RE: Enact a Local Law Entitled “Gantt’s Law for Utilization of Minority and Women-Owned Businesses”

Honorable Legislators:

Over the years, minority and women-owned business enterprises have struggled to achieve equitable representation in County procurement. Although Monroe County has made good-faith efforts to hold itself to the state and federal guidelines for minority and women-owned business enterprises, there seems to be a lack of follow-through, especially in the area of professional service contracts.

In 2020 alone, this Honorable Body has undertaken several legislative initiatives to expand and promote diversity in County government, including the Diversity Action Plan, which seeks to encourage diverse representation in all County Departments. However, achieving diversity in the County’s workforce is only one part of diversifying County operations. With an over \$1 billion dollar budget, Monroe County must also achieve diversity in the money it spend on contracts.

Monroe County must facilitate the elimination of discrimination and racism while providing opportunities to minority and women-owned business enterprises. Monroe County needs to be the leader in the community by taking an active approach to promote opportunities for minority and women-owned business enterprises to bid on County projects and participate in procurement. The County Executive must actively be working with the Chief Diversity Officer, Division of Purchasing and Central Services, and newly created Diversity Action Plan Advisory Committee to ensure that these opportunities are being presented, and that the County is promoting inclusivity in all facets.

Therefore, in the interest of promoting diversity in Monroe County government, we recommend that this Honorable Body enact a Local Law entitled “Gantt’s Law for Utilization of Minority and Women-Owned Businesses.” The purpose of this Local Law is to establish clear guidelines for what constitutes a minority and women-owned business enterprise, create a directory of minority and women-owned business enterprises for use by the County and contractors, expand the use of minority and women-owned business enterprises in all areas of County procurement, institute reporting guidelines, conduct training for minority and women-owned business enterprises, and set new goals for the use of minority and women-owned business enterprises in County procurement.

Much of the language used in this proposed local law was adapted from best practices already established by the State of New York, Suffolk County, and Erie County.

The specific legislative actions required are:

1. Schedule and hold a public hearing on the proposed local law.
2. Enact a Local Law entitled "Gantt's Law for Utilization of Minority and Women-Owned Businesses."

This is a Type II Action pursuant to 6 NYCRR 617.5(c) and is not subject to review under the State Environmental Quality Review Act.

This action will have no impact on the revenues or expenditures of the current Monroe County budget.

Respectfully Submitted,

§ 26-10. Rules for Utilization of Subcontractors.

A. The Director, in conjunction with the Committee, shall promulgate rules and regulations requiring that all contractors use best efforts to achieve participation in subcontracting by minority and women-owned business enterprises in accordance with goals set by § 26-7 to enhance opportunity for minority and women-owned businesses to reflect the percentage of minority and women-owned businesses available to perform such work.

B. The County shall administer the rules and regulations promulgated by the Director, in conjunction with the Committee, to ensure compliance with the provisions of this section.

1. Such rules and regulations shall require that:
 - a. a contractor submit a utilization plan after bids are opened, when bids are required, or in a contractor's response to an RFP;
 - b. in all cases, prior to the award of a County contract, the County shall review the utilization plan submitted by the contractor within a reasonable period of time, as established by the Director;
 - c. the County notify the contractor in writing within a period of time specified by the Director as to any deficiencies contained in the contractor's utilization plan, as well as the permissible time period within which to cure such deficiencies;
 - d. the contractor submit periodic compliance reports relating to the operation and implementation of any utilization plan; and

- c. the County file a complaint with the Director, or the Committee, in the event a contractor is failing or has failed to comply with the minority- and women-owned business enterprise participation requirements set forth in the County contract and no waiver has been granted pursuant to Subsections E and F of this section.

2. Such rules and regulations shall allow a contractor to:

- a. apply for a partial or total waiver of the minority and women-owned business enterprise participation requirements pursuant to Subsections E and F of this section.
- b. file a complaint with the Director, or the Committee, in the event the County has failed or refused to issue a waiver of the minority and women owned business enterprise participation requirements or has denied such request for a waiver.

C. The rules and regulations promulgated pursuant to this section regarding a utilization plan shall provide that where enterprises have been identified within a utilization plan, a contractor shall use best efforts to utilize such enterprise at least to the extent indicated. The County may require a contractor to indicate, within a utilization plan, what measures and procedures he or she intends to take to comply with the provisions of this article, but may not require, as a condition of award of or compliance with a contract, that a contractor utilize a particular enterprise in performance of the contract.

