Subject: Enact a Local Law Entitled "American Sign Language Interpreters at all Monroe County Government Press Conferences Held During Emergency Situations"

Honorable Legislators:

I recommend that Your Honorable Body enact a Local Law entitled "American Sign Language Interpreters at all Monroe County Government Press Conferences Held During Emergency Situations."

Monroe County is home to one of the largest per-capita populations of individuals who are deaf or hard of hearing. This population is especially vulnerable to the dangers and hardships associated with natural disasters and other public emergencies. According to the National Association for the Deaf, it has been well documented that this population frequently experiences the most difficulty preparing for and recovering from emergencies and disasters.

Among the many difficulties faced by the deaf and hard of hearing during times of emergency is the inability to receive potentially life-saving information from government agencies responsible for emergency management. Research by the National Council on Disability has found that access to emergency services for deaf and hard of hearing individuals is in need of significant improvement. Because local jurisdictions such as Monroe County are primarily responsible for responding to emergencies and natural disasters, it is our responsibility to lead the way in initially making such improvements. This Local Law would initiate steps to ensure adequate emergency communication with individuals who are deaf and hard of hearing through the provision of American Sign Language interpreters at all press conferences held during emergency situations.

The specific legislative actions required are:

1. Schedule and hold a Public hearing on the proposed Local Law.
2. Enact the Local Law entitled "American Sign Language Interpreters at all Monroe County Government press Conferences Held During Emergency Situations."

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c) and is not subject to review under the State Environmental Quality Review Act.

Funding for the provision of American Sign Language interpreters is included in the 2020 Operating Budget of the Department of Public Safety, general fund 9300, funds center 2408030100, OEM. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

LOCAL LAW NO. ____ OF 2020

ENACTING LOCAL LAW ENTITLED "AMERICAN SIGN LANGUAGE INTERPRETERS AT ALL MONROE COUNTY GOVERNMENT PRESS CONFERENCES HELD DURING EMERGENCY SITUATIONS"

BE IT ENACTED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. Legislative Intent. Monroe County is home to one of the largest per-capita populations of individuals who are deaf or hard of hearing. This population is especially vulnerable to the dangers and hardships associated with natural disasters and other public emergencies. According to the National Association for the Deaf, it has been well documented that this population frequently experiences the most difficulty preparing for and recovering from emergencies and disasters.

Among the many difficulties faced by the deaf and hard of hearing during times of emergency is the inability to receive potentially life-saving information from government agencies responsible for emergency management. Research by the National Council on Disability has found that access to emergency services for deaf and hard of hearing individuals is in need of significant improvement. Because local jurisdictions such as Monroe County are primarily responsible for responding to emergencies and natural disasters, it is our responsibility to lead the way in initially making such improvements. Accordingly, this Legislature determines that the County should initiate steps through its Department of Public Safety to ensure adequate emergency communication with individuals who are deaf and hard of hearing through the provision of American Sign Language interpreters at all press conferences held during emergency situations including natural and manmade disasters.

2. The Director shall establish protocols for securing the services of qualified and certified American Sign Language interpreters at all emergency situation press conferences.

Section 4. Severability. If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.
