Description of Duties:

The work involves the independent performance of a variety of secretarial duties necessary for the efficient operation of an elementary school or special school program. The employee translates from Spanish to English and English to Spanish orally and in writing. General supervision may be exercised over other clerical employees. The employee reports directly to and works under general supervision from an elementary school principal, or director of a special school program.

Scope of Examination:

The examination for this position will consist of three parts: (1) a rated written test, (2) a qualifying typing performance test, and (3) a qualifying Spanish language oral proficiency test. Candidates must pass **all** parts of this examination in order to receive a final passing grade for the entire examination. Your rank on the eligible list will be determined by your score on the written test only.

The **written, multiple-choice test** will cover knowledge, skills and/or abilities in such areas as:

1. Grammar/Usage/Punctuation--Level 2

The grammar and usage questions test for the ability to apply the basic rules of grammar, usage, and sentence structure. The punctuation questions test for a knowledge of the correct placement of punctuation marks in sentences. You will be presented with sets of four sentences from each of which you must choose the sentence that contains a grammatical, usage, or punctuation error.

2. Keyboarding Practices--Level 2

These questions test your knowledge of preferred practices in such areas as letter format, capitalization, hyphenation, plurals, possessives, word division, word and figure style for numbers, and common proofreading marks. In addition, you will be given a passage to proofread and asked questions about how to correct the errors in the passage.

3. Office record keeping

These questions test your ability to perform common office record keeping tasks. The test consists of two or more "sets" of questions, each set concerning a different problem. Typical record keeping problems might involve the organization or collation of data from several sources; scheduling; maintaining a record system using running balances; or completion of a table summarizing data using totals, subtotals, averages and percents.

4. Office Practices--Level 2

These questions test for a knowledge of generally agreed-upon practices governing the handling of situations which secretaries encounter in their work, as well as a knowledge of efficient and effective methods used to accomplish office tasks. The questions will cover such topics as planning work flow; setting priorities; dealing effectively with staff, visitors, and callers; filing and retrieving information; safeguarding confidentiality; using office equipment; and making procedural decisions and recommendations which contribute to a well-managed office.

5. Spelling--Level 2

These questions test for the ability to spell words that are used in written business communications.

6. Supervision

These questions test for knowledge of the principles and practices employed in planning, organizing, and controlling the activities of a work unit toward predetermined objectives. The concepts covered, usually in a situational question format, include such topics as assigning and reviewing work; evaluating performance; maintaining work standards; motivating and developing subordinates; implementing procedural change; increasing efficiency; and dealing with problems of absenteeism, morale, and discipline.

The **Qualifying Typing Performance Test** will consist of a test in accuracy and speed of typing at a minimum acceptable rate of **forty (40)** words per minute with a 96% accuracy rate. The typing test will be administered only to candidates who receive a passing score on the written test. Candidates will be notified by mail of the scheduled date, time and place of the typing performance test.

Please see the attached form PTW-1 for information about waiving the typing performance test.

The **Spanish Language Oral Proficiency Test** will be administered at a later date to candidates who pass the written portion of this examination. This test is designed to evaluate the candidate's Spanish language oral proficiency at the level appropriate for the position(s) being filled. A **level 2** proficiency in the above language is required to pass the qualifying oral proficiency test for this title. This is equivalent to having a working oral language proficiency with understandable, smooth expression at a conversational level of communication.

Only sufficient number of candidates needed to fill the present vacancies will be called to take part in this qualifying portion of the examination. As additional vacancies occur, other candidates who were successful on the written portion of the examination will be invited to take the qualifying oral test.

The language oral proficiency test will be rated on a pass-fail basis. Candidates must pass all parts of this examination in order to be eligible for a permanent appointment.

Candidates will not be permitted to use calculators containing spell check, dictionary, language translator, address or telephone book, personal digital assistants, or typewriter keyboard features, or any similar devices. After the names of residents have been exhausted the Commission must then certify in regular rank order the names of non-residents on the list.
