping in County public parks. New York State established a law in 2022 to prohibit smoking in any public park that is under the control of any state or local government; Assembly Bill 05061/Senate Bill S04142 was signed by Governor Hochul on July 15, 2022. A park is defined to include public parks, beaches, pools, boardwalks, marinas, playgrounds, recreation centers, group camps and the equipment, buildings and facilities in any of those areas.

Those smoke-free requirements apply to both state-owned parks, as well as those managed by local governments. The enacted State law restricts only "smoking," which is defined separately than "vaping" in New York law. Local units of government retain the ability to adopt stronger regulations that would restrict vaping or e-cigarette use in outdoor areas.

The specific legislative action required is to amend the Section 323-29 of the Monroe County Code to institute a ban on the use of vaping products in County parks.

This resolution will have no fiscal impact on Monroe County's Budget.

Subject: Amend the 2023-2028 Capital Improvement Program and the 2023 Capital Budget and Bond Resolution 184 of 2021 to Provide an Increase in Funding, and Authorize a Contract with DiPasquale Construction, Inc. for Construction Services for the Specialized Secure Detention Facility Project

Honorable Legislators:

I recommend that Your Honorable Body amend the 2023-2028 Capital Improvement Program and the 2023 Capital Budget and Bond Resolution 184 of 2021 to revise the scope of the project entitled "Specialized Secure Detention Facility Project," provide an increase in funding, and authorize a contract with DiPasquale Construction, Inc. for construction services for the specialized secure detention facility project.

This project includes the design and construction of new facilities at the Children's Detention Center ("CDC") as required by New York State's Raise the Age initiative. Phase One of the work has been completed, which involved reconstruction of a portion of Building 67 at the CDC to establish ten (10) initial beds for Adolescent Offenders. Phase Two of the project involves construction of new housing units to optimize accommodations for the fluctuating number of mixed populations of male and female Adolescent Offenders, Juvenile Offenders and Juvenile Delinquents, and expanding and modernizing the program space necessary for education, health care, counselling, security, administration, food service, and recreation so that proper sight-and-sound separation is achieved for the mixed populations of male and female Adolescent Offenders, Juvenile Offenders and Juvenile Delinquents.

Your Honorable Body, through Bond Resolution 184 of 2021, authorized financing in the amount of \$36,600,000 for Phases One and Two of the Specialized Secure Detention Project at the CDC. That original authorization was based on construction of twenty-four (24) new bedrooms and associated program space, plus the ten (10) bedroom built in Phase One, for a total occupancy of thirty-four (34) beds. Monroe County's Department of Human Services ("DHS") and the New York State Office of Children and Family Services ("OCFS"), which oversees Juvenile Offenders and Juvenile Delinquents, and Commission of Correction ("COC"), which oversees Adolescent Offenders, agreed that the number of beds and program space to meet the needs of the County and the region had to be increased. The project that was designed and bid includes the construction of forty-eight (48) new bedrooms and the associated increase in space necessary for programmatic needs. This results in a facility with a total occupancy of fifty-eight (58) bedrooms. The increased occupancy and programmatic space requirements for the CDC Phase Two Project results in the need to increase the total bonding authorization for the project in the amount of \$25,000,000 to \$61,600,000.

The entire facility will be constructed to Specialized Secure Detention criteria in order to accommodate the placement and movement of Adolescent Offenders throughout the facility. OCFS and COC have been actively involved in the review of the design of the new fifty-eight (58) bed facility, included enhanced programmatic space. COC has approved the project at its November 2, 2022 Commission Meeting.

New York State reimburses the County for the value of construction at a rate of forty-nine percent (49%) for the Secured Detention costs and one-hundred percent (100%) for the Specialized Secure Detention costs.

The following bids were received January 17, 2023:

DiPasquale Construction, Inc.	\$42,062,000
Manning Squires Hennig Co., Inc.	\$46,207,000
Pike Construction Services, Inc.	\$46,347,000
Holdsworth Klimowski Construction, LLC	\$46,471,000

The bids have been reviewed and DiPasquale Construction, Inc. has been determined to be the lowest responsible bidder pursuant to General Municipal Law §103.

This project is scheduled to be considered by the Monroe County Planning Board on February 16, 2023.

The specific legislative actions required are:

1. Amend the 2023-2028 Capital Improvement Program to revise the scope of the project entitled "Specialized Secure Detention Facility Project."
2. Amend the 2023 Capital Budget to increase funding for the Specialized Secure Detention Facility Project in the amount of \$25,000,000, from \$0 to \$25,000,000, for a total project authorization of \$61,600,000.
3. Amend Bond Resolution 184 of 2021 to increase financing for the Specialized Secure Detention Facility Project, capital fund 1894, in the amount of \$25,000,000, from \$36,600,000 to \$61,600,000, for a total project authorization of \$61,600,000.
4. Authorize the County Executive, or his designee, to execute a contract with DiPasquale Construction, Inc., 5138 West Ridge Road, Spencerport, New York 14559 in the amount of \$42,062,000, for construction services for the Specialized Secure Detention Facility Project, and any amendments necessary to complete the project within the total capital fund(s) appropriation.

This action is a Type I Action under the New York State Environmental Quality Review Act ("SEQRA"). Pursuant to Resolution 182 of 2021, the Monroe County Legislature issued a Negative Declaration for this action. No further action under SEQRA is required.

Funding for this project, consistent with authorized uses, will be available in capital fund 1894 once the additional financing authorization requested herein is approved, and in any capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury have indicated that neither DiPasquale Construction, Inc., nor any of its principal officers, owe any delinquent Monroe County property taxes. The principal officers of the firm are:

Christopher DiPasquale, President
Jason Colline, Vice President
Sunil P. Cheriyan, Chief Operations Officer
Jason McGuckin, Chief Financial Officer
Michael DePuyt, Senior Project Manager

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

The duly adopted current Capital Budget of the County, to the extent inconsistent herewith, is hereby amended to provide for the appropriation of an additional \$25,000,000 to pay the cost of the aforesaid class of objects or purposes (\$36,600,000 having been heretofore appropriated from one or more Capital Budgets). The period of probable usefulness of the aforesaid class of objects or purposes is twenty-five (25) years, pursuant to subdivision 12(a)(1) of paragraph a of Section 11.00 of the Local Finance Law, computed from June 29, 2022, the date of the first obligations issued therefor.

Section 2. The maximum estimated cost thereof is \$61,600,000, and the plan for the financing thereof is by the issuance of \$61,600,000 bonds of said County herein authorized, provided, however, that to the extent any state and/or federal aid and/or grant and/or gift is received for the aforesaid purpose, the County Executive, or his designee, is hereby authorized to accept and shall use such funds to redeem any outstanding indebtedness incurred for such purpose or apply it, dollar for dollar, to reduce the amount of bonds to be issued for such purpose.

Section 3. The faith and credit of the County are hereby irrevocably pledged for the payment of the principal of and interest on such obligations as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such obligations becoming due and payable in such year. The Director of Finance - Chief Financial Officer may sell such bonds or notes at public or private sale, at a discount or premium, at fixed or variable rates of interest or at no interest whatsoever, or as capital appreciation bonds, and with such amortization of principal as the Director of Finance - Chief Financial Officer shall determine is most favorable to the County, and in compliance with any rules of the State Comptroller applicable thereto. Such bonds or notes shall be of such terms, form and contents, and shall be sold in such manner, as may be

prescribed by said Director of Finance - Chief Financial Officer, consistent with the provisions of the Local Finance Law. The Director of Finance - Chief Financial Officer may, in the event it is determined to issue variable rate bonds or notes, enter into such agreements as said officer finds reasonable to facilitate the issuance, sale, resale and repurchase of such bonds or notes, as authorized under Section 54.90 of the Local Finance Law. The Director of Finance - Chief Financial Officer is also authorized to enter into such agreements and take such other action as may be necessary or appropriate and lawful to assure that, to the extent possible, (i) interest on the bonds and notes authorized hereby will not be includable in the gross income, for federal income tax purposes, of the recipients thereof, and (ii) to enable the purchaser thereof to comply with Securities and Exchange Commission Rule 15c2-12. The Director of Finance - Chief Financial Officer is hereby further delegated all powers of this County Legislature with respect to agreements for credit enhancement, derived from and pursuant to Section 168.00 of the Local Finance Law, for such bonds or notes, including, but not limited to the determination of the provider of such credit enhancement facility or facilities and the terms and contents of any agreement or agreements related thereto.

