Re: Memorializing the New York State Legislature to Pass, and Governor Andrew M. Cuomo to Sign, the Great Lakes Flood Recovery Grant Program Proposal Known as Senate Bill S6423

Honorable Legislators:

This past December the International Joint Commission passed the Lake Ontario water level plan known as "Plan 2014." This plan was designed to regulate Lake Ontario's water level closer to a natural cycle with an increase in the maximum water level of 2.4 inches. There was significant opposition to the implementation of this plan, including the opposition of members of this Honorable Body. As predicted, this plan has caused tremendous negative effects to the Lake Ontario shoreline in Monroe County affecting infrastructure, small businesses, and private homes.

Plan 2014 did not thoroughly prepare for the potential damages of the shoreline characteristics of Lake Ontario. As a result, hundreds of residential properties, businesses and municipalities have sustained severe, hazardous and destructive harm to their properties directly caused by high water levels. This flooding is also disrupting recreational attractions along Lake Ontario, decimating the quality of life for residents in the areas affected, as well as hurting small businesses located in the affected areas, and posing a great risk to infrastructure.

Senate Bill S6423 establishes a new grant program to promote economic recovery by allowing state financial resources to flow to those affected by the high lake levels. This measure would make \$55 million in grants available to property owners, businesses, not-for-profit corporations, municipalities, and counties along Lake Ontario, Lake Erie, and the St. Lawrence River. These grants are crucial in assisting these residents not only in the repair of damages, but also enabling them to rebound from their current state.

The fact still remains that the high water levels must be addressed and reduced in order to prevent future flooding and further damages from occurring. It is imperative to take immediate action in reducing the water levels and correct the problem at the source. More importantly as homeowners, business owners and municipalities continue to deal with the problem of rising water levels and flooding, it is becoming critically important that these people are provided with resources. These resources would be used to secure critical infrastructure, and rebuild properties in order to return to a safe and positive quality of life.

Therefore, we urge you to join us in calling on the New York State Legislature to pass, and Governor Andrew M. Cuomo to sign, Senate Bill S6423, establishing the Great Lakes Flood Recovery Grant Program. Ensuring this funding is an important step in assisting citizens in the recovery process from the damages sustained by the recent flooding in Upstate New York.

Re: Memorializing the New York State Assembly to Pass, and Governor Andrew M. Cuomo to Sign Senate Bill S00962, which Expands the Amount of Information Available to Police and the Public, By Means of the Internet, on Registered Sex Offenders

Honorable Legislators:

Earlier this year, New York State Senator Rich Funke sponsored Senate Bill S00962. The changes provided by the bill are vital to ensuring that communities are safe and made aware of any sex offenders living in their area. Currently, the Sex Offender Registration Act only requires level two and three sex offenders to be accessible on the Division of Criminal Justice Services website.

The changes that Senate Bill S00962 provides will be useful for law enforcement, organizations, and private citizens in New York State. The current information that is provided is thorough, but does not include information on level one sex offenders. To gain information about level one sex offenders a call needs to be made to an 800 number and detailed information such as full name, address, birthdate, social security number or driver's license number must be provided to obtain information.

Senate Bill S00962 will put the information of level one sex offenders on the Division of Criminal Justice Services website and make it easier for law enforcement, organizations, and private citizens to gain access to this information. In addition to level one sexual offender information, this bill provides the option for citizens to submit their email address for notifications provided by Division of Criminal Justice anytime a sex offender moves into their zip code.

Now, therefore I urge you to join me in calling on the New York State Assembly to pass, and Governor Andrew M. Cuomo to sign Senate Bill S00962. This bill is a step forward in making additional information available to law enforcement, organizations, and private citizens

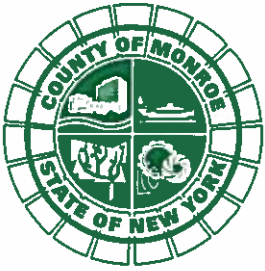

about sex offenders in the community. The changes that this bill provides will not only make it easier to gain information about sex offenders of all risk levels, but it also provides the option for residents to receive updated information to their email. This bill ensures the safety of all residents in our communities by giving them additional tools to stay informed.

Respectfully Submitted,

A handwritten signature in blue ink, appearing to read "John J. Howland".

RE: Memorializing the New York State Assembly to Pass and Governor Andrew Cuomo to Sign A4863, To Amend the Health Insurance Law as it Relates to Lyme and other Tick-Borne Related Diseases

Honorable Legislators,

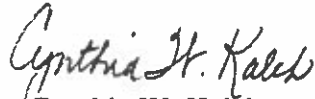

According to the Center for Disease Control (CDC), ninety-five percent of confirmed Lyme disease cases in 2015 were reported from fourteen states, including New York. The data from 2015 shows that New York State reported 3,252 confirmed cases of Lyme disease and another 1,062 probable cases. As a result, New York is considered a "High Incidence State" with a three-year average of 16.2 cases per 100,000 persons.

