IRONDEQUOIT BAY SOUTH CENTRAL PURE WATERS DISTRICT;
NORTHWEST QUADRANT PURE WATERS DISTRICT; AND
ROCHESTER PURE WATERS DISTRICT

Intro. No. G1; I1; N1; R1

RESOLUTION NO. 23G-001; 23I-001; 23N-001; 23R-001 OF 2023

**AUTHORIZING CONTRACTS WITH BERGMANN ASSOCIATES, ARCHITECTS,
ENGINEERS, LANDSCAPE ARCHITECTS & SURVEYORS, D.P.C., FISHER ASSOCIATES,
P.E., L.S., L.A., D.P.C., GEOCOVE, INC., AND WENDEL WD ARCHITECTURE,
ENGINEERING, SURVEYING & LANDSCAPE ARCHITECTURE, P.C. FOR GEOGRAPHIC
INFORMATION SYSTEM TERM SERVICES**

BE IT RESOLVED BY THE PURE WATERS ADMINISTRATIVE BOARDS OF THE GATES-
CHILI-OGDEN SEWER DISTRICT; IRONDEQUOIT BAY SOUTH CENTRAL PURE WATERS
DISTRICT; NORTHWEST QUADRANT PURE WATERS DISTRICT; AND ROCHESTER PURE
WATERS DISTRICT, as follows:

Section 1. The County Executive, or his designee, is hereby authorized to execute contracts with Bergmann Associates, Architects, Engineers, Landscape Architects & Surveyors, D.P.C., Fisher Associates, P.E., L.S., L.A., D.P.C., Geocove, Inc., and Wendel WD Architecture, Engineering, Surveying & Landscape Architecture, P.C., to provide Geographic Information System term services in a total annual aggregate amount not to exceed \$200,000 for the period of June 1, 2023 through May 31, 2024, with the option to renew for two (2) additional one-year extensions, with escalations for the extensions to be limited to an amount equal to the increase in the previous year's Consumer Price Index (U.S. City Average CPI-U from the Bureau of Labor Statistics).

Section 2. Funding for these contracts, consistent with authorized uses, is included in various capital fund(s), and any capital funds created for the same intended purpose, and in the operating budget of the Department of Engineering, pure waters fund 9007, funds center 8572030000, Geographic Information Services (GIS), and will be requested in future years' budgets.

Section 3. This resolution shall take effect in accordance with Section C2-7 of the Monroe County Charter.

File No. 23-0149

ADOPTION: Date: June 13, 2023 Vote: 27-0

ENACTING A LOCAL LAW ENTITLED “AMENDING CHAPTER 25 OF THE MONROE COUNTY ADMINISTRATIVE CODE TO ALLOW PROCUREMENT ON THE BASIS OF BEST VALUE”

BE IT ENACTED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. Section 25-2(B)(1) of the Monroe County Administrative Code is amended to read as follows:

(1) Act to procure for the county the highest quality supplies and services at the least expense or on the basis of best value to the county.

Section 2. Section 25-2(E) of the Monroe County Administrative Code is amended to read as follows:

E. Award of ~~purchase contracts and~~ public works contracts which result from public bids shall be made, and purchase contracts which result from public bids may be made, to the lowest responsive and responsible bidder in accordance with the requirements of the General Municipal Law. In cases where two or more responsible bidders submit identical bids as to price, and all other terms and conditions are identical, preference may be given to a bidder whose place of business is within Monroe County. Otherwise, award may be made by drawing lots, or by whatever other method is deemed appropriate by the Purchasing Manager, or all bids may be rejected and new bids sought by readvertisement.

Section 3. Section 25-2 of the Monroe County Administrative Code is amended to read as follows:

F. Award of purchase contracts (including contracts for service work, but excluding any purchase contracts necessary for the completion of public works contracts) which result from public bids may also be awarded by the Purchasing Manager to responsive and responsible bidders on the basis of best value.

G. Best value procurement shall be subject to the following requirements:

- (1) The County Purchasing Manager shall determine when best value shall be the basis of an award. The County Purchasing Manager shall document the criteria used to rate proposals and evaluation results, or if not practicable, such other justification which demonstrates how best value was achieved for the County.
- (2) Whenever practicable, the evaluation of best value shall be based upon objective and quantifiable factors which optimize quality, cost, and efficiency, but shall not be based solely on cost, in accordance with New York State Finance Law § 163.
- (3) The evaluation criteria and process for awarding procurements based upon best value shall be identified in the County's procurement policy.
- (4) The County's solicitation documents shall prescribe the minimum specifications or requirements that must be met in order for bidders and offerors to be considered

responsive, and describe the general manner in which the evaluation and selection shall be conducted.

- (5) In accordance with Article 8 of the Labor Law, best value may not be used for purchase contracts necessary for the completion of public works contracts.

FH. In the absence of public bidding requirements, all purchase contracts and public works contracts shall, wherever feasible and cost effective, be based on at least three competitive quotations and shall be awarded to the lowest responsive and responsible bidder. The Purchasing Manager may solicit quotations by such method or methods, including direct mail and telephone, as he/she shall deem suitable.

GI. In the case of a public emergency arising out of an accident or other unforeseen occurrence or condition whereby circumstances affecting public buildings, public property or the life, health, safety or property of the inhabitants of the county require immediate action which cannot await competitive bidding, purchase contracts or public works contracts may be let without such competitive bidding upon certification by the county official requesting the emergency purchase or public work contract using procedures promulgated by the Purchasing Manager and approved by the County Attorney.

HJ. In accordance with the General Municipal Law, the Purchasing Manager may enter into a purchase contract with a single supplier without carrying out public bidding procedures if the supplier receives designation as a sole source vendor under procedures promulgated by the Purchasing Manager and approved by the County Attorney.

IK. In accordance with § 408-a of the County Law, the Purchasing Manager is authorized to include a provision in any county contract which permits purchases under such contract by any political subdivision, fire company or district located in whole or in part in Monroe County; provided, however, that the political subdivision, fire company or district accepts sole responsibility for any payment to the vendor.

Section 4. Section 25-5 of the Monroe County Administrative Code is amended to read as follows:

§ 25-5 Definitions; applicability.

A. As used in this chapter, the following terms shall have the meanings indicated:

BEST VALUE

Means the basis for awarding contracts for materials, supplies, equipment, apparatus, or services, except public works under Article 8 of the New York Labor Law, to the offerer which optimizes quality, cost, and efficiency, among responsive and responsible offerers. Such basis shall reflect, wherever possible, objective and quantifiable analysis. Such basis may also identify quantitative factors to be used for awarding purchase contracts and service, including but not limited to: small businesses; certified minority- or women-owned business enterprises as defined in subdivisions one, seven, fifteen and twenty of section three hundred ten of the Executive Law; a minority- or women-owned business enterprise certified by Monroe County in accordance with Section 26-5 of the Monroe County Code; certified service-disabled veteran-owned business enterprises as defined in subdivision one of section forty of the Veterans' Services Law; and/or or green procurement specifications approved by New York State.

PUBLIC WORK CONTRACT

Encompasses a contract for ~~services, labor or construction~~ public works under Article 8 of the New York Labor Law.

PURCHASE CONTRACT

Pertains to purchases of materials, supplies, equipment or apparatus and ~~related services,~~ except any contract necessary for the completion of public works pursuant to Article 8 of the New York Labor Law.

Section 5. If any clause, sentence, paragraph, section or article of this local law shall be adjudged by any court of competent jurisdiction to be invalid, such determination shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, section or article thereof directly involved in the proceeding in which such adjudication shall have been rendered.

Section 6. This local law shall take effect upon filing with the Secretary of State pursuant to Section 27 of the New York Municipal Home Rule Law and the Monroe County Charter.

RESOLUTION NO. 162 OF 2023

**FIXING A PUBLIC HEARING ON LOCAL LAW (INTRO. NO. 199 OF 2023) ENTITLED
“AMENDING THE MONROE COUNTY PURCHASING LAW TO ALLOW
PROCUREMENT ON THE BASIS OF BEST VALUE”**

BE IT RESOLVED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. That there will be a public hearing at 6:15 P.M. on the 11th day of July, 2023, in the Legislative Chambers in the County Office Building, Rochester, New York on Local Law (Intro. No. 199 of 2023) entitled “AMENDING THE MONROE COUNTY PURCHASING LAW TO ALLOW PROCUREMENT ON THE BASIS OF BEST VALUE”.

Section 2. The Clerk of the Legislature is directed to give notice of the time and place of this public hearing, and a description of the proposed local law, to the news media within the County, and shall conspicuously post a copy of said notice in the office of the Clerk at least five days before said hearing. In addition, the Clerk shall cause said notice to be published once in the official newspapers of general circulation within the County at least five days before said hearing.

Section 3. This local law shall take effect in accordance with the provisions of the Municipal Home Rule Law and the Monroe County Charter.

Intro No. 203

ENACT A LOCAL LAW ENTITLED “MONROE COUNTY FAIR CHANCE EMPLOYMENT ACT”

BE IT ENACTED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. Title. This local law shall be known as the “Monroe County Fair Chance Employment Act.”

Section 2. Legislative Intent.

- A. The Legislature finds that those with a criminal history regularly face discrimination in many areas of life, including employment.
- B. The Legislature further finds that studies indicate that stable employment is one of the best predictors of post-conviction success.
- C. The Legislature further finds that the ability of individuals with a criminal history to successfully reintegrate into their communities and find employment improves public safety and benefits local taxpayers, as less crime leads to safer communities, strengthens families, and saves taxpayers money on costs associated with law enforcement and incarceration.
- D. The Legislature determines that those who have been incarcerated have paid their debt to society and should be afforded a fair opportunity to reenter the workplace. Individuals with a criminal history should not be discriminated against once they are released from prison and should be evaluated for employment based upon their qualifications to perform a job, rather than their criminal history.
- E. The Legislature determines that individuals with a criminal history represent a workforce with skills to contribute and a desire to add value to their communities.
- F. The Legislature determines that the main goal of a criminal justice system should be rehabilitation and that once individuals reenter society, they should be treated fairly and without discrimination based on a prior conviction.
- G. The Legislature finds that employment discrimination based on criminal history can affect anyone regardless of race, religion, national origin, gender, or sexual orientation. However, African Americans are disproportionately hurt by discrimination based on criminal history due to a long history of policies that have led to African Americans being incarcerated at rates more than five times that of Whites, and more than two and a half times that of Hispanics.
- H. The Legislature determines that due to a criminal justice system in which minorities are incarcerated at much higher rates than Whites, African Americans and Hispanics bear the brunt of employment discrimination based on criminal history.
- I. The Legislature finds that nine municipalities and three counties in the state of New York have implemented policies to protect job applicants against potential discrimination, including New York City, Buffalo, and Rochester.

- J. The Legislature further finds that over twenty states and more than one hundred municipalities and counties throughout the United States across all political lines have implemented policies to protect job applicants from potential discrimination.
- K. The Legislature further finds that New York Correction Law does not prohibit employers from inquiring about criminal history on employment applications. Because the vast majority of applications are discarded during an initial review for a variety of reasons, it makes it extremely difficult for an applicant to prove that he or she was not hired due to his or her criminal history. In addition, many applicants simply will not apply for a position if they are required to disclose their criminal history on an employment application.
- L. Therefore, the purpose of this local law is to ensure that everyone receives a fair chance in seeking employment with Monroe County, regardless of one's arrest record or criminal history.

Section 3. Purpose. The purpose of this section is to ensure that applicants for positions with Monroe County are not unfairly discriminated against because of prior criminal history during the application process.

Section 4. Definitions. As used in this section:

“Adverse Action” means to refuse to hire or promote, to discharge an individual from his or her employment, or revoke an applicant’s conditional offer of employment.

“Applicant” means any person considered or who requests to be considered for employment by the County.

“Application Process” means the period of time beginning when an applicant inquires about employment with the County or submits an employment application to the County, and ends when the applicant is provided a conditional offer of employment or the County chooses not to offer the applicant a conditional offer of employment.

“Arrest” means a record or action by any jurisdiction that does not result in a conviction, or any encounter with a law enforcement agency that does not result in a conviction. This includes information indicating that a person has been questioned, apprehended, taken into custody or detained, or held for an investigation by a law enforcement, police, or prosecutorial agency.

“Conviction” means any sentence arising from a plea or verdict of guilty, including a sentence of incarceration, a suspended sentence, a sentence of probation, an unconditional discharge, or a diversion program.

“County” means the County of Monroe, its departments, administrative units, public officers, and employees.

“Criminal History” means an individual’s prior criminal conviction and/or sentencing in New York State or any other jurisdiction.

Section 5. Prohibition Against Unfair Discrimination. The County shall not:

- A. Inquire about an applicant’s criminal history during the application process.
- B. Inquire about an applicant’s arrest record at any point in the application process or during any inquiry relating to criminal history; however the County shall not be prohibited from inquiring about pending criminal charges.
- C. Conduct a criminal history check of an applicant until after a conditional offer of employment is made, unless otherwise required because of the nature of the position or by law.

Section 6. Regulations Relating to Background Checks.

- A. All County job announcements shall contain the following disclosure: “This position is subject to a background check for criminal convictions. Convictions will be considered but will not automatically disqualify the candidate. No criminal background check will occur until after a conditional offer of employment has been made, unless required prior to a conditional offer because of the nature of the position or otherwise required by law.”
- B. The County shall not use the following criminal records in relation to a criminal background check: records of arrest not followed by a valid conviction, or records which reflect dismissed or expunged convictions, violations, and infractions; however the County shall not be prohibited from considering pending criminal charges.

Section 7. Guidelines for Consideration of Criminal History and Revocation of Offer of Employment.

- A. Unless a background check is required before a conditional offer of employment because of the nature of the position or otherwise required by law, the County shall send the applicant the following documents prior to conducting a background check or inquiring about an applicant’s criminal history: (1) a conditional offer of employment, and (2) notice that a criminal history check will be conducted prior to the start of employment.
- B. The County shall not take adverse action against an individual due to the individual’s criminal history unless such action is in conformance with Article 23-A of New York Correction Law, New York Human Rights Law, and the New York Family Court Act.
- C. Nothing in this local law shall be construed to prevent the County from taking adverse action against any applicant or denying employment for reasons other than such applicant’s criminal history.

Section 8. Exceptions.

- A. The prohibitions in this local law shall not apply to the Monroe County Sheriff’s Office, the Monroe County Department of Public Safety, the Monroe County Department of Aviation, the Monroe County District Attorney’s Office, the Monroe County Children’s Detention Center, and positions for which it is otherwise required by law to access criminal history information before a conditional offer is made.
- B. The prohibitions of this local law shall not apply if the inquiries or adverse actions prohibited herein are specifically authorized by any other applicable law. Additionally, nothing in this local law shall diminish the County’s rights or responsibilities under Article 23-A of New York Correction Law.

Section 9. Enforcement.

- A. The Monroe County Department of Diversity, Equity, and Inclusion is authorized to enforce this local law, to promulgate additional rules and regulations, and take any and all other reasonable actions necessary to implement and enforce this local law. Any rules and regulations set forth in this local law and/or promulgated by the Monroe County Department of Diversity, Equity, and Inclusion shall be made available online in a manner approved by the Department of Diversity, Equity, and Inclusion.
- B. The Monroe County Department of Diversity, Equity and Inclusion shall be responsible for conducting proper outreach about this local law.

Section 10. Reverse Preemption. This local law shall be null and void on the day that federal or statewide legislation goes into effect incorporating either the same or substantially similar provisions as are contained in this law, or in the event that a pertinent state or federal administrative agency issues and promulgates regulations preempting such action by the County of Monroe. The County Legislature may determine via resolution whether or not identical or substantially similar federal or statewide legislation, or pertinent preempting state or federal regulations have been enacted for the purposes of triggering the provisions of this section.

Section 11. Severability. If any clause, sentence, paragraph, section, subdivision, or other part of this local law or its application shall be inconsistent with any federal or state statute, law, regulation or rule then the federal or state statute, law, regulation, or rule shall prevail. If any clause, sentence, paragraph, section, subdivision, or other part of this local law or its application shall be adjudged by a court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder of this local law which shall remain in full force and effect except as limited by such order or judgment.

Section 12. Effective Date and Applicability. This local law shall be effective immediately upon filing in the Office of the Secretary of State.

Intro. No. 210

RESOLUTION NO. 165 OF 2023

AUTHORIZING CONTRACT WITH PASSERO ASSOCIATES ENGINEERING, ARCHITECTURE AND SURVEYING, D.P.C. FOR PROFESSIONAL DESIGN SERVICES FOR MONROE COUNTY PARKS SYSTEM-WIDE FACILITIES RENOVATIONS PROJECT

BE IT RESOLVED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. The County Executive, or his designee, is hereby authorized to execute a contract with Passero Associates Engineering, Architecture and Surveying, D.P.C. in the amount of \$40,819 for professional design services for Monroe County Parks System-Wide Facilities Renovations Project, and any amendments necessary to complete the project within the total capital fund(s) appropriation.

Section 2. Funding for this contract, consistent with authorized uses, is included in the capital fund 2010, and any capital fund(s) created for the same intended purpose.

Section 3. This resolution shall take effect in accordance with Section C2-7 of the Monroe County Charter.

RESOLUTION NO. 166 OF 2023

AUTHORIZING CONTRACTS WITH BERGMANN ASSOCIATES, ARCHITECTS, ENGINEERS, LANDSCAPE ARCHITECTS & SURVEYORS, D.P.C., ERDMAN ANTHONY AND ASSOCIATES, INC., AND LABELLA ASSOCIATES, D.P.C. FOR MONROE COUNTY SHERIFF'S OFFICE ARCHITECTURAL AND ENGINEERING TERM SERVICES

BE IT RESOLVED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. The County Executive, or his designee, is hereby authorized to execute contracts, and any amendments thereto, with Bergmann Associates, Architects, Engineers, Landscape Architects & Surveyors, D.P.C., Erdman Anthony and Associates, Inc., and LaBella Associates, D.P.C. for Monroe County Sheriff's Office engineering and architectural term services in a total annual aggregate amount not to exceed \$300,000 for the period of June 1, 2023 through May 31, 2024, with the option to renew for two (2) additional one-year extensions, with escalations for the extensions to be limited to the amount equal to the increase in the previous year's Consumer Price Index (U.S. City Average CPI-U from the Bureau of Labor Statistics).

Section 2. Funding for these services, consistent with authorized uses, is included in various capital fund(s), and any capital funds created for the same intended purpose.

Section 3. This resolution shall take effect in accordance with Section C2-7 of the Monroe County Charter.

RESOLUTION NO. 169 OF 2023

CLASSIFICATION OF ACTION AND DETERMINATION OF SIGNIFICANCE PURSUANT TO STATE ENVIRONMENTAL QUALITY REVIEW ACT FOR SALE OF COUNTY OWNED TAX FORECLOSURE PROPERTY LOCATED AT 456 WESTSIDE DRIVE IN THE TOWN OF GATES

BE IT RESOLVED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. The Monroe County Legislature determines that the sale of County owned tax foreclosure property located in the Town of Gates is an Unlisted Action.

