**Description of Duties:**

This is a data entry position involving the operation of a data transcription machine to enter and verify data utilizing a variety of formats and source documents. Data is transcribed either directly into a computer or to punch cards or magnetic tapes or discs using alpha-numeric equipment and requires a high degree of speed and accuracy. Duties involve the use of limited independent judgment when interacting with the central computer in order to correct errors, etc. Incumbents may also perform limited clerical duties in support of data entry operations; however, the majority of the workday is spent keyboarding data. The work is performed under the direct supervision of a senior level staff person following well-defined and structured procedures.

**Scope of Examination:**

There will be a performance test which will require you to use a personal computer (PC) to enter data into electronic records. You will enter three sets of data. One set will consist of all numbers, another of all letters, and the third will consist of both numbers and letters. You will be rated on both speed and accuracy. Each of the three sets will have a 10-minute time limit. In order to pass the test you must enter the data at a rate of at least 8000 keystrokes per hour and with an error rate of not more than 2 percent.

**Note:**

You may not bring books or other reference materials.

This examination is being prepared and rated by the New York State Department of Civil Service in accordance with Section 23-2 of the Civil Service Law. The provisions of the New York State Civil Service Rules and Regulations dealing with the rating of examinations will apply to this written examination.

**Candidates must record the Exam Number and Title on the Application.**

**Note:**

Submission of a resume does not relieve you of the responsibility for completing all sections of the official application. The resume is a supplement to the application, and not a substitute for it. To receive credit for a job, basic employment information such as address, name and title of supervisor, average number of hours in the workweek, final salary, reason for leaving, specific job duties, your job title, etc. must be shown.

**Certifications and Appointments:**

The eligible list resulting from this examination will be established in accordance with the final earned numerical rating of passing candidates regardless of residence. rating. After the names of residents have been exhausted the Commission must then certify in regular rank order the names of non-residents on the list.

**Background Investigation:**

Applicants may be required to undergo a State and national criminal history background investigation, which will include a fingerprint check, to determine suitability for appointment. Failure to meet the standards for the background investigation may result in disqualification.

**Special Requirement for Appointment in School Districts and BOCES:**