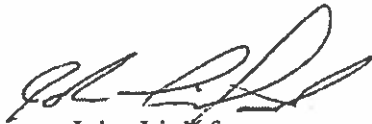

In Monroe County, 50 to 60 residents have been diagnosed with Lyme disease annually, though the actual number of cases may be from two to ten times higher than that. Warmer temperatures in 2016 may cause an increase in Lyme disease cases this year, and we could be on track to an unprecedented outbreak in 2017, according to the New York Post.

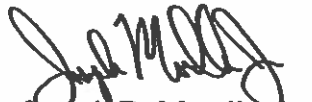

The NYS Senate passed S2168 on May 15, 2017, the twin bill to the Assembly's bill. Amending the Health Insurance Law in relation to the establishment of, and subsequent reports from the NYS Health Care Quality and Cost Containment Commission is a major first step in combatting this disease. Reducing Lyme disease by eradicating the bacteria, getting properly diagnosed, and having health insurance coverage for long term treatment are all elements that still need to be addressed in NYS public health.

Therefore, please join us in encouraging the New York State Assembly to pass and Governor Cuomo to sign A4863, To Amend the Health Insurance Law as it relates to Lyme and other Tick-Borne Related Diseases.

RE: Memorializing the United States Congress to Pass and President Trump to Sign the Employee Benefits Protection Act of 2017

Honorable Legislators,

The Employee Benefits Protection Act of 2017 is important, bipartisan legislation that would treat once-guaranteed benefits as vested benefits that would no longer be eliminated. This bill will protect hundreds of thousands of retirees across New York State, as well as millions more across the country.

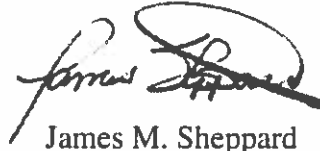

While companies go through restructurings, mergers and spin-offs that allow them to avoid bankruptcy, grow and enter new markets, this growth should not come at the expense of American workers' hard-earned benefits. Employees that serve and dedicate their careers to the success of these companies also earn their pensions and health care benefits in exchange for their efforts.

Retirees in Monroe County, in New York State, and across the country live in fear that the benefits they've earned could easily be taken away. Consider the 2012 Kodak bankruptcy when it was reported to be a 'maneuver' allowing the company to drop worker benefits, health care, dental benefits, life insurance and retirement pensions. It wasn't until 2016 that Kodak retirees reached a settlement to partially receive their retirement benefits. The Employee Benefits Protection Act of 2017 would limit the ability of large corporations to terminate or reduce pensions and health care benefits for current and future retirees.

Therefore, please join us in supporting this bipartisan bill by memorializing the United States Congress to pass and President Trump to Sign the Employee Benefits Protection Act of 2017.

RE: Memorializing Governor Cuomo to Sign Assembly Bill 6756, an Act to Make Obstructing a Firefighter from Performing Emergency Medical Care a Misdemeanor, into Law

Honorable Legislators:

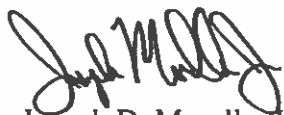

Firefighters provide vital lifesaving services to people across Monroe County and deserve our respect and gratitude for their service. The sacrifices they make on behalf of their fellow citizens should be recognized by actions and not just words. While firefighters have an inherently dangerous job, it is our duty to minimize the risk involved when they are in the line of duty as best we can.

The image of heroic firefighters running into burning buildings as others run out is ingrained in our minds. However, there are lesser risks that can still lead to physical harm. An example occurred in Rochester when firefighters responded to a call in a private residence. During the performance of emergency medical care, an onlooker became upset and attacked the firefighters who were trying to help the victim. This put both the firefighters and patient at risk.

In response, Assembly Majority Leader Joe Morelle introduced Assembly bill 6756 that would make obstructing a firefighter from performing emergency medical care a misdemeanor. Senator Rich Funke introduced a companion bill that passed the Senate in February. On May 24th, the bill passed the Assembly and was returned to the Senate to be sent to the Governor for his action. This bill sends a message to firefighters across the state that we will make every best effort to allow them to do their job with as little needless risk as possible.

Therefore, we humbly ask you to join us in memorializing Governor Andrew Cuomo to sign Assembly bill 6756, an act to make obstructing a firefighter from performing emergency medical care a misdemeanor, into law.

RE: Memorializing the New York State Legislature to Pass, and Governor Cuomo to Sign into Law, Bill A8248/S6600, an Act to Increase Zero Emission Vehicle Manufacturing, Sales, and Repairs in Upstate NY

Honorable Legislators:

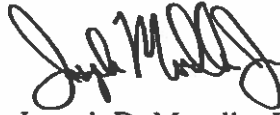

New York State has a long tradition of environmental stewardship and green energy innovation. Not only has this led to an improvement in our natural surroundings, it has created an economic boost as New York companies emerge as leaders in green technology.

To encourage these advancements, many initiatives have been included in the state budget to encourage the development and manufacturing of green technologies, including zero emission vehicles. Unfortunately, due to conflicts with existing, and sometimes outdated, laws regulating auto sales, dealerships for zero emission vehicles were limited to five locations in New York City.