Section 5. All other matters, except as provided herein, relating to such bonds or notes, including prescribing whether manual or facsimile signatures shall appear on said bonds or notes, prescribing the method for the recording of ownership of said bonds or notes, appointing the fiscal agent or agents for said bonds or notes, providing for the printing and delivery of said bonds or notes (and if said bonds or notes are to be executed in the name of the County by only facsimile signatures, providing for the manual countersignature of a fiscal agent or of a designated official of the County), the date, form, denominations, maturities, interest rate or rates, terms of and manner of sale and interest payment dates, place or places of payment, and also including the consolidation with other issues, shall be determined by the Director of Finance - Chief Financial Officer. The Director of Finance - Chief Financial Officer may elect to become the fiscal agent for the bonds or notes, or may contract on behalf of the County for this service pursuant to the Local Finance Law. Such bonds or notes shall contain substantially the recital of validity clause provided for in Section 52.00 of the Local Finance Law and shall otherwise be in such form and contain such recitals, in addition to those required by Section 52.00 of the Local Finance Law, as the Director of Finance - Chief Financial Officer shall determine.

Section 6. The validity of such bonds and bond anticipation notes, as authorized by this resolution, may be contested only if:

- 1) such obligations are authorized for an object or purpose for which said County is not authorized to expend money, or
- 2) the provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with, and
an action, suit or proceeding contesting such validity is commenced within twenty (20) days after the date of such publication, or
- 3) such obligations are authorized in violation of the provisions of the Constitution.

Section 7. This resolution shall supersede Resolution No. 184 of 2021, being a bond resolution dated June 8, 2021, except to the extent that any indebtedness shall have been contracted or encumbrances made thereunder. The purpose of this superseding bond resolution is to effect the following: to increase the maximum estimated cost of the purpose to \$61,600,000, and to provide \$61,600,000 bonds therefor, an increase of \$25,000,000 over the \$36,600,000 bonds authorized under Resolution No. 184 of 2021.

Subject: Amend the 2023-2028 Capital Improvement Program and the 2023 Capital Budget and Bond Resolution 184 of 2021 to Provide an Increase in Funding, and Authorize a Contract with DiPasquale Construction, Inc. for Construction Services for the Specialized Secure Detention Facility Project

Honorable Legislators:

I recommend that Your Honorable Body amend the 2023-2028 Capital Improvement Program and the 2023 Capital Budget and Bond Resolution 184 of 2021 to revise the scope of the project entitled "Specialized Secure Detention Facility Project," provide an increase in funding, and authorize a contract with DiPasquale Construction, Inc. for construction services for the specialized secure detention facility project.

This project includes the design and construction of new facilities at the Children's Detention Center ("CDC") as required by New York State's Raise the Age initiative. Phase One of the work has been completed, which involved reconstruction of a portion of Building 67 at the CDC to establish ten (10) initial beds for Adolescent Offenders. Phase Two of the project involves construction of new housing units to optimize accommodations for the fluctuating number of mixed populations of male and female Adolescent Offenders, Juvenile Offenders and Juvenile Delinquents, and expanding and modernizing the program space necessary for education, health care, counselling, security, administration, food service, and recreation so that proper sight-and-sound separation is achieved for the mixed populations of male and female Adolescent Offenders, Juvenile Offenders and Juvenile Delinquents.

Your Honorable Body, through Bond Resolution 184 of 2021, authorized financing in the amount of \$36,600,000 for Phases One and Two of the Specialized Secure Detention Project at the CDC. That original authorization was based on construction of twenty-four (24) new bedrooms and associated program space, plus the ten (10) bedroom built in Phase One, for a total occupancy of thirty-four (34) beds. Monroe County's Department of Human Services ("DHS") and the New York State Office of Children and Family Services ("OCFS"), which oversees Juvenile Offenders and Juvenile Delinquents, and Commission of Correction ("COC"), which oversees Adolescent Offenders, agreed that the number of beds and program space to meet the needs of the County and the region had to be increased. The project that was designed and bid includes the construction of forty-eight (48) new bedrooms and the associated increase in space necessary for programmatic needs. This results in a facility with a total occupancy of fifty-eight (58) bedrooms. The increased occupancy and programmatic space requirements for the CDC Phase Two Project results in the need to increase the total bonding authorization for the project in the amount of \$25,000,000 to \$61,600,000.

The entire facility will be constructed to Specialized Secure Detention criteria in order to accommodate the placement and movement of Adolescent Offenders throughout the facility. OCFS and COC have been actively involved in the review of the design of the new fifty-eight (58) bed facility, included enhanced programmatic space. COC has approved the project at its November 2, 2022 Commission Meeting.

New York State reimburses the County for the value of construction at a rate of forty-nine percent (49%) for the Secured Detention costs and one-hundred percent (100%) for the Specialized Secure Detention costs.

The following bids were received January 17, 2023:

DiPasquale Construction, Inc.	\$42,062,000
Manning Squires Hennig Co., Inc.	\$46,207,000
Pike Construction Services, Inc.	\$46,347,000
Holdsworth Klimowski Construction, LLC	\$46,471,000

The bids have been reviewed and DiPasquale Construction, Inc. has been determined to be the lowest responsible bidder pursuant to General Municipal Law §103.

This project is scheduled to be considered by the Monroe County Planning Board on February 16, 2023.

The specific legislative actions required are:

1. Amend the 2023-2028 Capital Improvement Program to revise the scope of the project entitled "Specialized Secure Detention Facility Project."
2. Amend the 2023 Capital Budget to increase funding for the Specialized Secure Detention Facility Project in the amount of \$25,000,000, from \$0 to \$25,000,000, for a total project authorization of \$61,600,000.
3. Amend Bond Resolution 184 of 2021 to increase financing for the Specialized Secure Detention Facility Project, capital fund 1894, in the amount of \$25,000,000, from \$36,600,000 to \$61,600,000, for a total project authorization of \$61,600,000.
4. Authorize the County Executive, or his designee, to execute a contract with DiPasquale Construction, Inc., 5138 West Ridge Road, Spencerport, New York 14559 in the amount of \$42,062,000, for construction services for the Specialized Secure Detention Facility Project, and any amendments necessary to complete the project within the total capital fund(s) appropriation.

This action is a Type I Action under the New York State Environmental Quality Review Act ("SEQRA"). Pursuant to Resolution 182 of 2021, the Monroe County Legislature issued a Negative Declaration for this action. No further action under SEQRA is required.

Funding for this project, consistent with authorized uses, will be available in capital fund 1894 once the additional financing authorization requested herein is approved, and in any capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury have indicated that neither DiPasquale Construction, Inc., nor any of its principal officers, owe any delinquent Monroe County property taxes. The principal officers of the firm are:

Christopher DiPasquale, President
Jason Colline, Vice President
Sunil P. Cheriyan, Chief Operations Officer
Jason McGuckin, Chief Financial Officer
Michael DePuyt, Senior Project Manager

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello

Monroe County has appropriated the sum of \$34,636.35 as its share of the 2023 operating funds of the G/FLRPC. I am requesting authorization to make the annual contribution in a concurrently submitted referral. Pursuant to Section 119-00 of the General Municipal Law of the State of New York, Monroe County is authorized to provide for the payment of such appropriations to an officer of the agency designated by the agency to receive such monies provided that such officer shall have executed an official undertaking approved by the County Legislature. G/FLRPC has secured a Public Employees Blanket Bond, issued by National Grange Mutual Insurance Company, providing faithful performance blanket bond coverage for officers and employees of the G/FLRPC in the amount of \$500,000. Monroe County must approve such blanket bond as the official undertaking of G/FLRPC.

