Subject: Authorize a Contract with Barton & Loguidice, D.P.C. for the Preparation of a Local Solid Waste Management Plan

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with Barton & Loguidice, D.P.C. ("B&L") in the amount of \$198,700 for professional design services for the preparation of a Local Solid Waste Management Plan for the period of January 1, 2026 through December 31, 2029.

Monroe County is the solid waste planning unit responsible for developing a Local Solid Waste Management Plan ("LSWMP") pursuant to Section 27-0107(1)(a) of New York State Environmental Conservation Law. The original Solid Waste Management Plan was completed in 1991, approved by Your Honorable Body through Resolution 198 of 1991, and approved by the New York State Department of Environmental Conservation ("NYSDEC"). An updated Final Local Solid Waste Management Plan, dated July 2015, was approved by Your Honorable Body through Resolution 259 of 2015.

The purpose of the LSWMP is to provide an educational tool to identify the path to pursue for managing solid waste generated in the County during a ten (10) year planning period. The LSWMP provides policy and program direction to reduce waste generation, increase recovery and decrease disposal in an economically and environmentally-sound manner that is consistent with New York State's solid waste management policy. It recognizes that the public, elected officials, local municipalities, NYSDEC, private waste collectors, and facility owners are all stakeholders in the current and future management of solid waste. This project will update the LSWMP for the current ten (10) year planning period.

Barton & Loguidice, D.P.C. was rated as the most qualified to provide these services.

The specific legislative action required is to authorize the County Executive, or his designee, to execute a contract, and any amendments thereto, with Barton & Loguidice, D.P.C., 11 Centre Park, Suite 203, Rochester, New York 14614, for professional design services for the preparation of a Local Solid Waste Management Plan in the amount of \$198,700 for the period of January 1, 2026 through December 31, 2029.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(27) ("conducting concurrent environmental, engineering, economic, feasibility and other studies and preliminary planning and budgetary processes necessary to the formulation of a proposal for action, provided those activities do not commit the agency to commence, engage in or approve such action") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this contract is included in the proposed 2026 operating budget of the Department of Environmental Services, solid waste fund 9009, funds center 8201010000, Solid Waste - Administration. No additional net County support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury have indicated that neither Barton & Loguidice, D.P.C., nor any of its principal officers, owe any delinquent Monroe County property taxes. The principal officers of the firm are:

John F. Brusa, President/CEO
Richard A. Straut, Executive Vice President
Matthew J. Schooley, Executive Vice President, Secretary

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
