Subject: Acceptance of Reimbursement from the New York State Unified Court System for Improvements at the Hall of Justice as Requested by the New York State Unified Court System

Honorable Legislators:

I recommend that Your Honorable Body accept reimbursement from the New York State Unified Court System, in an amount not to exceed \$200,000, for improvements made at the Hall of Justice as requested by the New York State Unified Court System.

Building renovations at the Hall of Justice are requested annually by the New York State Unified Courts System (Courts). The County will act as the project manager/contractor for these modifications and pay for them from the Department of Environmental Services operating budget. The Courts will reimburse the County for the costs of the modifications, resulting in no additional expense to the County. The County has determined the cost of improvements needed to meet the requested functional needs of the building occupants is \$200,000.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to accept reimbursement from the New York State Unified Court System, in an amount not to exceed \$200,000, for improvements made at the Hall of Justice as requested by the New York State Unified Court System.
2. Amend the 2020 operating budget of the Department of Environmental Services, by appropriating the sum of \$200,000 into internal services fund 9020, funds center 8625010000, Hall of Justice.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c) and is not subject to review under the State Environmental Quality Review Act.

These improvements are 100% funded by the New York State Unified Court System. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