Section 2. The Monroe County Legislature has reviewed and considered the Short Environmental Assessment Form dated April 6, 2023, and has considered the potential environmental impacts of the sale of County owned tax foreclosure property located in the Town of Gates pursuant to the requirements of State Environmental Quality Review Act and has found that the proposed action will not result in any significant adverse environmental impacts. The Monroe County Legislature hereby issues and adopts the Negative Declaration attached hereto and made a part hereof and determines that an environmental impact statement is not required.

Section 3. The County Executive, or his designee, is hereby authorized to take such actions to comply with the requirements of the State Environmental Quality Review Act, including without limitation, the execution of documents and the filing, distribution, and publication of the documents required under the State Environmental Quality Review Act, and any other actions to implement the intent of this resolution.

Section 4. This resolution shall take effect in accordance with Section C2-7 of the Monroe County Charter.

Part 1 - Project Information

Instructions for Completing

Part 1 - Project Information. The applicant or project sponsor is responsible for the completion of Part 1. Responses become part of the application for approval or funding, are subject to public review, and may be subject to further verification. Complete Part 1 based on information currently available. If additional research or investigation would be needed to fully respond to any item, please answer as thoroughly as possible based on current information.

Complete all items in Part 1. You may also provide any additional information which you believe will be needed by or useful to the lead agency; attach additional pages as necessary to supplement any item.

Part 1 - Project and Sponsor Information			
Name of Action or Project: Sale of Monroe County Tax Foreclosed Property			
Project Location (describe, and attach a location map): 456 Westside Drive, Rochester, NY 14624 in the Town of Gates with Tax Parcel Number 133.12-5-20			
Brief Description of Proposed Action: Monroe County has negotiated a sale of 456 Westside Drive which is tax foreclosed property in the Town of Gates			
Name of Applicant or Sponsor: Monroe County		Telephone: 585-753-1233	
Address: 39 West Main Street		E-Mail:	
City/PO: Rochester		State: NY	Zip Code: 14614
1. Does the proposed action only involve the legislative adoption of a plan, local law, ordinance, administrative rule, or regulation? If Yes, attach a narrative description of the intent of the proposed action and the environmental resources that may be affected in the municipality and proceed to Part 2. If no, continue to question 2.			NO <input type="checkbox"/>
2. Does the proposed action require a permit, approval or funding from any other government Agency? If Yes, list agency(s) name and permit or approval:			YES <input type="checkbox"/>
3. a. Total acreage of the site of the proposed action? _____ 0.88 acres			
b. Total acreage to be physically disturbed? _____ 0.00 acres			
c. Total acreage (project site and any contiguous properties) owned or controlled by the applicant or project sponsor? _____ 0.88 acres			
4. Check all land uses that occur on, are adjoining or near the proposed action:			
5. <input type="checkbox"/> Urban <input type="checkbox"/> Rural (non-agriculture) <input type="checkbox"/> Industrial <input type="checkbox"/> Commercial <input checked="" type="checkbox"/> Residential (suburban)			
<input type="checkbox"/> Forest <input type="checkbox"/> Agriculture <input type="checkbox"/> Aquatic <input type="checkbox"/> Other(Specify):			
<input type="checkbox"/> Parkland			

5. Is the proposed action,	NO	YES	N/A
	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
a. A permitted use under the zoning regulations?	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
b. Consistent with the adopted comprehensive plan?	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
6. Is the proposed action consistent with the predominant character of the existing built or natural landscape?	NO	YES	
	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
7. Is the site of the proposed action located in, or does it adjoin, a state listed Critical Environmental Area?	NO	YES	
If Yes, identify: _____	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
8. a. Will the proposed action result in a substantial increase in traffic above present levels?	NO	YES	
	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
b. Are public transportation services available at or near the site of the proposed action?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
c. Are any pedestrian accommodations or bicycle routes available on or near the site of the proposed action?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
9. Does the proposed action meet or exceed the state energy code requirements?	NO	YES	
If the proposed action will exceed requirements, describe design features and technologies: _____ _____	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
10. Will the proposed action connect to an existing public/private water supply?	NO	YES	
If No, describe method for providing potable water: _____ _____	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
11. Will the proposed action connect to existing wastewater utilities?	NO	YES	
If No, describe method for providing wastewater treatment: _____ _____	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
12. a. Does the project site contain, or is it substantially contiguous to, a building, archaeological site, or district which is listed on the National or State Register of Historic Places, or that has been determined by the Commissioner of the NYS Office of Parks, Recreation and Historic Preservation to be eligible for listing on the State Register of Historic Places?	NO	YES	
	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
b. Is the project site, or any portion of it, located in or adjacent to an area designated as sensitive for archaeological sites on the NY State Historic Preservation Office (SHPO) archaeological site inventory?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
13. a. Does any portion of the site of the proposed action, or lands adjoining the proposed action, contain wetlands or other waterbodies regulated by a federal, state or local agency?	NO	YES	
	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
b. Would the proposed action physically alter, or encroach into, any existing wetland or waterbody?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
If Yes, identify the wetland or waterbody and extent of alterations in square feet or acres: _____ _____ _____			

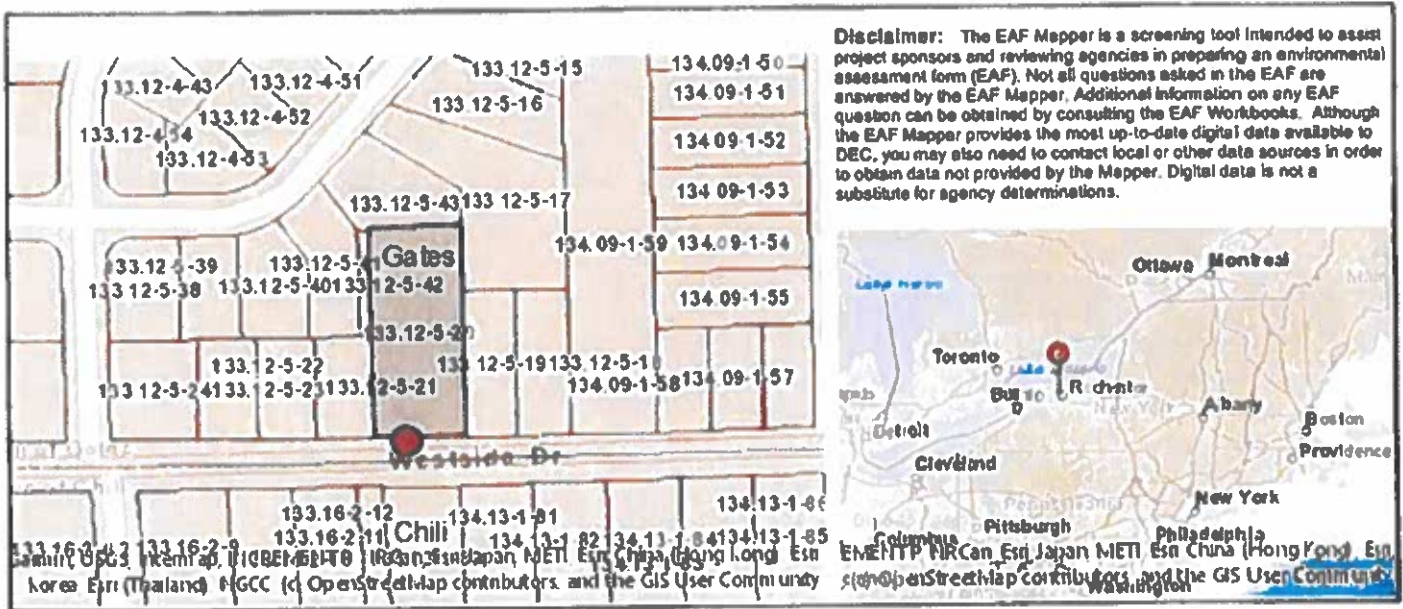

14. Identify the typical habitat types that occur on, or are likely to be found on the project site. Check all that apply: <input type="checkbox"/> Shoreline <input type="checkbox"/> Forest <input type="checkbox"/> Agricultural/grasslands <input type="checkbox"/> Early mid-successional <input type="checkbox"/> Wetland <input type="checkbox"/> Urban <input checked="" type="checkbox"/> Suburban		
15. Does the site of the proposed action contain any species of animal, or associated habitats, listed by the State or Federal government as threatened or endangered?	NO	YES
	<input checked="" type="checkbox"/>	<input type="checkbox"/>
16. Is the project site located in the 100-year flood plan?	NO	YES
	<input checked="" type="checkbox"/>	<input type="checkbox"/>
17. Will the proposed action create storm water discharge, either from point or non-point sources? If Yes, a. Will storm water discharges flow to adjacent properties? b. Will storm water discharges be directed to established conveyance systems (runoff and storm drains)? If Yes, briefly describe: _____ _____	NO	YES
	<input checked="" type="checkbox"/>	<input type="checkbox"/>
	<input checked="" type="checkbox"/>	<input type="checkbox"/>
	<input checked="" type="checkbox"/>	<input type="checkbox"/>
18. Does the proposed action include construction or other activities that would result in the impoundment of water or other liquids (e.g., retention pond, waste lagoon, dam)? If Yes, explain the purpose and size of the impoundment: _____ _____	NO	YES
	<input checked="" type="checkbox"/>	<input type="checkbox"/>
19. Has the site of the proposed action or an adjoining property been the location of an active or closed solid waste management facility? If Yes, describe: _____ _____	NO	YES
	<input checked="" type="checkbox"/>	<input type="checkbox"/>
20. Has the site of the proposed action or an adjoining property been the subject of remediation (ongoing or completed) for hazardous waste? If Yes, describe: _____ _____	NO	YES
	<input checked="" type="checkbox"/>	<input type="checkbox"/>

I CERTIFY THAT THE INFORMATION PROVIDED ABOVE IS TRUE AND ACCURATE TO THE BEST OF MY KNOWLEDGE

**Short Environmental Assessment Form
Part 2 - Impact Assessment**

Part 2 is to be completed by the Lead Agency.

Answer all of the following questions in Part 2 using the information contained in Part 1 and other materials submitted by the project sponsor or otherwise available to the reviewer. When answering the questions the reviewer should be guided by the concept "Have my responses been reasonable considering the scale and context of the proposed action?"

	No, or small impact may occur	Moderate to large impact may occur
1. Will the proposed action create a material conflict with an adopted land use plan or zoning regulations?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
2. Will the proposed action result in a change in the use or intensity of use of land?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
3. Will the proposed action impair the character or quality of the existing community?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
4. Will the proposed action have an impact on the environmental characteristics that caused the establishment of a Critical Environmental Area (CEA)?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
5. Will the proposed action result in an adverse change in the existing level of traffic or affect existing infrastructure for mass transit, biking or walkway?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
6. Will the proposed action cause an increase in the use of energy and it fails to incorporate reasonably available energy conservation or renewable energy opportunities?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
7. Will the proposed action impact existing:	<input checked="" type="checkbox"/>	<input type="checkbox"/>
a. public / private water supplies?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
b. public / private wastewater treatment utilities?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
8. Will the proposed action impair the character or quality of important historic, archaeological, architectural or aesthetic resources?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
9. Will the proposed action result in an adverse change to natural resources (e.g., wetlands, waterbodies, groundwater, air quality, flora and fauna)?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
10. Will the proposed action result in an increase in the potential for erosion, flooding or drainage problems?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
11. Will the proposed action create a hazard to environmental resources or human health?	<input checked="" type="checkbox"/>	<input type="checkbox"/>

Agency Use Only (If applicable)

**Short Environmental Assessment Form
Part 3 Determination of Significance**

For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

The action is for the sale of the property and does not include the physical alteration nor disturbance of the property. Part 1 of the EAF indicates the site contains or is near the following: archaeological resources.

According to the New York State Cultural Resource Inventory System (CRIS) this action is not an action subject to review as no construction or disturbance is involved in this property transfer. Future actions that involve disturbance may be subject to environmental review, including cultural review at that time.

The sale of this property does not include physical disturbance or development of the parcel and will not result in any significant adverse environmental impacts.

<input type="checkbox"/>	Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.
<input checked="" type="checkbox"/>	Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.

Project: 189 Golden Road

Date: 2023.04.07

Short Environmental Assessment Form Part 3 Determination of Significance

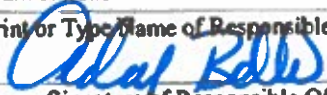

For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

Part 1 of the EAF indicates the site contains or is near wetlands. New York State and Federal Wetland Regulations will need to be followed to develop this site, but will not be impacted by the sale of this parcel.

The Environmental Mapper also indicates that the subject property, or an adjoining property, has been the subject of remediation. This site underwent remediation through the State's Super Fund Program - Site Code: 828021, Site Name: Golden Road Disposal Site (Site Record Attached and additional site materials can be found here: <https://www.dec.ny.gov/data/DecDocs/828021/>).

This parcel was the site of illegal dumping from approximately 1955 to 1976. A Phase II Site Assessment showed elevated levels of heavy metals and low levels of volatile organic compounds in shallow groundwater and petroleum contaminated soil. Remediation efforts were undertaken in 1983 and 2001. Remediation is complete, however residual contamination in the soil, groundwater, and sediment is being managed under a site management plan. Currently, there are no occupied buildings on the site and an environmental notice has restricted the property to remain undeveloped land. Should the current use of the site change in the future, a soil vapor intrusion evaluation needs to be completed at that time. Environmental sampling indicates soil vapor intrusion is not a concern for off-site buildings.

The action is for sale of vacant tax foreclosed property that is subject to a site management plan and an environmental notice restricts the use of the property. No construction or development is contemplated as a part of this review. The sale of this property does not permit any development or construction. Accordingly, no wetlands will be impacted by this sale. Any future development of this parcel is heavily restricted and will be subject to an Environmental Notice, local zoning codes, and the NYS Building Code. Additionally, New York State and Federal Wetland Regulations will need to be followed to develop this site. Accordingly, the sale of this parcel will not result in any significant adverse environmental impacts.

<input type="checkbox"/>	Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.
<input checked="" type="checkbox"/>	Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.

RESOLUTION NO. 173 OF 2023

CLASSIFICATION OF ACTION AND DETERMINATION OF SIGNIFICANCE PURSUANT TO STATE ENVIRONMENTAL QUALITY REVIEW ACT FOR FIRST TIME HOME BUYERS PROGRAM FUNDED THROUGH MONROE COUNTY HOME INVESTMENT PARTNERSHIPS PROGRAM

BE IT RESOLVED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. The Monroe County Legislature determines that the First Time Home Buyers Program is an Unlisted action.

Section 2. The Monroe County Legislature has reviewed and considered the Short Environmental Assessment Form dated April 4, 2023 and has considered the potential environmental impacts of the First Time Home Buyers Program pursuant to the requirements of State Environmental Quality Review Act and has found that the proposed action will not result in any significant adverse environmental impacts. The Monroe County Legislature hereby issues and adopts the Negative Declaration attached hereto and made a part hereof and determines that an environmental impact statement is not required.

Section 3. The County Executive, or his designee, is hereby authorized to take such actions to comply with the requirements of the State Environmental Quality Review Act, including without limitation, the execution of documents and the filing, distribution, and publication of the documents required under the State Environmental Quality Review Act, and any other actions to implement the intent of this resolution.

Section 4. This resolution shall take effect in accordance with Section C2-7 of the Monroe County Charter.

Short Environmental Assessment Form Part 1 - Project Information

Instructions for Completing

Part 1 – Project Information. The applicant or project sponsor is responsible for the completion of Part 1. Responses become part of the application for approval or funding, are subject to public review, and may be subject to further verification. Complete Part 1 based on information currently available. If additional research or investigation would be needed to fully respond to any item, please answer as thoroughly as possible based on current information.

Complete all items in Part 1. You may also provide any additional information which you believe will be needed by or useful to the lead agency; attach additional pages as necessary to supplement any item.

Part 1 – Project and Sponsor Information				
Name of Action or Project: First Time Home Buyers Program (FTHB)				
Project Location (describe, and attach a location map): Monroe County, with the exception of the City of Rochester.				
Brief Description of Proposed Action: Develop affordable housing opportunities by providing a direct subsidy for down payment or closing cost assistance for income eligible first time home-buyers purchasing their first home in suburban Monroe County. This is an administrative program that will aid individuals purchasing homes that are still subject to existing municipal building and zoning codes.				
Name of Applicant or Sponsor: Monroe County		Telephone: 585-753-2032 E-Mail: patnckgooch@gmail.com		
Address: 39 W Main Street				
City/PO: Rochester		State: New York	Zip Code: 14614	
1. Does the proposed action only involve the legislative adoption of a plan, local law, ordinance, administrative rule, or regulation? If Yes, attach a narrative description of the intent of the proposed action and the environmental resources that may be affected in the municipality and proceed to Part 2. If no, continue to question 2.			NO <input type="checkbox"/>	YES <input type="checkbox"/>
2. Does the proposed action require a permit, approval or funding from any other government Agency? If Yes, list agency(s) name and permit or approval: Dept. of Housing and Urban Development			NO <input type="checkbox"/>	YES <input checked="" type="checkbox"/>
3. a. Total acreage of the site of the proposed action? _____ 0 acres b. Total acreage to be physically disturbed? _____ 0 acres c. Total acreage (project site and any contiguous properties) owned or controlled by the applicant or project sponsor? _____ 0 acres				
4. Check all land uses that occur on, are adjoining or near the proposed action:				
<input checked="" type="checkbox"/> Urban <input checked="" type="checkbox"/> Rural (non-agriculture) <input type="checkbox"/> Industrial <input type="checkbox"/> Commercial <input checked="" type="checkbox"/> Residential (suburban) <input checked="" type="checkbox"/> Forest <input checked="" type="checkbox"/> Agriculture <input type="checkbox"/> Aquatic <input type="checkbox"/> Other(Specify): <input checked="" type="checkbox"/> Parkland				

5. Is the proposed action, a. A permitted use under the zoning regulations? b. Consistent with the adopted comprehensive plan?	NO	YES	N/A
	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
6. Is the proposed action consistent with the predominant character of the existing built or natural landscape?	NO	YES	
	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
7. Is the site of the proposed action located in, or does it adjoin, a state listed Critical Environmental Area? If Yes, identify: _____	NO	YES	
	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
8. a. Will the proposed action result in a substantial increase in traffic above present levels? b. Are public transportation services available at or near the site of the proposed action? c. Are any pedestrian accommodations or bicycle routes available on or near the site of the proposed action?	NO	YES	
	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
9. Does the proposed action meet or exceed the state energy code requirements? If the proposed action will exceed requirements, describe design features and technologies: _____ _____	NO	YES	
	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
10. Will the proposed action connect to an existing public/private water supply? If No, describe method for providing potable water: _____ _____	NO	YES	
	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
11. Will the proposed action connect to existing wastewater utilities? If No, describe method for providing wastewater treatment: _____ _____	NO	YES	
	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
12. a. Does the project site contain, or is it substantially contiguous to, a building, archaeological site, or district which is listed on the National or State Register of Historic Places, or that has been determined by the Commissioner of the NYS Office of Parks, Recreation and Historic Preservation to be eligible for listing on the State Register of Historic Places? b. Is the project site, or any portion of it, located in or adjacent to an area designated as sensitive for archaeological sites on the NY State Historic Preservation Office (SHPO) archaeological site inventory?	NO	YES	
	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
13. a. Does any portion of the site of the proposed action, or lands adjoining the proposed action, contain wetlands or other waterbodies regulated by a federal, state or local agency? b. Would the proposed action physically alter, or encroach into, any existing wetland or waterbody? If Yes, identify the wetland or waterbody and extent of alterations in square feet or acres: _____ _____ _____	NO	YES	
	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
	<input checked="" type="checkbox"/>	<input type="checkbox"/>	