Subject: Amend the 2023 Capital Budget and Bond Resolution 45 of 2021 to Provide an Increase in Funding for Construction Services for the Lake Road II Project in the Town of Webster

Honorable Legislators:

I recommend that Your Honorable Body amend the 2023 Capital Budget and Bond Resolution 45 of 2021 to provide an increase in funding in the amount of \$350,000 for the Lake Road II Project in the Town of Webster.

This project involves rehabilitation/widening of Lake Road from Bay Road to Pellett Road. The work involves pavement rehabilitation and shoulder widening, full depth pavement reconstruction at some locations to improve sight distance, curb, gutters, water main improvements, and closed drainage replacement. There are currently insufficient funds available for the project due to increased costs since it was initially programmed in the Capital Improvement Program. The increase is due to the large escalation in the costs of fuel and asphalt during this two year project. Costs for construction inspection were also higher than originally anticipated.

The specific legislative actions required are:

- 1. Amend the 2023 Capital Budget to increase funding for the Lake Road II Project in the Town of Webster, in the amount of \$350,000 from \$10,500,000 to \$10,850,000, for a total project authorization of \$10,850,000.
2. Amend Bond Resolution 45 of 2021 to increase financing for the Lake Road II Project in the Town of Webster, capital fund 1841, in the amount of \$350,000 from \$10,500,000 to \$10,850,000, for a total project authorization of \$10,850,000.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(e)(2) ("replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this contract, consistent with authorized uses, will be included in capital fund 1841 once the additional financing authorization herein is approved and in any other capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

BE IT RESOLVED BY THE AFFIRMATIVE VOTE OF NOT LESS THAN TWO-THIRDS OF THE TOTAL VOTING STRENGTH OF THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. For the object or purpose of financing the cost of the rehabilitation and improvement of Lake Road, Phase II, from Bay Road to Pellett Road, in and for the County of Monroe, New York (the "County"), there are hereby authorized to be issued \$10,850,000 bonds of the County, pursuant to the provisions of the Local Finance Law. The duly adopted current Capital Budget of the County, to the extent inconsistent herewith, is hereby amended to provide for the appropriation of an additional \$350,000 to pay the cost of the aforesaid specific object or purpose (\$10,500,000 having been heretofore appropriated from one or more Capital Budgets). The period of probable usefulness of the aforesaid specific object or purpose is fifteen (15) years, pursuant to subdivision 20 of paragraph a of Section 11.00 of the Local Finance Law, computed from December 22, 2017 the date of the first obligations issued therefore.

Section 2. The maximum estimated cost thereof is \$10,850,000, and the plan for the financing thereof is by the issuance of \$10,850,000 bonds of said County herein authorized, provided, however, that to the extent any state and/or federal aid and/or grant and/or gift is received for the aforesaid purpose, the County Executive, or his designee, is hereby authorized to accept and shall use such funds to redeem any outstanding indebtedness incurred for such purpose or apply it, dollar for dollar, to reduce the amount of bonds to be issued for such purpose.

Section 3. The faith and credit of the County are hereby irrevocably pledged for the payment of the principal of and interest on such obligations as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such obligations becoming due and payable in such year. There shall annually be levied on all the taxable real property of said County a tax sufficient to pay the principal of and interest on such obligations as the same become due and payable.

Section 4. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell the bonds and bond anticipation notes in anticipation of the issuance and sale of the bonds herein authorized, including renewals of such notes, is hereby delegated to the Director of Finance - Chief Financial Officer, the chief fiscal officer of the County under the Local Finance Law. The Director of Finance - Chief Financial Officer may sell such bonds or notes at public or private sale, at a discount or premium, at fixed or variable rates of interest or at no interest whatsoever, or as capital appreciation bonds, and with such amortization of principal as the Director of Finance - Chief Financial Officer shall determine is most favorable to the County, and in compliance with any rules of the State Comptroller applicable thereto.

Such bonds or notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Director of Finance - Chief Financial Officer, consistent with the provisions of the Local Finance Law. The Director of Finance - Chief Financial Officer may, in the event it is determined to issue variable rate bonds or notes, enter into such agreements as said officer finds reasonable to facilitate the issuance, sale, resale and repurchase of such bonds or notes, as authorized under Section 54.90 of the Local Finance Law. The Director of Finance - Chief Financial Officer is also authorized to enter into such agreements and take such other action as may be necessary or appropriate and lawful to assure that, to the extent possible, (i) interest on the bonds and notes authorized hereby will not be includable in the gross income, for federal income tax purposes, of the recipients thereof, and (ii) to enable the purchaser thereof to comply with Securities and Exchange Commission Rule 15c2-12. The Director of Finance - Chief Financial Officer is hereby further delegated all powers of this County Legislature with respect to agreements for credit enhancement, derived from and pursuant to Section 168.00 of the Local Finance Law, for such bonds or notes, including, but not limited to the determination of the provider of such credit enhancement facility or facilities and the terms and contents of any agreement or agreements related thereto.

Section 5. All other matters, except as provided herein, relating to such bonds or notes, including prescribing whether manual or facsimile signatures shall appear on said bonds or notes, prescribing the method for the recording of ownership of said bonds or notes, appointing the fiscal agent or agents for said bonds or notes, providing for the printing and delivery of said bonds or notes (and if said bonds or notes are to be executed in the name of the County by only facsimile signatures, providing for the manual countersignature of a fiscal agent or of a designated official of the County), the date, form, denominations, maturities, interest rate or rates, terms of and manner of sale and interest payment dates, place or places of payment, and also including the consolidation with other issues, shall be determined by the Director of Finance - Chief Financial Officer. The Director of Finance - Chief Financial Officer may elect to become the fiscal agent for the bonds or notes, or may contract on behalf of the County for this service pursuant to the Local Finance Law. Such bonds or notes shall contain substantially the recital of validity clause provided for in Section 52.00 of the Local Finance Law and shall otherwise be in such form and contain such recitals, in addition to those required by Section 52.00 of the Local Finance Law, as the Director of Finance - Chief Financial Officer shall determine.

Section 6. The validity of such bonds and bond anticipation notes, as authorized by this resolution, may be contested only if:

- 1) such obligations are authorized for an object or purpose for which said County is not authorized to expend money, or
- 2) the provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with, and
an action, suit or proceeding contesting such validity is commenced within twenty (20) days after the date of such publication, or
- 3) such obligations are authorized in violation of the provisions of the Constitution.

Section 7. This resolution shall supersede Resolution No. 45 of 2021, being a bond resolution dated February 9, 2021, except to the extent that any indebtedness shall have been contracted or encumbrances made thereunder. The purpose of this superseding bond resolution is to effect the following: to increase the maximum estimated cost of the purpose to \$10,850,000, and to provide \$10,850,000 bonds therefor, an increase of \$350,000 over the \$10,500,000 bonds authorized under Resolution No. 45 of 2021.

Section 8. This resolution shall constitute a statement of official intent for purposes of Section 1.150-2 of the Treasury Regulations. Other than as specified in this resolution, no monies are, or are reasonably

expected to be, reserved, allocated on a long-term basis, or otherwise set aside with respect to the permanent funding of the objects or purposes described herein.

Section 9. This resolution shall take effect in accordance with Section C2-7 of the Monroe County Charter and the Clerk of the Legislature is hereby authorized and directed to publish this resolution or a summary hereof to be published, together with a notice attached in substantially the form and in the manner prescribed by Section 81.00 of the Local Finance Law.

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with Keeler Construction Co., Inc. in the amount of \$1,133,701.65 for construction services and authorize an intermunicipal agreement with the Town of Pittsford in conjunction with the Stone Road Culverts project in the Town of Pittsford.

This project involves replacement of two box culverts on Stone Road: the first culvert is located approximately 900 feet west of Clover Street and the second is located approximately 1600 feet east of Clover Street. The work involves removal of the existing culverts and replacements with new precast concrete box culverts. Installation of new asphalt pavement, bridge railing, signs, and pavement markings will also be completed at each culvert location. In addition, during the design for the Stone Road Culverts project, the Town of Pittsford requested having the culverts extended 10' to the south in order to accommodate a future mixed-use Town Trail, and reimbursing the County for the appropriate costs relating to this work. The current schedule is to start work in spring 2023 with an anticipated completion by fall 2023.

