Subject: 2025 Monroe County "Honoring our Workers - Leisure for Less Week" Price Reduction

Honorable Legislators:

Labor Day is a time to recognize the dedication, skill, and contributions of the men and women who keep Monroe County moving forward. To celebrate their hard work, this legislation establishes Honoring Our Workers – Leisure for Less Week, a time when we give back by making recreation and community experiences more affordable for everyone.

During this special week, Monroe County will temporarily reduce admission prices at the Seneca Park Zoo, greens fees at County golf courses, and fees for temporary food vendors. These reductions will make it easier for families, seniors, small businesses and individuals from all walks of life to enjoy our parks, attractions, and events without financial barriers.

Beyond honoring our workforce, this initiative will also strengthen our local economy. More visitors to the Zoo, golf courses, and community events will lead to increased secondary spending on food, beverages, souvenirs, and rentals, benefiting local businesses and tourism.

Honoring Our Workers – Leisure for Less Week rewards the people who give so much to our community - turning Labor Day into a week-long celebration of recreation, connection, and community pride.
