To The Honorable  
Monroe County Legislature  
407 County Office Building  
Rochester, New York 14614

**Subject:** Increase and Improvement of Facilities in the Irondequoit Bay South Central Pure Waters District – General Pump Station and Interceptor Improvements and Amend the Proposed 2021 Capital Budget and Authorize an Appropriation Transfer

Honorable Legislators:

I recommend that Your Honorable Body approve a request to establish an Increase and Improvement of Facilities in the Irondequoit Bay South Central Pure Waters District ("District") in the amount of \$450,000 for a capital project entitled "General Pump Station and Interceptor Improvements," and amend the proposed 2021 Capital Budget and authorize an appropriation transfer.

This increase and improvement of facilities is necessary to provide funding for the "General Pump Station and Interceptor Improvements" project. This project includes general improvements to various pump stations and collection system infrastructure, including enhancements to appurtenant communication and data transmission systems. This project is necessary to maintain the reliability and continuity of services to District customers. The estimated cost of the improvements is \$450,000, which shall be provided as cash capital.

Portions of the project may become eligible for financing through the New York State Water Pollution Control Revolving Loan Fund. It is therefore requested that the County have the ability to submit applications and take any necessary steps to utilize this financing vehicle if it becomes available.

**The specific legislative actions required are:**

1. Hold a Public Hearing for the proposed maximum amount to be expended for an "Increase and Improvement of Facilities in the Irondequoit Bay South Central Pure Waters District."
2. Following the Public Hearing, adopt a resolution approving the "Increase and Improvement of Facilities in the Irondequoit Bay South Central Pure Waters District" at the maximum amount to be expended.
3. Amend the proposed 2021 Capital Budget to increase funding for the project entitled "Irondequoit Bay South Central Pure Waters District - General Pump Station and Interceptor Improvements," in the amount of \$450,000.

4. Authorize the Controller to transfer \$450,000 from the proposed 2021 operating budget of the Department of Environmental Services, Pure Waters fund 9007, funds center 8574010000, Irondequoit Bay South Central Pure Waters District Special Expense, Provision for Capital Projects, to capital fund 1976 for the "Irondequoit Bay South Central Pure Waters District – General Pump Station and Interceptor Improvements."
5. Authorize filing of applications and execution of Project Financing Agreements and any other necessary documents by the County Executive or the Director of Finance- Chief Financial Officer, as appropriate, for participation in the New York State Water Pollution Control Revolving Loan Fund under the applicable laws of New York State to finance all or a portion of the project.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(1) ("maintenance or repair involving no substantial changes in an existing structure or facility") and (2) ("replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site, including upgrading buildings to meet building, energy, or fire codes unless such action meets or exceeds any of the thresholds in section 617.4 of this Part") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this project, consistent with authorized uses, will be available in capital fund 1976 and any capital fund(s) created for the same intended purpose. The local funding for this project will ultimately be provided by Pure Waters District user fees. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello  
Monroe County Executive
