HOW TO PREPARE YOUR RECYCLING BIN(S)

1. Place paper on the bottom—use a paper bag if desired
2. Loosely place the containers listed above on top of the paper
3. Put the box at your curb before 6:30 a.m. on your regular collection day
4. **DO NOT put items in plastic grocery bags!**

If high winds are forecast on your collection day, please delay recycling until the following week. **If possible, use one bin for paper and another for containers—contact your waste hauler for availability.**

LICENSE PLATES

Void plates using an indelible marker, separate and place them in the recycling bin on alternate weeks.