14. Identify the typical habitat types that occur on, or are likely to be found on the project site. Check all that apply: <input type="checkbox"/> Shoreline <input type="checkbox"/> Forest <input type="checkbox"/> Agricultural grasslands <input type="checkbox"/> Early mid-successional <input type="checkbox"/> Wetland <input checked="" type="checkbox"/> Urban <input checked="" type="checkbox"/> Suburban		
15. Does the site of the proposed action contain any species of animal, or associated habitats, listed by the State or Federal government as threatened or endangered?	NO	YES
	<input checked="" type="checkbox"/>	<input type="checkbox"/>
16. Is the project site located in the 100-year flood plan?	NO	YES
	<input checked="" type="checkbox"/>	<input type="checkbox"/>
17. Will the proposed action create storm water discharge, either from point or non-point sources? If Yes,	NO	YES
	<input checked="" type="checkbox"/>	<input type="checkbox"/>
a. Will storm water discharges flow to adjacent properties?	<input type="checkbox"/>	<input type="checkbox"/>
b. Will storm water discharges be directed to established conveyance systems (runoff and storm drains)?	<input type="checkbox"/>	<input type="checkbox"/>
If Yes, briefly describe: _____ _____		
18. Does the proposed action include construction or other activities that would result in the impoundment of water or other liquids (e.g., retention pond, waste lagoon, dam)? If Yes, explain the purpose and size of the impoundment: _____ _____	NO	YES
	<input checked="" type="checkbox"/>	<input type="checkbox"/>
19. Has the site of the proposed action or an adjoining property been the location of an active or closed solid waste management facility? If Yes, describe: _____ _____	NO	YES
	<input checked="" type="checkbox"/>	<input type="checkbox"/>
20. Has the site of the proposed action or an adjoining property been the subject of remediation (ongoing or completed) for hazardous waste? If Yes, describe: _____ _____	NO	YES
	<input checked="" type="checkbox"/>	<input type="checkbox"/>
I CERTIFY THAT THE INFORMATION PROVIDED ABOVE IS TRUE AND ACCURATE TO THE BEST OF MY KNOWLEDGE Applicant/sponsor/name: <u>Patrick Gooch</u> Date: <u>04/04/2023</u> Signature: <u></u> Title: <u>Senior Planner</u>

Short Environmental Assessment Form Part 2 - Impact Assessment

Part 2 is to be completed by the Lead Agency.

Answer all of the following questions in Part 2 using the information contained in Part 1 and other materials submitted by the project sponsor or otherwise available to the reviewer. When answering the questions the reviewer should be guided by the concept "Have my responses been reasonable considering the scale and context of the proposed action?"

	No, or small impact may occur	Moderate to large impact may occur
1. Will the proposed action create a material conflict with an adopted land use plan or zoning regulations?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
2. Will the proposed action result in a change in the use or intensity of use of land?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
3. Will the proposed action impair the character or quality of the existing community?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
4. Will the proposed action have an impact on the environmental characteristics that caused the establishment of a Critical Environmental Area (CEA)?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
5. Will the proposed action result in an adverse change in the existing level of traffic or affect existing infrastructure for mass transit, biking or walkway?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
6. Will the proposed action cause an increase in the use of energy and it fails to incorporate reasonably available energy conservation or renewable energy opportunities?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
7. Will the proposed action impact existing:		
a. public / private water supplies?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
b. public / private wastewater treatment utilities?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
8. Will the proposed action impair the character or quality of important historic, archaeological, architectural or aesthetic resources?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
9. Will the proposed action result in an adverse change to natural resources (e.g., wetlands, waterbodies, groundwater, air quality, flora and fauna)?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
10. Will the proposed action result in an increase in the potential for erosion, flooding or drainage problems?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
11. Will the proposed action create a hazard to environmental resources or human health?	<input checked="" type="checkbox"/>	<input type="checkbox"/>

Short Environmental Assessment Form Part 3 Determination of Significance

For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

The First-Time Home Buyer Program is a Monroe County program that provides one-time grants for down payment and closing assistance to income-eligible first time home buyers who purchase homes in the suburban towns and villages of Monroe County. This program has no direct effects on the environment, all property involved in this program is privately owned and still subject to the the New York State Building Code and municipal zoning laws. This program will not result in construction or other physical projects; encroachment on wetlands, Critical Environmental Areas, floodplains; encroachment on a building, archaeological site, or district which is listed on the National or State Register of Historic Places, or that has been determined by the Commissioner of the NYS Office of Parks, Recreation and Historic Preservation to be eligible for listing on the State Register of Historic Places. This program will not have any significant adverse environmental impacts.

<input type="checkbox"/>	Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.
<input checked="" type="checkbox"/>	Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.

Short Environmental Assessment Form Part 3 Determination of Significance

For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

The Acquisition Rehab Resale Program is a Monroe County program that provides grants to income-eligible first time home buyers who purchase homes in the suburban towns and villages of Monroe County. This program has no direct effects on the environment, all property involved in this program is privately owned and subject to the New York State Building Code and municipal zoning laws. This program will not result in construction that results in the expansion of the original footprint; encroachment on wetlands, Critical Environmental Areas, floodplains; encroachment on a building, archaeological site, or district which is listed on the National or State Register of Historic Places, or that has been determined by the Commissioner of the NYS Office of Parks, Recreation and Historic Preservation to be eligible for listing on the State Register of Historic Places. This program will not have any significant adverse environmental impacts.

- Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.
- Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.

RESOLUTION NO. 175 OF 2023

CLASSIFICATION OF ACTION AND DETERMINATION OF SIGNIFICANCE PURSUANT TO STATE ENVIRONMENTAL QUALITY REVIEW ACT FOR LIFETIME ASSISTANCE BRICK SCHOOLHOUSE ROAD PROJECT FUNDED THROUGH MONROE COUNTY HOME INVESTMENT PARTNERSHIPS PROGRAM

BE IT RESOLVED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. The Monroe County Legislature determines that the Lifetime Assistance Brick Schoolhouse Road Project is an Unlisted action.

Section 2. The Monroe County Legislature has reviewed and considered the Short Environmental Assessment Form dated April 6, 2023, and has considered the potential environmental impacts of the Lifetime Assistance Brick Schoolhouse Road Project pursuant to the requirements of State Environmental Quality Review Act and has found that the proposed action will not result in any significant adverse environmental impacts. The Monroe County Legislature hereby issues and adopts the Negative Declaration attached hereto and made a part hereof and determines that an environmental impact statement is not required.

Section 3. The County Executive, or his designee, is hereby authorized to take such actions to comply with the requirements of the State Environmental Quality Review Act, including without limitation, the execution of documents and the filing, distribution, and publication of the documents required under the State Environmental Quality Review Act, and any other actions to implement the intent of this resolution.

Section 4. This resolution shall take effect in accordance with Section C2-7 of the Monroe County Charter.

Short Environmental Assessment Form

Part 1 - Project Information

Instructions for Completing

Part 1 – Project Information. The applicant or project sponsor is responsible for the completion of Part 1. Responses become part of the application for approval or funding, are subject to public review, and may be subject to further verification. Complete Part 1 based on information currently available. If additional research or investigation would be needed to fully respond to any item, please answer as thoroughly as possible based on current information.

Complete all items in Part 1. You may also provide any additional information which you believe will be needed by or useful to the lead agency; attach additional pages as necessary to supplement any item.

Part 1 – Project and Sponsor Information			
Monroe County			
Name of Action or Project: Lifetime Community Home			
Project Location (describe, and attach a location map): 3852 Brick Schoolhouse Road			
Brief Description of Proposed Action: The 3852 Brick Schoolhouse Road, Hamlin, NY (IRA) group home consists of two double bedrooms and two single bedrooms (4 units for six (6) individuals). The renovations proposed include the addition of two new single bedrooms. The addition of two accessible bedrooms, will allow the four people currently living in two double bedrooms to each have a bedroom that will fit their wheelchair and adaptive bed. The renovations will include an addition of approximately 364 square feet that includes the two bedrooms and a small storage area.			
Name of Applicant or Sponsor: Monroe County		Telephone: 585-753-2000	
		E-Mail: patrickgoach@monroecounty.gov	
Address: 50 West Main Street, Suite 1150, Rochester NY 14614			
City/PO: Rochester		State: NY	Zip Code: 14614
1. Does the proposed action only involve the legislative adoption of a plan, local law, ordinance, administrative rule, or regulation? If Yes, attach a narrative description of the intent of the proposed action and the environmental resources that may be affected in the municipality and proceed to Part 2. If no, continue to question 2.			NO <input type="checkbox"/>
			YES <input type="checkbox"/>
2. Does the proposed action require a permit, approval or funding from any other government Agency? If Yes, list agency(s) name and permit or approval: New York State Office of People With Developmental Disabilities Operating Certificate and Building Permit			NO <input type="checkbox"/>
			YES <input checked="" type="checkbox"/>
3. a. Total acreage of the site of the proposed action?		0.57 acres	
b. Total acreage to be physically disturbed?		.008 acres	
c. Total acreage (project site and any contiguous properties) owned or controlled by the applicant or project sponsor?		0.57 acres	
4. Check all land uses that occur on, are adjoining or near the proposed action:			
5. <input type="checkbox"/> Urban <input type="checkbox"/> Rural (non-agriculture) <input type="checkbox"/> Industrial <input type="checkbox"/> Commercial <input checked="" type="checkbox"/> Residential (suburban)			
<input type="checkbox"/> Forest <input type="checkbox"/> Agriculture <input type="checkbox"/> Aquatic <input type="checkbox"/> Other(Specify):			
<input type="checkbox"/> Parkland			

		NO	YES	N/A
5. Is the proposed action,	a. A permitted use under the zoning regulations?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
	b. Consistent with the adopted comprehensive plan?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
6. Is the proposed action consistent with the predominant character of the existing built or natural landscape?		<input type="checkbox"/>	<input checked="" type="checkbox"/>	NO YES
7. Is the site of the proposed action located in, or does it adjoin, a state listed Critical Environmental Area? If Yes, identify: _____		<input checked="" type="checkbox"/>	<input type="checkbox"/>	NO YES
8. a. Will the proposed action result in a substantial increase in traffic above present levels? b. Are public transportation services available at or near the site of the proposed action? c. Are any pedestrian accommodations or bicycle routes available on or near the site of the proposed action?		<input checked="" type="checkbox"/>	<input type="checkbox"/>	NO YES
		<input checked="" type="checkbox"/>	<input type="checkbox"/>	
		<input checked="" type="checkbox"/>	<input type="checkbox"/>	
9. Does the proposed action meet or exceed the state energy code requirements? If the proposed action will exceed requirements, describe design features and technologies: _____ _____		<input type="checkbox"/>	<input checked="" type="checkbox"/>	NO YES
10. Will the proposed action connect to an existing public/private water supply? If No, describe method for providing potable water: _____ _____		<input type="checkbox"/>	<input checked="" type="checkbox"/>	NO YES
11. Will the proposed action connect to existing wastewater utilities? If No, describe method for providing wastewater treatment: _____ _____		<input type="checkbox"/>	<input checked="" type="checkbox"/>	NO YES
12. a. Does the project site contain, or is it substantially contiguous to, a building, archaeological site, or district which is listed on the National or State Register of Historic Places, or that has been determined by the Commissioner of the NYS Office of Parks, Recreation and Historic Preservation to be eligible for listing on the State Register of Historic Places? b. Is the project site, or any portion of it, located in or adjacent to an area designated as sensitive for archaeological sites on the NY State Historic Preservation Office (SHPO) archaeological site inventory?		<input checked="" type="checkbox"/>	<input type="checkbox"/>	NO YES
		<input checked="" type="checkbox"/>	<input type="checkbox"/>	
13. a. Does any portion of the site of the proposed action, or lands adjoining the proposed action, contain wetlands or other waterbodies regulated by a federal, state or local agency? b. Would the proposed action physically alter, or encroach into, any existing wetland or waterbody?		<input type="checkbox"/>	<input checked="" type="checkbox"/>	NO YES
		<input checked="" type="checkbox"/>	<input type="checkbox"/>	
If Yes, identify the wetland or waterbody and extent of alterations in square feet or acres: _____ Brush Creek is approximately 200 feet northeast of the project. The creek is small and has intermittent flows. there will be no impact. _____ _____				

Disclaimer: The EAF Mapper is a screening tool intended to assist project sponsors and reviewing agencies in preparing an environmental assessment form (EAF). Not all questions asked in the EAF are answered by the EAF Mapper. Additional information on any EAF question can be obtained by consulting the EAF Workbooks. Although the EAF Mapper provides the most up-to-date digital data available to DEC, you may also need to contact local or other data sources in order to obtain data not provided by the Mapper. Digital data is not a substitute for agency determinations.

Part 1 / Question 7 [Critical Environmental Area]	No
Part 1 / Question 12a [National or State Register of Historic Places or State Eligible Sites]	No
Part 1 / Question 12b [Archeological Sites]	No
Part 1 / Question 13a [Wetlands or Other Regulated Waterbodies]	Yes - Digital mapping information on local and federal wetlands and waterbodies is known to be incomplete. Refer to EAF Workbook.
Part 1 / Question 15 [Threatened or Endangered Animal]	No
Part 1 / Question 16 [100 Year Flood Plain]	No
Part 1 / Question 20 [Remediation Site]	No

Project: Lifetime Assistance
 Date: April 5, 2023

**Short Environmental Assessment Form
 Part 2 - Impact Assessment**

Part 2 is to be completed by the Lead Agency.

Answer all of the following questions in Part 2 using the information contained in Part 1 and other materials submitted by the project sponsor or otherwise available to the reviewer. When answering the questions the reviewer should be guided by the concept "Have my responses been reasonable considering the scale and context of the proposed action?"

	No, or small impact may occur	Moderate to large impact may occur
1. Will the proposed action create a material conflict with an adopted land use plan or zoning regulations?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
2. Will the proposed action result in a change in the use or intensity of use of land?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
3. Will the proposed action impair the character or quality of the existing community?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
4. Will the proposed action have an impact on the environmental characteristics that caused the establishment of a Critical Environmental Area (CEA)?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
5. Will the proposed action result in an adverse change in the existing level of traffic or affect existing infrastructure for mass transit, biking or walkway?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
6. Will the proposed action cause an increase in the use of energy and it fails to incorporate reasonably available energy conservation or renewable energy opportunities?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
7. Will the proposed action impact existing:	<input checked="" type="checkbox"/>	<input type="checkbox"/>
a. public / private water supplies?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
b. public / private wastewater treatment utilities?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
8. Will the proposed action impair the character or quality of important historic, archaeological, architectural or aesthetic resources?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
9. Will the proposed action result in an adverse change to natural resources (e.g., wetlands, waterbodies, groundwater, air quality, flora and fauna)?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
10. Will the proposed action result in an increase in the potential for erosion, flooding or drainage problems?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
11. Will the proposed action create a hazard to environmental resources or human health?	<input checked="" type="checkbox"/>	<input type="checkbox"/>

Project: Lifetime Assistance

Date: April 5, 2023

Short Environmental Assessment Form Part 3 Determination of Significance

For every question in Part 2 that was answered “moderate to large impact may occur”, or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

The project involves renovating the existing one story, 1996, slab-on-grade wood framed Individualized Residential Alternative (IRA) group home facility in accordance with 2020 New York State Residential Code and 2000 NFPA-101 Life Safety Code Chapter 33 Existing Board and Care occupancy for six developmentally disabled occupants. The intent of these proposed renovations is to increase the residence from four bedrooms to six bedrooms. Each of the bedrooms will be 135 square feet, allowing the existing occupants to have their own bedrooms and ensure that each bedroom is accessible for wheelchair uses. Other minor modifications to hallways and storage areas bring the addition to a total of 364 square feet.

No historic properties, including archaeological and/or historic resources, will be affected by this undertaking. It is anticipated that this project will not have an impact on historic, natural, and cultural resources and will not alter the existing community character or increase traffic. The proposed action is consistent with existing land use. Accordingly, the proposed action will have no significant effect upon the environment and is determined to be a negative determination.

<input type="checkbox"/> Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.	
<input checked="" type="checkbox"/> Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.

RESOLUTION NO. 181 OF 2023

SUPERSEDING BOND RESOLUTION DATED JUNE 13, 2023

RESOLUTION AUTHORIZING THE ISSUANCE OF \$450,000 BONDS OF THE COUNTY OF MONROE, NEW YORK, TO FINANCE THE COST OF THE RECONSTRUCTION OF PHILLIPS ROAD (NYS ROUTE 104 TO SCHLEGEL ROAD), IN AND FOR SAID COUNTY, AT AN ESTIMATED MAXIMUM COST OF \$450,000 AND SUPERSEDING THE BOND RESOLUTION ADOPTED ON DECEMBER 13, 2022 (RESOLUTION NO. 443 OF 2022)

BE IT RESOLVED BY THE AFFIRMATIVE VOTE OF **NOT LESS THAN TWO-THIRDS OF THE TOTAL VOTING STRENGTH** OF THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. For the object or purpose of financing the cost of the reconstruction of Phillips Road (NYS Route 104 to Schlegel Road), in and for the County of Monroe, New York (the “County”), there are hereby authorized to be issued \$450,000 bonds of the County, pursuant to the provisions of the Local Finance Law. The duly adopted current Capital Budget of the County, to the extent inconsistent herewith, is hereby amended to provide for the appropriation of an additional \$25,000 to pay the cost of the aforesaid specific object or purpose (\$425,000 having been heretofore appropriated from one or more Capital Budgets). The period of probable usefulness of the aforesaid specific object or purpose is fifteen (15) years, pursuant to subdivision 20(c) of paragraph a of Section 11.00 of the Local Finance Law.

Section 2. The maximum estimated cost thereof is \$450,000, and the plan for the financing thereof is by the issuance of \$450,000 bonds of said County herein authorized, provided, however, that to the extent any state and/or federal aid and/or grant and/or gift is received for the aforesaid purpose, the County Executive, or his designee, is hereby authorized to accept and shall use such funds to redeem any outstanding indebtedness incurred for such purpose or apply it, dollar for dollar, to reduce the amount of bonds to be issued for such purpose.

