MANUFACTURING REWARDS PROGRAM APPLICATION

III. COMPANY CERTIFICATION

The undersigned officer of the Company hereby certifies, on behalf of the Company, as follows:

A. The information contained in this application is true and correct. The Company is aware that any material misrepresentation made in this application constitutes an act of fraud, resulting in termination of participation in the Rewards program and any other Monroe County Industrial Development Corporation (MCIDC) sponsored program and repayment by the Company of their reward.

B. The Company is classified as a manufacturer by the North American Industry Classification System (NAICS) and meets the Small Business Administration's (SBA) definition of a small business.

C. The Company agrees to retain the number of full-time employees from the date of application. The Company agrees to complete a job survey at the end of the first year. If an overall reduction in the number of jobs in Monroe County is reported on the job survey at the end of the first year, the Reward must be paid back in full.

D. The Company will maintain its headquarters at a nonresidential address in Monroe County. If the Company relocates outside Monroe County within two years of receiving the reward, the Reward must be paid back in full.

E. Qualified Equipment is generally defined as machinery and equipment used directly and predominately in production and not subject to sales tax under Article 28 or the NYS Tax Law. All equipment must be housed at the Company's Monroe County location.

F. The undersigned on behalf of the Company certifies that the Company and its officers (owning more than 20% of the Company) are current on all real property, federal, state, sales, income and withholding taxes.

G. Company understands qualification for participation in the program is to be determined by MCIDC in its sole discretion.

IN WITNESS WHEREOF, the undersigned has executed this company's certificate as of this date:

Date: _____

Company's Name: _____

Print Name & Title: _____

Signature: _____
