Not to be removed from the Office of the Legislature Of Monroe County	
Committee Assignment	
PUBLIC SAFETY	-L
INTRGOV REL	

Subject: Authorize an Intermunicipal Agreement with Orleans County for the Location and Operation of Interoperable Communications Equipment

Honorable Legislators:

I recommend that Your Honorable Body authorize an intermunicipal agreement with Orleans County for the installation and operation of interoperable communications equipment at a Monroe County communication site located at 38 East Avenue in the Village of Brockport.

Orleans County was awarded a Statewide Interoperable Communications grant from the New York State Division of Homeland Security and Emergency Services that funds the purchase and installation of microwave equipment on Monroe County's communication site in the Village of Brockport to link the radio communications systems.

Orleans County is the lead agency for this interoperable communications project between Orleans and Monroe County's common platform radio systems to provide interoperability for public safety responders traveling into and throughout the counties. Orleans County will assume responsibility for maintenance of the communications equipment.

The specific legislative action required is to authorize the County Executive, or his designee, to execute an intermunicipal agreement, and any amendments thereto, with Orleans County, for the installation and operation of interoperable communications equipment at a Monroe County communication site located at 38 East Avenue in the Village of Brockport.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(7) ("installation of telecommunication cables in existing highway or utility rights of way utilizing trenchless burial or aerial placement on existing poles") and (9) ("construction or expansion of a primary or accessory/appurtenant, non-residential structure or facility involving less than 4,000 square feet of gross floor area and not involving a change in zoning or a use variance and consistent with local land use controls, but not radio communication or microwave transmission facilities") and is not subject to further review under the State Environmental Quality Review Act.

This agreement will have no impact on the revenues or expenditures of the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
