

**Monroe County Legislature**  
**Jeffrey R. Adair**  
**President**

Known as the “People’s Branch of Government”, the Legislature is comprised of 29 elected legislators representing the residents of Monroe County. Each of these citizen-representatives brings a unique perspective and expertise to our county government from their personal profession and geographic area. As the President of this Honorable Body, it is my privilege to present the 2011 Monroe County Directory.

It is our intention to get Monroe County residents fully involved and acquainted with the various aspects of county government and provide the people of Monroe County open, honest and accessible government. Here you will find extensive information including complete and updated listings of elected officials, county departments, county boards and commissions, the rules of the legislature and the legislative process. It can also be found in its entirety on our website [www.monroecounty.gov](http://www.monroecounty.gov). In addition, our website hosts committee member assignments, meeting agendas and minutes, the 2011 Legislative Meeting Calendar and video of meetings.

Government works best when people are fully informed and actively involved in the process. Please feel free to utilize this directory and make yourself familiar with all aspects of your local government. With this information, residents are given the tools to learn and participate in Monroe County Government.

I look forward to working together to keep the future of Monroe County moving in a positive direction.

**Sincerely,**

A handwritten signature in black ink, appearing to read "Jeff R. Adair".

## **LOCATION AND HISTORY**

Monroe County is located in western New York on the south shore of Lake Ontario, approximately 70 miles east of the Buffalo/Niagara Falls area. The County is the northernmost portion of the Genesee River Valley and contains one city, 19 towns and 10 villages.

The Genesee River flows north from the uplands of northern Pennsylvania to Lake Ontario. Within Rochester, the river drops in elevation over rapids and waterfalls. As early as the 1790's, this geographic feature was harnessed by settlers to power grist mills and sawmills. The combination of the fertile Genesee River Valley land and the availability of hydro-power for mills resulted in the beginning of an agricultural and grain processing economy in the earliest part of the 19<sup>th</sup> century.

In the mid 1820's, a third factor resulted in explosive development in the Rochester/Monroe County area. Construction of the Erie Canal began in 1817 and reached Rochester in 1823. This provided farmer and grain processors with low-cost access to growing western markets and Monroe County's future as a major center was assured.

Today, Monroe County has a population of over 730,000 people and is home to corporations such as Eastman Kodak, Xerox and Bausch and Lomb, as well as to smaller growing companies.

## **GOVERNMENT**

Established on February 23, 1821 from parts of neighboring Genesee and Ontario Counties, the county was named after United States President James Monroe. The first meeting of the 43-member Board of Supervisors took place on May 8, 1821. The first County Manager was appointed by the Board in 1936. The Monroe County Charter became effective in 1967 creating the 29-member County Legislature which replaced the Board of Supervisors. In 1980, the Charter was amended to provide for the direct election of a County Executive for a four-year term beginning in 1984.

## **RULES OF THE LEGISLATURE OF THE COUNTY OF MONROE**

### **ARTICLE I, PREAMBLE**

#### **Section 545-1 Preamble**

These Rules are intended to promote and preserve the order and dignity that mark Monroe County Legislature sessions. These Rules are to be construed by the Presiding Officer of the Legislature and the Chairpersons of its Committees to promote this tradition.

### **ARTICLE II, MEETINGS OF THE LEGISLATURE**

#### **Section 545-2 Organizational Meeting**

In accordance with Section C2-9 of the Monroe County Charter, the Organizational Meeting of the Monroe County Legislature shall be held on the first business day following January 1 of each year following the general election at which County Legislators are regularly elected.

#### **Section 545-3 Procedure at Organizational Meeting**

A. The Clerk of the County Legislature, or in the Clerk's absence the Deputy Clerk last elected, shall act as Chairperson Pro Tem of the Legislature. The Clerk shall call the Legislators to order and call the roll, and shall then proceed to the election of a Temporary Chairperson. The Clerk shall receive nominations from the floor for such Chairperson, and when there are no further nominations, the Clerk shall call the roll of Legislators, each of whom shall answer by declaring the name of the nominated candidate of his/her choice. The Legislator receiving the most votes shall serve as Temporary Chairperson of the Legislature.

