RESOLUTION NO. \_\_\_\_ OF 2023

**AUTHORIZING GRANT CONTRACTS AND APPROPRIATION TRANSFERS PURSUANT  
THE AMERICAN RESCUE PLAN ACT (ARPA)**

BE IT RESOLVED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. The County Executive, or his designee, is hereby authorized to execute grant contracts, and any amendments thereto, with the agencies listed in Attachment A in a total amount not to exceed \$6,205,421 for terms to commence on or after May 1, 2023 and terminate on or before December 31, 2026.

Section 2. An appropriation transfer is hereby authorized in the amount of \$4,000,000 from the Monroe County Legislature, general fund 9301, funds center 1001030000, Local Recovery Fund to the Department of Finance, general fund 9301, funds center 1403930103, ARPA-Public Safety.

Section 3. An appropriation transfer is hereby authorized in the amount of \$2,205,421 from the Department of Public Health, general fund 9001, funds center 5801090100, Pandemic Response to the Department of Finance, general fund 9301, funds center 1403930103, ARPA-Public Safety.

Section 4. Funding for these grant contracts is included in the Department of Finance, general fund 9301, funds center 1403930103 ARPA-Public Safety once the appropriation transfers are authorized.

Section 5. The County Executive is hereby authorized to appropriate any subsequent years of these funds, any returned contractor funds, or any deferred revenue, in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, and to make any necessary funding modifications within grant guidelines to meet contractual commitments.

Section 6. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program(s) and, where applicable, to terminate or abolish some or all positions funded under such program(s). Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

Section 7. This resolution shall take effect in accordance with Section C2-7 of the Monroe County Charter.

Company Name	Project Name	Brief Description	Maximum Award Amount
Pittsford Volunteer Ambulance, Inc.	Emergency Medical Services (EMS) Workforce Training and Diversification	Coordinate efforts across the County to recruit, educate and support the development of skilled EMS clinicians. Phased approach to training emphasizes diversification of the EMS workforce through recruiting, educational support, and career pathway development.	\$ 4,246,948.50
Gates Volunteer Ambulance Service, Inc.	Ambulance Upgrade - A Critical Need	Gates Ambulance is seeking to replace an aging ambulance (2014 Ford Marque Ambulance) with a new model that can do more to meet the needs of the EMS system and residents.	\$ 228,000.00
Inondquoit Ambulance, Inc.	Air and Surface Decontamination	Inondquoit Ambulance proposes to provide air and surface decontamination devices to existing and on-order ambulance fleet.	\$ 26,000.00
The Penfield Volunteer Emergency Ambulance Service Inc.	Penfield Ambulance Acquisition of an outfitted Advanced Life Support (ALS) Capable Transporting Ambulance	Penfield Ambulance is looking for funding to purchase an additional ambulance that is fully outfitted with new state of the art equipment that can serve the population and neighboring populations (through Mutual Aid) through 911 emergency calls.	\$ 347,065.97
Inondquoit Ambulance, Inc.	Ambulance Replacement	Inondquoit Ambulance is looking for funding to purchase an ambulance that matches their current fleet. Their ambulances are smaller modular ambulances that fit the needs of the residents and crews well.	\$ 210,000.00
CHS Mobile Integrated Health Care, Inc.	CHS Equipment Improvement Project	CHS has an urgent need to replace aged equipment that is past its serviceable life. This request is necessary to provide safe transport of patients, reduce the potential for employee injury, and meet the needs of the increasingly obese patient population.	\$ 288,391.68
Honouye Falls-Mendon Volunteer Ambulance, Inc.	Mitigating the Covid-19 Post and Preparing HPA/NA for the Future	Purchase of two Stryker Powerized Systems to upgrade their capacity to attend to patients of increased body weight and elderly and low-income patients with mobility deficits. Also purchase four laptop computers and four papers to upgrade their system to address patient needs as quickly as possible and to prepare high quality patient records as efficiently as possible.	\$ 83,891.20
Ridge Road Fire District	Ridge Road Fire District Emergency Communications and PPE	Ridge Road Fire District is seeking funds to enhance and improve their fire district's ability to combat public health emergencies through the purchase of emergency response communications equipment and Personnel Protective Equipment (PPE).	\$ 152,394.04
Gates Fire District	Gates Fire District - Dispatch Center Update	The Gates Fire District Dispatch Center entails upgrading the analog dispatch radio consoles to digital technology. This is necessary to maintain the same dispatch radio technology that the Emergency Communications Department (ECD-911) and Monroe County Radio Center has recently implemented throughout the City of Rochester and Monroe County.	\$ 407,906.21
Ridge Road Fire District	Ridge Road Fire District Community Outreach and Risk Reduction	Ridge Road Fire District is seeking funds to combat public health emergencies by expanding its community outreach and community risk reduction programs. These programs will target at-risk populations, including those living in congregate living facilities such as elder care, assisted living, and nursing homes.	\$ 88,236.00
Brighton Fire District	Emergency Cardiac Care	As a result of the current climate and geography, the fire department responds to most EMS calls prior to an ambulance. Many of these calls have some component of a cardiac emergency. The Brighton Fire District is facing the challenge of needing to replace the fleet of their 14 AED's as they are reaching the end of their useful life.	\$ 88,785.00
Lake Shore Fire District	Lake Shore Fire District IT Support for Community Engagement	Lake Shore Fire District is seeking funding to improve its internet infrastructure, replace staff computers, and work with IT services to improve website and internet presence.	\$ 21,882.00
Fire Department of the Village of Fairport	Radio Communication Infrastructure Improvements	Fairport Fire would like to increase situational awareness through the purchase of digital voice pagers. They will also update radio communications equipment at their firehouses.	\$ 20,900.00
