Subject: Authorize the Alteration of Monroe County Traffic Signal and Fiber Systems by the New York State Department of Transportation During the NY Route 104 from Lake Avenue to Culver Road Project in the City of Rochester

Honorable Legislators:

I recommend that Your Honorable Body authorize the alteration of Monroe County traffic signal and fiber systems by the New York State Department of Transportation ("NYSDOT") during the NY Route 104 from Lake Avenue to Culver Road Project in the City of Rochester.

The NYSDOT proposes the construction/reconstruction/improvement of NY Route 104 from Lake Avenue to Culver Road Project in the City of Rochester. As part of this work, the New York State Department of Transportation will need to alter Monroe County traffic signal and fiber systems that are within the project limits. The project is planned to take place during 2024, with actual dates to be determined.

The specific legislative actions required are:

1. Authorize the execution of a utility work agreement for the alteration of Monroe County traffic signal and fiber systems by the New York State Department of Transportation during the NY Route 104 from Lake Avenue to Culver Road Project in the City of Rochester.
2. Incorporate by reference and adopt the attached resolution required by New York State for the alteration of Monroe County traffic signal and fiber systems by the New York State Department of Transportation during the NY Route 104 from Lake Avenue to Culver Road Project in the City of Rochester.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(2) ("replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site") and is not subject to further review under the State Environmental Quality Review Act.

This project will have no impact on the revenues or expenditures of the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