B. The Temporary Chairperson shall proceed with the invocation or prayer and a pledge of allegiance to the flag. In accordance with Section C2-4 of the Monroe County Charter, the Temporary Chairperson shall next proceed with the business of electing the President of the Legislature, from among the members of the Legislature, to serve at the pleasure of the Legislature. The Temporary Chairperson shall direct the Clerk to call the roll of Legislators, each of whom shall answer by declaring the name of the nominated candidate of his/her choice. Voting shall continue until a candidate receives the vote of a majority of all Legislators (i.e. - 15).

C. Upon the election of the President, the Temporary Chairperson shall direct a group of Legislators to escort the President to his/her chair. The President shall proceed with the election of a permanent Clerk, Deputy Clerks and Assistant Deputy Clerks, and the President shall then proceed with the regular order of business.

#### **Section 545-4 Regular Meetings**

A. In accordance with Section C2-9 of the Monroe County Charter, the Legislature shall meet on the second Tuesday of each month at 6:00 p.m. If the second Tuesday falls on a County holiday, the Legislature shall meet at 6:00 p.m. on the following business day. The Legislature may, by majority vote, reschedule a regular meeting if said meeting conflicts with an important community/government event or religious holiday. In any case, the Legislature shall not meet less than once a month. The President shall notify members of the Legislature concerning the schedule of regular meetings no later than January 1 of each year.

B. If at any meeting the Legislature has not completed all of its business by midnight, the Legislature may finish work on any item of business that is being considered at that time until deliberation on that item has been completed, at which time the President of the Legislature shall immediately and without motion from the floor recess the Legislature until 8:00 a.m. on the following calendar day.

#### **Section 545-5 Special Meetings**

In accordance with Section C2-9 of the Monroe County Charter, special meetings shall be called by the Clerk at the direction of the President or at the written direction of a majority of all Legislators (i.e. - 15). If at any meeting the Legislature has not completed all of its business by midnight, the Legislature may finish work on any item of business that is being considered at that time until deliberation on that item has been completed, at which time the President of the Legislature shall immediately and without motion from the floor recess the Legislature until 8:00 a.m. the following calendar day.

#### **Section 545-6 Meetings to be Public**

In accordance with the State Open Meetings Law, all meetings of the Legislature and its committees shall be open to the public, except when the Legislature or its committees shall meet in executive session, at which time all persons not authorized to attend such executive sessions shall be excluded. Adequate accommodations shall be made for the County Executive, other County officials, and for representation of the news media.

#### **Section 545-7 Quorum**

A quorum for all meetings shall consist of a majority of all Legislators (i.e. - 15), but a lesser number may adjourn a meeting.

#### **Section 545-8 Securing a Quorum**

In the absence of a quorum during a session of the Legislature, the Presiding Officer or a majority of members present may take all necessary measures to secure the presence of a quorum, and may direct the Sheriff of the County to compel the attendance of any absent member. Upon a finding by the Presiding Officer that a member was willfully absent without sufficient excuse, the Legislator may be censured or fined in an amount not exceeding \$50.00.

### **Section 545-9 Sessions to be Deemed Continuous**

For purposes of considering the matters introduced at previous meetings of the Legislature, all meetings held during each two-year period, consisting of an even-numbered year and the consecutive odd-numbered year following each general election at which County Legislators are regularly elected, shall be deemed to be part of one continuous session.

Notwithstanding the first subsection of this section, all meetings held during the years 1993, 1994 and 1995 shall be deemed to be part of one (1) continuous session.

### **Section 545-10 Attendance**

A. The Clerk of the Legislature shall record the attendance of each Legislator at every official meeting of the Legislature and its committees. The chairperson of each standing committee of the Legislature, as prescribed in Article V, Section 545-20, shall be empowered to determine if any meeting of such chairperson's committee shall constitute an official meeting of such committee.

B. The President of the Legislature shall excuse any Legislator being absent from any official meeting of the Legislature or its committees by reason of a death in immediate family of such Legislator or any absence caused by any Legislator being ordered to active military service where such Legislator is a member of an authorized military reserve unit of the United States or the State of New York. The President of the Legislature is empowered, at his/her sole discretion, to grant excused absences to any Legislator who, upon a showing of good cause to such President, was absent from a meeting of the Legislature or any of its committees.

C. The Clerk of the Legislature shall annually certify the attendance record of each Legislator to the President of the Legislature. Excused absences shall be recorded by such Clerk as being "excused" and all other absences shall be recorded as "unexcused".

