Subject: Amend Resolution 220 of 2018 to Accept Additional Funding from the New York State Department of Health and Extend the Time Period for Support of the Monroe County Nurse-Family Partnership Program

Honorable Legislators:

I recommend that Your Honorable Body amend Resolution 220 of 2018 to accept additional funding from the New York State Department of Health in the amount of \$875,433 for support of the Monroe County Nurse-Family Partnership Program ("NFP") and extend the time period for one (1) year, through September 30, 2024.

The purpose of this grant is to provide support for the County's existing Nurse-Family Partnership ("NFP") program. The NFP program is an evidence-based, nurse-home-visiting program that has been rigorously evaluated and includes expertly trained nurses delivering the services pursuant to a standard protocol. The funding will provide a portion of the annual financial support for the "NFP" program which provides home visits to up to 300 high-risk, first time mothers, their infants, and families each year to improve their pregnancy outcomes and their health, well-being, and self-sufficiency. This additional funding will be used to support salaries, benefits, and program costs for an additional year and will bring the total program award to \$4,782,243.

The specific legislative actions required are:

1. Amend Resolution 220 of 2018 to accept an additional \$875,433 from, and to authorize the County Executive, or his designee, to execute a contract and any amendments thereto with, the New York State Department of Health for support of the Monroe County Nurse-Family Partnership Program, bringing the total program award to \$4,782,243, and extending the time period for one (1) year, through September 30, 2024.
2. Amend the 2023 operating budget of the Department of Public Health by appropriating the sum of \$875,433 into general fund 9300, funds center 5803050000, Nurse-Family Partnership.

3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, to make any necessary funding modifications within the grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

This grant is 100% funded by the New York State Department of Health. No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