Section 3. The faith and credit of the County are hereby irrevocably pledged for the payment of the principal of and interest on such obligations as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such obligations becoming due and payable in such year. There shall annually be levied on all the taxable real property of said County a tax sufficient to pay the principal of and interest on such obligations as the same become due and payable.

Section 4. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell the bonds and bond anticipation notes in anticipation of the issuance and sale of the bonds herein authorized, including renewals of such notes, is hereby delegated to the Director of Finance - Chief Financial Officer, the chief fiscal officer of the County under the Local Finance Law. The Director of Finance - Chief Financial Officer may sell such bonds or notes at public or private sale, at a discount or premium, at fixed or variable rates of interest or at no interest whatsoever, or as capital appreciation bonds, and with such amortization of principal as the Director of Finance – Chief Financial Officer shall determine is most favorable to the County, and in compliance with any rules of the State Comptroller applicable thereto. Such bonds or notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Director of Finance - Chief Financial Officer, consistent with the provisions of the Local

Finance Law. The Director of Finance - Chief Financial Officer may, in the event it is determined to issue variable rate bonds or notes, enter into such agreements as said officer finds reasonable to facilitate the issuance, sale, resale and repurchase of such bonds or notes, as authorized under Section 54.90 of the Local Finance Law. The Director of Finance - Chief Financial Officer is also authorized to enter into such agreements and take such other action as may be necessary or appropriate and lawful to assure that, to the extent possible, (i) interest on the bonds and notes authorized hereby will not be includable in the gross income, for federal income tax purposes, of the recipients thereof, and (ii) to enable the purchaser thereof to comply with Securities and Exchange Commission Rule 15c2-12. The Director of Finance – Chief Financial Officer is hereby further delegated all powers of this County Legislature with respect to agreements for credit enhancement, derived from and pursuant to Section 168.00 of the Local Finance Law, for such bonds or notes, including, but not limited to the determination of the provider of such credit enhancement facility or facilities and the terms and contents of any agreement or agreements related thereto.

Section 5. All other matters, except as provided herein, relating to such bonds or notes, including prescribing whether manual or facsimile signatures shall appear on said bonds or notes, prescribing the method for the recording of ownership of said bonds or notes, appointing the fiscal agent or agents for said bonds or notes, providing for the printing and delivery of said bonds or notes (and if said bonds or notes are to be executed in the name of the County by only facsimile signatures, providing for the manual countersignature of a fiscal agent or of a designated official of the County), the date, form, denominations, maturities, interest rate or rates, terms of and manner of sale and interest payment dates, place or places of payment, and also including the consolidation with other issues, shall be determined by the Director of Finance - Chief Financial Officer. The Director of Finance - Chief Financial Officer may elect to become the fiscal agent for the bonds or notes, or may contract on behalf of the County for this service pursuant to the Local Finance Law. Such bonds or notes shall contain substantially the recital of validity clause provided for in Section 52.00 of the Local Finance Law and shall otherwise be in such form and contain such recitals, in addition to those required by Section 52.00 of the Local Finance Law, as the Director of Finance - Chief Financial Officer shall determine.

Section 6. The validity of such bonds and bond anticipation notes, as authorized by this resolution, may be contested only if:

- 1) such obligations are authorized for an object or purpose for which said County is not authorized to expend money, or
- 2) the provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with, and
an action, suit or proceeding contesting such validity is commenced within twenty (20) days after the date of such publication, or
- 3) such obligations are authorized in violation of the provisions of the Constitution.

Section 7. This resolution shall supersede Resolution No. 443 of 2022, being a bond resolution dated December 13, 2022, except to the extent that any indebtedness shall have been contracted or encumbrances made thereunder. The purpose of this superseding bond resolution is to effect the following: to increase the maximum estimated cost of the purpose to \$450,000, and to provide \$450,000 bonds therefor, an increase of \$25,000 over the \$425,000 bonds authorized under Resolution No. 443 of 2022.

Section 8. This resolution shall constitute a statement of official intent for purposes of Section 1.150-2 of the Treasury Regulations. Other than as specified in this resolution, no monies are, or are reasonably expected to be, reserved, allocated on a long-term basis, or otherwise set aside with respect to the permanent funding of the objects or purposes described herein.

Section 9. This resolution shall take effect in accordance with Section C2-7 of the Monroe County Charter and the Clerk of the Legislature is hereby authorized and directed to publish this resolution or a summary hereof to be published, together with a notice attached in substantially the form and in the manner prescribed by Section 81.00 of the Local Finance Law.

RESOLUTION NO. 182 OF 2023

ACCEPTING GRANT FROM NEW YORK STATE DIVISION OF CRIMINAL JUSTICE SERVICES FOR THE DISTRICT ATTORNEY'S OFFICE FOR THE NON-FATAL SHOOTING INITIATIVE

BE IT RESOLVED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. The County Executive, or his designee, is hereby authorized to accept a \$55,313 grant from, and to execute a contract and any amendments thereto with, the New York State Division of Criminal Justice Services for the District Attorney's Office for the Non-Fatal Shooting Initiative for the period of March 1, 2023 through June 30, 2023.

Section 2. The 2023 operating budget of the District Attorney's Office is hereby amended by appropriating the sum of \$55,313 into general fund 9300, funds center 2508010000, Major Felony Bureau.

Intro. No. 239

RESOLUTION NO. 194 OF 2023

APPROVING 2023 ANNUAL ACTION PLAN FOR HOUSING AND COMMUNITY DEVELOPMENT IN SUBURBAN MONROE COUNTY AND GRANT SUBMISSION TO U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

BE IT RESOLVED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. The County Executive, or his designee, is hereby authorized to submit the 2023 Annual Action Plan to the United States Department of Housing and Urban Development (“HUD”) and to provide such additional information as may be required by HUD for the Community Development Block Grant, Home Investment Partnerships Program, and Emergency Solutions Grants programs.

Section 2. The County Executive, or his designee, is hereby authorized to accept the grant funds in the amount of \$3,444,380 or such other amount as determined by HUD, subject to HUD approval of the submission.

Section 3. The sum of \$3,444,380 for grant funds, or such other amount as determined by HUD, and the sum of \$241,424, which is the estimated Program Income expected to be generated during the program year, into fund 9005; funds center 1501010000, Community Development Grants, contingent on HUD approval.

Section 4. The County Executive, or his designee, is hereby authorized to execute all contracts, including intermunicipal agreements, and any amendments thereto, that are necessary to carry out the administration of the Community Development Block Grant, Home Investment Partnerships Program, and Emergency Solutions Grants programs.

Section 5. The County Executive, or his designee, is hereby authorized to execute all agreements, debt instruments, and other documents for each loan, grant, relending project or activity which may be approved under HUD Section 108 Loan Guarantee Assistance program, pursuant to Section 168.00 of the Local Finance Law, and to accept, receive and reappropriate funds which are borrowed from HUD or any other party, and relend the same to qualified borrowers.

Section 6. The County Executive, or his designee, is hereby authorized to approve the use of contingency funds or funds reprogrammed from current or prior years pursuant to HUD regulations.

Section 7. The County Executive, or his designee, is hereby authorized to accept, receive and appropriate or reappropriate any funds which accrue to the Community Development Office in the form of program income for use in connection with programs offered or funded by the Community Development Office, which administers the grants. All such income shall be utilized in accordance with HUD regulations governing the use of program income.

Section 8. The County Executive is hereby authorized to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, and to make any necessary funding modifications within the grant guidelines to meet contractual commitments.

Section 9. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify such program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall

be in accordance with New York State Civil Service Law, and when applicable, the terms of any labor agreement affecting such positions.

Section 10. This resolution shall take effect in accordance with Section C2-7 of the Monroe County Charter.

Executive Summary

AP-05 Executive Summary - 91.200(c), 91.220(b)

1. Introduction

Monroe County's Annual Action Plan (Plan) goals are administered utilizing CDBG, HOME, and ESG funds made available by the United States Department of Housing and Urban Development (HUD). 2023 is the fourth year of the 2020-24 Five-Year Consolidated Plan and marks the forty-eighth year that Monroe County has received an allocation from the Community Development Block Grant (CDBG) program, the thirty-second year for Home Investment Partnerships Program (HOME), and it also marks the seventeenth year with the Emergency Solutions Grants (ESG) program. Combined, these program funds channel more than three million dollars annually through the Department of Planning and Development, Community Development division, for suburban towns and villages that comprise Monroe County's consortium in support of housing, public works, economic development, and community services programs that primarily benefit low to moderate-income households, seniors, and persons with special needs. This Plan addresses both projects funded on an annual basis and new program initiatives that focuses on accomplishing the following primary program goals and objectives: • Develop affordable and accessible housing and home ownership opportunities for all low to moderate income residents, with a priority focus on the development of housing in the towns and villages that do not currently provide affordable units that have been financed, in part, through the CDBG and/or HOME programs • Repair and conserve existing housing stock • Improve essential infrastructure in lower income areas • Provide job training and economic development for low- and moderate- income persons and persons with special needs • Provide essential public services, particularly those that promote home ownership, fair housing, and housing stability • Revitalize deteriorated neighborhoods.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

Monroe County intends to continue our mission, which was identified in the Needs Assessment of Monroe County's 2020-2024 Strategic Plan in promoting community development, in addition to Monroe County's Analysis of Impediments to Fair Housing Choice in order to accomplish the following primary program goals and objectives during the 2023-2024 program year:

a) Develop affordable and accessible rental and home ownership opportunities for all low to moderate-income residents with a priority focus on the development of housing in towns and villages that do not

currently provide affordable units that have been financed, in part, through the County's CDBG and/or HOME Program; b) Repair and conserve existing housing stock; c) Increase energy efficiency of existing housing stock; d) Improve access to and the quality of public facilities; e) Provide essential infrastructure in lower income areas; f) Provide job training and economic development opportunities for low to moderate-income persons and person with special needs; g) Provide essential public services, particularly those that promote home ownership, fair housing ad housing stability; h) Revitalize deteriorated neighborhoods.

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

Projects funded with CDBG, HOME, and ESG grants have had a positive effect on the individuals and communities served. These projects were carried out to meet our primary program goals and objectives in housing, economic development, community services, and public works/facilities improvement projects. The Home Improvement Program (HIP) annually helps between 60 to 70 low to moderate-income homeowners make necessary home repairs. The repairs made under the HIP allow homeowners to make essential repairs that allow them to stay in their homes. This program is all the more critical in our community due to the lack of available housing stock/options for relocation. Neighborhood and utility improvements are a high priority for Monroe County because of their importance in preserving neighborhoods. A large number of communities throughout suburban Monroe County have deteriorated infrastructure due to age. Monroe County uses CDBG funding to improve roads, sidewalks, and sewers in low to moderate- income neighborhoods. This funding helps local governments undertake projects they would not otherwise be able to do because of funding limitations. Public services projects and programs have been essential in maintaining safe and affordable housing for the community and providing services that benefit underserved populations including seniors and those with special needs.

Monroe County has continued to monitor housing and economic metrics relating to potential impediments to fair housing choice that were identified in the 2020 Analysis of Impediments to Fair Housing Choice (AI). Between 2018 (the data available at the time of the AI development) and 2021, the overall poverty rate in Monroe County has declined 1% (from 13.8% to 12.8%). When comparing 2016 poverty rates by municipality to 2021 poverty rates by municipality, Monroe County has observed that there has been a growth in rural poverty in Brockport, Scottsville, Hamlin, and Hilton. The percentage of the population living in poverty has decreased in Henrietta, Greece, and Spencerport.

Additional statistics that Monroe County has been monitoring since the 2020 AI includes the unemployment rate across Monroe County. The most recent data available from the American Community Survey compared to the 2018 American Community Survey data used for the AI shows that the unemployment rate in Monroe County has gone from 6% to 5% during this time.

Monroe County has acted on recommendations from its Analysis of Impediments in its partnerships and support of local senior and special needs populations. This includes utilizing community development funding to provide more than 300 senior households with minor home repairs and installation of fall safety features.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

Monroe County holds two (2) public hearings annually at convenient, fully accessible locations. For the 2023 program year, Monroe County continued a hybrid in-person/virtual public meeting in January to inform and announce the opening of the 2023-24 application round, which was attended by 11 individuals in person and 32 individuals virtually. The Steering Committee meeting, which is comprised of town and village officials who are members of the County's Consortium, was held immediately following the public hearing and attended by both virtually and in-person by 26 individuals. Meetings are fully accessible with bilingual and/or sign language interpreters and other accommodations provided upon request to interpret policies and program requirements. In addition, Monroe County conducted a brief survey to gather feedback on the various programs and project priorities, which was extended through January 31, 2023. Fifteen community members responded to the survey, which asked community members if they were attending the public hearing as a representative of a municipality, representing non-profit, a member of the general public, or other. 53% of respondents were representing non-profit organizations, while 40% were representing municipalities and one county legislator was in attendance and responded to the survey. Respondents were asked what they believe should be the highest priority for Monroe County's Community Development. 46.7% of respondents believe that the highest priority should be investment in public facilities and infrastructure, while 40% of respondents believe that the highest priority should be the development of affordable housing. Several individuals indicated that they believe emergency services and public services should be the biggest priority for Monroe County. The survey also provided community members with an opportunity to provide comments, suggestions, and recommendations in a narrative format. Monroe County accepted these responses as part of the collection of public comments. See Summary of Public Comments section of this Plan.

The May public hearing was held on May 4, 2023 @ 9:45a with the Steering Committee @ 10:00a, which was also held in-person and via Zoom. 13 individuals attended the public hearing and 18 participants attending the Steering committee meeting. This meeting encourages the public to review and comment on the Draft Annual Action Plan. The 30-day public comment period was available from May 4 – June 12, 2023. The public hearing notice and availability of the Draft Action Plan for public comment was posted in the Daily Record and the Rochester Business Journal newspapers, as well as the County's website - Community Development page, and upon request.

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

Comments received from the January Public Hearing and Steering Committee are attached to the Citizen Participation section of the Draft Annual Action Plan.

The Public Comment period was from May 4 – June 12, 2023. Public comments received will be attached to the Citizen Participation section of the Plan.

6. Summary of comments or views not accepted and the reasons for not accepting them

All comments received at the public hearing and during the public comment period are accepted.

7. Summary

All CDBG, HOME, and ESG funds, including program income will be used to continue to meet goals included in the Strategic Plan and in the 2023-24 Annual Action Plan to improve the quality of life for low to moderate-income families, seniors, and persons with special needs in Monroe County. The Plan addresses the goals by providing affordable housing and home ownership opportunities, repairing and conserving existing housing stock, financing public infrastructure and infrastructure improvements, creating and retaining jobs, and funding public services that stabilize and enhance living conditions.

PR-05 Lead & Responsible Agencies - 91.200(b)

1. Agency/entity responsible for preparing/administering the Consolidated Plan

The following are the agencies/entities responsible for preparing the Consolidated Plan and those responsible for administration of each grant program and funding source.

Agency Role	Name	Department/Agency
CDBG Administrator	MONROE COUNTY	Department of Planning and Development
HOME Administrator	MONROE COUNTY	Department of Planning and Development
ESG Administrator	MONROE COUNTY	Department of Planning and Development

Table 1 – Responsible Agencies

Narrative

Monroe County Department of Planning and Development, Community Development (CD) division is the lead agency that is responsible for and oversees the Annual Action Plan process and for administering the three (3) entitlement funds: Community Development Block Grant (CDBG), Home Investment Partnerships (HOME) program, and Emergency Solutions Grant (ESG) program funding. Programs are administered by CD staff with participation from the other divisions of the Planning and Development department, as well as municipal consortium members and private sector sub-recipients. CD staff administer the Home Improvement Program (HIP) and oversees the First Time Home Buyer (FTHB) Direct Subsidy component. The Community Liaison for Community Development is the designated Fair Housing Officer within the County. Any Fair Housing Complaints may be directed to the Community Liaison. The Economic Development (ED) division of the Department, through private, state, federal and county financial resources and technical assistance, supports businesses, developers, units of local government and major county facilities like the airport and landfill in economic development activities. The division provides administrative support to County of Monroe Industrial Development Agency (COMIDA), the Monroe County Industrial Development Corporation (MCIDC) and the APEX Accelerator (fka: Monroe County Finger Lakes Procurement Technical Assistance Center). ED staff administers the CDBG funded ED Grant and Loan fund, Section 108 Loan Guarantee Program, and a wide variety of County business incentive programs. The Division of Planning provides a diverse set of services related to land use and development including: technical and mapping support in the development and implementation of various land use plans and regulations; guidance on project permitting and compliance with environmental review; preparation of the annual Land Use

Report on major projects proposed, approved, and constructed; coordination of the Capital Improvement Program; training opportunities through the Spring and Fall Land Use Decision-Making Training Program. The Planning division evaluates municipal planning and development activities including environmental reviews for all HUD projects and programs, including CDBG infrastructure projects, Home Improvement Program (HIP) projects, and the HOME funded affordable rental housing developments and acquisition rehabilitation and resale projects. APEX, a component of the Monroe County Economic Development division, helps local businesses compete for and secure government contracts with other federal, state, and local agencies, including large government prime contractors, that will keep the business competitive and thriving in Monroe County and in our region. APEX provides services to businesses in the nine-county Finger Lakes territory, at no cost. In addition, APEX staff assists businesses with their M/WBE certifications and acquiring a Unique Entity Identifier (UEI) number. Monroe County CD contracts with towns and villages for municipal projects, and sub-recipients for public services and first time homebuyers for those purchasing their first home in suburban Monroe County.

Consolidated Plan Public Contact Information

AP-10 Consultation - 91.100, 91.200(b), 91.215(l)

1. Introduction

Monroe County Department of Planning and Development consists of the Community Development, Economic Development, Planning, and Procurement Technical Assistance divisions. These four (4) divisions coordinate and collaborate on many efforts. CD works with local town and village governments, the City of Rochester, as well as many agencies, organizations, and groups to address the needs of the community. Monroe County is fortunate to be home to many agencies, organizations, and groups that focus on the wellbeing of the community as a whole.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l)).