In case of the absence of the President and Vice President, the Legislators shall select a Temporary Presiding Officer in the same manner as the Temporary Chairperson is selected under Section 545-3. The Temporary Presiding Officer shall serve for the period for which he/she was elected or until the President, or in the President's absence the Vice President, returns and is able to serve as Presiding Officer of the Legislature.

The rules governing debate shall be as follows, except that matters not covered by these rules shall be governed by the current edition of Robert's Rules of Order.

- A. To be recognized, a Legislator shall stand in place and shall not speak until recognized by the Chair.
- B. Debate shall not begin on a local law, resolution or otherwise debatable motion until it has been moved by a Legislator and seconded by another Legislator.
- C. A Legislator may speak as often on a question as he/she is recognized by the Chair. However, no Legislator shall speak for more than five (5) minutes in total except by permission of the Presiding Officer.
- D. No Legislator shall speak nor stand while another is speaking unless the latter yields to the former.
- E. No person shall pass between a Legislator who is speaking and the Presiding Officer.
- F. All debate and all questions shall be directed to the Presiding Officer.
- G. Those addressing the Legislative body shall refer to Legislators and members of the County administrative staff by their titles or by the prefix "Mr." or "Madam" followed by their proper names, except the Presiding Officer shall be addressed as "Mr. President/Madam President" or "Mr. Chairman/Madam Chairman" as appropriate.

### **Section 545-17 Debatable Motions**

Debatable motions shall be as follows:

- A. The main motion. The main motion is a motion by itself or one to adopt a local law or resolution before the Legislature. It may be amended and requires a majority vote except where otherwise required by law or these Rules. A motion may be withdrawn by its proposer at any time before a vote is taken.
- B. An amendment to the main motion or an amendment of such amendment. An amendment is a motion to change or modify the main motion or an amendment of it. An amendment shall not be amended more than once. Amendments shall be disposed of in inverse order before voting on the main motion, and require a majority vote.
- C. To commit. This motion is used to refer a matter to committee or back to committee. The motion may be amended, and requires a majority vote.
- D. To reconsider. The purpose of this motion is to reconsider a motion that was previously carried or lost. It may be made only by one who voted with the prevailing side, but may be seconded by anyone. No question can be reconsidered more than once. It may not be amended, and requires a majority vote. (Note, two (2) votes are required: first on whether the original question shall be reconsidered, and if passed, second, on the original motion.)

E. To sever. This motion is used to divide a question into two (2) or more logical parts. It may be amended, and requires a majority vote.

F. Point of order. A point of order is not properly a motion since it is used by a Legislator to object to an aspect of procedure. It is always in order, except during roll call, and requires an immediate ruling from the Presiding Officer. The form is, "Mr./Madam President, a point of order please". The Presiding Officer then says, "Please state your point of order". The Legislator then states his/her position and the Presiding Officer then sustains or denies the point of order. The form is, "I sustain (or deny) your point of order". If the Legislator is not satisfied with the ruling of the Presiding Officer, the Legislator may appeal the decision by stating, "I respectfully appeal the decision of the Chair to the Legislature". The Presiding Officer then addresses the Legislature as follows: "Shall the decision of the Chair be sustained?" At this point, debate is in order, and the Presiding Officer may discuss the issue without substituting another member in his/her place. At the conclusion of debate and upon the direction of the Presiding Officer, the Clerk shall call the full roll call. A majority or tie vote of those present sustains the decision of the Presiding Officer. The Presiding Officer shall be entitled to vote on the appeal of the decision of the Chair.

G. To discharge a Committee. This motion is used to remove a matter from consideration by one (1) or more of the Standing or Special Committees of the Legislature. It may be amended, and requires a majority vote.

#### **Section 545-18 Motions Without Debate**

The following motions are not debatable:

A. To lay on the table. This motion is used to postpone a subject under discussion to some time in the near future. It is not amendable and requires a majority vote. When a subject is to be reconsidered, a motion is in order to remove the matter from the table.

B. To adjourn. This motion is always in order except when a speaker has the floor, during roll call, or immediately after it has been voted down. It requires a majority vote.

