Subject: Acceptance of a Grant from the New York State Division of Homeland Security and Emergency Services for the FY2023 State Law Enforcement Terrorism Prevention Program

Honorable Legislators:

I recommend that Your Honorable Body accept a grant from the New York State Division of Homeland Security and Emergency Services ("DHSES") in the amount of \$124,108 for the FY2023 State Law Enforcement Terrorism Prevention Program ("SLETPP") for the period of September 1, 2023 through August 31, 2026.

This grant provides funding for preparedness and prevention activities for potential terrorist events using weapons of mass destruction involving chemical, biological, radiological, nuclear, and explosive materials. Funds will be used for the purchase of SCUBA personal protective equipment and various training conducted by NYS DHSES, as well as United States Department of Homeland Security approved courses, conferences and incident command system training regarding Resource Typing for Specialize Teams and Incident Commanders. Training will be for enhancement and sustainment of specific law enforcement terrorism and counter terrorism operations. This is the seventeenth year the County has received a SLETPP grant. This year's funding represents a decrease of \$107,329 from the prior grant award.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to accept a \$124,108 grant from, and to execute a contract and any amendments thereto with, the New York State Division of Homeland Security and Emergency Services, for the FY2023 State Law Enforcement Terrorism Prevention Program, for the period of September 1, 2023 through August 31, 2026.
2. Amend the 2023 operating budget of the Department of Public Safety by appropriating the sum of \$124,108 into general fund 9300, funds center 2408030100, Office of Emergency Management.
3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, to make any necessary funding modifications within the grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.

4. Should funding of these programs be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the programs and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and (31) ("purchase or sale of furnishings, equipment or supplies, including surplus government property, other than the following: land, radioactive material, pesticides, herbicides, or other hazardous materials") and is not subject to further review under the State Environmental Quality Review Act.

This grant is 100% funded by the Federal Department of Homeland Security (administered by the New York State Division of Homeland Security and Emergency Services). No net County support is required in the current Monroe County Budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