The following four (4) bids were received on December 8, 2022:

The bids have been reviewed and Keeler Construction Co., Inc. has been determined to be the lowest responsible bidder pursuant to General Municipal Law §103.

The specific legislative actions required are:

- 1. Authorize the County Executive, or his designee, to execute a contract with Keeler Construction Co., Inc., 13519 W. Lee Road, Albion, New York 14411, in the amount of \$1,133,701.65 for construction services for the Stone Road Culverts Project in the Town of Pittsford, and any amendments necessary to complete the project within the total capital fund(s) appropriation.

2. Authorize the County Executive, or his designee, to execute a contract, and any amendments thereto, with the Town of Pittsford for reimbursement to Monroe County of appropriate design and construction costs relating to the culvert extensions for a future mixed-use trail in conjunction with the Stone Road Culverts project, in the estimated amount of \$160,000, with the final amount to be determined upon project completion.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(2) (“replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site”) and is not subject to further review under the State Environmental Quality Review Act.

Funding for this contract, consistent with authorized uses, is included in capital fund 2066 and any other capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

Subject: Authorize Intermunicipal Agreements with Ten Municipalities for the STOP-DWI Law Enforcement Program

Honorable Legislators:

I recommend that Your Honorable Body authorize intermunicipal agreements with the ten municipalities within Monroe County which have local police departments for the STOP-DWI Law Enforcement Program, in the total amount of \$119,749 for the period of January 1, 2023 through December 31, 2023.

These agreements will reimburse local police departments for anti-DWI enforcement efforts during 2023. The funding formula includes a base allocation of \$3,000 per police department, plus a percentage of the remaining funding derived from the 2021 DWI arrest totals of each law enforcement agency. Subject: Authorize an Intermunicipal Agreement with the City of Rochester to Accept Pass Through Funding from the United States Department of Justice for the 2022 Edward Byrne Memorial Justice Assistance Grant Program

Honorable Legislators:

I recommend that Your Honorable Body authorize an intermunicipal agreement with the City of Rochester to accept pass through funding from the United States Department of Justice in the amount of \$16,149 for the 2022 Edward Byrne Memorial Justice Assistance Grant Program for the period of October 1, 2021 through September 30, 2025.

This grant will be used to continue partial funding of the salary of one (1) Probation Officer who provides increased supervision to high-risk probationers with gang associations and a history of violence through Operation Nightwatch. Reduced caseloads allow officers to invest more time in these cases, establish rapport with probationers and their families, and work with probationers to eliminate risk factors associated with recidivism. This is the twenty-fourth year that Monroe County has received funding for this program. This funding represents a decrease of \$48,161 from last year.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to execute an intermunicipal agreement, and any amendments thereto, with the City of Rochester to accept pass through funding from the United States Department of Justice in the amount of \$16,149 for the 2022 Edward Byrne Memorial Justice Assistance Grant Program for the period of October 1, 2021 through September 30, 2025.

2. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, and to make any necessary funding modifications within grant guidelines to meet contractual commitments.
3. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

This is a Type II action pursuant to 6 NYCRR § 617.5(c)(26) (“routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment”) and is not subject to further review under the State Environmental Quality Review Act.

Funding for this grant is included in the 2023 operating budget of the Department of Public Safety, Office of Probation and Community Corrections, general fund 9001, funds center 2403040000, General Supervision.

This grant is 100% funded by the United States Department of Justice. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Subject: Authorizing a License Agreement with Rochester Brainerly LLC to Host Educational Outdoor Classes in Monroe County Parks

Honorable Legislators:

I recommend that Your Honorable Body authorize a license agreement with Rochester Brainerly LLC to host paid educational outdoor classes in Monroe County parks.

Rochester Brainerly is a community classroom that offers a wide variety of courses to the general public, from improvisation comedy and fresh pasta making to acrylic painting and houseplant care. Its classes are offered online and at off-site partner venues. Rochester Brainerly is seeking to add Monroe County Parks as one of these off-site partner venues for courses covering a number of closely park-related topics, such as hiking instruction or the natural history of Monroe County's parks.

Rochester Brainerly intends to run roughly two classes per month, during the months of May through September, occurring mostly on Fridays through Sundays. Classes will range from 8 to 30 participants along with a member of the Brainerly team and an instructor, with per-person pricing ranging from \$15 to \$40. Generally, classes will not exceed a 2-mile out and back hike. Rochester Brainerly has committed to working with the Parks Department to determine recommended parking locations and meeting points to ensure compatibility with lodge and shelter rentals and other scheduled park events.

As part of this licensing process, Rochester Brainerly will be required to apply for a Special Use Event Permit at a fee of \$150, based on the estimated total attendance over their course schedule of approximately 300 people.

The specific legislative action required is to authorize a license agreement with Rochester Brainerly LLC to host educational outdoor classes in Monroe County parks in 2023.

This action is a Type II Action pursuant to 6 NYCRR 617.5(c)(21) ("minor temporary uses of land having negligible or no permanent impact on the environment") and is not subject to further review under the State Environmental Quality Review Act.

This license is revenue generating and no net County support is required in the current Monroe County budget.

The records of the Office of the Monroe County Treasury have indicated that neither Rochester Brainers LLC, nor its principal officer, Danielle Raymo, owe any delinquent Monroe County property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

Subject: Authorizing a License Agreement with Mortalis Brewing Co. LLC for the Mortalis + Swiftwater Luau Festival

Honorable Legislators:

I recommend that Your Honorable Body authorize a license agreement with Mortalis Brewing Co. LLC to host the 2023 Mortalis + Swiftwater Luau at the Roger Robach Community Center at Ontario Bach Park on July 8, 2023.

Mortalis Brewing Co., along with Swiftwater Brewing, seeks to charge admission fees for this luau, a craft beer tasting event which will also feature merchandise from participating breweries, food trucks, and music. The luau has grown into a national beer festival featuring 46 breweries from around the country. This for-profit use of a County park facility requires the issuance of a revocable license and the approval of the County Legislature.

The event will use the upstairs event hall at the Robach Center as well as the grassy walled courtyard without tennis and pickleball courts east of the building. The organizers' goal is to sell 750 tickets for the event, between a limited "VIP" session to be held from 12 p.m. to 1 p.m. and a general admission session to be held from 1 p.m. to 5 p.m.

As part of this licensing process, Mortalis has or will be required to pay \$1,050 for the use of the hall and courtyard, \$150 for a Special Use Event Permit, and \$50 for each individual business entity selling items at the event. Mortalis will also be contracting with private security for this event to ensure an orderly and safe event for attendees.

The specific legislative action required is to authorize a license agreement with Mortalis Brewing Co. LLC to host the 2023 Mortalis + Swiftwater Luau on July 8, 2023.

This action is a Type II Action pursuant to 6 NYCRR 617.5(c)(21) ("minor temporary uses of land having negligible or no permanent impact on the environment") and is not subject to further review under the State Environmental Quality Review Act.

This license is revenue generating and no net County support is required in the current Monroe County budget.

The records of the Office of the Monroe County Treasury have indicated that neither Mortalis Brewing Co. LLC, nor its principal officer, Paul Grenier, owe any delinquent Monroe County property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello

Subject: Authorize the Monroe County/Monroe County Bar Association Plan Regarding the Conflict Defender's Office and Assigned Counsel Program and Authorize One Position Upgrade

Honorable Legislators:

I recommend that Your Honorable Body authorize The Monroe County/Monroe County Bar Association Plan regarding the Conflict Defender's Office and Assigned Counsel Program pursuant to Section 722 of the New York State County Law, and authorize upgrading the Assigned Counsel Administrator position from a Group 21 to a Group 23.

