NY SOARS

New York Supports Opportunities for
Accessing Recovery Services

Recognizing There Are Many Doors to
Recovery!

- Enhancing Recovery in the Community
- Supporting a Recovery-Oriented System of Care

WHAT IS NYSOARS?

The goal of NYSOARS is to support **Enhance Recovery.**

NYSOARS offers individuals the opportunity to work with a recovery care manager, develop a recovery plan and gain access to a variety of **Recovery Support Services** (RSS) to support that plan, at no cost to you.

WHO IS ELIGIBLE FOR NYSOARS?

Individuals, 18 years old or older, with a history of, or current, alcohol or drug-related problems. Individuals who need recovery support services to establish or sustain recovery and who are willing to develop an individualized recovery plan.

WHAT ARE RECOVERY SUPPORT SERVICES?

RSS are broadly defined as supports and services designed to support success in individuals' recovery and to empower individuals to live productively in their community.

****All linkages to Recovery Support Services are made by the Recovery Care Manager and are based on consumer choice and an individual recovery plan ****
