Subject: Authorizing the Payment of Hazard Pay to Monroe County Employees at Greater Risk of Exposure or Working Extended Hours Due to the County's Response to COVID-19

Honorable Legislators:

I recommend that Your Honorable Body authorize the payment of Hazard Pay to Monroe County employees at greater risk of exposure or working extended hours due to the County's response to COVID-19 during the State of Emergency declared by the County Executive.

Monroe County Department heads have identified Monroe County employees who were at greater risk of exposure to COVID-19 or have been working extended hours in addition to their scheduled work hours in responding to the COVID-19 crisis. These identified workers were from the Departments of Environmental Services, Public Health, Human Services, Veterans Services, Public Safety, Aviation, the Sheriff's office, and Monroe Community Hospital.

The Hazard Pay will commence with pay period 9 of 2020 (beginning April 4, 2020) and shall continue through the end of the State of Emergency declared by the County Executive. The cost of Hazard Pay is projected to be \$542,000 per pay period.

The payment of Hazard Pay was agreed to by the union memberships for the Monroe County employees set forth on Schedule "A" attached hereto. The applicable unions, and the date of union approval, and the applicable Hazard Pay per employee classification are also included on Schedule "A."

The payment of Hazard Pay for the Monroe County employees not in a union is set forth on Schedule "B" attached hereto. The applicable Hazard Pay per employee classification is also included on Schedule "B."

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to provide payment of Hazard Pay to Monroe County employees at greater risk of exposure to COVID-19 or have been working extended hours in addition to their scheduled work hours in responding to the COVID-19 crisis commencing with pay period 9 of 2020, at a cost projected to be \$542,000 per pay period.
2. Authorize the County Executive, or his designee, to add or delete classifications of Monroe County employees from Schedules "A" and "B," attached hereto, if the risk of exposure to the COVID-19 and need for extended hours changes during the State of Emergency.

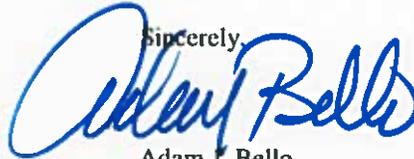

3. Authorize the County Executive, or his designee, to enter into and execute any agreement or contract and any amendments thereto on behalf of the County of Monroe with the necessary union memberships.
4. The duration of this Authorization shall be limited to the time during which a local State of Emergency is in effect until December 31, 2020 unless otherwise extended by the Monroe County Legislature.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c) and is not subject to review under the State Environmental Quality Review Act.

Funding for this hazard pay will be 100% reimbursed through the Coronavirus Aid, Relief, and Economic Security (CARES) Act stimulus appropriation from the Federal government. No additional net County support is required in the current Monroe County budget.

I recommend that this matter receive favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