The Monroe County/Monroe County Bar Association Plan Regarding the Conflict Defender's Office and Assigned Counsel Program ("the Plan") is a cooperative effort between Monroe County and the Monroe County Bar Association ("the Bar Association") for the provision of high quality legal services to eligible public defense clients. The Monroe County Assigned Counsel Program began operation in all courts in Monroe County in 1992. In 2003, by agreement between Monroe County, the Bar Association, and New York State, the Monroe County Conflict Defender's Office was created. At that time, the Monroe County Assigned Counsel Program became part of the Conflict Defender's Office. The Conflict Defender's Office and Assigned Counsel Program have continued to operate as one office, under a single administrator, since that time.

In 2019, the New York State Office of Indigent Legal Services ("ILS") adopted Standards for Establishing and Administering Assigned Counsel Programs. These "Black Letter Standards" recommend that assigned counsel programs operate independently of a Conflict Defender's office. Monroe County's funding agreement with ILS contemplates that the Conflict Defender's Office and Assigned Counsel Program will split beginning in 2023. The revised Plan effectuates this split. The ILS Standards and revised Plan also each require that the Assigned Counsel Administrator be an independent office leader at the same grade as the Conflict Defender. Adoption of this referral would upgrade the Assigned Counsel Administrator to the same grade as the Conflict Defender.

The Board of Trustees of the Monroe County Bar Association has approved this revised Bar Plan.

The specific legislative actions required are:

1. Authorize the Monroe County/Monroe County Bar Association Plan regarding the Conflict Defender's Office and Assigned Counsel Program pursuant to Section 722 of the New York State County Law.
2. Authorize the County Executive, or his designee, to upgrade the Assigned Counsel Administrator position from a Group 21 to a Group 23.

The legislative action requested in this referral is not an "Action," as that term is defined in 6 NYCRR § 617.2(b), and is not subject to review under the State Environmental Quality Review Act.

Funding for this position is included in the 2023 operating budget of the Department of Public Safety, general fund 9300, funds center 2402010000, Legal Representation No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committees for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

THE MONROE COUNTY/MONROE COUNTY
BAR ASSOCIATION PLAN REGARDING THE
CONFLICT DEFENDER'S OFFICE AND
ASSIGNED COUNSEL PROGRAM

INTRODUCTION

The Monroe County/Monroe County Bar Association Plan Regarding the Conflict Defender's Office and Assigned Counsel Program ("the Plan") is a cooperative effort between Monroe County ("the County") and the Monroe County Bar Association ("the Bar" or "the Bar Association") for the provision of high quality legal services to eligible public defense clients. Eligible public defense clients are individuals who possess a constitutional or statutory right to assigned counsel pursuant to Article 18-B of the County Law, Section 262 of the Family Court Act, Section 407 of the Surrogate's Court Procedure Act, Section 259-i(3)(f)(v) of the Executive Law or any other current or subsequently enacted statutory provisions conferring the right to assigned counsel.

GOAL OF THE PLAN

The goal of this Plan is for the Conflict Defender's Office and Assigned Counsel Program to provide high quality legal representation to eligible public defense clients.

OBJECTIVES OF THE PLAN

The objectives of this Plan are to:

- provide high quality legal representation to eligible public defense clients;
- ensure cost accountability of services; and
- provide increased efficiency for the courts by making qualified attorneys more readily available to handle cases.

HISTORY

The Monroe County Assigned Counsel Program began operation in all courts in Monroe County in 1992. In 2003 pursuant to County Law 722(3)(a), the Monroe County Conflict Defender's Office was created by agreement between Monroe County, the Monroe County Bar Association and New York State. At that time, the Monroe County Assigned Counsel Program became part of the Conflict Defender's Office. The Conflict Defender's Office began operating in Rochester City Court, Monroe County Family Court and the appellate courts in Monroe County. The combined offices have continued to be one office, organized under a single administrator, the Monroe County Conflict Defender.

In 2019, the New York State Office of Indigent Legal Services adopted Standards for Establishing and Administering Assigned Counsel Programs. These "Black Letter Standards" recommend that assigned counsel programs "not be part of a ... Conflict Defender office." The settlement of

the lawsuit in *Hurrell-Harring v. The State of New York* and the passage of New York State Executive Law § 832 has allowed for State funding to be used to adopt the ILS Black Letter Standards including effectuating the split of the Monroe County Conflict Defender's Office and the Monroe County Assigned Counsel Program into separate offices.

 - The attorney agrees to immediately notify the trial judge and the Administrator if at any time the attorney believes he or she has a conflict of interest that would affect their representation or is unable to adequately or effectively represent his or her assigned client;
 - The attorney will submit their voucher for final payment to the Administrator prior to submission to the assigning judge and in conformance with all program rules;

All vouchers are subject to audit both before and after payment;
 - Subject to the appeal procedure set forth in herein, the attorney agrees to comply with the determination of the Administrator

regarding the level of case for which the attorney will be contacted to handle. An attorney initially denied placement on any particular panel may subsequently reapply for that panel after obtaining additional, qualifying experience;

Panel attorneys will not be required to provide confidential information that would breach the attorney-client privilege or which would jeopardize the attorney-client relationship.

ASSIGNMENT PROCEDURE

All assignments shall be made by the Administrator unless the assignment is made by the presiding judge based on special circumstances as described below. The assigning judge shall have final authority to determine whether the attorney is qualified to handle the matter. The Administrator shall make assignments on a rotating basis from a list of all eligible participating attorneys. In assigning counsel, the Administrator shall whenever possible provide for continuity of counsel based on prior representation or current assignment on a pending case or cases, as long as the attorney is a member of the panel that handles the case being assigned.

The Administrator shall give due regard to the following additional factors:

- Potential conflicts of interest;
- Geographic proximity;
- Attorney caseloads; and
- Attorney skill and experience with the type of case involved.

When the presiding judge assigns an attorney under special circumstances, the judge must select the attorney from the panel that handles the type of case being assigned. If the presiding judge makes the assignment, the court shall promptly notify the Administrator of the assignment of counsel. Upon receipt of a notice from a judge of an in-court assignment, the Administrator shall record the assignment on the panel attorney's record and the assignment shall be treated by the Administrator for rotation purposes, as though the assignment was made by the Administrator.

COMPENSATION FOR PANEL ATTORNEYS

The rate of compensation paid to panel attorneys is set by New York State statute, County Law § 722-b. Pursuant to County Law § 722-b and other applicable laws, rules and regulations, the amount of compensation paid to panel attorneys shall be determined by the disposition judge after an appropriate recommendation by the Administrator.

In accordance with Article 18B of the County Law, and other applicable laws, rules and regulations, panel attorneys shall be reimbursed for expenses reasonably incurred during assigned representation.

The Administrator shall have the authority to develop additional payment requirements in accordance with the applicable law or the requirements of the County's auditors or the State Comptroller.

PAYMENT PROCEDURES

After an attorney has completed an assignment, the attorney shall within 30 calendar days complete and forward to the Administrator a voucher setting forth the amount of time spent on each service, the total amount of all time spent, any expenses incurred (providing receipts when required) and any other information required by the Administrator.

Vouchers may be submitted for good cause after the 30-day time limit.

Vouchers may not be submitted more than 90 days after completion of the case unless in the judgement of the Administrator there are exceptional circumstances.

The Administrator shall review the panel attorney's voucher for accuracy, ensure there are no irregular charges, ensure that all charges reasonably and accurately reflect services provided to clients were necessary to provide high quality legal representation and to ensure all time vouchered

is in accordance with applicable billing guidelines, laws, rules and policies.

After the Administrator's review, the voucher will be forwarded to the disposition judge with an appropriate recommendation to assist the disposition judge in their review of the voucher. The disposition judge is the judge who was presiding over the last substantive act in the case such as a dismissal of the matter, sentencing, issuing a final Order, or referring a matter to the Grand Jury that was subsequently not billed. If the disposition judge is not available due to retirement, death or protracted illness, the voucher shall be forwarded to the appropriate supervising judge of the court or their designee.

If the Administrator has a question regarding a panel attorney's voucher, the Administrator shall contact the attorney and attempt to resolve the problem. If the attorney and the Administrator resolve the problem, the Administrator shall forward the voucher to the disposition judge along with the Administrator's recommendation regarding payment.

