Subject: Acceptance of a Gift from the Greater Rochester Disc Golf Club of Disc Golf Baskets
for Ellison Park's Disc Golf Course

Honorable Legislators:

I recommend that Your Honorable Body authorize the acceptance of a gift from the Greater Rochester Disc Golf Club ("GRDGC") of 18 Disc Golf Association ("DGA") "Mach 7" disc golf baskets with a retail value of approximately \$8,910 for Ellison Park's Disc Golf Course.

The Monroe County Parks Department was approached by David Copp, current president of the GRDGC, regarding improvements to the existing disc golf course at Ellison Park. Mr. Copp has applied to the DGA's "RePlay Course Growth Program" and has received a tentative award of 18 Mach 7 disc golf baskets, which act as the "holes" on a disc golf course, pending his confirmation to the DGA of the approval of this body to accept his donation of the baskets to the County.

Upon acceptance of this gift, the Parks Department intends to donate the 18 older-model baskets being replaced to the Brockport Central, East Rochester Central, and Churchville-Chili Central school districts (six baskets to each district), for the creation of small instructional courses at schools within the district. All three athletic directors involved have been in discussion with the GRDGC and are interested in accepting these baskets if the GRDGC's application to the DGA is a success and this referral is approved. These baskets are DGA "Mach 3" baskets which were purchased by and donated to the County by the GRDGC in 1989, at an original purchase price of \$5,040 and an estimated current value of \$1,800. The transfer of this county property to the three school districts would be completed as per the requirements of the county's disposal policy.

The specific legislative action required is to authorize the County Executive, or his designee, to accept a gift from the Greater Rochester Disc Golf Club of 18 "Mach 7" disc golf baskets with a retail value of approximately \$8,910 for Ellison Park's Disc Golf Course.

This action is a Type II Action pursuant to 6 NYCRR 617.5(c)(31) (“purchase or sale of furnishings, equipment or supplies, including surplus government property, other than the following: land, radioactive material, pesticides, herbicides, or other hazardous materials”) and is not subject to further review under the State Environmental Quality Review Act.

This gift will have no impact on the revenues or expenditures of the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