However, Assembly bill 8248 and Senate bill 6600 update these regulations to make sure residents across the state have the ability to purchase and, as importantly, repair a zero emission vehicle. If passed, companies would be able to open as many as fifteen additional stores, so long as at least five were north of New York City and that those stores offered repair services. While this would be a boost for consumers alone, it is also estimated that each store would employ about 25 people, adding to the growing number of jobs in green technology. When good environmental policy intersects with good economic development policy, we are compelled to act.

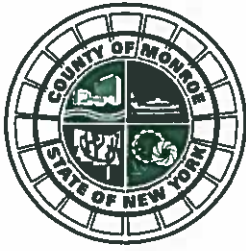

Therefore, I ask you to join me in memorializing the NYS Legislature to pass, and Governor Cuomo to sign into law, bill A8248/S6600, an act to increase zero emission vehicle manufacturing, sales, and repairs in Upstate NY.

Subject: Authorize an Addition to the Eastern Monroe County Agricultural District

Honorable Legislators:

I recommend that Your Honorable Body authorize the following parcel as an addition to the Eastern Monroe County Agricultural District ("District") as follows:

- Eastern Agricultural District #6: 10 Woodruff Road, Town of Rush, consisting of approximately 9.10 acres, tax account number 219.03-1-3.21, owned by Karen Watson.

Pursuant to Article 25AA Section 303-b of the Agriculture and Markets Law, a report has been prepared by the Monroe County Agricultural and Farmland Protection Board recommending the proposed addition to the Eastern Monroe County Agricultural District. Your Honorable Body must hold a public hearing before taking action to add this parcel to the District. I am recommending adding this parcel to the Eastern Monroe County Agricultural District.

The specific legislative actions required are:

1. Hold a public hearing on the addition of one (1) parcel to the Monroe County Eastern Agricultural District #6, as set forth in the report prepared by the Monroe County Agricultural and Farmland Protection Board.
2. Consider the recommendations and facts presented at the hearing relative to the additions of the parcel to the Eastern Monroe County Agricultural District.
3. Add one (1) parcel to the Eastern Monroe County Agricultural District, upon favorable consideration of the recommendations.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

110 County Office Building • 39 West Main Street • Rochester, New York 14614
(585) 753-1000 • fax: (585) 753-1014 • www.monroecounty.gov • e-mail: countyexecutive@monroecounty.gov

This addition to the Monroe County Eastern Agricultural District will have no impact on the revenues or expenditures of the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Cheryl Dinolfo
Monroe County Executive

May 1, 2017

To The Honorable
Monroe County Legislature
407 County Office Building
Rochester, New York 14614

SUBJECT: Addition of One Parcel to the Eastern Agricultural Districts

Honorable Legislators:

Article 25AA Section 303-B of the NYS Agriculture and Markets law allows additions to established agricultural districts prior to the normal eight-year review date. The Law also requires the county agricultural and farmland protection board to review the proposed additions to the district(s) and make recommendations on the proposal to the legislative body. Resolution number 75 of 2017 adopted by Your Honorable Body directed the Agricultural and Farmland Protection Board to review and make recommendations on additions to the district(s).

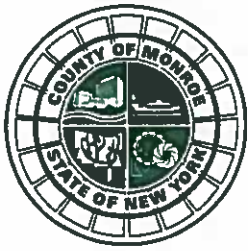

Therefore, in accordance with Article 25AA, we are pleased to transmit this report concerning our review, findings, and recommendations on the following one parcel from one landowner to be included in the following agricultural district:

1) Eastern Agricultural District #6: 10 Woodruff Road, Town of Rush, consisting of 9.10 acres, tax-account number 219.03-1-3.21 owned by Karen Watson.

Based on past telephone interviews with the owner/operator, analysis of USDA soil maps, and a site visit, the Board has determined that this parcel is comprised of predominantly viable agricultural land and inclusion of this parcel into an agricultural district would serve the public interest by assisting in maintaining a viable agricultural industry within the respective municipalities.

Sincerely,

Robert J. Colby, Chairman
Monroe County Agricultural & Farmland Protection Board

Subject: Amend Resolution 76 of 2017 to Amend the Contract with Dossier Systems, Inc. for a Fleet and Equipment Maintenance Management Software Solution

Honorable Legislators:

This matter is being referred to Your Honorable Body at the request of Sheriff Patrick M. O'Flynn.

I recommend that Your Honorable Body amend Resolution 76 of 2017 to amend the contract with Dossier Systems, Inc., for a Fleet and Equipment Maintenance Management Software Solution, by increasing the contract amount from \$63,568 to \$101,044, and to amend the time period of the contract to the period of July 1, 2017 through June 30, 2020, with the option to renew for two (2) additional one-year terms, with each additional term in an amount not to exceed \$20,000.

Dossier Systems, Inc. will provide a joint software solution to the Sheriff's Office and the Department of Environmental Services for a countywide fleet management system to include repair work orders, automating preventive maintenance, labor management, parts and inventory management, fuel transactions, and interface with current SAP accounting systems.