If the attorney and the Administrator cannot resolve the dispute, then the Administrator shall offer the attorney an opportunity to object in writing and forward the voucher and written objection to the disposition judge along with a written statement from the Administrator setting forth the Administrator's objections to payment of the voucher. A copy of the Administrator's written statement shall be sent to the attorney. The

disposition judge shall make the final determination regarding the panel attorney's compensation, subject to any applicable appeal rights of the attorney or the Administrator.

The disposition judge may review the attorney's voucher for accuracy, to ensure that all claimed hours were necessary to provide quality legal representation to the client and to consider the Administrator's recommendation. The disposition judge may consult with the Administrator or the attorney for additional information or clarification regarding the voucher.

ASSIGNED COUNSEL PANEL ATTORNEY COMPLAINT AND DISCIPLINE PROCEDURES

Upon receipt of a complaint regarding a panel attorney's behavior or performance, the Administrator shall investigate such complaint. Each investigation may, in the Administrator's discretion, include speaking to the person making the complaint, speaking to the attorney who is the subject of the complaint, speaking with the client and to any other person with relevant information and reviewing any relevant documentation.

If, at the conclusion of the Administrator's investigation, the complaint is deemed meritless, the Administrator will purge the complaint from the panel attorney's record.

All complaints deemed by the Administrator to be meritorious shall

be maintained as part of the attorney's Assigned Counsel Program record. If the complaint is found meritorious and the attorney's conduct constitutes a violation of the New York Rules of Professional Conduct, the Administrator shall report such conduct to the Attorney Grievance Committee of the Fourth Department.

If the Administrator determines that a complaint is meritorious but not of a serious nature, the Administrator shall resolve the matter after consultation with the attorney and the client, if the client made the complaint.

If the Administrator determines that there is merit to the complaint and the complaint is of a serious nature, the Administrator shall refer the matter for a hearing before the Complaint Resolution Committee. The Administrator may suspend the attorney from panel membership pending a determination of the Complaint Resolution Committee.

The Complaint Resolution Committee shall consist of three members: one member to be designated by the Monroe County Bar Association, one member to be designated by the Administrative Judge of the Seventh Judicial District, and one member to be designated by the County.

A complaint of a serious nature includes, but is not limited to:

- Disbarment, suspension from practice, failure to maintain attorney registration in good standing, or any public censure by

any attorney licensing body;

- A criminal arrest; Panel attorneys are required to notify the Administrator within one business day if they are arrested for a criminal offense;
- Failure to provide competent legal representation in an ethical and professional manner;
- Substantial or continuous violations of Assigned Counsel Program rules or other applicable laws, rules and guidelines issued by the Administrator;
- The intentional submission of materially incorrect information to the Administrator on panel applications, vouchers, or other submissions;
- Billing improprieties; or
- Accepting payment or requesting payment from assigned clients or their family members.

If a complaint is referred to the Complaint Resolution Committee, the following procedures shall apply:

- **Charging Document:** The Administrator shall send a letter to the attorney outlining the alleged violations of the program rules.

- Representation: The Attorney is entitled to be represented by counsel at his or her own expense. The Administrator is entitled to be represented by counsel.
- Pre-Hearing Procedures: Counsel for the Attorney and Administrator will exchange documentary evidence and witness lists that include a summary of each witness's proposed testimony at least three (3) weeks before the hearing. The documentary evidence and witness lists including the summary of the witness's testimony will be presented to the Complaint Resolution Committee at least two (2) weeks before the hearing. The Attorney will provide a written summary of the attorney's defense at least two (2) weeks prior to the hearing. Upon a review of the witness lists and summary of the witness's testimony, the Complaint Resolution Committee may determine that it does not wish to hear live testimony from a witness, but instead rely upon the summary of their testimony provided by counsel. The Complaint Resolution Committee will notify counsel at least one (1) week before the hearing which witnesses, if any, the Committee wishes to have testify in-person or virtually.

- **Attorney as Witnesses:** The Attorney has the right to testify on the attorney's own behalf. The Attorney may be cross-examined by opposing counsel. The Complaint Resolution Committee will determine the appropriate scope of witness testimony, including the scope of cross-examination.
- **Other Witnesses/Confrontation of Opposing Witnesses:** If the Complaint Resolution Committee determines it will hear in-person testimony from a witness, there will be a formal direct examination by the attorney calling the witness to testify. Direct examination will be followed by cross-examination by the opposing attorney. Whether re-direct examination and re-cross are permitted will be left to the discretion of the Complaint Resolution Committee. The Complaint Resolution Committee will determine the appropriate scope of witness testimony, including the scope of cross-examination. The Complaint Resolution Committee may ask questions of a witness.
- **Rules of Evidence:** New York rules of evidence may be applied, but the Complaint Resolution Committee may waive the rules to provide a full and fair hearing of the matter.

- **Negative Inference:** The Complaint Resolution Committee may draw a negative inference from an attorney's failure to cooperate with the Administrator's investigation into a complaint or the attorney's failure to participate in the hearing before the Committee.
- **Burden of Proof:** To impose discipline upon the attorney, the Complaint Resolution Committee must unanimously determine that the complaint has been established by just cause. If the burden is not met, the Complaint Resolution Committee will direct the Administrator to purge the complaint from the program's records. If the Complaint Resolution Committee determines that the Administrator has met the burden of proof, discipline may be imposed.
- **Discipline:** The Complaint Resolution Committee may impose discipline up to and including permanent removal from the assigned counsel panels, suspension from the panels for up to one year, or any other lesser sanction that the Complaint Resolution Committee deems appropriate under the circumstances. During and after the period of suspension, the Complaint Resolution Committee may impose reasonable conditions on the attorney that provide the opportunity for

counseling or remediation. During the course of remediation, the Complaint Resolution Committee may limit which panel the attorney may participate in or require that a mentoring attorney review the attorney's work product and performance. If, after a hearing, a sanction of suspension or removal from the panels has been made, the Administrator must immediately notify all of the judges that the attorney is no longer eligible to accept assignments. The Administrator will promptly assign new counsel for the clients previously assigned to that attorney. When practicable the complainant, the clients of the attorney, and other relevant parties shall be notified of the final decision.

- **Conduct of Hearing:** The hearing may be held virtually or in-person at the discretion of the Complaint Resolution Committee.
- **Memorializing:** A court reporter will be utilized to memorialize the hearing.
- **Final Decision:** Any decision of the Complaint Resolution Committee shall be considered a final decision.
- A determination made by the Assigned Counsel Administrator or the Complaint Resolution Committee is not a bar to the

filing of a complaint with the appropriate Attorney Grievance Committee.

PROCEDURES REGARDING DENIAL OF PANEL MEMBERSHIP

If the Administrator refuses to grant an attorney membership on a panel, the attorney may seek an administrative review by the Complaint Resolution Committee.

This administrative review will be a de novo review based upon a review of the attorney's application and any other documentary evidence submitted by the attorney or the Administrator. The Complaint Resolution Committee, in its discretion, may grant the attorney and Administrator oral argument on the matter. No testimony will be taken in this administrative review; nor will cross-examination be permitted.

The decision of the Complaint Resolution Committee shall be final.

If the Complaint Resolution Committee upholds the determination of the Administrator and denies the attorney membership on a panel, the attorney may re-apply for the panel with a subsequent application made more than one year after the denial. The attorney should provide new evidence of additional experience which would make them eligible for the panel. Such evidence could include one or more of the following:
completion of Continuing Legal Education programs specifically applicable

to the panel being applied to, second chair participation or mentorship participation.

Subject: Restricting Insurance Recovery Revenue from COVID-19 Vaccines and Amend the Adopted 2023 Operating Budget

Honorable Legislators:

I recommend that Your Honorable Body restrict insurance recovery revenue from COVID-19 vaccines and appropriate those funds in the 2023 operating budget, in the amount of \$2,603,823.61.

