

PICK UP THE PARKS

SAVE THE DATE!

Sunnking Electronics Recycling and Cascades Recovery bring you the 3rd annual Pick Up the Parks Project, a green initiative from County Executive Maggie Brooks and the Monroe County Department of Parks

Saturday, April 28th, 2012

9am-noon: cleanup

**Noon: Thank You Picnic, Eco-Fair,
and e-scrap collection**

Join the Monroe County Department of Parks, Sunnking Electronics Recycling, and Cascades Recovery for "Pick Up the Parks." This great parks stewardship event will expand to 7 parks in 2012; Churchville, Durand Eastman, Genesee Valley, Powder Mills, Seneca, Webster and Northampton Parks. Special thanks to these organizations that have already been instrumental in planning this upcoming event: *Alliance for the Great Lakes, Black Creek Watershed Coalition (BCWC), Brockport College, Cornell Cooperative Extension (CCE), Genesee Regional Off-road Cycling (GROC), Genesee Valley Chapter Adirondack Mountain Club (ADK), Geocachers of the Rochester Area, Girl Scouts of Western New York, Keep Western New York Beautiful (KWNYB), Kickball League of Rochester (KLOR), Penfield Green Initiative, Rochester Surf Club, the Sierra Club Rochester Regional Group, and the Water Education Collaborative (WEC)*

Email or call today to register your family, group of friends, club, organization, business, scout troop, or class! Contact Ryan Loysen at rloysen@monroecounty.gov or 585-753-7281.

Be sure to tell us your group size, preferred park, e-mail address, and phone number, or just come out to one of the seven project sites on April 28th and register on-site. Check monroecounty.gov/parks for additional details, meet-up locations, acceptable recycling items, proper attire and park information. Bring your old, outdated, electronics to the Thank You Picnic, at Genesee Valley Park, starting at Noon. Sunnking will be there to collect items and give you a gift card good towards the purchase of refurbished electronics equipment at their retail store.

The Monroe County Parks belong to all of us, so let's join together to keep them clean and green!