The specific legislative action required is to amend Resolution 76 of 2017 to amend the contract with Dossier Systems, Inc., 6 Terri Lane, Suite 700, Burlington, New Jersey 08016, for a Fleet and Equipment Maintenance Management Software Solution, by increasing the contract amount from \$63,568 to \$101,044 and to amend the time period of the contract to the period of July 1, 2017 through June 30, 2020, with the option to renew for two (2) additional one-year terms, with each additional term in an amount not to exceed \$20,000.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

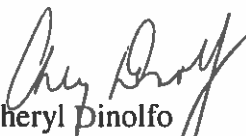

Funding for this contract is included in the 2017 operating budget of the Sheriff's Office, general fund 9001, funds center 3806020000, Information Services, and the 2017 operating budget of the Department of Environmental Services, internal services fund 9020, funds center 8675010000, Fleet Maintenance. No additional net County support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury have indicated that neither Dossier Systems, Inc., nor any of its principal officers, owes any delinquent Monroe County Property taxes. The principal officers of the firm are:

Jack Boetefuer, Chief Executive Officer
Robert Hausler, Vice President of Marketing and Technology

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Cheryl Dinolfo

Subject: Authorize an Intermunicipal Agreement with Monroe #1 Board of Cooperative Educational Services for Reimbursement to the Monroe County Sheriff's Office School Resource Program

Honorable Legislators:

This matter is being referred to Your Honorable Body at the request of Sheriff Patrick M. O'Flynn.

I recommend that Your Honorable Body authorize an intermunicipal agreement with Monroe #1 Board of Cooperative Educational Services ("BOCES #1"), in the amount of \$93,423, for reimbursement to the Monroe County Sheriff's Office School Resource Program, for the period of September 1, 2017 through June 30, 2018.

BOCES #1 will be provided a full-time Monroe County Sheriff's School Resource Officer ("SRO") during the 180-day school year, plus an additional 10 administrative days. The SRO's primary duty is to promote an atmosphere where students, teachers and staff feel safe. The SRO may assist in the investigation of suspected criminal activity occurring on BOCES #1 property and/or related to BOCES #1. This assistance shall be provided in consultation with school administrators, in accordance with New York State Law and BOCES #1 policy. As an educator, working with classroom teachers and other BOCES #1 personnel, the SRO may present information and answer questions on a variety of topics, such as the law, drugs, safety, crime prevention, violence prevention, concepts of safety, traffic laws, general law, and crime prevention techniques. The goal of the presentations is to increase student, staff, and community awareness and understanding of laws and personal safety. The SRO shall also perform such other security and/or law enforcement services as may be reasonably assigned by the District Superintendent, in consultation with the Sheriff, as appropriate.

This will be the fourth year the Sheriff's Office has participated in the SRO Program at BOCES #1. BOCES #1 will fund the salary and fringes associated with the Sheriff's Office SRO assigned during the 180 day school year, plus an additional 10 administrative days.

The specific legislative action required is to authorize the County Executive, or her designee, to execute an intermunicipal agreement, and any amendments thereto, with Monroe #1 Board of Cooperative Educational Services, 41 O'Connor Road, Fairport, New York 14450, in the amount of \$93,423, for reimbursement to the Monroe County Sheriff's School Resource Program, for the period of September 1, 2017 through June 30, 2018.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

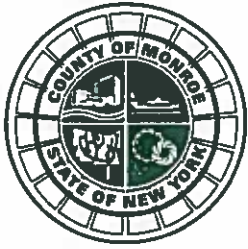

This contract is revenue generating and no net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Cheryl Dinolfo
Monroe County Executive

Subject: Acceptance of a Grant from the New York State Division of Criminal Justice Services for the Monroe County Sheriff's Office Body Worn Camera Project

Honorable Legislators:

This matter is being referred to Your Honorable Body at the request of Sheriff Patrick M. O'Flynn.

I recommend that Your Honorable Body accept a grant from the New York State Division of Criminal Justice, in the amount of \$25,000, for the Monroe County Sheriff's Office Body Worn Camera Project, for the period of April 1, 2017 through March 31, 2018.

This funding was made possible through the efforts of Senator Patrick Gallivan. The grant will fund the purchase of twenty (20) body cameras for use by the road patrol. This is the first time the County has received this grant.

The specific legislative actions required are:

1. Authorize the County Executive, or her designee, to accept a \$25,000 grant from, and to execute a contract and any amendments thereto with, the New York State Division of Criminal Justice Services, for the Monroe County Sheriff's Office Body Worn Camera Project, for the period of April 1, 2017 through March 31, 2018.
2. Amend the 2017 operating budget of the Office of the Sheriff by appropriating the sum of \$25,000 into general fund 9300, funds center 3803010000, Police Bureau Administration.

3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, and to make any necessary funding modifications within the grant guidelines to meet contractual commitments.
4. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

This grant is 100% funded by the New York State Division of Criminal Justice Services. No net county support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Cheryl Dinolfo

Subject: Authorize a Contract with Rochester Genesee Regional Transportation Authority for Access to the Monroe County 700/800 MHz Trunk Radio System

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with Rochester Genesee Regional Transportation Authority (RGRTA) for access to Monroe County's 700/800 MHz trunk radio system, for the period of August 1, 2017 through July 31, 2018, with the option to renew for four (4) additional one-year terms.

