OVERHEAD AND GARAGE DOOR MAINTENANCE AND REPAIR
SPECIFICATIONS

1.00 GENERAL:

1.01 SCOPE:

Monroe County is seeking qualified bidders for repair services to overhead garage doors, rolling steel doors, fire shutters and parking garage grilles located within facilities owned, leased or otherwise under the control of Monroe County. Typical work includes repairs on tracks and rollers, cables, springs, electric operators and controls and repair or replacement of door sections. Details of service not explicitly stated in these specifications, but necessarily attendant thereto, is deemed understood by the Bidder. All material and equipment furnished shall be new and in excellent working condition.

The Bidder shall be completely responsible for their work, including any damages or breakdowns caused by their failure to take appropriate action. No drug use of any type or alcoholic beverages by the Bidder or its personnel shall be permitted on the premises. Monroe County will make no allowance or concession to the Bidder for any alleged misunderstanding or deception because of quantity, quality, character, location or other conditions.

INSPECTION - The quality of service shall be subject to inspection by Monroe County at any time. Should it be found that the quality of services being performed is not satisfactory and that the requirements of the specifications are not being met, Monroe County may terminate the contract and employ another Bidder to fulfill the requirements of the contract. The existing Bidder shall be liable to Monroe County for cost insured on account thereof.

STOP WORK ORDER - Monroe County reserves the right to stop the work covered by this proposal and the contract at any time that it is deemed the successful Bidder is unable or incapable of performing the work to the satisfaction of Monroe County. In the event of such stopping, Monroe County shall have the right to arrange for the completion of the work in such a manner as it may deem advisable, the successful Bidder shall be liable to Monroe County for any excess costs incurred.

Work covered by this contract will not include repairs covered under a guarantee or warranty period for new doors, unless such repairs are specifically requested by Monroe County.

1.02 LOCATIONS:

Various locations throughout Monroe County.

1.03 BIDDER QUALIFICATIONS:

- a) Qualified Bidders are restricted to those persons or organizations which have installed, serviced and repaired such equipment and systems. Upon request, the Bidder shall be required to provide written proof of ability to perform the repairs and maintenance in accordance with these specifications.

- b) References may be requested prior to award. Failure to provide adequate references of successful completion of a project(s) equivalent in size to those which will be encountered with Monroe County may be grounds for bid rejection.
- c) A licensed in-house electrician must be in the employ of the successful Bidder. That person must have worked on garage door openers and electric motors for over five (5) years.
- d) At least ten (10) company-owned, registered and properly equipped service vehicles must be available for Monroe County projects. The use of sub-contractors is not acceptable.

2.00 SERVICE DESCRIPTION:

2.01 WORKING HOURS:

Work required by these specifications, including regular maintenance calls and emergencies, shall be performed during "regular time" hours from 8:00 AM through 4:30 PM on Monday through Friday with the exception of the legal holidays as set forth in the NYS Prevailing Wage Rate Schedule.

Any emergency calls that may be required during off-duty hours shall be performed as requested. All wages paid to bidders employees must be paid in accordance with the provisions of the NYS Prevailing Wage Rate Schedule.

2.02 ACCESS TO SECURED AREAS:

The Bidder shall be required to comply with applicable rules and regulations of Monroe County at the airport as well as all other locations with respect to access of both personnel and vehicles to secured areas of the airport. At no time shall the Bidder enter a secured area of the airfield or the passenger terminal building without having been properly identified and escorted.

2.03 CORRECTIVE MAINTENANCE/REPAIRS:

Repairs shall be defined as restoration of doors to satisfactory operating condition when operated electrically and when operated manually in case of an electrical or power failure. All types of repairs shall be made to restore doors to satisfactory operating condition including: restoration or replacement of springs, guides, bent and/or broken sections, supports, mounting and anchorage hardware, operating hardware, locking and latching hardware, moldings, track, cables, wires, switches, astragals, manual operator components, electrical operator components, radio controls, etc.

Spring replacements on doors shall be guaranteed against spring breakage for 50,000 full cycles of operation based on evidence of tests.

The Bidder shall replace all broken cables and cables which are frayed, severely rusted or show signs of wear. New cables shall be galvanized or stainless with a load rated 8 to 1 safety factor. Equipment and parts shall be from the manufacturer of the new and existing equipment.

Prior to commencing any repairs on doors, the Bidder is to provide the Authorizing Department with an approximate number of labor hours, by trade and parts cost to complete the repairs.

All non-emergency repairs over \$500.00 shall be performed during “regular time” hours only after submission of an itemized estimate, which shall be approved by the Authorizing Department prior to the start of work.

If a problem is found to exist in a part which the Bidder has installed, the Bidder will be required to make necessary repairs at no further cost to Monroe County. Work on any non-emergency job must commence within three (3) or fewer days of the authorization to proceed issued by Monroe County, unless a later start work date is agreed to by Monroe County and the Bidder. Work must be completed within a reasonable timeframe for the size of the job. Documented excessive time to complete the work may lead to default of the contract.

2.04 EMERGENCY REPAIRS:

The Bidder shall provide emergency service on all doors. An emergency will be classified as any time at which a door cannot be opened or closed by any means, either manually or electrically.

The Bidder shall respond as soon as possible after receiving a call, but no later than one (1) hour for emergency service from any site.

2.05 CLEAN UP OF SITE

The Bidder shall perform all work in an orderly and professional manner and clean up all work areas after completion of work. Debris that may have resulted from inspection or repair shall be removed from the premises to the satisfaction of Authorized County Personnel.

2.06 PARTS:

- a. The Bidder guarantees that all parts supplied in conjunction with the services to be rendered are genuine, standard new stock products specifically designed and manufactured for use with original equipment and are identical in all aspects to original equipment manufacturer’s replacement parts; also, that no part shall be substituted contrary to the manufacturer’s recommendation. Every replacement part delivered shall be guaranteed against faulty material and workmanship in accordance with the manufacturer’s standard warranty. Any faulty part shall be immediately replaced by the Bidder at no cost to Monroe County.
- b. The Bidder shall provide all parts required to render the services specified hereunder and bill Monroe County at the actual **Contractor’s Cost plus five percent (5%)**. Monroe County will not pay a mark-up for parts. All materials shall be itemized on the bill submitted to Monroe County. Monroe County reserves the right to audit the Bidder’s records to determine that items were billed at the Bidder’s cost. Monroe County expects Contractor’s Cost plus five percent (5%) to mean less the Bidder’s discount. Overcharges shall be deducted by Monroe County from the amounts due to the Bidder.
