

Christmas Tree Recycling Programs 2005 - 2006

MONROE COUNTY residents may recycle their Christmas trees at the following locations. Residents save a valuable resource by having trees chipped into landscape mulch instead of disposing of them in local landfills.

Please remember to **remove all decorations, plastic bags, wires and nails** from trees to avoid damage to equipment. Where chipping is available, *residents should check with their towns/villages for giveback programs* – and bring their own containers.

*** This may not be a complete list of all Christmas Tree Recyclers in Monroe County*