The Department of Planning and Development and the CD staff periodically meets with local developers, Fairport Urban Renewal Agency (FURA) to coordinate the planning of housing projects and federal grant applications. The County, City of Rochester, and RHA continue to explore ways to enhance our Section 3 efforts. Planning and Development coordinates, collaborates, and consults with other departments throughout Monroe County, including Human Services, Public Health, and Office of the Aging, in the planning process as often as possible and to maximize resources. Monroe County will continue to meet and coordinate with public and assisted housing providers within the Monroe County service area. These housing providers keep Monroe County informed about upcoming projects. Monroe County staff members are engaged with the Continuum of Care on initiatives for and in support of community members experiencing and at risk of homelessness.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The County actively participates in the Rochester/Monroe County Homeless Continuum of Care (CoC) locally known as Partners Ending Homelessness (PEH). The CoC coordinates the allocation of HUD CoC federal funding to facilities and programs within the CoC's service area. County staff consult on a regular basis with the organizations that participate in the CoC and the Homeless Services Network (HSN). County staff serve on the CoC Board and on the Steering Committee of HSN. County staff also serve on the Chronically Homeless Work Group that plans, coordinates, and implements activities and strategies for servicing the chronically homeless and sit on the CoC Project Selection and Monitoring Committee. CoC staff participate in reviewing applications for Emergency Solution Grant applications submitted annually to Monroe County.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

County staff work closely with the CoC and other agencies to develop funding applications and determine the best use of ESG funds. By working with the CoC, County staff are involved in improving coordination among agencies, facilitating data collection through HMIS and allocating funds. The CoC Executive Director serves on the County ESG proposal review team along with staff from Monroe County Department of Human Services (DHS), City of Rochester, and community representatives. The County and the City release a joint RFP for ESG funding which has increased the efficiency and coordination of ESG funding in the community. The CoC Board has 21 ex-officio members representing public and private organizations deemed necessary to develop, maintain, monitor, and continuously improve a comprehensive, coordinated, and flexible system of homeless housing and support services. They represent Monroe County, City, RHA, Homeless Services Network (HSN - the CoC's Stakeholder Group), formerly homeless community members, a domestic violence advocacy organization member, and a health services representative. In addition, there are elected general members from both public and private groups from the community (business sector, legal field, faith-based organizations, veteran organizations, schools, law enforcement, criminal justice, advocacy groups). This diverse team is the primary planning and coordinating body for homeless housing and services in this community. The CoC is now a 501(c)(3) not-for-profit organization and is the Collaborative Applicant for HUD CoC funding and the HMIS Lead Agency. Long term goals include becoming a Unified Funding agency and continually striving to achieve the status of a High Performing Community. The CoC has been a long-time participant in the ESG planning process for the County and City, and are represented on the Rating and Ranking Committee of the CoC to review applications submitted annually for HUD CoC Homeless Program funding. ESG community priorities and planning have been discussed at both CoC and HSN meetings, especially in terms of policy priorities, the efficient use of resources and community objectives. The CoC staff also reviews the ESG proposals for fidelity to the ESG requirements and additional information set forth by HUD via policy briefs. ESG funding continues to be a critical issue for local homeless service providers. Facilitated discussions of ESG community priorities are held at the HSN meetings; CoC members and community stakeholders are strongly encouraged to participate. The County staff members participate on the Coordinated Entry (CE) Oversight workgroup. CE is the portal for all referrals to Permanent Supportive Housing (PSH) and Rapid Re-Housing (RR) programs and prioritizes those who are the most vulnerable when openings occur. CE is fully implemented in Monroe County and is continually being improved. CE is working and is successful in ensuring that homeless persons are directed to the programs that will best meet their needs; and that homeless persons with the highest vulnerability are prioritized for placement. CE is exploring options for a new vulnerability assessment tool. The current tool, the Vulnerability Index-Services Prioritization Decision Assistance Tool (VI-SPDAT) is no longer being supported. CE will look at other existing tools or develop a community tool. CE has created a new position and since hired a Housing Resource Specialist who recruits landlords to provide units for PSH and RRH programs; and is a liaison between programs and

landlords. The Housing Recruitment Specialist will also be centralizing information on permanent housing resources and unit availability in the CE website, www.FrontdoorNY.org.

2. Agencies, groups, organizations and others who participated in the process and consultations

Narrative

AP-12 Participation - 91.401, 91.105, 91.200(c)

1. Summary of citizen participation process/Efforts made to broaden citizen participation Summarize citizen participation process and how it impacted goal-setting

Monroe County hosted its public hearings in person and remotely in order to accommodate and allow for access to participants to participate in public hearings most convenient and accessible for the community.

Monroe County amended its Citizen Participation Plan to continue a hybrid in-person and virtual public hearing to make it available and accessible for as many individuals as possible. An in-person meeting will allow those who do not have access to the internet to attend and participate. Interpreting services are available upon request.

Monroe County has incorporated stakeholder surveys into their outreach/participation process and received 15 responses to a survey of stakeholders from the January public hearing.

Expected Resources

AP-15 Expected Resources - 91.420(b), 91.220(c)(1,2)

Introduction

2023 marks the fourth year of Monroe County's 2020-2024 Five-year Consolidated Plan. This is the 48th year of the Community Development Block Grant program, and the 32nd year of the HOME Investment Partnerships Program. This is the 17th year that Monroe County has received an Emergency Solutions Grants allocation. Funds for all three programs are used for projects that primarily benefit lower income families, elderly and disabled residents in the suburban towns and villages in the county of Monroe. The Community Development division of the Department of Planning and Development administers these HUD-funded programs on behalf of 17 towns and 10 villages that comprise the Monroe County Community Development Consortium. All municipalities in Monroe County are members of the consortium, with the exception of Greece, Irondequoit and the City of Rochester. The Towns of Greece and Irondequoit participate in the HOME Program only, bringing HOME consortium membership to 19 towns and 10 villages. The Towns of Greece and Irondequoit apply directly to HUD and receive their own CDBG allocations. The City of Rochester also receives funding directly from HUD for these programs. Monroe County expects to receive an allocation of \$3,444,380 from HUD for the period of August 1, 2023 to July 31, 2024. This represents the combined total of funds for the Community Development Block Grant (CDBG) in the amount of \$1,872,408; the Home Investment Partnerships Program (HOME) in the amount of \$1,410,985; and the Emergency Solutions Grants Program (ESG) in the amount of \$160,987. This year's allocation includes an increase of \$312,745 from HUD funding received last year.

Estimated program income (interest on outstanding loans and other repayments) is expected to total \$100,000 for the CDBG program and

\$141,424 for the HOME program.

Table 2 - Expected Resources - Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

The potential sources of these leveraged funds (other than match funds) include investor equity, tax credit syndications; homebuyer down payments through private funding, private rental and home ownership loans; other federal, state, and local housing and community development programs and foundations. CDBG, HOME, and ESG sources leveraged additional resources, which are wide, including the items listed. Match contributions for both HOME and ESG will be made from non-federal resources. The match contributions for HOME will total no less than 25% of the funds drawn from the County's HOME account each fiscal year. Monroe County CD maintains records demonstrating

compliance with HOME match requirements, including a running log and project records documenting the type and amount of match contributions by project. The HOME program attracts substantial private and other public dollars into its funded projects. This year, Monroe County, through our non-profit partner has also secured a grant from a local bank to help offset the cost of up to three (3) properties through the acquisition, rehab, resale program. Match contribution from ESG will be a one-to-one (1:1) cash and or/in-kind services match.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

There are no publicly owned properties in Monroe County that are funded through any of the funding sources from HUD.

AP-35 Projects - 91.420, 91.220(d)

Introduction

Monroe County proposes to fund the following projects for the 2023-24 program year. Funds will be used to repair and conserve existing housing stock; improve access to and quality of public facilities; provide essential infrastructure in lower income areas; provide job training and economic development opportunities to low to moderate-income persons and persons with special needs; provide essential public services, particularly to those that promote home ownership, fair housing, and housing stability and revitalize deteriorated neighborhoods. Funds will also be used to develop affordable housing, home ownership opportunities for all low to moderate income residents with a priority focus on the development of affordable housing in towns and villages that do not currently have affordable housing units. ESG funds will be used to fund shelter operations, coordinated entry, rapid rehousing, and homelessness prevention. The CDBG, HOME, and ESG allocations fund the general administration of each respective grant.

AP-38 Project Summary
Project Summary Information

1	Project Name	Memorial Park Outdoor Restroom Replacement, Gates
	Target Area	Gates
	Goals Supported	Improve access to and quality of public facilities
	Needs Addressed	Public Facilities
	Funding	CDBG: \$60,000
	Description	The Town proposes to demolish the existing structure and replace it with a pre-fabricated unit. The Town of Gates Highway Department will do all of the demolition and site work.
	Target Date	
	Estimate the number and type of families that will benefit from the proposed activities	1,925 people can benefit from this project.
	Location Description	Low mod census tract 14301 BG 1 (150 Spencerport Road, Memorial Park)
	Planned Activities	Replace existing restroom with new
2	Project Name	Sanitary Sewer Slip Lining, Henrietta
	Target Area	Henrietta
	Goals Supported	Improve access to and quality of public facilities
	Needs Addressed	Public Facilities
	Funding	CDBG: \$65,000
	Description	Line 1,834 LF of sanitary sewer with cured in place pipe and cut lateral connections.
	Target Date	
	Estimate the number and type of families that will benefit from the proposed activities	1,245 people can benefit from this project
	Location Description	Low mod census tract 13103 BG 1 (River Meadow Drive)
	Planned Activities	Sanitary slip lining of 1,834' on River Meadow Drive
3	Project Name	Sidewalk Installation, Penfield
	Target Area	Penfield
	Goals Supported	Improve access to and quality of public facilities

	Needs Addressed	Public Facilities
	Funding	CDBG: \$65,000
	Description	The Town of Penfield is proposing the installation of a +/- 1030 linear foot of 5' wide concrete sidewalk and associated ADA ramps.
	Target Date	
	Estimate the number and type of families that will benefit from the proposed activities	1,090 people can benefit from this project
	Location Description	Low mod census tract 11601 BG 4 (Willow Pond Way)
	Planned Activities	Install approx. 1,030' of sidewalk
4	Project Name	Sidewalk Replacement, Perinton
	Target Area	Perinton
	Goals Supported	Improve access to and quality of public facilities
	Needs Addressed	Public Facilities
	Funding	CDBG: \$65,000
	Description	This project includes the replacement of approximately 1,800 feet of existing asphalt sidewalk located in the North West portion of the Town of Perinton.
	Target Date	
	Estimate the number and type of families that will benefit from the proposed activities	1,305 people can benefit from this project
	Location Description	Low mod census tract 11901 BG 4 (West Whitney Road)
	Planned Activities	Replacement of approx. 1,800 feet of sidewalk on West Whitney Road
5	Project Name	Mill & Pave, Sweden
	Target Area	Sweden
	Goals Supported	Improve access to and quality of public facilities
	Needs Addressed	Public Facilities
	Funding	CDBG: \$50,000

	Description	Resurfacing Crestview Dr, 1,302 LF and 30' wide. Milling of the road, removal of old catch basin, storm water pipes and manhole frames and installation of new fixtures.
	Target Date	
	Estimate the number and type of families that will benefit from the proposed activities	500 people can benefit from this project
	Location Description	Low mod census tract 15304 BG 1 (Keable Court)
	Planned Activities	Replacement of 700 LF of water main with new 8-inch on Keable Court
6	Project Name	Water Main Replacement, Brockport
	Target Area	Brockport
	Goals Supported	
	Needs Addressed	Public Facilities
	Funding	CDBG: \$60,000
	Description	Replacement approximately 700 LF of water main with new 8-inch DIP water main, including 9 service lines (approximately 500 LF), new saddles, corp stops, curb boxes, hydrant, removing old concrete curbing & installing new concrete curbing & paving.
	Target Date	
	Estimate the number and type of families that will benefit from the proposed activities	
	Location Description	
	Planned Activities	
7	Project Name	Sidewalk Replacement, T/V East Rochester
	Target Area	East Rochester
	Goals Supported	Improve access to and quality of public facilities
	Needs Addressed	Public Facilities
	Funding	CDBG: \$65,000
	Description	Sidewalks installed in 1974 and new sidewalks will be ADA compliant.
	Target Date	

	Estimate the number and type of families that will benefit from the proposed activities	715 people can benefit from this project
	Location Description	Low mod census tract 12100 BG 2 and census tract 12000 BG 2 (400 block of Main Street)
	Planned Activities	450 LF of curbing will be replaced and 3,000 SF of new sidewalks will be constructed on Main Street
8	Project Name	Sanitary Sewer Relining, Fairport
	Target Area	Fairport
	Goals Supported	Improve access to and quality of public facilities
	Needs Addressed	Public Facilities
	Funding	CDBG: \$39,200
	Description	Cured in place pipelining of approx. 763 LF of sanitary sewer main on Frank St.
	Target Date	
	Estimate the number and type of families that will benefit from the proposed activities	195 people can benefit from this project
	Location Description	Low mod census tract 11800 BG 1 (Frank St between East St to a point approximately 161 ft. west of Maple St)
Planned Activities	Reline 763 LF of sanitary sewer main on Frank Street	
9	Project Name	Gutter Replacement, Village of Scottsville
	Target Area	Scottsville
	Goals Supported	Improve access to and quality of public facilities
	Needs Addressed	Public Facilities
	Funding	CDBG: \$65,000
	Description	Replacement of 1815 lf of gutters.
	Target Date	

	Estimate the number and type of families that will benefit from the proposed activities	575 people can benefit from this project
	Location Description	Low mod census tract 14700 BG 2 (Diana Drive/Heather Lane/Briarwood Lane)
	Planned Activities	Replacement of 1,815 LF of gutters on Diana Drive/Heather Lane/Briarwood Lane
10	Project Name	Sidewalk Replacement, Village of Webster
	Target Area	Village of Webster
	Goals Supported	Improve access to and quality of public facilities
	Needs Addressed	Public Facilities
	Funding	CDBG: \$65,000
	Description	Remove the existing 4-foot-wide sidewalks and replace them with new 5-foot-wide accessible sidewalks along the west side of Kircher Park between East Main Street and Lyon Drive. Rehabilitate a section of sanitary sewer system to protect the Donovan Park neighborhood.
	Target Date	
	Estimate the number and type of families that will benefit from the proposed activities	1,235 people can benefit from this project
	Location Description	Low mod census tract 11400 BG 1 (Kircher Park and Donovan Park)
	Planned Activities	Replace 1,075' of sidewalks on west side of Kircher Park. Reline 1,850' of sanitary sewer pipe
	Project Name	Safety and Security for Seniors, LifeSpan of Greater Rochester

11	Target Area	Brighton Gates Henrietta Ogden Parma Penfield Perinton Rush Sweden Brockport Churchville East Rochester Fairport Hilton Pittsford Scottsville Webster Chili Clarkson Hamlin Mendon Riga Wheatland Honeoye Falls Spencerport Village of Pittsford Village of Webster
	Goals Supported	Provide essential public services
	Needs Addressed	Public Services (Community Development)
	Funding	CDBG: \$65,000
	Description	Services for seniors in suburban Monroe County including in-home safety assessment and minor home safety modifications and intervention on scam and fraud.
	Target Date	
	Estimate the number and type of families that will benefit from the proposed activities	865 seniors will benefit from this program/project

	Location Description	Services will be provided to seniors throughout suburban Monroe County, excluding the towns of Greece and Irondequoit
	Planned Activities	350 suburban seniors will receive home environmental/fall prevention assessments and minor home modifications; 500 attendees at community outreach and educational presentations; 15 cases of consultation, advocacy, investigation, and resolution for potential scams and fraud.
12	Project Name	Goodwill Vision Enterprises (fka ABVI) Glass Crushing Operation
	Target Area	Henrietta
	Goals Supported	Provide essential public services
	Needs Addressed	Public Services (Community Development) Business / Jobs Development (Economic Development)
	Funding	CDBG: \$40,000
	Description	Funding for purchase of glass crushing machine for new Glass Crushing Operation division
	Target Date	
	Estimate the number and type of families that will benefit from the proposed activities	The machinery will create a minimum of 3 jobs, at which 51% of which will be held by LMC qualified individuals
	Location Description	The new operation will be located in Henrietta, however, the jobs created will be available to qualified candidates who live in areas throughout Monroe County
	Planned Activities	Purchase a new glass crushing machine to divert glass away from landfill and be reused as construction material
13	Project Name	VOA Farm Fresh Hydroponic Farm
	Target Area	Gates East Rochester Webster Village of Webster
	Goals Supported	Provide essential public services
	Needs Addressed	Public Services (Community Development)
	Funding	CDBG: \$4,500

Description	Funding for the purchase of seeds and cost of utilities to support the operation of VOA's Hydroponic Farm to provide fresh produce and distributed to seniors and formerly homeless individuals and families, food pantries and/or churches in food dessert areas/suburban Monroe County
Target Date	
Estimate the number and type of families that will benefit from the proposed activities	The farm will provide fresh produce on a monthly basis to over 100 seniors, 100 formerly homeless individuals and families, and approx. 10 food pantries and/or churches with food distribution programs with suburban Monroe County
Location Description	The hydroponic farm will be located in Rochester but will serve the entire county including Gates, East Rochester, Webster (Town and Village)
Planned Activities	Purchase see and pay utility costs associated with the growing and cultivating fresh produce for distribution to seniors, formerly homeless, and food pantries/churches
Project Name	Expanding Housing Opportunities, The Housing Council at PathStone

14	Target Area	Brighton Gates Henrietta Ogden Parma Penfield Perinton Rush Sweden Brockport Churchville East Rochester Fairport Hilton Pittsford Scottsville Webster Chili Clarkson Hamlin Mendon Riga Wheatland Honeoye Falls Spencerport Village of Pittsford Village of Webster
	Goals Supported	Provide essential public services
	Needs Addressed	Public Services (Community Development)
	Funding	CDBG: \$45,000
	Description	Comprehensive rental management and educational program for tenants, landlords, and home buyers and sellers, real estate professionals and other housing providers for suburban residents and county-wide fair housing guidance
	Target Date	

	Estimate the number and type of families that will benefit from the proposed activities	40 landlords with education on how to manage rental properties fairly and effectively, as well as 100 renters with education on their housing rights and access to services
	Location Description	Services will be provided at The Housing Council offices and online via Zoom
	Planned Activities	Comprehensive rental management and educational program for tenants, landlords, and home buyers and sellers, real estate professionals and other housing providers for suburban residents and county-wide fair housing guidance
15	Project Name	Housing Stability Program, The Housing Council at PathStone

Table 5 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

Funding was provided to municipalities for infrastructure improvements, met program priorities and if the projects are in low-mod census areas. Public services activities were funded at a rate not to exceed 15% of the annual CDBG allocation, including program income. The funds proposed for Planning and Administration, including program income will not exceed 20% of the annual CDBG amount, 10% of the annual HOME amount, and 7.5% of the ESG amount.

Discussion

Affordable Housing

AP-55 Affordable Housing - 91.420, 91.220(g)

Introduction

Through the CDBG HOME, and ESG funds, Monroe County administers programs to preserve and increase access to affordable housing. The Home Improvement Program (HIP), funded with both CDBG and HOME provides income eligible homeowners with grants and/or loans for needed repairs, thereby maintaining affordability. Home funds are utilized to provide gap financing for the development of affordable rental housing development, acquisition rehabilitation and resale as well as down payment and closing cost assistance for homeownership opportunities to low-mod income individuals, families, seniors, and individuals with developmental and intellectual disabilities. ESG funds provide rental assistance for homelessness prevention and rapid rehousing.

Discussion

The Acquisition Rehab Resale program in suburban Monroe County makes available single family residential homes for homebuyers purchasing their first home. This is especially critical in our community with the competitive housing market. The homes sold through the Acquisition Rehab Resale program are only available to those who have completed homebuyer education and are low- to moderate- income first-time homebuyers who are often outbid by market rate homebuyers with less restrictions. Homes sold through the Acquisition Rehab Resale program are completed to code with updated major systems.

