Subject: Amend Resolution 391 of 2019 to Amend and Increase the Contract with Ultramobile Imaging, Inc. to Provide Radiology Services at Monroe Community Hospital and for the Monroe County Department of Public Health Tuberculosis Control Program

Honorable Legislators:

I recommend that Your Honorable Body amend Resolution 391 of 2019 to amend and increase the contract with Ultramobile Imaging, Inc. from an amount not to exceed \$300,000 to an amount not to exceed \$350,000 to provide radiology services for residents at Monroe Community Hospital ("MCH") and for the Monroe County Department of Public Health ("MCDPH") Tuberculosis ("TB") Control Program for the period of October 1, 2019 through September 30, 2022 with the option to renew for two (2) additional one-year terms, in an amount not to exceed \$150,000 per year.

The residents of MCH benefit from on-site exams and procedures, rather than having to be transferred out of the building to another service provider. Radiology services to be provided to MCH include routine x-ray examinations, ultrasounds, vascular imaging, carotid imaging, and echocardiography. Most exams are scheduled approximately 24-hours in advance, however, there is a requirement for STAT procedures 24-hours/day, 7-days/week. The vendor shall utilize state-of-the-art equipment, transport of such to and from MCH, as well as the set-up and dismantling necessary to administer on-site.

The County's TB Control Program provides radiological services to diagnose and monitor the effectiveness of treatment for individuals who have TB infection. Radiology services provided to TB clinic patients include routine chest x-ray examinations as well as x-rays of other body parts as needed.

The specific legislative action required is to amend Resolution 391 of 2019 to amend and increase the contract with Ultramobile Imaging, Inc., 1465 Jefferson Road, Suite 100, Rochester, New York 14623, to provide radiology services for residents of Monroe Community Hospital and for the Monroe County Department of Public Health Tuberculosis Control Program from an amount not to exceed \$300,000 to an amount not to exceed \$350,000 for the period of October 1, 2019 through September 30, 2022 with the option to renew for two (2) additional one-year terms, in an amount not to exceed \$150,000 per year.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this contract is included in the 2022 operating budget of Monroe Community Hospital, hospital fund 9012, funds center 6204010000, Radiology/Diagnostic, and is included in the 2022 operating budget of the Department of Public Health, general fund 9001, funds center 5802020000, Tuberculosis Control Programs, and will be requested in future years' budgets. No additional net County support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury have indicated that neither Ultramobile Imaging, Inc., nor its principal officer, William Irwin, owe any delinquent Monroe County Property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
