WAYS & MEANS	

Subject: Amend Resolution 206 of 2016 to Accept Additional Funding from the New York State Department of Health and Extend the Time Period and Amend Resolution 219 of 2015 to Increase the Intermunicipal Agreement with the City of Rochester and the Contract with Cornell University for the Childhood Lead Poisoning Primary Prevention Program

Honorable Legislators:

I recommend that Your Honorable Body amend Resolution 206 of 2016 to accept additional funding from the New York State Department of Health (NYSDOH), in the amount of \$447,521 and to extend the time period for six (6) months through September 30, 2020; amend Resolution 219 of 2015 to increase the intermunicipal agreement with the City of Rochester from an amount not to exceed \$310,000 to an amount not to exceed \$465,000 and to extend the time period for six (6) months through September 30, 2020; and amend Resolution 219 of 2015 to increase the contract with Cornell University from an amount not to exceed \$38,000 to an amount not to exceed \$49,313 and to extend the time period for six (6) months through September 30, 2020, for the Childhood Lead Poisoning Primary Prevention Program.

By Resolution 206 of 2016, Your Honorable Body accepted additional funding from the NYSDOH for the Childhood Lead Poisoning Primary Prevention Program. The purpose of this grant is to reduce the incidence of lead poisoning in Monroe County children by the identification and safe correction of lead hazards in housing units before a child is poisoned. Funding will support lead visual inspections and risk assessments performed by Monroe County Department of Public Health Lead Risk Assessors in areas of high risk, in residences of pregnant women and refugees, in residences occupied by Monroe County Department of Human Services clients with young children, and in residences of children who have blood lead levels between 0-5 ug/dl. Funds will also be used to increase and extend the agreement with the City of Rochester, per Resolution 219 of 2015, to conduct primary lead poisoning prevention activities in City target areas, including: visual lead inspections, dust wipe sampling, and clearance testing following lead hazard control activities. In addition, funds will be used to increase and extend the contract with Cornell University, per Resolution 219 of 2015, to provide lead safety and abatement training; provide outreach and education in environmental home safety; provide lead primary prevention education; provide lead safe housing for refugee families. This additional funding will be used to provide partial salaries and benefits of existing staff, to purchase supplies and equipment to run the program and increase and extend the intermunicipal agreement and contract mentioned above. The additional funding will bring the grant total to \$4,996,482.

A request for proposals was issued for training services and Cornell University was selected as the most qualified to provide these services.

The specific legislative actions required are:

1. Amend Resolution 206 of 2016 to accept an additional \$447,521 from, and to authorize the County Executive, or his designee, to execute a contract and any amendments thereto with, the New York State Department of Health, for the Childhood Lead Poisoning Primary Prevention Program, bringing the total program award to \$4,996,482, and to extend the time period for six (6) months, through September 30, 2020.

110 County Office Building • 39 West Main Street • Rochester, New York 14614

(585) 753-1000 • fax: (585) 753-1014 • www.monroecounty.gov • e-mail: countyexecutive@monroecounty.gov

2. Amend the 2020 operating budget of the Department of Public Health by appropriating the sum of \$447,521 into general fund 9300, funds center 5806110000, Lead Program – County Support Component.
3. Amend Resolution 219 of 2015 to amend the intermunicipal agreement, and any amendments thereto, with the City of Rochester, for the Childhood Lead Poisoning Primary Prevention Program, from an amount not to exceed \$310,000 to an amount not to exceed \$465,000, and to extend the time period for six (6) months through September 30, 2020.
4. Amend Resolution 219 of 2015 to amend the contract, and any amendments thereto, with Cornell University, 373 Pine Tree Road, Ithaca, New York, 14850, for the Childhood Lead Poisoning Primary Prevention Program, from an amount not to exceed \$38,000 to an amount not to exceed \$49,313, and to extend the time period for six (6) months through September 30, 2020.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c) and is not subject to review under the State Environmental Quality Review Act.

This grant is 100% funded by the New York State Department of Health. No additional net County support is required in the current Monroe County budget.

Cornell University is a not-for-profit agency and the records in the Office of the Monroe County Treasury have indicated that it does not owe any delinquent Monroe County property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

Subject: Amend Resolution 206 of 2016 to Accept Additional Funding from the New York State Department of Health and Extend the Time Period and Increase the Intermunicipal Agreement with the City of Rochester and the Contract with Cornell University for the Childhood Lead Poisoning Primary Prevention Program

Honorable Legislators:

I recommend that Your Honorable Body amend Resolution 206 of 2016 to accept additional funding from the New York State Department of Health, in the amount of \$447,521 and to extend the time period for six (6) months through September 30, 2020, for the Childhood Lead Poisoning Primary Prevention Program; increase the intermunicipal agreement with the City of Rochester from an amount not to exceed \$310,000 to an amount not to exceed \$465,000 and to extend the time period for six (6) months through September 30, 2020; and increase the contract with Cornell University from an amount not to exceed \$38,000 to an amount not to exceed \$49,313 and to extend the time period for six (6) months through September 30, 2020.

By Resolution 206 of 2016, Your Honorable Body authorized the acceptance of a grant from the New York State Department of Health for the Childhood Lead Poisoning Primary Prevention Program. The purpose of this grant is to reduce the incidence of lead poisoning in Monroe County children by the identification and safe correction of lead hazards in housing units before a child is poisoned. Funding will support lead visual inspections and risk assessments performed by Monroe County Department of Public Health Lead Risk Assessors in areas of high risk, in residences of pregnant women and refugees, in residences occupied by Monroe County Department of Human Services clients with young children, and in residences of children who have blood lead levels between 0-5 ug/dl. Funds will also be used to increase and extend the agreement with the City of Rochester to conduct primary lead poisoning prevention activities in City target areas, including: visual lead inspections, dust wipe sampling, and clearance testing following lead hazard control activities. In addition, funds will be used to increase and extend the contract to provide lead safety and abatement training; provide outreach and education in environmental home safety; provide lead primary prevention education; provide lead safe housing for refugee families. This additional funding will be used to provide partial salaries and benefits of existing staff, to purchase supplies and equipment to run the program and increase and extend the intermunicipal agreement and contract mentioned above. The additional funding will bring the grant total to \$4,996,482.
