MONROE COUNTY PLANNING BOARD TO HOLD PUBLIC INFORMATION MEETING ON 2017-2022 CAPITAL IMPROVEMENT PROJECT

The Monroe County Planning Board will sponsor a public information meeting on the proposed 2017-2022 Capital Improvement Program on **Thursday, March 3, 2016, at 7:00 PM in Auditorium A at Monroe Community Hospital, 435 E. Henrietta Road.** The meeting will include a brief presentation of the program as well as an opportunity for the public to ask questions about, and comment on, projects contained in the proposed program.

The Capital Improvement Program is a six-year plan for improvements to County highways, parks, public safety facilities and buildings, as well as improvements to the Pure Waters sewer system, Greater Rochester International Airport, Seneca Park Zoo, Monroe County Water Authority system, Monroe Community College, Monroe County Library System, and Monroe Community Hospital. The 2017-2022 proposed Capital Improvement Program totals \$406 million and is funded from County, State, Federal and special district sources.

The Monroe County Planning Board will consider all comments received at the meeting, as well as any written comments received by March 11, and will recommend a final program to the County Executive by April 1, 2016. The County Executive in turn will submit her recommended program to the County Legislature in May, 2016 for their consideration and action. The Capital Improvement Program is an annual effort coordinated by the Monroe County Department of Planning and Development.