RGRTA will purchase approximately 400 radios to be used on the trunk system. The County will initially program the radios for activation and charge a service fee of \$9.25 per device per month, with the option to re-evaluate rates in the renewal agreements. Radio repair and maintenance will be the responsibility of RGRTA.

Participating in the Monroe County trunk system will increase the coverage area for RGRTA users and will eliminate their infrastructure and maintenance costs.

The specific legislative action required is to authorize the County Executive, or her designee, to execute a contract, and any amendments thereto, with Rochester Genesee Regional Transportation Authority, for access to the Monroe County 700/800 MHz trunk radio system, for the period of August 1, 2017 through July 31, 2018, with the option to renew for four (4) additional one-year terms.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

This contract is revenue generating and no net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Subject: Acceptance of a Grant from the New York State Division of Homeland Security and Emergency Services for the 2016 Statewide Interoperable Communications Grant Program

Honorable Legislators:

I recommend that Your Honorable Body accept a grant from the New York State Division of Homeland Security and Emergency Services, in the amount of \$1,459,024, for the 2016 Statewide Interoperable Communications Grant Program, for the period of January 1, 2017 through December 31, 2018.

This grant provides funding to facilitate the development, consolidation and/or improved operation of public safety communications to support and enhance statewide interoperable communications for first responders throughout New York State. This is the third time the County has received this funding.

The specific legislative actions required are:

1. Authorize the County Executive, or her designee, to accept a \$1,459,024 grant from, and to execute a contract and any amendments thereto with, the New York State Division of Homeland Security and Emergency Services, for the 2016 Statewide Interoperable Communications Grant Program, for the period of January 1, 2017 through December 31, 2018.
2. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements and to make any necessary funding modifications within the grant guidelines to meet contractual commitments.

3. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

This grant is 100% funded by the New York State Division of Homeland Security and Emergency Services. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Cheryl Dinolfo
Monroe County Executive

Subject: Acceptance of a Grant from the New York State Division of Homeland Security and Emergency Services for the FY2016 Technical Rescue & Urban Search and Rescue Grant Program

Honorable Legislators:

I recommend that Your Honorable Body accept a grant from the New York State Division of Homeland Security and Emergency Services, in the amount of \$149,836, for the FY2016 Technical Rescue & Urban Search and Rescue Grant Program, for the period of April 1, 2017 through August 31, 2019.

The New York State Division of Homeland Security and Emergency Services provides funding to support the continued development of the community's technical rescue capabilities. The intent of this grant is to promote regional partnerships using local agency support for technical rescue field response and operations. This program directly supports the on-going activities of the Monroe County Special Operations Unit and its regional partners.

Specifically, this grant will enhance the ability to respond to technical rescue incidents in the areas of structural collapse, rope rescue, and related low-frequency/high risk events. This is the sixth year the County has received this grant. This year's funding represents an increase of \$16,210 from the previous award.

The specific legislative actions required are:

1. Authorize the County Executive, or her designee, to accept a \$149,836 grant from, and to execute a contract and any amendments thereto with, the New York State Division of Homeland Security and Emergency Services, for the FY2016 Technical Rescue & Urban Search and Rescue Grant Program, for the period of April 1, 2017 through August 31, 2019.
2. Amend the 2017 operating budget of the Department of Public Safety by appropriating the sum of \$149,836 into general fund 9300, funds center 2408020100, Mutual Aid Fire Bureau.

3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements and to make any necessary funding modifications within grant guidelines to meet contractual requirements.
4. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

This grant is 100% funded by the Federal Department of Homeland Security (administered by the New York State Division of Homeland Security and Emergency Services). No net County support is required in the current Monroe County budget.

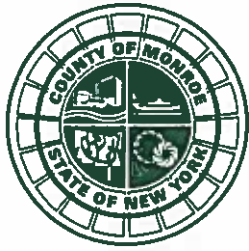

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Cheryl Dinolfo
Monroe County Executive

Monroe County Legislature
407 County Office Building
Rochester, New York 14614

Subject: Amend the 2017-2022 Capital Improvement Program and the 2017 Capital Budget to Add a Project Entitled "Monroe County Reflective Backplate Project," Authorize Financing for the Project and Authorize a Contract with the New York State Department of Transportation for the Monroe County Reflective Backplate Project

Honorable Legislators:

I recommend that Your Honorable Body amend the 2017-2022 Capital Improvement Program and the 2017 Capital Budget to add a project entitled "Monroe County Reflective Backplate Project," in the amount of \$250,000; authorize financing for the project in the amount of \$250,000, and authorize a contract with the New York State Department of Transportation for the Monroe County Reflective Backplate Project.

Work for the Monroe County Reflective Backplate Project includes the installation of reflective backplates at all Monroe County owned intersections that are signalized with mast arms. The current total project estimate is \$250,000.

