- a. It is the policy of the County that Minority Business Enterprises (MBE's) and Women's Business Enterprises (WBE's) be afforded opportunities to participate as Subcontractors on County projects. In furtherance of that policy, the County requires CONTRACTOR's to utilize their best efforts to achieve goals for MBE and WBE participation on all County projects. On this project, that goal is a combined participation of MBE firms on ten percent (10%) of the project and by WBE firms on two percent (2%) of the project. The successful Bidder on this project will be required to take various affirmative steps to achieve the participation goals set forth herein. Those affirmative steps, along with the Bid submission and Contract requirements, are described hereafter.
- b. As part of the Bid submission, Bidders shall complete the Certification for Utilization

of Minority and Women Business Enterprises, and upon written request of the County the Lowest Responsive Bidder shall provide to the OWNER, within five (5) days of the Bid date, a completed Subcontracting Plan. A copy of the certification for utilization form is included in this Document.

Such submissions shall include affidavits certifying payments to Subcontractors for work previously paid for by the OWNER. A copy of the affidavit form to be utilized is included in this Document.

- d. Upon written request of the County, the CONTRACTOR shall provide to the OWNER a MBE/WBE Utilization Plan. The CONTRACTOR will be obligated, throughout the term of the Contract, to furnish to the OWNER copies of all subcontracts with MBE and WBE firms for Project work. Failure to provide a copy of such subcontracts prior to commencement of the subcontracted work shall constitute a breach of the CONTRACTOR's obligation and the OWNER shall have the right, at its discretion, to order the work suspended until the CONTRACTOR has complied with this provision. - 5) take positive action to substitute another MBE/WBE firm in the event an MBE/WBE Subcontractor is unable to perform subcontracted work as originally planned.

The CONTRACTOR's failure to take the affirmative steps listed herein shall constitute a default by the CONTRACTOR of the obligations under the Agreement. In the event of such a default by the CONTRACTOR, the OWNER shall be entitled to deduct from its final payment to the CONTRACTOR the percentage amount of the Contract that equals the CONTRACTOR's shortfall from the MBE/WBE participation goals for this project.