The Home Improvement Program allows our older adults to age in place because the decision to remain in the home due to market conditions is ever increasing with demand on single family homes at an all-

time high. However the challenges and financial decision of making major necessary improvements remains difficult to age in place without assistance of the HIP program to make the necessary improvements such as walk-in showers allows our older adults to age in place.

Monroe County designates the Community Liaison as Community Development's Fair Housing Officer. Any Fair Housing complaints must be in writing and must contain such information as the Community Liaison requires. Upon receipt of such complaint, the Community Liaison must furnish a copy of the same to the person or persons who allegedly committed or about to commit the alleged discriminatory housing practice. Within thirty (30) days after receiving a complaint, the Community Liaison must investigate the complaint and give notice in writing to the person aggrieved whether he/she/they intends to resolve it.

AP-60 Public Housing - 91.420, 91.220(h)

Introduction

The Rochester Housing Authority (RHA) and the Village of Fairport Urban Renewal Agency (FURA) manages the two publicly administered Section 8 Programs in Monroe County. RHA has developed its Annual, Five Year and Strategic Plans. The Strategic Plan action items have become part of the overall Annual and 5-Year Plan. RHA has submitted its Annual/5-Year Plan to HUD and will be updating its Strategic Plan. Once complete, it will be included in RHA's Annual/5-year Plan. Established in 1955 as an independent public corporation by New York State Public Housing Law, RHA serves more than 27,000 lower-income residents and program participants in the five-county Greater Rochester area, by providing quality comfortable living and services for people with limited incomes. Approximately 20% of total residents served reside in the 2,200+ RHA public housing units. Public Housing Units available for: Over 50 & Disabled: Danforth Tower East/West, Glenwood Gardens, Hudson Ridge Tower, Kennedy Tower, and Parliament Arms. Disabled & Over/Under 50: Lake Tower, Lena Gantt Estates, Lexington Court, and University Tower. Family Housing: Bay-Zimmer Townhouses, Bronson Court, Federal Street Townhouses, Harriet Tubman Estates, Holland Townhouses, Lena Gantt Estates, Lexington Court, and Parkside Apartments. Enriched Housing: Danforth Tower East, Hudson Ridge Tower, Johnathan Child. Single, Double, and Multiple Unit Scattered Site Homes. Resident Services: Family Self-Sufficiency (FSS) is a voluntary employment and savings incentive program designed to assist families in becoming economically independent and self-sufficient. Supportive services in the program include homeownership, training for jobs, education, and life skills to help families reach their goals in 5 years. Service Coordination for RHA Elderly and Disabled Residents, including health and wellness, money and employment, transportation and more. The FURA Section 8 program territory encompasses the town of Macedon within Wayne County and the eastern part of Monroe County including the town and villages therein, of Irondequoit, Webster, Penfield, East Rochester, Brighton, Henrietta, Pittsford, Perinton, Mendon, and Rush. Currently, FURA administers eighteen (18) Section 8 Project-Based units, ten (10) at Crosman Senior Apartments and eight (8) at Fairport Apartments. Current program demographics through FURA's Section 8 program reflect a total of 218 elderly and disabled families, and 200 other eligible households (i.e.: non-disabled families and 2-adult households). The average annual total household income of participants in FURA's program is \$18,245. The average Housing Assistance Payment is \$537 and the average tenant payment for rent and utilities is \$413. FURA is authorized to administer 497 vouchers.

Actions planned during the next year to address the needs to public housing

RHA is continuing its initiative to "Change the Face of Public Housing" by renovating and constructing new units that residents will be proud to call home. Current projects are RHA's Bond-Hamilton, Edinburgh St., Thomas St., and Bronson Court Apartments located in the city of Rochester. RHA will continue its "Beautification Initiative" for all its public housing developments that will not only enhance curb appeal but the rest of the property as well. RHA will continue to provide quality affordable housing and services for its residents. RHA meets with resident councils, resident Commissioners, staff and

neighborhood associations to address needs and discuss upcoming projects. RHA has established a Resident Relations Committee which reports out to the Board of Commissioners. The Committee is comprised of RHA staff, resident commissioners, and resident council presidents who bring ideas and discussion items to each meeting. RHA takes all suggestions and recommendations from these sources into consideration when preparing the five-year Capital Improvement plan. Due to ever changing conditions, items are prioritized and can fluctuate within the plan from year to year. There are currently multiple projects in various stages, and more are being planned for the upcoming year. RHA will typically undertake roof replacement, driveway resurfacing, and porch restoration/replacement projects at several scattered site properties throughout the year. Focused investment of capital funds will occur at RHA's Bronson Court Apartments, Atlantic Townhouses, and Lexington Court Apartments. RHA was awarded a NYS Preservation Opportunity Program grant to develop plans for the preservation of public housing, which resulted in physical needs assessments (PNA) and environmental testing performed at most Public Housing locations. All the data is currently under review and will be categorized for each site which will enable RHA to create a pipeline of preservation/renovation/development strategies for sites like Harriett Tubman Estates, Lena Gantt, Holland Townhouses, Lexington Court, various high-rises, Bay-Zimmer Apts., and scattered sites RHA is advancing the redevelopment of its public housing sites; Federal Street Townhouses/Scattered Sites Rental Assistance Demonstration (RAD) project that is scheduled to close in Spring 2023, Parliament Arms-Fairfield Village which is scheduled to close Fall of 2023, Fernwood Phase I with financing applications submitted and Glenwood Gardens redevelopment project is in the design phase. These redevelopment projects may increase or decrease the number of available public housing units with the goal of increasing the number of quality affordable housing units. RHA has room in its Faircloth limit to add public housing units to its portfolio. RHA was awarded Low Income Housing Tax Credits (LIHTC) and other sources of funding to redevelop Federal St. Townhouses/Scattered Sites and has applied for LIHTC's for other projects. RHA may also issue its own bonds for development activities and acquiring property. RHA intends to apply for NYS funding opportunities for development and capital improvement activities and acquiring property. RHA intends to apply for NYS funding opportunities for development and capital improvement activities. RHA will be applying to New York State Housing and Community Renewal's Public Housing Preservation Program (PHP) when the NOFA is available. PHP is a partnership among HCR, HUD, Federal Public Housing Authorities (PHAs) outside New York City, and collaborating with private for profit and non-profit developers to address the needs of these properties and assist RHA in completing their plans to ensure the long-term sustainability of existing public housing units.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

RHA is committed to continuously improving communication between management and its residents and program participants and continues to work with area partners to provide services. RHA has created a new position, Public Participation Coordinator, to increase resident participation in self-sufficiency program offerings. RHA will continue to develop and promote its Section 3 program, resident councils and advisory board. RHA has established a Resident Relations Committee which reports out to the Board

of Commissioners. The Committee is comprised of RHA staff, resident commissioners and resident council presidents who bring ideas, discussion items to each meeting. RHA's Resident Services will continue to assist with resident needs and actively engage in homeownership opportunities and self-sufficiency program development. RHA intends to perform physical needs and environmental assessment of its public housing scattered site units and determine which single-family units will be designated for homeownership. Current residents will be given first option to purchase the home. RHA may use capital funds and/or operating reserves to renovate designated public housing scattered site homes prior to being offered for homeownership. RHA has implemented a homeownership plan that will include HUD's Section 32 Homeownership. This comprehensive plan outlines the requirements and guidelines of the program. RHA has 7 public housing residents to purchase their public housing home. RHA is submitting its Special Application Center submission to continue the process. RHA has surveyed additional public housing residents in an effort to create a pipeline of Section 32 homeowners. Thus far, 41 responses have been submitted and the Resident Services department will meet one on one with each resident who wishes to purchase their home and create a path to successful homeownership. In addition to the Plan, RHA has developed a post homeownership program to assist families in maintaining their homes and ensuring homeowners that they have somewhere to go for assistance when they need it. RHA intends to increase utilization of homeownership vouchers through increased outreach. RHA intends to seek partners who will grow and assist family self-sufficiency initiatives. RHA continues to improve use of its community-based Computer Labs with faster service, new equipment, and utilize Community Service hours to monitor computer labs. RHA may utilize unused (Tenant Participation Funds) Per Unit Monies (PUM) of developments without an active Resident Council to create a Youth Employment and Education Program (YEEP) for public housing residents. RHA has started an annual scholarship for youth and adults to promote self-sufficiency. RHA plans to promote other scholarship opportunities for public housing residents and HCVP Participants utilizing partnerships and sponsoring various activities to obtain funds, including grants, and unused resident participation funds. RHA plans to create a building trades pre-apprenticeship program by partnering with various groups who will provide hands-on training for public housing residents and HCVP Participants. RHA will explore and create new partnerships and seek funding opportunities to create a Youth, Sports, and Fine Arts Chapter to enhance the outreach opportunities for youth to participate in routine and non-traditional leisure activities including but not limited to golf, swimming, basketball, dance, performing arts, scuba diving, football, tennis, writing, and much more. RHA will partner with the Boy Scouts and work together to bring scouting opportunities to its families. RHA intends to create business opportunities for resident councils and/or the Jurisdiction-wide Resident Council or individual residents.

If the PHA is designated as troubled, describe the manner in which financial assistance will be

provided or other assistance

This is not applicable since RHA has never been designated as a troubled Public Housing Authority (PHA).

Discussion

(con't) HCR, RHA and HUD will coordinate to develop and implement a five-year strategy to preserve public housing units, address their need for capital improvements, and ensure their continued affordability. RHA intends on using Capital Funds to further its mission of "Changing the Face of Public Housing" and make needed repairs to its Public Housing stock. RHA will identify sites based on physical needs assessment and environmental testing reports, prioritize the most strategic use of its funds to preserve its housing stock. RHA will participate in task forces and initiatives to address the housing quality, homelessness, and emergency housing needs in the community. RHA completed a comprehensive physical needs assessment on all of its public housing properties. There was an emphasis on prioritizing single family units for homeownership. Work performed will include landscaping, paving, HVAC upgrades, and interior and exterior improvements. RHA will continue to reduce unit turnaround time for vacated housing units so that they can be filled with applicants from the waiting list. RHA will engage in energy saving projects such as lighting, water conservation, and more efficient HVAC systems that will improve the quality of life for residents. RHA Resident Services also works to partner with other agencies that can assist residents in self-sufficiency initiatives and goals. Homeownership, training, employment, life skills, and financial education continue to be a focus in the upcoming year. RHA has been awarded HUD Family Self-Sufficiency (FSS) and Resident Opportunity & Self Sufficiency (ROSS) grants and contributes additional funds to further its mission of assisting residents and participants in becoming self-sufficient.

FURA awarded 28 additional Project Based Vouchers (PBV) through an RFP process in 2021. 20 PBVs were awarded to Rochester's Cornerstone Group for a 150 new construction supportive senior housing development at Marketplace Mall. Financing includes HFA bonds, Supportive Housing Opportunity Program funds, NYSEERDA, ESSHI, Monroe County HOME. FURA has executed an agreement for Housing Assistance Payment with Cornerstone. Construction has begun with completion by June 2024. The remaining 8 PBVs were awarded to PathStone Development Corp for new construction of a 74-unit senior housing development on Baird Road in Fairport. Financing for the project includes LIHTC HTF, NYS HCR HOME, and NYSEERDA. This project is currently under AHAP and FURA. Construction will begin soon. The project is expected to be completed in October 2024. FURA will be opening its Section 8 and Project Based Waiting list in May 2023. The list has been closed for nearly 3 years. Typically, FURA's Section 8 waiting list will remain open until there is a 2 year wait time for rental assistance. For the first time, FURA will be accepting applications electronically through a wait list portal. Applicants will be encouraged to apply online through the portal, however, paper applications will also be available to those who wish to apply in person or by mail.

Effective July 2023, FURA will be implementing a new landlord outreach and incentive program to improve low-income housing opportunities to program participants. FURA will engage in proactive

outreach to recruit landlords and will offer financial incentives to new landlords who lease units to program participants. Other financial incentives will be available to mitigate concerns over financial loss due to action or inaction of a tenant. This will help to retain existing landlords and recruit new landlords who are reluctant to participate in the program. Semi-annual landlord forums will be held to facilitate positive relationships with new and existing landlords. Section 8 staff will provide current and upcoming program information and discussions will be encouraged to allow landlords to discuss concerns or questions.

AP-65 Homeless and Other Special Needs Activities - 91.420, 91.220(i)

Introduction

Monroe County will continue to work with the Continuum of Care to coordinate services to the homeless and to provide outreach and other services, emergency shelter, transitional housing and permanent supportive housing to persons experiencing homelessness and/or with special needs. Coordinated Entry (CE) and the Housing First model are the primary tools that will end chronic homelessness. Through CE, the Chronically Homeless are prioritized for placement into permanent supportive housing. All CoC and ESG programs incorporate housing first principles into their programs to reduce barriers to accessing housing and to reduce terminations from programs. In 2016, the Rochester/Monroe County CoC reached functional zero toward ending veteran homelessness. Functional zero status does not mean that veterans won't become homeless; but it means that the CoC now has sufficient resources to get veterans into appropriate housing quickly and that veterans remain stably housed. The CoC, City, and County continue to partner with the Veterans Administration, Veterans Outreach Center, and other organizations serving veterans to ensure current resources are maintained and support new housing units targeted to veterans. To end homelessness for families and dependent children, the primary strategies being utilized are diversion and rapid re-housing. Strategies to end homelessness for unaccompanied youth include outreach, transitional housing and a rapid re-housing dedicated to young adults (ages 18 – 23). The CoC will continue to pursue additional resources for homeless youth through HUD's Youth Homelessness Demonstration Grants. Transitional housing, rapid re-housing programs and permanent supportive housing programs serving the re-entry population are proving to be successful in assisting this population with accessing and remaining stable in permanent housing. The Coordinated Entry system fully implemented in January 2018 aids in reaching these goals by employing diversion strategies to prevent entry into the homeless system and vulnerability assessments to ensure that those with the highest needs are prioritized and are referred to the programs that will best meet their needs. Consistent with the 2012 Homelessness Resolution Strategy, Rochester will: Continue to implement diversion as the first response to a housing crisis; Emphasize a rapid rehousing/housing first approach for the entire system; Increase Rapid Rehousing and Permanent Supportive Housing (PSH) resources; Use Progressive Engagement in Providing Services; improve practice and capacity in PSH programs by targeting PSH to people with the highest needs based on the vulnerability assessment tool, building PSH provider capacity, integrating employment services into PSH programs, and implementing a "Moving On Strategy" from PSH interventions; Implementing data-driven decision-making and evaluation; and ensuring leadership and accountability.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their

individual needs

Person Centered Housing Options (PCHO) and the Rapid Engagement Demonstration (RED) Team will continue to identify and engage the unsheltered homeless. PCHO, RED, MC Collaborative, and the Veteran Administration regularly visit soup kitchens, libraries, and public places that unsheltered homeless adults frequent. Youth street outreach workers will continue to regularly engage homeless and at-risk youth on the street, recreational centers, and other locations that youth frequent. The objective is to engage with the unsheltered homeless and link them with housing, services, and mainstream benefits. Additional outreach is conducted during the Code Blue season, when temperatures fall below 32 degrees. Any person requesting emergency shelter when the temperature is below 32 degrees must be placed in shelter or if there are no shelter beds available, in local hotels. Youth service providers will continue to utilize street outreach workers who use a mobile unit to conduct ongoing, regular outreach efforts with homeless and at-risk youth, including LGBT youth. Services include medical screenings (including HIV testing), condom distribution, and linking youth to community-based services and income streams. Homeless youth who agree to placement are transported to emergency shelters. Veterans outreach workers visit shelters, soup kitchens, and other locations in an effort to identify homeless veterans and link them to the VA and community-based services. Street outreach is conducted to engage the unsheltered homeless in the locations where they are known to congregate (e.g., encampments, parks, etc.). Specialized Office of Mental Health (OMH) outreach workers connect with homeless persons experiencing serious mental and/or substance abuse issues. Outreach workers who speak Spanish and other languages participate in these efforts.

Addressing the emergency shelter and transitional housing needs of homeless persons

Monroe County works with the CoC and its partners to carry out outreach and services to homeless persons and to provide emergency shelter for all homeless populations; homeless youth, veterans, victims of domestic violence, persons with chemical dependency and/or mental health issues and other homeless individuals and families. Transitional housing is provided for homeless youth, veterans, and re-entry populations many of whom have chemical dependency and/or mental health issues. The emergency shelter system was greatly impacted by COVID-19. Shelters were decompressed (census reduced) in late March of 2020 to ensure social distancing guidelines could be followed by shelters. This was accomplished by placing those who would be most vulnerable to COVID based on age and/or chronic health conditions into hotels where they would have their own rooms. By the end of 2021, most shelters were back at their optimum capacity and shelter occupancy is approaching pre-COVID numbers.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were

recently homeless from becoming homeless again

To end homelessness among households with dependent children, the CoC is utilizing Rapid Rehousing (RRH) programs. RRH provides short term rental assistance and case management services to move families from shelter to permanent housing quickly and ensure housing stability. It is also providing diversion assistance for those who have a viable alternative to a shelter but require some support. The CoC plans to increase the number of homeless households with children assisted through RRH projects by working with TH projects serving families to help them restructure using a RRH model and by soliciting housing organizations without such programs to create new RRH projects. ESG funding supports Coordinated Care Services, Inc.'s Rapid Rehousing program (RRP) that responds quickly to households referred through coordinated entry, secures appropriate PH, and uses an array of mainstream benefits and supports to maximize resources, increase housing stability and reduce repeat episodes of homelessness. RRH projects have sought and been awarded funding from other sources (e.g., NYS OTDA, and HUD CoC Funding), and this effort will continue. The needs of domestic violence victims, including their families, will continue to be broadly addressed. The Rochester/Monroe County Domestic Violence Consortium, with 50-member organizations from human services and the legal system, promotes a coordinated community response to domestic violence. In addition, staff of housing providers who serve domestic violence victims are trained in trauma-informed care and safety planning. Willow DVC serves people who are victims of domestic violence (or at risk) along with their children, offering counseling, education, and a secure shelter, whose location is not publicly identified. A 24-hour hotline provides information on housing and services for domestic violence victims. Willow DVC has stringent policies to ensure the safety and privacy of its clients, and names and other identifying data are not entered into HMIS. YWCA, LAWNY and Willow operate a rapid rehousing project for households experiencing domestic violence. For the past several years, there has been a DV Bonus Project opportunity as part of the annual HUD CoC funding competition. A Rapid Rehousing project was submitted but not selected for an award. The Center for Youth (CFY) Services Center House provided emergency housing and services for unaccompanied homeless youth, ages 12-17. CoC will continue to offer a range of outreach, emergency, and transitional housing and support services available through CoC and other funding resources. The Center for Youth (CFY) operates a RRH program for Transition Age Youth (ages 18 – 24) in our community. Youth providers have a common intake form, work together closely, and meet on a monthly basis to ensure that homeless youth have access to safe housing and services. In all cases, before a youth leaves a program, the youth is linked to a family member or other responsible, supportive adult. Youth providers will continue to work with Monroe County Office of Mental Health (OMH) to ensure access to mental health services and ease transition from the youth to the adult mental health system. Youth ages 16-17 and 18-24 will be targeted separately and offered age-appropriate services, while youth as young as 12 will also be served. Genesis House, an emergency housing program for older homeless youth, ages 17-20, closed its doors due to insufficient funding. This was the only emergency housing program dedicated to this population. Homeless youth who are 18-20 are able to access the adult shelters.