Major funding will be provided by Federal and New York State Department of Transportation funds in the amount of approximately 97.5% of the project cost with overall project administration by Monroe County.

This project was approved by the Monroe County Planning Board at its meeting on March 23, 2017.

The specific legislative actions required are:

1. Amend the 2017-2022 Capital Improvement Program to add a project entitled "Monroe County Reflective Backplate Project," in the amount of \$250,000.
2. Amend the 2017 Capital Budget to add a project entitled "Monroe County Reflective Backplate Project," in the amount of \$250,000.

3. Authorize financing for the project entitled "Monroe County Reflective Backplate Project," in the amount of \$250,000.
4. Authorize the County Executive or her designee, to execute a contract, and any amendments thereto, with the New York State Department of Transportation, for the Monroe County Reflective Backplate Project.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

Funding for this project, consistent with authorized uses, will be available in the capital fund to be created and any other capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Cheryl Dinolfo
Monroe County Executive

Subject: Authorize the Acquisition of Interests in Real Property for the Culvert Replacement Project over Irondequoit Creek Tributary on West Bloomfield Road in the Town of Mendon

Honorable Legislators:

I recommend that Your Honorable Body authorize the acquisition of interests in real property for the culvert replacement project over Irondequoit Creek Tributary on West Bloomfield Road in the Town of Mendon from the property owners described as follows:

<u>Parcel</u>	<u>Owner</u>	<u>Amount</u>
Map 3 Parcel 1 PE 10,799 sf 951 Pittsford Mendon Road T.A. # 192.03-1-14 Town of Mendon	Eleanor M. Hunter 951 Pittsford Mendon Road Pittsford, NY 14534	\$2,650
Map 4 Parcel 1 PE 853 sf Parcel 2 TE 966 sf West Bloomfield Road T.A. # 192.03-1-15.21 Town of Mendon	Jane A. Hunter and Mary H. Phillips 56 Mahogany Run Pittsford, NY 14534	\$ 300

The specific legislative action required is to authorize the County Executive, or her designee, to acquire the referenced property interests and execute all documents necessary for the culvert replacement project over Irondequoit Creek Tributary at tax identification numbers 192.03-1-14 and 192.03-1-15.21, in the Town of Mendon by contract and/or the Eminent Domain Procedure Law, along with any amendments for unanticipated damages, within the total capital fund(s) appropriation.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

Funding for these acquisitions, consistent with authorized uses, is included in capital fund 1776 and any capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury have indicated that the property owners listed above do not owe any delinquent Monroe County property taxes.

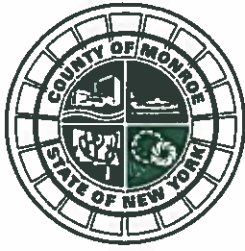

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Cheryl Dinolfo
Monroe County Executive

Subject: Acceptance of a Grant from Health Research, Inc. for the Public Health Emergency Preparedness Program and Authorize a Contract with the University of Rochester

Honorable Legislators:

I recommend that Your Honorable Body accept a grant from Health Research, Inc., in the amount of \$310,593, for the Public Health Emergency Preparedness Program, for the period of July 1, 2017 through June 30, 2018, and authorize a contract with the University of Rochester, in an amount not to exceed \$22,525, for continuing development and sustainment of the County's Medical Countermeasure Program, for the period of March 16, 2018 through June 30, 2018.

The purpose of this grant is to assist local health departments to develop emergency-ready public health departments in accordance with the National Preparedness Goals and the Centers for Disease Control and Prevention Preparedness Goals. Program objectives are: enhanced public health emergency preparedness including training, planning, equipment acquisition and response readiness; enhanced point of dispensing clinic readiness including expansion of a volunteer medical reserve corps; enhanced pandemic flu planning; enhanced disease surveillance; and epidemiology in human populations. This will be the sixteenth year the County has received this grant. This year's funding represents a decrease of \$8,373 from the previous 12-month period.

This contract will support the County's Medical Countermeasure Program. The University of Rochester will provide: support of exercise and drill development and implementation; communication and information management activities; Monroe County Department of Public Health staff and partner training; and completion of other related projects and activities as determined by the Program Manager of the Office of Public Health Preparedness.

A Request for Qualifications was issued for this contract with the University of Rochester the sole responder.

The specific legislative actions required are:

1. Authorize the County Executive, or her designee, to accept a \$310,593 grant from, and to execute a contract and any amendments thereto with, Health Research, Inc., for the Public Health Emergency Preparedness Program, for the period of July 1, 2017 through June 30, 2018.
2. Amend the 2017 operating budget of the Department of Public Health by appropriating the sum of \$310,593 into general fund 9300, funds center 5801090000, Public Health Preparedness.

3. Authorize the County Executive, or her designee, to execute a contract and any amendments thereto, with the University of Rochester, 601 Elmwood Avenue, Rochester, New York 14642, for the continuing development and sustainment of the County's Medical Countermeasure Program, in an amount not to exceed \$22,525, for the period of March 16, 2018 through June 30, 2018.
4. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, and to make any necessary funding modifications within grant guidelines to meet contractual commitments.
5. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

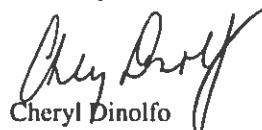

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

This grant is 100% funded by Health Research, Inc. No net County support is required in the current Monroe County budget.