C. The previous question. This motion is used to close debate and may be made by any Legislator when debate has become long drawn out. It is made in the following manner: "Mr. President, I move the previous question." Without a second the Presiding Officer then asks the Legislative body, "Shall debate be closed and the question now be put?" The Clerk then calls the full roll call, and if two-thirds (2/3) of those present vote in the affirmative, the question under debate and then before the Legislative body is immediately voted upon in the usual manner without further debate.

#### **Section 545-19 Voting**

All voting on local laws, resolutions and motions shall be by voice vote, in the following manner:

A. The Clerk shall call the roll on every occasion when requested to do so by any Legislator.

B. No Legislator shall leave his/her seat, refuse to vote, or abstain from voting on a local law, resolution or motion unless excused from voting pursuant to this rule. No Legislator shall speak during roll call except to request to be excused from voting.

C. Any Legislator requesting to be excused from voting shall make a brief statement of the reasons for making such a request, and the Presiding Officer shall excuse from voting any member who, in the opinion of the Presiding Officer, has a direct personal or pecuniary interest in the matter to be voted upon.

D. Any Legislator desiring to leave the meeting shall first obtain permission from the Presiding Officer.

E. A majority of the total Legislature (i.e., 15 votes) is required to pass any local law, resolution or motion, except where otherwise required by law, or stated in these Rules. When the number of votes cast for and against any proposition is equally divided, the question shall be deemed to be lost, except in the case of an appeal of the decision of the Chair, as set forth in Section 545-17F.

Such appropriations shall be based on each division's percentage representation in the Legislative body as of the Organizational Meeting of the County Legislature held in accordance with Section 545-2.

## **THE LEGISLATIVE PROCESS**

Many people in the community often ask how the legislative process in Monroe County works. We hope that you find the following brief explanation helpful and informative:

1. A Monroe County Legislator or the County Executive gets an idea based on local needs, county wide needs or information from constituents. These ideas are put in writing over the signature of the Legislator or County Executive. These communications can seek to create new laws, amend or repeal existing laws, provide authorization or funding for county projects and programs or simply request authorization.
2. The communication is submitted to the Clerk of the Legislature for processing. The President of the Legislature refers the communication to one or more of the nine standing committees of the Legislature. The Referral is then given a number and printed.
3. The Referral is placed on the agenda of the standing committee(s) to which it has been assigned. The Referral must be moved and seconded in committee in order to be considered. The Referral is discussed and then either voted on, referred to the County Administration for more information, tabled or filed.
4. If the Referral is adopted in committee, it is then sent before the full Monroe County Legislature for consideration. Again, the Referral must first be moved and seconded. Once it is introduced, the 29 members of the Legislature have an opportunity to discuss the Referral. Legislators may offer amendments to the Referral at this time. The Referral is then either adopted by the Legislature, tabled or sent back to committee for more information. Most Referrals require a simple majority vote in order to be adopted, however, if the Referral requires bonding authority then a two-thirds majority (20 votes) is required.
5. If the Referral is passed by the full Legislature, it is henceforth known as a Resolution of the Legislature or a Local Law and receives a number. Resolutions and Local Laws are sent to the County Executive for approval. If the County Executive Vetoes a Resolution or Local Law which required a simple majority to be adopted, it may still go into effect provided that three-fifths (18) of the 29 Legislators vote to Override the Veto. A Veto Override of a Resolution or Local Law which required a two-thirds majority to be adopted demands a vote of three-fourths (22) of the entire Legislature.

## MONROE COUNTY EMBLEM

The emblem of the County of Monroe consists of a circle with a center symbolizing the City of Rochester as the county seat with nineteen spokes radiating outward to represent the nineteen towns in Monroe County.

The hub or center is divided into four quadrants portraying government, education, industry and agriculture.

The upper left quadrant illustrates the Civic Center buildings representing public services. Underneath the structures are wavy lines symbolizing the Genesee River and Lake Ontario.

The upper right quadrant displays the lamp of knowledge representing the importance of learning and education in Monroe County.

The lower right quadrant depicts lenses, diaphragm and gears which symbolize the skilled workforce in the county along with the industries that were founded here.

The lower left quadrant reveals a fruit tree superimposed over an outline of the county which illustrates the impact of agriculture historically in the county.

The emblem is featured on the county flag and is used for official government purposes. It is appropriate to feature the emblem on the cover of this directory given its wide distribution throughout Monroe County.
