Subject: Authorize a Contract with M.L. Caccamise Electric Corp. for Construction Services for the Highway Lighting Rehabilitation Northeast Project 1 in the Towns of Brighton, Irondequoit and Webster

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with M.L. Caccamise Electric Corp., in the amount of \$1,096,593.34, for construction services, for the Highway Lighting Rehabilitation Northeast Project 1, in the Towns of Brighton, Irondequoit and Webster.

This project consists principally of the furnishing of all labor and materials for improvements to expressway lighting for NYS Route 590 from I-490 to Tryon Park including interchanges with Blossom Road, Browncroft Boulevard and the area around Tryon Park; and NYS Route 104 from the Irondequoit Bay Bridge to Basket Road including interchanges with Bay Road, Five Mile Line Road, Hard Road, Holt Road, NYS Route 250 and Salt Road, in the Towns of Brighton, Irondequoit, and Webster. Work shall include lighting upgrades including LED fixtures, conduit, wiring, pullboxes, and replacement of poles, bases, and foundations as per the plans.

The following three (3) bids were received on November 15, 2019:

M.L. Caccamise Electric Corp.	\$1,096,593.34
Power & Construction Group, Inc.	\$1,132,334.50
Concrete Applied Technologies Corp.	\$2,025,742.50

The bids have been reviewed and the Department of Transportation recommends the award of the contract to the lowest responsible bidder, M.L. Caccamise Electric Corp., in the amount of \$1,096,593.34.

The specific legislative action required is to authorize the County Executive, or his designee, to execute a contract with M.L. Caccamise Electric Corp., 721 Portland Avenue, Rochester, New York 14621, in the amount of \$1,096,593.34, for construction services, for the Highway Lighting Rehabilitation Northeast Project 1, in the Towns of Brighton, Irondequoit and Webster, and any amendments necessary to complete the project within the total capital fund(s) appropriation.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

Funding for this contract, consistent with authorized uses, is included in capital fund 1875 and any capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

The records in the office of the Monroe County Treasury have indicated that neither M.L. Caccamise Electric Corp., nor its sole principal officer, Michael L. Caccamise, President, owe any delinquent Monroe County property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