During 2022, Public Health recognized revenue from insurance recoveries for COVID-19 vaccines given at various vaccination PODs. Costs associated with vaccination PODs such as employee salaries, space rental, equipment rental and supply purchases were claimed to the Coronavirus State and Local Fiscal Recovery Fund (SLFRF). The SLFRF requires that any program income generated from SLFRF funds must be used for the purposes and under the conditions of the Federal award.

The specific legislative actions required are:

- 1. Authorize the Controller to restrict the revenue from COVID-19 vaccine insurance recoveries in the amount of \$2,603,823.61.
2. Amend the 2023 operating budget of the Department of Public Health by appropriating restricted fund balance in the amount \$2,603,823.61 into general fund 9001, funds center 5801090100, Pandemic Response.

This referral is a Type II Action pursuant to 6 NYCRR 617.5(c) (26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Review Act.

This action will have no net impact on the revenues or expenditures of the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Subject: Acceptance of a Grant from the New York State Department of Health for Support of the Monroe County Nurse-Family Partnership Program

Honorable Legislators:

I recommend that Your Honorable Body accept a grant from the New York State Department of Health in an amount not to exceed \$134,671 to support the Monroe County Nurse-Family Partnership Program ("NFP") for the period of April 1, 2022 through March 31, 2023.

The purpose of this grant is to provide support of the County's existing NFP program. The NFP program is an evidence-based nurse home visiting program that has been rigorously evaluated and includes expertly trained nurses delivering the services per a standard curriculum. The grant will provide a portion of the funding for the NFP program, which annually provides home visits to approximately 300 high-risk, first time mothers, their infants, and families to improve their pregnancy outcomes and their health, well-being, and self-sufficiency. The funds will be used to support a previously-authorized vendor contract that provides the nurses who make home visits to all NFP clients. This will be the fifth year the County has received this grant. This year's funding represents an increase of \$33,667.50 from the previous year.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to accept a grant in an amount not to exceed \$134,671 from, and to execute a contract and any amendments thereto with, the New York State Department of Health to support the Monroe County Nurse-Family Partnership Program for the period of April 1, 2022 through March 31, 2023.
2. Amend the 2023 operating budget of the Department of Public Health by appropriating the sum of \$134,671, into general fund 9300, funds center 5803050000, Nurse-Family Partnership.
3. Authorize the County Executive to appropriate any subsequent years of the grant awards in accordance with the grant terms, to reappropriate any encumbered balances during the grant periods according to the grantor requirements, and to make any necessary funding modifications with the grant guidelines to meet contractual commitments.

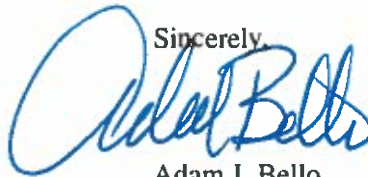

4. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

Subject: Amend Resolution 375 of 2018 to Extend the Time Period of the Grant from the U.S. Department of Justice for the FY18 Adult Drug Court Discretionary Program and Amend Resolution 124 of 2019 to Extend and Increase the Contract with Veterans Outreach Center to Provide Services to Veterans in the Rochester Veterans Treatment Court

Honorable Legislators:

I recommend that Your Honorable Body amend Resolution 375 of 2018 to extend the term of the grant from the U.S. Department of Justice ("DOJ") for the FY18 Adult Drug Court Discretionary Program through December 31, 2023, and to amend Resolution 124 of 2019 to extend the term and increase the amount of the contract with the Veterans Outreach Center ("VOC") for a Case Manager and Peer Specialist to provide services to veterans in the Rochester Veterans Treatment Court for an additional eight (8) months through December 31, 2023, in a total amount not to exceed \$120,833.33 for the period of May 1, 2022 through December 31, 2023.

The initial period of performance for the grant expired on December 31, 2022. The Monroe County Veterans Service Agency, as a result of limitations on in-person services from the Veterans Treatment Court and Veterans Outreach Center ("VOC") during the COVID-19 pandemic, requested and received approval from DOJ for a 12-month extension to the grant performance period, through December 31, 2023. This extension will allow the court and the VOC to provide services to veterans in the criminal justice system for an additional year. This year is the last year of potential extensions for the grant.

The amendment to the VOC contract will extend the contract period from its current end date of April 30, 2023 through December 31, 2023. VOC provides clinical services to support the Rochester Veterans Treatment Court through funding from the DOJ grant. The purpose of this contract extension is to allow VOC to continue to provide clinical support to the Veterans Treatment Court through 2023 and to bring the end of the contract period into alignment with the end of the grant performance period. The amendment will also increase the amount of the contract for its final term, from May 1, 2022 through December 31, 2023, from \$72,500 to \$120,833.33. The increase is the prorated annual amount of the contract for an additional eight months of services to the end of the grant performance period.

The specific legislative actions required are:

1. Amend Resolution 375 of 2018 to authorize the County Executive, or his designee, to execute an amendment to extend the term of the grant from the U.S. Department of Justice for the FY18 Adult Drug Court Discretionary Program through December 31, 2023.

2. Amend Resolution 124 of 2019 to authorize the County Executive, or his designee, to execute an amendment to extend the term and increase the amount of the contract with the Veterans Outreach Center ("VOC") for a Case Manager and Peer Specialist to provide services to veterans in the Rochester Veterans Treatment Court for an additional eight (8) months through December 31, 2023, in a total amount not to exceed \$120,833.33 for the period of May 1, 2022 through December 31, 2023.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

Funding is included in the 2023 operating budget of the Veterans Service Agency, general fund 9300, funds center 7401010000. This is a reimbursable grant under which the County provides services and requests reimbursement from the Department of Justice. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Subject: Acceptance of County-Wide Shared Services Initiative Program Award from the New York State Department of State

Honorable Legislators:

I recommend that Your Honorable Body accept an award from the New York State Department of State in the amount of \$129,906.47 through the County-Wide Shared Service Initiative.

The County-Wide Shared Services Initiative ("CWSSI") is a statewide initiative intended to reduce property taxes and improve local government efficiency. It requires counties to convene a shared services panel consisting of the chief executive officer of all towns, villages, and cities to develop taxpayer savings and efficiency plans. As part of Monroe County's 2020 County-Wide Shared Services Plan, the County proposed sharing resources between municipalities and/or jointly procure contracts to provide programming, facilities, and administration of parks and recreation across municipal boundaries.

In 2021 and 2022, this Honorable Body approved multimillion-dollar improvements and repairs to our Monroe County Parks System. The projects funded by these investments included the paving of roads and parking lots throughout the system, many of which were completed by town and village highway and public works departments. By sharing services with town and village partners, Monroe County saved an estimated \$259,813 in costs. Moreover, Monroe County was eligible for a CWSSI matching award equal to its cost savings. Monroe County will split half of the award with participating municipalities—Clarkson, Henrietta, Irondequoit, Ogden, Riga, Webster, Wheatland, and Spencerport—and retain half of the award itself.

In consultation with the Finance Department, the Parks Department intends to use the \$129,906.47 award to help replace aged passenger vehicles in the Parks Department fleet, including two high-mileage cargo vans used by the department's skilled tradespeople to transport materials and tools to construction projects.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to accept an award in the amount of \$129,906.47 from, and to execute a contract and any amendments thereto with, the New York State Department of State through the County-Wide Shared Services Initiative.
2. Amend the 2023 operating budget of the Parks Department by appropriating the sum of \$129,906.47 into general fund 9001, funds center 8801010000, Parks Administration.

3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements and to make any necessary funding modifications within grant guidelines to meet contractual requirements.
4. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

This action is a Type II Action pursuant to 6 NYCRR 617.5(c)(31) ("purchase or sale of furnishings, equipment or supplies, including surplus government property, other than the following: land, radioactive material, pesticides, herbicides, or other hazardous materials") and is not subject to further review under the State Environmental Quality Review Act.

This program is 100 percent funded by the New York State Department of State. No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

Subject: Authorize Contracts with Finger Lakes Performing Provider System, University of Rochester Medical Center, and Rochester Regional Health for Monroe Community Hospital to Participate in the Complex Care Program

Honorable Legislators:

I recommend that Your Honorable Body authorize contracts with Finger Lakes Performing Provider System ("FLPPS"), the University of Rochester Medical Center ("URMC"), and Rochester Regional Health ("RRH") to permit Monroe Community Hospital ("MCH") to participate in the complex care program to address barriers to hospital discharge for a term to commence on or after November 1, 2022.