The University of Rochester is a not-for-profit entity, and the records in the Office of the Monroe County Treasury have indicated that it does not owe any delinquent Monroe County property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Subject: Acceptance of a Grant from the New York State Department of Health for the Children with Special Health Care Needs Program

Honorable Legislators:

I recommend that Your Honorable Body accept a three-year grant from the New York State Department of Health, in an amount not to exceed \$211,833, for the Children with Special Health Care Needs Program, for the period of October 1, 2017 through September 30, 2020.

The purpose of this grant is to provide education, referral and outreach services to children with special health care needs. Funds will be used to support administrative services and existing positions to run the program. This will be the nineteenth year the County has received this grant. This year's annualized funding represents an increase of \$1,815 from the previous 12-month period.

The specific legislative actions required are:

1. Authorize the County Executive, or her designee, to accept a three-year grant in an amount not to exceed \$211,833 from, and to execute a contract and any amendments thereto with, the New York State Department of Health, for the Children with Special Health Care Needs Program, for the period of October 1, 2017 through September 30, 2020.
2. Amend the 2017 operating budget of the Department of Public Health by appropriating the sum of \$70,611, into general fund 9300, funds center 5803010000, Maternal/Child Administration.
3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, and to make any necessary funding modifications within grant guidelines to meet contractual commitments.

4. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

This grant is 100% funded by the New York State Department of Health. No net County support is required in the current Monroe County budget.

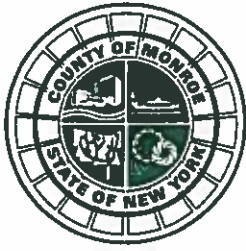

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Subject: Authorize a Contract with Genesee Region Homecare Association Inc. for Recreation, Education and Wellness Programs for Older Adults

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with Genesee Region Homecare Association Inc., in an amount not to exceed \$36,378, to provide a recreation, education and wellness program for older adults, for the period of April 1, 2017 through March 31, 2018.

The purpose of this program is to provide older adults a comprehensive array of recreation, education, wellness and evidence-based classes. The goal of this program is to assist older adults in maintaining and/or improving upon their physical, social and mental well-being through a variety of wellness related offerings held in a classroom setting. These lifelong learning programs help older adults age 60+ to stay engaged in the community and offers opportunities for socialization with their peers.

A request for proposals was issued for this contract and Genesee Region Homecare Association Inc. was selected as the most qualified to provide this service.

Please refer to the attached Purchase of Services Information Form for disclosure of information required pursuant to Resolution 223 of 2007 as amended by Resolution 11 of 2008.

The specific legislative action required is to authorize the County Executive, or her designee, to execute a contract, and any amendments thereto, with Genesee Region Homecare Association Inc., 3111 South Winton Road, Rochester, New York 14623, to provide a recreation, education and wellness program for older adults, in an amount not to exceed \$36,378, for the period of April 1, 2017 through March 31, 2018.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

Funding for this contract is included in the 2017 operating budget of the Monroe County Department of Human Services, Office for the Aging, general fund 9001, funds center 5501030000, Support Service Contracts. No additional net County support is required in the current Monroe County budget.

Genesee Region Homecare Association Inc. is a not-for-profit agency, and the records in the Office of the Monroe County Treasury have indicated that it does not owe any delinquent Monroe County property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Cheryl Dinolfo

Subject: Enact a Local Law Authorizing a Lease by Negotiation with the Town of Greece and Any Other Governmental Entity for Data Storage Space at the Greater Rochester International Airport, 400 Freight Building Way, Room 109A, City of Rochester, New York

Honorable Legislators:

I recommend that Your Honorable Body enact a Local Law authorizing a lease by negotiation with the Town of Greece, and any other governmental entity, for the use of up to a total of 650 square feet of data storage space for all entities, within Room 109A at 400 Freight Building Way, Greater Rochester International Airport, City of Rochester, New York, for a minimum amount of \$680 per month for a full rack of data storage space and \$410 per month for a half rack of data storage space, with subsequent years subject to escalations limited to an amount equal to the increase in the previous year's Consumer Price Index (U.S. City Average CPI-U from the Bureau of Labor Statistics), for the term of five (5) years upon execution of the lease agreement, with the option to renew for three (3) additional five-year periods.

The lease agreement will authorize the Town of Greece, or any other governmental entity, to install data storage equipment within the identified space and grant access thereto. Additional governmental entities will enter into lease agreements under similar terms and conditions as authorized herein.

The 650 square feet available for data storage space in Room 109A is not needed for County purposes.

