

Office of the County Executive

Monroe County, New York

Adam J. Bello
County Executive

April 7, 2023

To The Honorable
Monroe County Legislature
407 County Office Building
Rochester, New York 14614

Subject: Acceptance of a Grant from the Oswego County Soil and Water Conservation District for the Water Quality Program and Authorize a Contract with the Monroe County Soil and Water Conservation District

Honorable Legislators:

I recommend that Your Honorable Body accept a grant from the Oswego County Soil and Water Conservation District in the amount of \$97,200 for the period of April 1, 2023 through December 31, 2024 for the Water Quality Program and authorize a contract with the Monroe County Soil and Water Conservation District in an amount not to exceed \$77,600 for the completion of water quality projects for the period of April 1, 2023 through December 31, 2024.

The purpose of this grant is to assist counties that are members of the Finger Lakes-Lake Ontario Watershed Protection Alliance ("FL-LOWPA") in funding programs to improve water quality. Oswego County Soil & Water Conservation District is the sponsor organization for FL-LOWPA, responsible for the administration of this grant. In Monroe County, program components will include planning, education, and implementation of individual projects to improve water quality. The Monroe County Soil and Water Conservation District will utilize a portion of the grant (\$77,600) to provide storm water management consulting and project management services to identify and implement water quality improvement projects such as stream bank erosion and shoreline stabilization in Monroe County and serve as the program manager for the New York State Watercraft Steward Program to control invasive species in Monroe County. A portion of the grant (\$19,600) will be used by Monroe County to undertake water quality programs including the United States Geological Survey Cooperative Agreement for stream monitoring. The County has received this program specific grant for over two decades.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to accept a \$97,200 grant from, and to execute a contract and any amendments thereto with, the Oswego County Soil and Water Conservation District for the Water Quality Program for the period of April 1, 2023 through December 31, 2024.
2. Amend the 2023 operating budget of the Department of Environmental Services by appropriating the sum of \$97,200 into pure waters fund 9307, funds center 8572020100, Pure Waters Industrial Waste.
3. Authorize the County Executive, or his designee, to execute a contract, and any amendments thereto, with the Monroe County Soil and Water Conservation District, 145 Paul Road, Building 5, Rochester, New York 14624, for the completion of water quality projects in an amount not to exceed \$77,600 for the period of April 1, 2023 through December 31, 2024.

4. Authorize the County Executive to appropriate any subsequent years of the grant awards in accordance with the grant terms, to reappropriate any unencumbered balances during the grant periods according to the grantor requirements, and to make any necessary funding modifications within the grant guidelines to meet contractual commitments.
5. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and (27) ("conducting concurrent environmental, engineering, economic, feasibility and other studies and preliminary planning and budgetary processes necessary to the formulation of a proposal for action, provided those activities do not commit the agency to commence, engage in or approve such action") and is not subject to further review under the State Environmental Quality Review Act.

This grant is 100% funded by the Oswego County Soil and Water Conservation District. No net County support is required in the current Monroe County budget.

The Monroe County Soil and Water Conservation District is a not-for-profit agency, and the records in the Office of the Monroe County Treasury have indicated that it does not owe any delinquent Monroe County property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