As Your Honorable Body is aware, our local hospitals continue to face capacity challenges. This is in part due to hospital beds being occupied by patients who are medically ready to be discharged from the hospital, but require continued care in a skilled nursing facility or other alternative level of care outside the home. The complex care needs of these patients, however, make it challenging for skilled nursing facilities to admit them. These circumstances create a difficult situation both for these Alternative Level of Care ("ALC") patients, who remain hospitalized rather than being transferred to the most appropriate level of care for their needs, and hospitals, which must continue to dedicate resources to these patients, while further stretching their resources to admit new patients requiring hospital level of care.

This referral would permit MCH to participate in the complex care program being administered by FLPPS to address these barriers to discharge. Under these agreements, MCH would partner with FLPPS and the local hospital systems to take on an increased number of ALC patients. MCH would receive grant funding under this agreement from FLPPS to compensate for the costs of caring for a more complex patient cohort, at rates established by FLPPS for the program.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to execute a contract and any amendments thereto, with Finger Lakes Performing Provider System and the University of Rochester Medical Center, a division of the University of Rochester, to permit Monroe Community Hospital to participate in the complex care program to address barriers to hospital discharge, for a term to commence on or after November 1, 2022.
2. Authorize the County Executive or his designee, to execute a contract and any amendments thereto, with Finger Lakes Performing Provider System and Rochester Regional Health to permit Monroe Community Hospital to participate in the complex care program to address barriers to hospital discharge, for a term to commence on or after November 1, 2022.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) (“routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment”) and is not subject to further review under the State Environmental Quality Review Act.

These contracts are revenue generating. No additional net County support is required in the current Monroe County budget.

FLPPS, URMC, and RRH are not-for-profit corporations and the records in the Office of the Monroe County Treasury have indicated that none of these agencies owe any delinquent Monroe County property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello

Honorable Legislators:

This matter is being referred to Your Honorable Body at the request of District Attorney Sandra Doorley and Sheriff Todd K. Baxter.

I recommend that Your Honorable Body accept a grant from the New York State Division of Criminal Justice Services for Criminal Justice Discovery Reform Funding in the amount of \$2,757,688 for the District Attorney's Office, the Department of Public Safety, Office of Probation and Community Corrections, and the Office of the Sheriff and authorize intermunicipal agreements with the City of Rochester, Rochester Police Department and the Town of Greece, Greece Police Department.

This program provides resources to support local law enforcement agencies with expenses related to discovery and pretrial reforms that took effect on January 1, 2020. These reforms require prosecutors to share evidence in their possession soon after arraignment and well in advance of trial. The reforms also allow defendants an opportunity to review evidence prior to pleading guilty to a crime and eliminate bail for many non-violent and low-level offenses. Eligible expenses include administrative support, computer equipment, data connectivity, training and related materials, overtime costs, litigation readiness, pre-trial services, and other discovery related expenses. This is the first year the County has received this grant.

Funds will be used to help support the following programs in the following departments:

- **District Attorney's Office:** Supports or partially supports nine (9) existing Criminal Law Assistant positions, two (2) existing Grand Jury Stenographer positions, two (2) existing Digital Media Technician positions and one (1) existing Confidential Clerk position directly involved with the discovery process; provides funding for hardware and software fees associated with case management and data storage; and, provides the Rochester Police Department and Greece Police Department each with \$129,000 sub grants to enhance data connectivity for automated transfer of discovery material.

- Sheriff's Office: Supports or partially supports the cost of software for electronic transfer of discovery material, underwrites part of the overtime costs of Sergeants who prepare discovery packages, and provides funding for contracting with a consultant to review the discovery process and make recommendations for improvements.

The funding amounts are as follows: \$2,163,688 for the District Attorney's Office, \$465,000 for the Department of Public Safety, Office of Probation and Community Corrections, and \$129,000 for the Office of the Sheriff.

The specific legislative actions required are:

7. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law, and when applicable, the terms of any labor agreement affecting such positions.

Subject: Authorize a License and Operating Agreement with Heritage Christian Services, Inc. to Operate Springdale Farm at Northampton Park

Honorable Legislators:

I recommend that Your Honorable Body authorize a license and operating agreement with Heritage Christian Services, Inc. ("Heritage") to operate Springdale Farm at Northampton Park for the period of April 1, 2023 through March 31, 2028, with the option to renew for up to two (2) additional five-year terms.

Heritage Christian Services has operated Springdale Farm on behalf of Monroe County since 1993. Springdale Farm is a working educational farm that offers agricultural experiences to county residents, including a petting zoo, poultry center, greenhouse, orchard, trails, and event space. Other than during a significant disruption in operations due to the COVID-19 pandemic, similar experiences have been offered allowing residents to walk around and experience "farm life" at Springdale for many decades.

In addition to continuing or relaunching the activities listed above, Heritage will add or expand public-facing programs at Springdale Farm through partnerships with Cornell Cooperative Extension, Monroe 2-Orleans BOCES, and the Seneca Park Zoo Society.

A request for proposals was issued with Heritage Christian Services the sole respondent.

The specific legislative action required is to authorize the County Executive, or his designee, to enter into a license and operating agreement, and any amendments thereto, with Heritage Christian Services, Inc., 275 Kenneth Drive, Ste. 100, Rochester, New York 14623, to operate Springdale Farm at Northampton Park for the period of April 1, 2023 through March 31, 2028, with the option to renew for up to two (2) additional five-year terms.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(21) ("minor temporary uses of land having negligible or no permanent impact on the environment") and (26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

This licensing agreement will have no impact on the revenues or expenditures in the current Monroe County budget.

Heritage Christian Services, Inc. is a not-for-profit agency and the records in the Office of the Monroe County Treasury have indicated that it does not owe any delinquent Monroe County property taxes.

I recommend that this matter receive favorable action by Your Honorable Body.

Subject: Amend Resolution 294 of 2020, as Amended by Resolution 418 of 2021, to Authorize, Amend, and Increase the Contracts for the Provision of Forensic Pathology Services to the Monroe County Office of the Medical Examiner

Honorable Legislators:

I recommend that Your Honorable Body amend Resolution 294 of 2020, as amended by Resolution 418 of 2021, to authorize, amend, and increase the contracts with the individuals listed in Attachment A, from a total aggregate amount not to exceed \$76,935 to a total aggregate amount not to exceed \$200,000 for the provision of forensic pathology services to the Monroe County Office of the Medical Examiner ("MCOME"), on an as needed basis, for the period of January 1, 2023 through December 31, 2023.

Currently, there are three (3) full-time Forensic Pathologists at the MCOME to address the over 4,000 cases received annually. With only three (3) of our four full-time forensic pathologist positions filled, it is very difficult to address the tremendous backlog of cases and the new cases that are referred to our office daily. These contracts are needed to assist with continued operations while giving existing pathology staff the opportunity to focus directly on backlog reduction. Under the terms of these contracts, the individuals in Attachment A will provide forensic pathology services on an as-needed basis, as determined by the Monroe County Medical Examiner and will perform those necessary examinations in a manner consistent with currently acceptable forensic pathology practices.

The specific legislative action required is to amend Resolution 294 of 2020, as amended by Resolution 418 of 2021, to authorize, amend, and increase the contracts with the individuals listed in Attachment A for the provision of forensic pathology services at the Monroe County Office of the Medical Examiner, on an as-needed basis, paid at the agreed rate, from a total aggregate amount not to exceed \$76,935 to a total aggregate amount not to exceed \$200,000 for the period of January 1, 2023 through December 31, 2023.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to review under the State Environmental Quality Review Act.

Funding for these contracts is included in the 2023 operating budget of the Department of Public Health, general funds 9001 and 9300, funds center 5804010000, Forensic Pathology & Administration. No additional net County support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury have indicated that none of the individuals listed in Attachment A owe any delinquent Monroe County property taxes.