Helping low-income individuals and families avoid becoming homeless, especially extremely

low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

Youth being discharged from foster care or other institutional settings typically return to their family of origin or another responsible family member or adult. When no such adult can be located, the youth is placed in a community program specifically designed to prepare youth for independent living. CoC will continue to educate homeless providers about the importance of ensuring that youth are not discharged into homelessness. Shelters have been instructed to immediately contact MCDHS to report the failed discharge plan if a youth is attempting to access homeless services. The youth is then connected to a caseworker who attempts to re-unite the youth with his/her family or other responsible adult and link him/her to appropriate services. If such a re-uniting is not possible, the youth is referred again to a community program that prepares youth to transition to independent living.

Hospitals have been encouraged to not discharge people with no available housing after hours or weekends so that they can first go to MCDHS for assessment and placement into a shelter that can best meet their needs. When this is not possible or patient leaves against medical advice, hospital social work staff have been provided with information on local emergency shelters (e.g., physical layouts, staffing, hours open) so a referral is made to the shelter that can best meet the person's needs. Hospital staff call the shelter to confirm a bed is available, any required follow-up care is communicated to shelter staff, and the patient is provided with a sufficient supply of medication. Three emergency shelters (12 beds) have beds dedicated for persons who are being discharged from hospitals, due to health or mental health who are homeless which provide additional support through the use of peers and Health Home Care Managers to transition to and stabilize in permanent housing.

Inpatient facilities licensed or operated by NYSOMH and NYSOASAS are encouraged to refer individuals to housing consistent with the level of care required by the patient and to not discharge patients until a comprehensive discharge plan is in place. Prior to discharge, individuals in need of supervised housing, and who agree to a referral are referred to the County Single Point of Access (SPOA). The SPOA facilitates housing assistance for eligible individuals and connects persons to mental health care coordination services. Through HSN, CoC will continue to educate stakeholders about the primary providers of licensed mental health residential beds (DePaul Community Services, East House, Housing Options Made Easy, Rochester Psychiatric Center), intensive case management programs (Strong Memorial Hospital, Rochester General Health System, Unity Health System), and care coordination services (ACT Team, Project Link, MICA Net).

Ex-offenders are most frequently discharged to their families or to independent living under the supervision of parole. NYS Parole has contracts with several community agencies to place ex-offenders when no other housing can be located (e.g., Salvation Army Adult Rehab Center, Grace House, and

DuBois Re-Entry Program). NYS is implementing a pilot project in Monroe County for effectively linking eligible individuals from this population to Health Homes, which will provide enhanced care management, ensuring that enrollees are linked to housing and social services supports. CoC Team and Monroe County Re-Entry Task Force will continue to work closely, utilizing common members, to assist ex-offenders to successfully transition back into the community. Linking ex-offenders to mainstream resources will reduce the number of ex-offenders from entering the homeless system. Delphi, the umbrella agency for Monroe County Re-Entry Task Force operates a very successful RRH program for persons who are released and have no permanent housing identified.

Discussion

Con't from Helping homeless persons Project Anchor, a new project that began operations in late 2022 is a partnership with MCDHS and Catholic Charities Family and Community Services (CCFCS) to provide a rental supplement up to 100% of the metro-Rochester FMR for households with incomes under 50% AMI to 300 households in Monroe County. Up to 50% of the rental supplements will be reserved for homeless individuals or families. Priority will be given to households involved in the Child Welfare System. The ability to pay 100% of FMR will increase the ability of households to remain stable in permanent housing, reducing the number of households entering the homeless system.

The primary strategy to address the needs of the chronically housing population is permanent, supportive housing (PSH). PSH provides a deep rent subsidy (participant pays 30% of income for rent) and on-going case management and support services to participants who have a long term disability and who have been homeless for more than one year, or have had four or more episodes of homelessness totaling at least one year in the past three years. There is no limit on the length of stay in PSH. Housing First principles have been adopted by all of the PSH programs in the CoC to reduce barriers to accessing housing. Chronically homeless persons are prioritized for entry into all PSH programs when openings occur. The CoC Strategic Plan includes a goal of increasing affordable, supportive housing programs for homeless populations using nonCoC funding. Two programs utilizing Empire State Supportive Initiative (ESSHI) funding for the chronically homeless opened in 2021. Two new ESSHI projects, a 24 unit project serving homeless and a 35 unit project for the chronically homeless began renting up in November and December 2022.

The Veterans Administration (VA) and the Veterans Outreach Center (VOC) will continue to exclusively serve homeless veterans in the CoC geography. Both the VA and VOC provide emergency and transitional housing options for veterans. Both also partner with the Rochester Housing Authority (RHA) to provide PSH options for Veterans. Referral to the PSH programs come directly from the VA and/or through Coordinated Entry. VOC and Eagle Star have recently opened affordable, supportive housing for veterans that have been funded through the Empire State Supportive Housing Initiative (ESSHI).

Con't from Helping low-income individuals and families avoid becoming homeless The Reentry

Association of Western New York (RAWNY) recently began operations of a Reentry One Stop Center to provide services, support, and to make connections to community resources men and women returning home from incarceration from the Monroe County jail, state correctional facilities, and federal detention. Safe, affordable housing is the most requested service by persons who are criminal justice involved and one of the primary reasons for homelessness.

To reduce the time in Emergency Shelter (ES) or Temporary Housing (TH), the CoC has adopted a Housing First approach, which has resulted in eliminating many preconditions (e.g., sobriety, minimum income threshold) that can be barriers to accessing safe, affordable permanent housing. In addition, ESG funds have been used for rapid rehousing efforts, especially for families, to move them quickly to PH and reduce future episodes of homelessness. Data on the length of time that homeless individuals and families spend in CoC and ESG-funded ES, TH, and Supportive Housing (SH) programs are included in HMIS and will be used to track changes over time. Non-HUD funded projects are represented among the over 70 community agencies in the HSN, where members are educated on best practices and tools that can be used to reduce the length of time individuals stay homeless.

AP-75 Barriers to affordable housing -91.420, 91.220(j)

Introduction

Monroe County is working to expand access to and knowledge of County administered community development services, such as the Home Improvement Program, first time homebuyer programs, and HOME funded affordable rental housing units by providing/conducting outreach, and by providing easily accessible information. Communities outside of the City limits struggle with vacant property issues and there are few high quality, homeownership opportunities for low and moderate-income buyers in many Monroe County communities. In addition, the supply of single family residential properties for lower income homebuyers is limited and has been difficult to acquire with the current state of the housing market. Monroe County is continuing to fund the acquisition rehab resale program that will revitalize neighborhoods, increase inventory, and make available more affordable housing properties to first time homebuyers interested in purchasing their first home. Due to the foreclosure moratorium during the COVID-19 pandemic and the increased cost of properties, low-income homebuyers have had to compete for the purchase of homes with those who do not have the same funding or regulatory restrictions in the purchase of their home. Monroe County vacant properties are harder to purchase when competing/bidding with landlords who are purchasing properties for renters with no income restrictions. The need for affordable housing is especially acute for families and seniors in Monroe County. Local housing problems could be solved with more single family or family rental housing.

Monroe County is aware of the fact that nationwide, 61.7% of fair housing complaints were based on disability discrimination in 2019. During the COVID-19 pandemic, 31% of COVID-19 deaths in the US were older adults, staff, and caregivers in institutional settings as of June 2021. Nationwide, less than 1% of housing units are available to people who use a wheelchair full time. The impediments to available housing nationwide are also concerning in Monroe County because the CDC has found that adults with disabilities are twice as likely as those without disabilities to have inadequate transportation.

Monroe County will continue to work with partners in local governments, public housing providers, local developers, as well as community partners to help address housing needs of community members and promote and market affordable housing.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

The Update to the Analysis of Impediments (AI) indicates that discrimination continues to be the major negative factor in locating housing for seniors and families. The Plan is a multi-year plan designed to address barriers to housing in Monroe County for low-income families and individuals and members of protected classes. Monroe County will work with municipal, developers, and community partners

through outreach and engagement to promote and market affordable housing.

Discussion

(con't from AP-65) To reduce the extent to which individuals and families leaving homelessness experience additional homeless episodes, the CoC will utilize prevention, diversion, and short-term rental assistance, and arrear payments. The Monroe County DHS Diversion Unit will continue to assist those at risk of homelessness with payments for such costs as back taxes, mortgage payments, auto repairs, and tools/uniforms for jobs. Returns to homelessness are also decreased as the result of less stringent compliance demands for participants, automatic renewals of leases, and ensuring that discharges are in accordance with fair housing requirements. Data in HMIS is used to determine if and when individuals and families leaving TH, RRH, and PSH experience another episode of homelessness in those cases where either they exit to homelessness or they exit to permanent housing, but subsequently re-enter the homeless system in the CoC geography. To improve the housing stability of persons in permanent supportive housing, the CoC will utilize the local Coordinated Entry System to ensure that households are directed to the housing and services that will best meet the needs of that household. Special attention is given to increasing access to mainstream supportive services and enhancing case/care management options to ensure effective integration of homeless housing & community-based services and supports.

AP-85 Other Actions - 91.420, 91.220(k)

Introduction

Actions planned to address obstacles to meeting underserved needs

Housing costs remain a burden to low-moderate income families as well as availability of units. Demands for resources continue to increase due to funding regulations and restrictions. Monroe County will continue to focus on: 1) creating and maintaining affordable housing stock; 2) continuing the Home Improvement Program to assist low income homeowners maintain their home and pay for necessary repairs; 3) continue to fund programs that assist job creation and retention and business expansion; 4) increase efforts to expand Section 3 new hires by increasing coordination with the City of Rochester, Rochester Housing Authority, RochesterWorks, Monroe County Human Services-Employment Assistance Division to assist contractors in finding and hiring low income individual and contracting with Section 3 businesses; 5) maintaining funding for the acquisition rehab resale program to increase housing stock and making available more affordable housing for first time homebuyers in suburban Monroe County.

Actions planned to foster and maintain affordable housing

Monroe County will: Create, maintain, and rehabilitate affordable housing stock; prioritize projects in communities where there is currently no affordable housing; and continue to fund public works/infrastructure improvement projects in low and moderate income areas. Monroe County's partnership with the Rochester Housing Development Fund Corporation (RHDFC)/Greater Rochester Housing Partnership (GRHP) has worked to expand the acquisition rehab resale program in suburban towns and villages. This program has, and will continue to increase affordable housing inventory and make available more single family units for homeowners interested in purchasing their first home in suburban towns and villages throughout Monroe County where housing stock is low and competitive for First time homebuyers.

This year, the GRHP staff have been awarded additional grant funding from a local bank to make available up to \$40,000 for three (3) properties in the County's acquisition rehabilitation resale program, which will offset the total development cost per project and allow Monroe County to maximize HOME funds to purchase additional properties to rehab and resale to income eligible homebuyers.

Actions planned to reduce lead-based paint hazards

Monroe County will continue to enforce actions specific to its housing programs in lead-based paint hazard identification, disclosure, and reduction. These activities are expected to make up half of the repairs undertaken this year. Federal requirements for lead-safe work practices and contractor certifications have substantially increased the cost of home repairs, making it more difficult to accomplish steps necessary to ensure health and safety related deficiencies are corrected. All properties

purchased through the First-Time Homebuyer Program must have inspections for lead-based paint hazards prior to final approval of applications for assistance. Purchase subsidies are issued only after receipt of inspection reports indicating that no lead-based paint hazards are present at the time of purchase. Proway Management, a NYS Certified Women/Minority Owned Business, Rochester based lead paint testing firm provides *risks assessment, lead based paint inspections, and clearance inspection services for the Home Improvement program participants. The Monroe County Department of Public Health's Lead Poisoning Prevention Program is funded by the NYSDOH. The current grant known as "Childhood Poisoning Prevention Program +" has been approved for a contract period of 10/1/21-9/30/26 with a total of \$5,175,000. The lead program conducts medical case management and environmental inspections for children with a known blood lead level $\geq 5\mu\text{g}/\text{dl}$. In 2022, the lead program identified 195 children with elevated blood lead levels. Inspections of housing units associated with the children were conducted in 181 units and 97 units were identified with lead hazards. Please refer to attached Monroe County maps which show number of children with confirmed Elevated Blood Lead Levels (EBLLs) above the current NYSDOH reference level of $5\mu\text{g}/\text{dl}$ blood lead level. The city of Rochester boarder is shown in purple. Local data show that children residing outside of the city continue to be at risk for lead poisoning and continue to have elevated blood lead levels above the reference value of $5\mu\text{g}/\text{dl}$. This data supports the continued effort to focus on lead hazard identification, remediation, and education when serving the residents of Monroe County. Lead Program Public Health Sanitarians conduct environmental inspections of properties to find lead hazards in homes where children with elevated lead levels reside or spend considerable time. Any hazards found must be remediated using Lead Safe Work practices and be conducted by a Certified Renovator. All properties must achieve lead dust clearance in accordance with current EPA standards. A Lead Program nurse ensures that children receive follow-up testing and care from their pediatric provider. Both sanitarians and nurses provide lead poisoning prevention education to parents and guardians.

Actions planned to reduce the number of poverty-level families

Rochester Monroe Anti-Poverty Initiative (RMAPI) coordinated efforts to access the initial funding to establish two adult mentoring programs. Bridges to Success and Family Independence Initiative (FII). FII completed its first funding cycle and successful program, meeting its target outcomes of increased employment and earned income. Bridges to Success finished Cohort 1 last year and because it had better outcomes than FII was extended into a second cohort which is still in full operation. Bridges to Success in being run in partnership with Action for a Better Community serving 100 participants.

Monroe County Department of Human Services and Rochester Rehabilitation are partnering in a program "Paths to Empowerment." This program will support individuals who are making the transition from public assistance to self-sufficiency. The program will coordinate existing resources and make linkages to community resources to maximize success for persons working toward employment retention.

The CoC is focusing on increasing income for all participants in CoC funded homeless

programs. Activities include ensuring participants are receiving all public benefits that they are eligible for, creating a SOAR program that will assist participants with long term disabilities in securing SSI/SSDI benefits, linking participants to employment and educational services in the community, and providing financial literacy services. While linking people to public benefits may not always lift a household out of poverty, ensuring that all households have a source of income, health insurance and adequate food resources (SNAP, WIC, etc.) is essential.

Actions planned to develop institutional structure

Monroe County Community Development will continue to work collaboratively with the divisions in Planning and Development, other County departments, including the Department of Human Services, Office of Mental Health, Office of the Aging, area service providers, the City of Rochester, the Rochester Housing Authority, the Fairport Urban Renewal Agency, Partners Ending Homelessness (PEH), the local Continuum of Care, and local towns and villages to enhance services and develop a more effective system for service coordination.

Monroe County is updating its Comprehensive Plan, known as Plan Forward. The Plan when completed will address big, global concepts like sustainability, social equity, energy supply & conservation, and climate change adaptation in ways that are appropriate and unique to Monroe County, while at the same time addressing local challenges like accessibility, economic development, recreation, food accessibility, and transportation.

Actions planned to enhance coordination between public and private housing and social service agencies

Community Development staff works collaboratively with the Department of Human Services, the City of Rochester, local towns and villages, local and state public and private housing agencies, including the Rochester Housing Authority and the Fairport Urban Renewal Agency. Coordination with public and private housing and social services agencies are a priority to enhance services and maximize resources.

Monroe County has re-established The Council of Governments (COG), which is an intergovernmental body made up of the chief elected officers of the County, City of Rochester and every town and village in Monroe County. The goal of this bipartisan assemblage is communication and collaboration to enhance government services for our community.

Discussion

(con't from Actions planned to reduce lead-based paint hazards) The MCDOPH is currently executing a Healthy Neighborhoods Grant. The grants run from April 1, 2022 to March 31, 2027. The focus of the grant is primary prevention for Tobacco Control, Fire Safety, Injury Prevention, Lead prevention, Indoor Air Quality, General Housing Conditions, and Asthma Control. Each year, Outreach workers will perform approximately six hundred (600) initial visits in zip codes 14605, 14608, 14609, 14611 and 14621, which

have well documented public health and housing issues. Additional zip codes may be added during this grant round. A total of 125 follow-up visits are also anticipated. Topics covered will include lead poisoning prevention (deteriorated paint, dust, cleaning, and nutrition), fire safety issues, carbon monoxide, general sanitation issues, code violations, electrical problems, tobacco cessation, general home safety, and controlling asthma triggers. Referrals will be made to MCDOPH programs and other agencies when problems are identified. During this grant round, the HNP grant manager intends to expand referrals made to outside agencies/programs that can provide additional assistance in home environmental issues, especially in relation to asthma and home repair/improvement.

Program Specific Requirements

AP-90 Program Specific Requirements - 91.420, 91.220(I)(1,2,4)

Introduction

Community Development Block Grant Program (CDBG)

Reference 24 CFR 91.220(I)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed	0
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan.	0
3. The amount of surplus funds from urban renewal settlements	0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan	0
5. The amount of income from float-funded activities	0
Total Program Income:	0

Other CDBG Requirements

1. The amount of urgent need activities	0
2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. Specify the years covered that include this Annual Action Plan.	0.00%

HOME Investment Partnership Program (HOME)

Reference 24 CFR 91.220(I)(2)

1. A description of other forms of investment being used beyond those identified in Section 92.205 is as follows:

Monroe County leverages HOME funds with other funding secured by its housing partners to develop affordable homeownership and rental housing. Community Housing Development Organizations (CHDO) and other non-profit housing developers apply for and receive funding from

Annual Action Plan
2023

79

state and local resources with leveraged support from the County's housing program, to enhance their applications with a final project that supports the goals from all agencies. Monroe County's investment of HOME funds is consistent with the forms of assistance included in 24 CFR 92.205(b).

2. A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:

Monroe County, through the HOME program, provides conditioned grants up to \$10,000 of down payment assistance and closing cost assistance to income eligible applicants below 70% of Area Median Income (AMI), and a maximum of \$5,000 for income eligible applicants between 71-80% of AMI for First Time homebuyers to reduce the cost of purchasing their first home.

