8/2007 – 8/2015

**Principal**

Fred W. Hill Elementary School  
Brockport, NY 14420

Leadership of over 600-student school for grades 4 and 5 elementary school with an economically and racially diverse student population including 40 teaching staff and 23 support staff. Highlights include:

- Created and realized a shared mission and vision of a safe, enjoyable learning community that has an uncompromising commitment towards continuous improvement and a passion for professional and academic excellence by establishing sincere, trusting relationships, maintaining high level of visibility in the school and community as well as systematically collecting, analyzing and evaluating student data, using creative problem-solving skills and shared decision-making process.
- Implemented a school-based inquiry team to use data to determine strength and needs, set school goals, create action plans to realize goal achievement, monitor progress towards goals, and assess outcomes.
- Upgraded school's designation to a "School in Good Standing" in my first year, and consistently realized 3% to 5% annual increases in student achievement scores on NYS tests by auditing the curriculum, analyzing student achievement results, and executing research-based instructional techniques and strategies such as balanced literacy, guided group instruction, *6+1 Traits of Writing*, and *Better Answers* approach to writing for all students.
- Proactively created and successfully implemented a plan to provide staff development for and writing of a guaranteed viable curriculum aligned to the New York State Common Core State Standards and the 21<sup>st</sup> Century Learning Skills, which included Parent/Students Information Meetings and school website updates.
- Collaboratively created and successfully led implementation of a fiscally responsible 1:1 technology plan which embeds technology software and hardware to facilitate: increased Common Core aligned student learning, a standards-based grade reporting system, increased parent communicator, and job-embedded professional development.
- Led shared decision-making team in successful implementation of Common Core State Standards, CCSS aligned curriculum, and common formative assessments.
- Created a Common Core State Standards-based grade book for Math and ELA and report card.
- Successfully implemented an Annual Professional Performance Review system for teachers utilizing *2013 Framework for Teaching* by Charlotte Danielson, created and implemented a comprehensive Annual Professional Performance Review evidence documenting system supported by teachers' union and co-presented with teachers' union vice-president, collaborated in successful implementation of an Annual Professional Performance Review system for principals using the *Multidimensional Principal Performance Rubric*.
- Increased goal oriented professional capacity for all employees by creating a job-embedded professional development system, doubling the monthly professional growth opportunities, and applying research-based instructional strategies and techniques framework to all observations and evaluations.
- Led a 27% increase of district literacy and numeracy expectations and results by initiating a literacy and numeracy benchmark and progress monitoring system aligned with national student performance levels and based on direct, frequent and continuous student assessment for grades K-8.

- Utilized a shared decision-making approach to reduced student learning gaps by 21% through transformation of *Academic Intervention Services* to only include need-based student placements and programs.
- Accomplished a 31% increase of student achievement on writing portion of NYS ELA test by increasing professional capacity of writing instruction through job-embedded professional development, utilizing instructional specialist to push into classrooms at no extra cost to district.
- Aligned personnel resources to increase support for student learning and classroom instruction by transforming teacher aide responsibilities and providing instructional professional development such as *Big 5 of Reading*.
- Replaced “regional” scoring model of NYS test with “in-house” scoring to increase consistent scoring practices, utilize as a professional development opportunity, and to support data-driven instructional decision making.
- Transformed grade level and faculty meetings to incorporate district initiated *Professional Learning Community* practices by using meetings to share best-practice instructional techniques, co-plan lessons, create and update pacing calendars, create common formative assessments, provide professional development and utilize common formative assessment student achievement data to drive individual, collective and collaborative instructional decision-making.
- Surpassed RTI requirements by implementing screening and benchmark assessment systems for literacy and numeracy one year ahead of due date.
- Doubled the number of Urban-Suburban students attending the district in collaboration with the Rochester City School District.
- Doubled the number of student enrichment courses, which utilized community field-related experts as instructors.
- Annually prepared a fiscally responsible \$3 million school budget by using zero-based budgeting method, leadership by example approach, and utilizing cost benefit analysis system ensuring that all funds are focused on classroom and students.
- Instituted mandatory three-step building level purchasing process requirement before approving program purchases, which included student achievement data to establish need, research-based evidence of anticipated outcomes, and compelling reason why request best fits our student need.
- Continually evaluated each program to ensure that every program has a high cost/benefit ratio.
- Initiated a more efficient and effective K-6 student placement process and student information sharing between schools by creating a collaborative team comprised of teachers and principals from other buildings to transform student summary placement information to be more student academic and behavioral data focused, while reducing subjectivity and labor-intensive format.
- Collaboratively implemented a need-based, student sensory processing program and facility to improve student academic and behavioral performance.
- Created structure for increased student achievement by designing and annually updating the school’s master schedule, ensuring a research-based suggested 120-minute block for literacy instruction, 60-

minute block for numeracy instruction, enrichment instruction and three-tiered academic intervention instruction.

- Established a collaborative team which effectively increased desired behaviors at student lunch times by 25% through recruitment of and working with Hill educators to provide student behavior professional development for cafeteria monitors.
- Created and implemented a middle school transition program for grade 5 students.
- Maintained high visibility and availability, established trusting, sincere relationships and reinforced vision, climate, and culture by co-planning and participating in extra-curricular and community events.
- Reinforced trusting relationships, vision, and motivated staff by acknowledging professional and personal accomplishments through personal and professional letters of commendation.
- Advocated for increased school and library funding by hosting District 134 Assemblyman Bill Reilich, board of education members, educational and library leaders, and community members to collaborate and create persuasive initiatives resulting in increased New York State government funding.
- Established community connection by hosting a permanent Brockport Community Museum site aligned to grade level curriculum.
- Established community connection by working with the Brockport Village Mayor to establish artist in residency aligned to grade level curriculum.
- Increased positive learning community culture and motivated staff by implementing a faculty and staff “welcome back” picnic with welcome back gifts for faculty and staff to kick off the beginning of each school year and provided food at all faculty meetings.
- Advanced school holiday celebrations to respect different cultures, religious beliefs and align with curricular and behavioral initiatives.
- Continually cared for school building and protected the investment our community has in the school.
