Subject: Enact a Local Law Amending the Monroe County Charter to Create a Department of Diversity, Equity and Inclusion

Honorable Legislators:

I recommend that Your Honorable Body enact a local law amending the County Charter to create a Department of Diversity, Equity and Inclusion.

Creating a Department of Diversity, Equity and Inclusion, led by a Director of Diversity, Equity and Inclusion – Chief Diversity Officer, is a critical step forward in creating a more diverse and inclusive County workforce and ensuring that Monroe County is an inclusive business partner within the community. In addition to administering trainings to current and future County personnel on all aspects of diversity, equity, and inclusion, this Department will also focus on establishing and implementing strategies to combat all forms of bias and unequal treatment that may arise in the workplace. Additionally, the Department will monitor County contracting and procurement procedures to ensure entities doing business with the County are inclusive and diverse. While this is just one part of addressing inequities that exists within the County workforce and in our community-at-large, the Department of Diversity, Equity and Inclusion will demonstrate that Monroe County is a champion for equal employment opportunity, equity, and inclusion.

The powers and duties of the Director of Diversity, Equity and Inclusion – Chief Diversity Officer, as detailed in the attached Local Law, will include developing, implementing, maintaining, and enforcing policies, programs, and initiatives that foster diversity, equity and inclusion within the County workforce; supervising equal employment opportunity functions; investigating internal complaints of discrimination, harassment, hostile work environment and unequal treatment arising out of any employment or contractual relationship with the County; providing technical advice and guidance on effective methods and procedures for recruitment, selection, placement, and promotion of racial and ethnic minorities, women, veterans, persons who identify as LGBTQ, and persons with disabilities; and developing processes that promote equity and inclusion in the award of County contracts and oversee the Minority/Women-owned Business Enterprises (MWBE) selection procedure.

The specific legislative actions required are:

1. Schedule and hold a public hearing on the proposed Local Law.
2. Enact a Local Law to amend the Monroe County Charter to create the Department of Diversity, Equity and Inclusion, as set forth in the attached proposed Local Law.

This proposed Local Law will require no additional net County support in the current Monroe County budget.

The provisions of the New York State Environmental Quality Review Act shall be complied with prior to this Honorable Body undertaking, funding, or approving the action requested in this referral.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely

Adam J. Bello
Monroe County Executive