3. A description of the guidelines for resale or recapture that ensures the affordability of units acquired with HOME funds? See 24 CFR 92.254(a)(4) are as follows:

Monroe County will provide the CHDO Home Investment Partnership program funds to acquire property in accordance with 24 CFR Part 92. At the time a FTHB applicant enters into a purchase agreement for an eligible property (the "Property"), they accept the amount, terms, and conditions of Buyer's Agreement. Home buyers will execute a Note and Mortgage with a Declaration of Restrictive Covenant. Language for the Declaration of Restrictive Covenant will be as follows: Title of the PROPERTY is conveyed subject to the following restrictions: The Property was acquired with the assistance of funds from Monroe County Home Investment Partnership Funds provided under 24 CFR Part 92. As a condition of the subsidy, the Property must be the Owner's Principal Residence ("Principal Residence" shall mean that the Owner must reside at the Property for any consecutive nine months in each year of the Affordable Housing Period and it must be his/her principal residence) for ten (10) or fifteen (15) years dependent on the Home Investment from the date of this deed. If the Affordable Housing Period has not expired and the Owner sells, rented, title is transferred voluntarily, or in case of bankruptcy, foreclosure, etc., or if the OWNER otherwise fails to occupy the Property as his/her Principal Residence; The Owner agrees to sell the Property to a low-income family as defined in the Regulations that will use the Property as its Principal Residence for the duration of the ten (10) or fifteen (15) year period. Documentation must be provided to Monroe County verifying the prospective buyer's income eligibility. The price at resale must (1) ensure that the Property will remain affordable to a reasonable range of low-income homebuyers, and (2) provide the Owner a fair return on investment (including the Grantee's investment and any capital improvement). These affordability restrictions and residency requirements shall terminate upon foreclosure or transfer in lieu of foreclosure. The County may use purchase options, rights of first refusal, or other preemptive rights to purchase the housing before foreclosure or deed in lieu of foreclosure to preserve affordability. Nonetheless, these affordability restrictions shall be revived according to the original terms if, during the original Affordable Housing Period, the Owner of record before the foreclosure, or deed in lieu of foreclosure, or any entity that includes the Owner or those

with whom the Owner has or had family or business ties, obtains an ownership interest in the Property.

4. Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows:

This is not applicable. Monroe County does not use HOME funds to refinance debt.

Emergency Solutions Grant (ESG)

1. Include written standards for providing ESG assistance (may include as attachment)

The County, the City of Rochester, the Continuum of Care (CoC) and HSN (a collaboration of more than 60 local homeless services, legal, primary care, mental health, substance abuse, re-entry providers and community stakeholders) have met throughout each program year to jointly plan for ESG. In keeping with past practice of providing the Emergency Shelter Grants (ESG) Program Desk Guide March 2001 to all sub-recipients, the County and City has provided sub-recipients and community providers that coordinate with them the Emergency Solutions Grant Rules and Regulations, and tools available to date including Definition of Homelessness (Criteria for Defining Homeless and Record Keeping Requirements), and Emergency Solutions Grants (ESG) Program Components and Activities. The County and the City provided sub-recipients with information about the new homeless definition and eligibility, documentation and record requirements and HMIS participation. The CoC provides HMIS licenses and training to the County's ESG sub-recipients.

Written standards are attached for Street Outreach, Emergency Shelter, Shelter Operations, Homeless Prevention, and Rapid Rehousing. These programs are eligible for ESG funding.

2. If the Continuum of Care has established centralized or coordinated assessment system that meets HUD requirements, describe that centralized or coordinated assessment system.

Coordinated Entry is defined by HUD as a consistent and streamlined process for accessing the resources available in the homeless crisis response system...ensuring that those with the highest need, most vulnerable households in the community are prioritized for services and that the housing and supportive services in the system are used as efficiently and effectively as possible.

The intended target population for Coordinated Entry is all households or person(s) who are experiencing homelessness or at-risk of experiencing homelessness in Rochester and Monroe County and seeking assistance from the local crisis response system, which includes prevention assistance and homeless system services. This includes single adults without children, adults

accompanied by children, families, unaccompanied youth, parenting youth, person(s) fleeing domestic violence, and veterans.

The community has agreed upon the use of a common assessment tool, known as the VI-SPDAT, to help identify the immediate needs of the household and begin directing them to the appropriate permanent housing intervention based on those needs. Interventions include Rapid Re-Housing for those; who have moderate needs and Permanent Supportive Housing, which will be reserved for those with the highest needs. Households scoring low on the assessment are identified as not needing a housing intervention and are likely able to resolve their homelessness without ongoing assistance. The VI-SPDAT score will be used as one of the determinants in the community-wide prioritization model. While it is important to have an efficient and effective process by which households can access the homeless system, it is equally important for households to be quickly exited into the appropriate permanent housing that will best meet their needs and minimize their likelihood of returning to homelessness. The CE program is currently exploring options for a new assessment tool as the VISP DAT is no longer going to be supported by its developer, Org Code.

Prioritization is a critical component of a Coordinated Entry system to appropriately exit households to permanent housing and to ensure those with the greatest needs have timely access to services. CE has developed a prioritization model based on input from community stakeholders to establish a process to effectively identify those with the highest needs and connect them to the appropriate permanent housing more quickly. CE Workgroup meets regularly to determine how households are prioritized and what information will be used to determine the way in which the list is ordered. A by name prioritization list is now in place and all TH, PSH and RRH housing providers are only permitted to accept households that are referred through the Coordinated Entry prioritization process. The work group continues to meet to make sure CE is functioning efficiently and makes revisions to policies and procedures as needed.

3. Identify the process for making sub-awards and describe how the ESG allocation available to private nonprofit organizations (including community and faith-based organizations).

Awards for the 2023-24 program year were based upon a 2022 Request for Proposal (RFP) process, which was jointly administered by the County and City. The notice was published by legal notice in The Daily Record and distributed via networks including those of the CoC and HSN and respectively on its established website. Awardees were chosen by a committee of County, County Department of Human Services, City, and CoC administrative board, and a formerly homeless community member. Services under this proposal cycle will run from August 1, 2023 – July 31, 2024.

4. If the jurisdiction is unable to meet the homeless participation requirement in 24 CFR 576.405(a), the jurisdiction must specify its plan for reaching out to and consulting with homeless or formerly homeless individuals in considering policies and funding decisions

regarding facilities and services funded under ESG.

In compliance with Section 576.405(a) of the Interim Rule, the County has engaged persons who are currently or formerly homeless in their planning process. Formerly homeless persons are active members of the Homeless Services Network and are represented on the CoC Board and the HSN Steering Committee. Programs serving the homeless are also required to have homeless or formerly homeless persons involved in policy setting and decision making processes. Both permanent supportive housing and street outreach programs are utilizing persons with lived experience as peers to provide additional support to participants.

5. Describe performance standards for evaluating ESG.

The County utilizes the Integrated Disbursement and Information System (IDIS) to document program progress and monitor program performance on an ongoing basis. The County requires all ESG sub-recipients to submit data to HMIS as required by HUD. A Consolidated Annual Performance and Evaluation Report (CAPER) is prepared annually by the County. Each ESG funded project uses HMIS to run their CAPER and download it directly into SAGE for the County to produce that report. The CoC will assist the projects as needed to do the submission. The CAPER contains a summary of resources and programmatic accomplishments, the status of actions taken in concert with the CoC to implement the strategies contained in the Consolidated Plan, and evaluation of progress made in addressing identified priority needs and objectives.

Performance Standards are in alignment with the new measures implemented with the HEARTH Act including: reducing the duration of homelessness; reducing recidivism; reducing the number of people who become homeless; increasing employment and income; and stability in permanent housing.

RESOLUTION NO. 199 OF 2023

AUTHORIZING GRANT CONTRACTS AND APPROPRIATION TRANSFERS PURSUANT TO THE AMERICAN RESCUE PLAN ACT (ARPA)

BE IT RESOLVED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. The County Executive, or his designee, is hereby authorized to execute grant contracts, and any amendments thereto, with the agencies listed in Attachment A in a total amount not to exceed \$6,205,421 for terms to commence on or after May 1, 2023 and terminate on or before December 31, 2026.

Section 2. An appropriation transfer is hereby authorized in the amount of \$4,000,000 from the Monroe County Legislature, general fund 9301, funds center 1001030000, Local Recovery Fund to the Department of Finance, general fund 9301, funds center 1403930103, ARPA-Public Safety.

Section 3. An appropriation transfer is hereby authorized in the amount of \$2,205,421 from the Department of Public Health, general fund 9001, funds center 5801090100, Pandemic Response to the Department of Finance, general fund 9301, funds center 1403930103, ARPA-Public Safety.

Section 4. Funding for these grant contracts is included in the Department of Finance, general fund 9301, funds center 1403930103 ARPA-Public Safety once the appropriation transfers are authorized.

Section 5. The County Executive is hereby authorized to appropriate any subsequent years of these funds, any returned contractor funds, or any deferred revenue, in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, and to make any necessary funding modifications within grant guidelines to meet contractual commitments.

Section 6. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program(s) and, where applicable, to terminate or abolish some or all positions funded under such program(s). Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

Section 7. This resolution shall take effect in accordance with Section C2-7 of the Monroe County Charter.

Company Name	Project Name	Brief Description	Maximum Award Amount
Pittsford Volunteer Ambulance, Inc.	Emergency Medical Services (EMS) Workforce Training and Diversification	Coordinate efforts across the County to recruit, educate and support the development of skilled EMS clinicians. Phased approach to training emphasizes diversification of the EMS workforce through recruiting, educational support, and career pathway development.	\$ 4,246,948.50
Gates Volunteer Ambulance Service, Inc.	Ambulance Upgrade - A Critical Need	Gates Ambulance is seeking to replace an aging ambulance (2014 Ford Marquis Ambulance) with a new model that can do more to meet the needs of the EMS System and residents.	\$ 228,000.00
Irondequoit Ambulance, Inc.	Air and Surface Decontamination	Irondequoit Ambulance proposes to provide air and surface disinfection devices to existing and on-order ambulance fleet.	\$ 26,000.00
The Perisfield Volunteer Emergency Ambulance Service Inc.	Perisfield Ambulance Acquisition of an outfitted Advanced Life Support (ALS) Capable Transporting Ambulance	Perisfield Ambulance is looking for funding to purchase an additional ambulance that is fully outfitted with new state of the art equipment that can serve the population and neighboring populations (through Mutual Aid) through 911 emergency calls.	\$ 347,005.97
Irondequoit Ambulance, Inc.	Ambulance Replacement	Irondequoit Ambulance is looking for funding to purchase an ambulance that matches their current fleet. Their ambulances are smaller modular ambulances that fit the needs of the residents and crews well.	\$ 210,000.00
CHS Mobile Integrated Health Care, Inc.	CHS Equipment Improvement Project	CHS has an urgent need to replace aged equipment that is past its serviceable life. This request is necessary to provide safe transport of patients, reduce the potential for employee injury, and meet the needs of the increasingly obese patient population.	\$ 283,391.68
Honeyoye Falls-Mendon Volunteer Ambulance, Inc.	Mitigating the Covid-19 Past and Preparing NFRMA for the Future	Purchase of two Stryker Powerized Systems to upgrade their capacity to attend to patients of increased body weight and elderly and low-income patients with mobility deficits. Also purchase four laptop computers and four printers to upgrade their system to address patient needs as quickly as possible and to prepare high quality patient records as efficiently as possible.	\$ 80,891.20
Ridge Road Fire District	Ridge Road Fire District Emergency Communications and PPE	Ridge Road Fire District is seeking funds to enhance and improve their fire district's ability to combat public health emergencies through the purchase of emergency response communications equipment and Personal Protective Equipment (PPE).	\$ 152,394.04
Gates Fire District	Gates Fire District - Dispatch Center Update	The Gates Fire District Dispatch Center Update entails upgrading the analog dispatch radio consoles to digital technology. This is necessary to maintain the same dispatch radio technology that the Emergency Communications Department (ECD-911) and Monroe County Radio Center has recently implemented throughout the City of Rochester and Monroe County.	\$ 407,926.21
Ridge Road Fire District	Ridge Road Fire District Community Outreach and Risk Reduction	Ridge Road Fire District is seeking funds to combat public health emergencies by expanding its community outreach and community risk reduction programs. These programs will target at-risk populations, including those living in congregate living facilities such as elder care, assisted living, and nursing homes.	\$ 88,236.00
Brighton Fire District	Emergency Cardiac Care	As a result of the current climate and geography, the fire department responds to most EMS calls prior to an ambulance. Many of these calls have some component of a cardiac emergency. The Brighton Fire District is facing the challenge of needing to replace the fleet of their 14 AED's as they are reaching the end of their useful life.	\$ 88,785.00
Lake Shore Fire District	Lake Shore Fire District IT Support for Community Engagement	Lake Shore Fire District is seeking funding to improve its internet infrastructure, replace staff computers, and work with IT services to improve website and internet presence.	\$ 21,882.00
Fire Department of the Village of Fairport	Radio Communication Infrastructure Improvements	Fairport Fire would like to increase situational awareness through the purchase of digital voice pagers. They will also update radio communications equipment at their firehouses.	\$ 20,900.00

Intro. No. 252

RESOLUTION NO. 201 OF 2023

SUPERSEDING BOND RESOLUTION DATED JUNE 13, 2023

RESOLUTION AUTHORIZING THE ISSUANCE OF \$1,360,000 BONDS OF THE COUNTY OF MONROE, NEW YORK, TO FINANCE THE COST OF THE PURCHASE OF A HAZARDOUS MATERIAL FIRE TRUCK, IN AND FOR SAID COUNTY, AT AN ESTIMATED MAXIMUM COST OF \$1,360,000 AND SUPERSEDING THE BOND RESOLUTION ADOPTED ON JANUARY 10, 2023 (RESOLUTION NO. 23 OF 2023)

BE IT RESOLVED BY THE AFFIRMATIVE VOTE OF **NOT LESS THAN TWO-THIRDS OF THE TOTAL VOTING STRENGTH** OF THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. For the object or purpose of financing the cost of the purchase of a Hazardous Material Fire Truck, in and for the County of Monroe, New York (the "County"), there are hereby authorized to be issued \$1,360,000 bonds of the County, pursuant to the provisions of the Local Finance Law. The duly adopted current Capital Budget of the County, to the extent inconsistent herewith, is hereby amended to provide for the appropriation of an additional \$60,000 to pay the cost of the aforesaid specific object or purpose (\$1,300,000 having been heretofore appropriated from one or more Capital Budgets). The period of probable usefulness of the aforesaid specific object or purpose is twenty (20) years, pursuant to subdivision 27 of paragraph a of Section 11.00 of the Local Finance Law.

Section 2. The maximum estimated cost thereof is \$1,360,000, and the plan for the financing thereof is by the issuance of \$1,360,000 bonds of said County herein authorized, provided, however, that to the extent any state and/or federal aid and/or grant and/or gift is received for the aforesaid purpose, the County Executive, or his designee, is hereby authorized to accept and shall use such funds to redeem any outstanding indebtedness incurred for such purpose or apply it, dollar for dollar, to reduce the amount of bonds to be issued for such purpose.

Section 3. The faith and credit of the County are hereby irrevocably pledged for the payment of the principal of and interest on such obligations as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such obligations becoming due and payable in such year. There shall annually be levied on all the taxable real property of said County a tax sufficient to pay the principal of and interest on such obligations as the same become due and payable.

Section 4. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell the bonds and bond anticipation notes in anticipation of the issuance and sale of the bonds herein authorized, including renewals of such notes, is hereby delegated to the Director of Finance - Chief Financial Officer, the chief fiscal officer of the County under the Local Finance Law. The Director of Finance - Chief Financial Officer may sell such bonds or notes at public or private sale, at a discount or premium, at fixed or variable rates of interest or at no interest whatsoever, or as capital appreciation bonds, and with such amortization of principal as the Director of Finance - Chief Financial Officer shall determine is most favorable to the County, and in compliance with any rules of the State Comptroller applicable thereto. Such bonds or notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Director of Finance - Chief Financial Officer, consistent with the provisions of the Local

Finance Law. The Director of Finance - Chief Financial Officer may, in the event it is determined to issue variable rate bonds or notes, enter into such agreements as said officer finds reasonable to facilitate the issuance, sale, resale and repurchase of such bonds or notes, as authorized under Section 54.90 of the Local Finance Law. The Director of Finance - Chief Financial Officer is also authorized to enter into such agreements and take such other action as may be necessary or appropriate and lawful to assure that, to the extent possible, (i) interest on the bonds and notes authorized hereby will not be includable in the gross income, for federal income tax purposes, of the recipients thereof, and (ii) to enable the purchaser thereof to comply with Securities and Exchange Commission Rule 15c2-12. The Director of Finance – Chief Financial Officer is hereby further delegated all powers of this County Legislature with respect to agreements for credit enhancement, derived from and pursuant to Section 168.00 of the Local Finance Law, for such bonds or notes, including, but not limited to the determination of the provider of such credit enhancement facility or facilities and the terms and contents of any agreement or agreements related thereto.

Section 5. All other matters, except as provided herein, relating to such bonds or notes, including prescribing whether manual or facsimile signatures shall appear on said bonds or notes, prescribing the method for the recording of ownership of said bonds or notes, appointing the fiscal agent or agents for said bonds or notes, providing for the printing and delivery of said bonds or notes (and if said bonds or notes are to be executed in the name of the County by only facsimile signatures, providing for the manual countersignature of a fiscal agent or of a designated official of the County), the date, form, denominations, maturities, interest rate or rates, terms of and manner of sale and interest payment dates, place or places of payment, and also including the consolidation with other issues, shall be determined by the Director of Finance - Chief Financial Officer. The Director of Finance - Chief Financial Officer may elect to become the fiscal agent for the bonds or notes, or may contract on behalf of the County for this service pursuant to the Local Finance Law. Such bonds or notes shall contain substantially the recital of validity clause provided for in Section 52.00 of the Local Finance Law and shall otherwise be in such form and contain such recitals, in addition to those required by Section 52.00 of the Local Finance Law, as the Director of Finance - Chief Financial Officer shall determine.

Section 6. The validity of such bonds and bond anticipation notes, as authorized by this resolution, may be contested only if:

- 1) such obligations are authorized for an object or purpose for which said County is not authorized to expend money, or
- 2) the provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with, and
an action, suit or proceeding contesting such validity is commenced within twenty (20) days after the date of such publication, or
- 3) such obligations are authorized in violation of the provisions of the Constitution.

Section 7. This resolution shall supersede Resolution No. 23 of 2023, being a bond resolution dated January 10, 2023, except to the extent that any indebtedness shall have been contracted or encumbrances made thereunder. The purpose of this superseding bond resolution is to effect the following: to increase the maximum estimated cost of the purpose to \$1,360,000, and to provide \$1,360,000 bonds therefor, an increase of \$60,000 over the \$1,300,000 bonds authorized under Resolution No. 23 of 2023.

Section 8. This resolution shall constitute a statement of official intent for purposes of Section 1.150-2 of the Treasury Regulations. Other than as specified in this resolution, no monies are, or are reasonably expected to be, reserved, allocated on a long-term basis, or otherwise set aside with respect to the permanent funding of the objects or purposes described herein.

Section 9. This resolution shall take effect in accordance with Section C2-7 of the Monroe County Charter and the Clerk of the Legislature is hereby authorized and directed to publish this resolution or a summary hereof to be published, together with a notice attached in substantially the form and in the manner prescribed by Section 81.00 of the Local Finance Law.
