RESOLUTION NO OF 2021
CLASSIFICATION OF ACTION AND DETERMINATION OF SIGNIFICANCE PURSUANT TO STATE ENVIRONMENTAL QUALITY REVIEW ACT FOR SALE OF COUNTY OWNED TAX FORECLOSURE PROPERTY LOCATED AT 2462 SWEDEN WALKER ROAD, CLARKSON, NEW YORK
BE IT RESOLVED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:
Section 1. The Monroe County Legislature determines that the County owned tax foreclosur property located at 2462 Sweden Walker Road, Clarkson, New York is an Unlisted action.
Section 2. The Monroe County Legislature has reviewed and considered the Short Environmental Assessment Form dated October 20, 2020 and has considered the potential environmental impacts of the sale of County owned tax foreclosure property located at 2462 Sweden Walker Road, Clarkson, New York pursuant to the requirements of State Environmental Quality Review Act and has found that the proposed action will no result in any significant adverse environmental impacts. The Monroe County Legislature hereby issues and adopt the Negative Declaration attached hereto and made a part hereof and determines that an environmental impact statement is not required.
Section 3. The County Executive, or his designee, is hereby authorized to take such actions to comply with the requirements of the State Environmental Quality Review Act, including without limitation, the execution of documents and the filing, distribution and publication of the documents required under the State Environmental Quality Review Act, and any other actions to implement the intent of this resolution.
Section 4. This resolution shall take effect in accordance with Section C2-7 of the Monroe County Charter.
Committee of the Whole; December 15, 2020 - CV: 29-0 File No. 20-0426

Short Environmental Assessment Form Part 1 - Project Information

Instructions for Completing

Part 1 - Project Information. The applicant or project sponsor is responsible for the completion of Part 1. Responses become part of the application for approval or funding, are subject to public review, and may be subject to further verification. Complete Part 1 based on information currently available. If additional research or investigation would be needed to fully respond to any item, please answer as thoroughly as possible based on current information.

Complete all items in Part 1. You may also provide any additional information which you believe will be needed by or useful to the lead agency; attach additional pages as necessary to supplement any item.

Short Environmental Assessment Form Part 3 Determination of Significance

For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

The action is for the sale of the property and does not include the physical alteration nor disturbance of the property. Although wellands exist on the site, the proposed action does not include physical alteration of the site and any future use of the property will need to be reviewed and consistent with the current zoning code and permitting requirements for Wellands from state and federal regulatory bodies. It has been determined that no significant adverse environmental impacts from this action will occur.

environmental impact statement is required	permation and analysis above, and any supporting documentation, centially large or significant adverse impacts and an permation and analysis above, and any supporting documentation, adverse environmental impacts.

December 4, 2020

OFFICIAL FILE COPY

No. 200426

Not to be removed from the Office of the Legislature Of Monroe County

Committee Assignment

ENV. & PUB. WORKS -L

To The Honorable Monroe County Legislature 407 County Office Building Rochester, New York 14614

Subject:

Classification of Action and Determination of Significance Pursuant to the State Environmental Quality Review Act for the Sale of County Owned Tax Foreclosure Property Located at 2462 Sweden Walker Road, Clarkson, NY

Honorable Legislators:

I recommend that Your Honorable Body determine whether the sale of County owned tax foreclosure property located at 2462 Sweden Walker Road in the Town of Clarkson may have a significant adverse impact on the environment pursuant to the State Environmental Quality Review Act ("SEQRA").

The proposed sale is as follows:

Parcel Offeror Offered Amount

2462 Sweden Walker Road Ron Breslawski & Vicki B. Breslawski \$3,500

TA # 041.01-1-25 501 Priem Road

Town of Clarkson Hamlin, New York 14464

This vacant land was acquired January 8, 2018 through tax foreclosure, is surplus property, and is not needed by Monroe County. The price indicated above was negotiated by Monroe County Real Estate.

The sale of County owned tax foreclosure property located at 2462 Sweden Walker Road, Clarkson, NY has been preliminarily classified as an Unlisted action. The SEQRA regulations found at 6 NYCRR Part 617 requires that no agency shall carry out or approve an Action until it has complied with the requirements of SEQRA.

The specific legislative actions required are:

1. Determine that the sale of County owned tax foreclosure property located at 2462 Sweden Walker Road, Clarkson, NY is an Unlisted action.

- 2. Make a determination of significance regarding the sale of County owned tax foreclosure property located at 2462 Sweden Walker Road, Clarkson, NY pursuant to 6 NYCRR § 617.7.
- 3. Authorize the County Executive, or his designee, to take such actions to comply with the requirements of the State Environmental Quality Review Act, including without limitation, the execution of documents and the filing, distribution and publication of the documents required under the State Environmental Quality Review Act, and any other actions to implement the intent of this resolution.

This designation will have no impact on the revenues or expenditures of the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Adam J. Bello

Monroe County Executive

Short Environmental Assessment Form Part 3 Determination of Significance

For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

The action is for the sale of the property and does not include the physical alteration nor disturbance of the property. Although wetlands exist on the site, the proposed action does not include physical alteration of the site and any future use of the property will need to be reviewed and consistent with the current zoning code and permitting requirements for Wetlands from state and federal regulatory bodies. It has been determined that no significant adverse environmental impacts from this action will occur.

environmental impact statement is required.	ormation and analysis above, and any supporting documentation, entially large or significant adverse impacts and an ormation and analysis above, and any supporting documentation, adverse environmental impacts.
