Johnson & Johnson COVID-19 Vaccine Available at the Rochester Riverside Convention Center POD

Rochester, NY – The Monroe County-operated Rochester Riverside Convention Center COVID-19 vaccine POD will be administering the Johnson & Johnson vaccine on Wednesday, May 25 and Thursday, May 26. The single-dose Johnson & Johnson vaccine is approved for anyone 18 years of age and older.

Hours of operation are Wednesday from 9 a.m. – 2 p.m. and Thursday from 11:30 a.m. – 3 p.m. The COVID-19 vaccine is FREE to anyone, regardless of health insurance or coverage. The Rochester Riverside Convention Center POD offers appointments online at <https://www.monroecounty.gov/health-covid19-vaccine> or by calling 753-5555. The clinic also accepts Walk-ins.

“The Johnson & Johnson single-dose vaccine has become increasingly popular among recently vaccinated populations of our community. It inherently offers a more convenient and streamlined inoculation process that it does not require a second visit to a clinic. I want to encourage any Monroe County resident who wants the J&J vaccine to utilize the Rochester Riverside Convention Center POD this week,” Bello said.
