Subject: Accept Funding from the New York State Office of Addiction Services and Supports and Amend Resolution 405 of 2017 to Amend and Increase the Contract with PrimeCare Medical of New York, Inc.

Honorable Legislators:

I recommend that Your Honorable Body accept funding from the New York State Office of Addiction Services and Supports, in the amount of \$50,000, for the Jail Medication Assisted Treatment Program, for the period of January 1, 2020 through December 31, 2020, and amend Resolution 405 of 2017 to amend and increase the contract with PrimeCare Medical of New York, Inc., from an amount not to exceed \$33,058,016 to an amount not to exceed, \$33,108,016, for Inmate Medical and Mental Health Care, for the period of January 14, 2018 through January 13, 2021.

The funding will allow the Monroe County Sheriff's Office Jail MAT Program to offer Sublocade (once a month extended release buprenorphine injections) instead of Subutex (buprenorphine tablets) during an inmates stay. With previous Federal funding, the Sheriff's Office offered Subutex to eligible inmates through the use of our medical vendor PrimeCare. The Sheriff's medical provider, PrimeCare will oversee the jail medication treatment of Sublocade.

A request for proposals was issued by the Monroe County Sheriff's Office with PrimeCare Medical of New York, Inc. selected as the most qualified to provide this service.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to accept funding in the amount of \$50,000, and to execute a contract and any amendments thereto with, the New York State Office of Addiction Services and Supports, for the Jail Medication Assisted Treatment Program, for the period of January 1, 2020 through December 31, 2020.
2. Amend the 2020 operating budget of the Office of the Sheriff by appropriating the sum of \$50,000 into general fund 9001, funds center 3804090000, Jail Medical.

3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, and to make any necessary funding modifications within grant guidelines to meet contractual commitments.
4. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.
5. Amend Resolution 405 of 2017 to amend and increase the contract PrimeCare Medical of New York, Inc. from an amount not to exceed \$33,058,016 to an amount not to exceed \$33,108,016 for Inmate Medical and Mental Health Care, for the period of January 14, 2018 through January 13, 2021.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c) and is not subject to review under the State Environmental Quality Review Act.

This program is 100% funded by the New York State Office of Addiction Services and Supports. No net County support is required in the current Monroe County Budget.