The specific legislative actions required are:

1. Schedule and hold a public hearing on the proposed Local Law.
2. Enact a Local Law authorizing the County Executive, or her designee, to execute a lease by negotiation, and any amendments thereto, with the Town of Greece, for the use of up to a total of 650 square feet of data storage space within Room 109A at 400 Freight Building Way, Greater Rochester International Airport, City of Rochester, New York, for an initial amount of \$680 per month for a full rack of data storage space and \$410 per month for a half rack of data storage space, with subsequent years subject to escalations limited to an amount equal to the increase in the previous year's Consumer Price Index (U.S. City Average CPI-U from the Bureau of Labor Statistics), for the term of five (5) years upon execution of the lease agreement, with the option to renew for three (3) additional five-year periods.

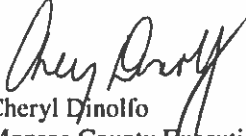

4. Enact a Local Law authorizing the County Executive, or her designee, to execute a lease by negotiation, and any amendments thereto, with any governmental entity, for the use of up to a total of 650 square feet of data storage space for all entities, within Room 109A at 400 Freight Building Way, Greater Rochester International Airport, City of Rochester, New York, for a minimum amount of \$680 per month for a full rack of data storage space and \$410 per month for a half rack of data storage space, with subsequent years subject to escalations limited to an amount equal to the increase in the previous year's Consumer Price Index (U.S. City Average CPI-U from the Bureau of Labor Statistics), for the term of five (5) years upon execution of the lease agreement, with the option to renew for three (3) additional five-year periods.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

This lease is revenue generating and no net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Cheryl Dinolfo
Monroe County Executive

Rochester, New York 14614

Subject: Acceptance of Federal and State Aid for the Operation and Maintenance of the Rochester/Monroe County Traffic Control Center

Honorable Legislators:

I recommend that Your Honorable Body accept Federal and State Aid for the operation and maintenance of the Rochester/Monroe County Traffic Control Center (Control Center) and authorize a contract with the New York State Department of Transportation for reimbursement of all eligible expenses, for the operation of the Rochester/Monroe County Traffic Control Center, in the amount of \$750,000 through June 30, 2018.

For many years Monroe County has received federal and state aid to fund the operation of the Control Center. The Control Center was recently awarded funding to continue to provide for congestion management at local signalized intersections by a central computer that maintains and improves acceptable levels of service to reduce congestion. The Control Center provides efficient traffic operations and congestion management at local signalized intersections through the Intelligent Transportation System, which is a combination of a centralized traffic signal system and a network of closed circuit traffic monitoring cameras. This system allows the Control Center to provide reliable and consistent traffic signal operation, continuously monitor traffic conditions, and make real time adjustments to the traffic signal operation to accommodate changes in traffic flow and in response to traffic incidents.

The breakdown of the funding is as follows:

Federal Aid	\$ 600,000
State Aid	\$ 37,500
Local Share	<u>\$ 112,500</u>
Total	\$ 750,000

The specific legislative action required is to authorize the County Executive, or her designee, to accept Federal and State Aid from, and to execute a contract with, the New York State Department of Transportation, for reimbursement of all eligible expenses for the operation of the Rochester/Monroe County Traffic Control Center, in the amount of \$750,000, through June 30, 2018, along with any amendments necessary to complete the project, within the annual operating budget appropriations.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

Funding for this contract is included in the 2017 operating budget of the Department of Transportation, road fund 9002, funds center 8004020000, Traffic Control Center, and will be requested in future years' budgets. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Cheryl Dinolfo
Monroe County Executive

Subject: Accept Additional Funding from the New York State Department of Transportation for the State Supported Consolidated Local Street and Highway Improvement Program

Honorable Legislators:

I recommend that Your Honorable Body accept additional funding from New York State Department of Transportation, in the amount of \$621,396.18, for the State Supported Consolidated Local Street and Highway Improvement Program.

The Consolidated Local Street and Highway Improvement Program (CHIPS) helps support the cost of highway and bridge maintenance throughout Monroe County. The New York State Department of Transportation budget included a new program entitled Extreme Winter Recovery (EWR) which provided additional funding to the CHIPS. Therefore, pursuant to the recently approved FY 2017-2018 New York State Budget, Monroe County will receive an additional \$621,396.18.

The specific legislative actions required are:

1. Authorize the County Executive, or her designee, to accept additional funding from the New York State Department of Transportation, in the amount of \$621,396.18, for the State Supported Consolidated Local Street and Highway Improvement Program, bringing the total funding amount to \$7,160,316.88.
2. Amend the 2017 operating budget of the Department of Transportation, by appropriating the sum of \$535,316.88 into road fund 9002, funds center 8002050000, State Supported Consolidated Local Street and Highway Improvement Program.

3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, and to make any necessary funding modifications within the grant guidelines to meet contractual commitments.

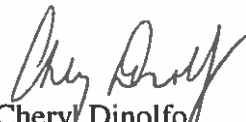

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

Partial funding is included in the 2017 operating budget of the Department of Transportation, road fund 9002, funds center 8002050000, State Supported Consolidated Local Street and Highway Improvement Program. The appropriated amount will adjust the current funding to that established by the program.

This program is 100% funded by the New York State Department of Transportation. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Cheryl Dinolfo
Monroe County Executive
