RE: Sewer Use Permit – Initial

Dear Sir or Madam:

Enclosed is an application for an Initial Sewer Use Permit. Be advised the Sewer Use Permit is a legal document. Please provide all requested information accurately. Any name or address changes will require a new Initial Sewer Use Permit application. An officer of the company must sign the permit or appoint a duly authorized representative. The letter of appointment must be included with the permit package. The renewal will become effective upon the expiration date of your present permit and be in effect for three (3) years.

Pure Waters, under Section 57 of the Worker's Compensation Law and Section 220 - Subdivision 8 of the Disability Benefits Law, is required to have on file proof your company has workers compensation and disability benefits for your employees. A form from your insurance carrier stating such coverage will thus be required before your permit can be processed.

A check for the initial permit fee of \$125.00 should be made payable to the Director of Finance, County of Monroe. All copies of the application, the form from your insurance carrier, and the check should be mailed to:

Monroe County Pure Waters - IWC
444 E. Henrietta Road, Bldg., 15
Rochester, New York 14620

If you have any questions regarding the permit, please call the Industrial Waste Section at 753-7600 option 4.
