Subject: Classification of Action and Determination of Significance Pursuant to State Environmental Quality Review Act ("SEQRA") for the Acquisition Rehab Resale Program funded through the Monroe County Home Investment Partnerships Program

Honorable Legislators:

I recommend that Your Honorable Body designate Monroe County as Lead Agency for the Acquisition Rehab Resale Program funded through the Home Investment Partnerships ("HOME") Program and to determine whether the action may have a significant adverse impact on the environment pursuant to SEQRA.

The project develops affordable housing opportunities by providing a direct subsidy for income eligible first time home-buyers purchasing their first home in suburban Monroe County. A sub recipient acquires a single family home, develops work specifications for rehab, awards a contractor to complete the work and bring home up to minimum standards for resale to individuals purchasing homes, which are still subject to existing municipal building and zoning codes.

All property involved in this program are privately owned and still subject to the New York State Building Code and municipal zoning laws. This program will not result in construction that results in the expansion of the original footprint; or encroachment on wetlands, Critical Environmental Areas, floodplains.

The Acquisition Rehab Resale Program funded through the Monroe County Home Investment Partnerships (HOME) has been preliminarily classified as an Unlisted Action pursuant to 6 NYCRR § 617(b). The State Environmental Quality Review Act regulations found at 6 NYCRR Part 617 requires that no agency shall carry out or approve an Action until it has complied with the requirements of SEQRA.

The specific legislative actions required are:

1. Determine that Acquisition Rehab Resale Program is an Unlisted Action.
2. Make a determination of significance for the Acquisition Rehab Resale Program pursuant to 6 NYCRR § 617.7.
3. Authorize the County Executive, or his designee, to take such actions to comply with the requirements of SEQRA, including without limitation, the execution of documents and the filing, distribution and publication of the documents required under SEQRA, and any other actions to implement the intent of this resolution.

This determination will have no impact on the revenues or expenditures of the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

Short Environmental Assessment Form Part 3 Determination of Significance

For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.