D. Without limiting other grounds for the disqualification of bids or proposals on the basis of nonresponsibility, the County may disqualify the bid or proposal of a contractor as being nonresponsible for failure to remedy noted deficiencies in the contractor's utilization plan within a period of time specified in regulations promulgated by the Director, in conjunction with the Committee, after receiving notification of such deficiencies from the County. Where failure to remedy any noted deficiency in the utilization plan is a ground for disqualification, that issue and all other grounds for disqualification shall be stated in writing by the County. Where the County states that a failure to remedy any noted deficiency in the utilization plan is a ground for disqualification, the contractor shall be entitled to an administrative hearing, on a record, involving all grounds stated by the County. Such hearing shall be conducted by the appropriate authority of the County to review the determination of disqualification. A final administrative determination made following such hearing shall be reviewable in accordance with law.

E. Where it appears that a contractor, after making its best efforts, cannot comply with the minority and women-owned business enterprise participation requirements set forth in a particular County contract, a contractor may file a written application with the County requesting a partial or total waiver of such requirements setting forth the reasons for the contractor's inability to meet any or all of the participation requirements and an explanation of the efforts undertaken, by the contractor to obtain the required minority and women-owned business enterprise participation. In implementing the provisions of this section, the County shall consider the number and types of minority and women-owned business located in the County, the total dollar value of the County contract, the scope of work to be performed and the project size and term. Based on such considerations, if the County determines there is not a reasonable availability of contractors on the list of certified businesses to furnish services for the project, it shall issue a waiver of compliance to the contractor. In making such determination, the County shall first consider the availability of other business enterprises located in the County and shall thereafter consider the financial ability of certified businesses located in the County to perform the County contract.

F. For purposes of determining if a contractor has used best efforts to comply with the requirements of this section or is entitled to a waiver, the County shall consider:

- 1. Whether the contractor has advertised in general circulation media, trade association, and minority-focus, women-focus, and in such event:

- a. whether or not certified businesses which have been solicited by the contractor exhibited interest in submitting proposals for a particular project by attending a pre-bid conference; and
 - b. whether certified businesses which have been solicited by the contractor have responded in a timely fashion to the contractor's solicitations for timely competitive bid quotations prior to the County's bid date; and
2. Whether there has been written notification to appropriate certified businesses that appear in the directory of certified businesses prepared pursuant to § 26-5 of this article; and
3. Whether the contractor can reasonably structure the amount of work to be performed under subcontracts in order to increase the likelihood of participation by certified businesses.

G. In the event that the County fails or refuses to issue a requested waiver to a contractor within 30 days of the application therefor pursuant to Subsection E of this section, or if the County denies such application in whole or in part, the contractor may file a complaint with the Director, or the Committee, setting forth the facts and circumstances giving rise to the contractor's complaint together with a demand for relief. The contractor shall serve a copy of such complaint upon the County by personal service or by certified mail, return receipt requested. The County shall be afforded an opportunity to respond to such in writing.

H. If, after the review of a contractor's utilization plan or review of a periodic compliance report and after such contractor has been afforded an opportunity to respond to a notice of deficiency issued by the County in connection therewith, it appears that a contractor is failing or refusing to comply with minority and women-owned business enterprise participation requirements as set forth in the County contract and where no waiver from such requirements has been granted, the County may file a written complaint with the Director, or the Committee, setting forth the facts and circumstances giving rise to the County's complaint together with a demand for relief. The County shall serve a copy of such complaint upon the contractor by personal service or by certified mail, return receipt requested. The contractor shall be afforded an opportunity to respond to such complaint in writing.

§ 26-11. Enforcement

Upon receipt of a complaint by that a contractor has violated the provisions of a County contract, which have been included to comply with the provisions of this article, the Director, in conjunction with the Committee, shall attempt to resolve the matter giving rise to such complaint within 30 days of receipt of the complaint. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the matter shall be immediately referred to the Department of Law for appropriate action, including, but not limited to, withholding payment due under the contract, or cancellation, termination or suspension of the contract in whole or in part.

§ 26-12. Report

The County Executive, or their designee, shall file a report with the County Legislature no later than April 1st of each year, which details the levels of participation for minority and women-owned business enterprise businesses in County contracts for the prior year. The report shall include the name of each project funded, the total dollars spent for the project, and total dollars spent with minority and women-owned businesses, respectively.

§ 26-13. Severability.

If any clause, sentence, paragraph, section or article of this local law shall be adjudged by any court of competent jurisdiction to be invalid, such determination shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, section or article thereof directly involved in the proceeding in which such adjudication shall have been rendered.

Section 3. This local law shall take effect sixty-days after filing with the Secretary of State pursuant to Section 27 of the New York State Municipal Home Rule Law.
