§6. Energize NY Finance Agreement

- A. A Qualified Property Owner may participate in the Program through the execution of a finance agreement made by and between the Qualified Property Owner and a Financing Party, to which EIC, on behalf of Monroe County, shall be a third-party beneficiary (the "Finance Agreement"). Upon execution and delivery of the Finance Agreement, the property that is the subject of the Finance Agreement shall be deemed a "Benefited Property").
- B. Upon execution and delivery of the Finance Agreement, the Benefited Property Owner shall be eligible to receive funds from the Financing Party for the acquisition, construction, and installation of a Qualified Project, together with Eligible Costs and Financing Charges approved by EIC and by the Financing Party, provided the requirements of the Enabling Act, the Municipal Agreement and this local law have been met.

- A. The principal amount of the funds loaned to the Benefited Property Owner for the Qualified Project, together with Eligible Costs and Financing Charges approved by EIC and by the Financing Party, shall be specially assessed against the Benefited Property and will be evidenced by a Benefit Assessment Lien recorded against the Benefited Property on the land records of the Monroe County Clerk's Office. The special benefit assessment shall constitute a "charge" within the meaning of the Enabling Act and shall be collected in annual installments in the amounts certified by the Financing Party in a schedule provided at closing and made part of the Benefit Assessment Lien. Said amount shall be annually levied, billed, and collected by EIC, on behalf of Monroe County, and shall be paid to the Financing Party as provided in the Finance Agreement.
- B. The term of such repayment shall be determined at the time the Finance Agreement is executed by the Benefited Property Owner and the Financing Party, not to exceed the weighted average of the useful life of the systems and improvements as determined by EIC, acting on behalf of Monroe County.
- C. The rate of interest for the Secured Amount shall be fixed by the Financing Party in conjunction with EIC, acting on behalf of Monroe County, as provided in the Finance Agreement.

§8. Levy of Annual Installment Amount and Creation of Annual Installment Lien.

- A. Upon the making of the loan pursuant to the Finance Agreement, the Secured Amount shall become a special Benefit Assessment Lien on the Benefited Property in favor of

Monroe County. The amount of the Benefit Assessment Lien shall be the Secured Amount. Evidence of the Benefit Assessment Lien shall be recorded by EIC, on behalf of Monroe County, on the land records of the Monroe County Clerk's Office. Such recording shall be exempt from any charge, mortgage recording tax, or other fee in the same manner as if recorded by Monroe County. The Benefit Assessment Lien shall not be foreclosed upon by or otherwise enforced by Monroe County.

- B. The Finance Agreement shall provide for the repayment of the Secured Amount in installments made at least annually, as provided in a schedule attached to the Benefit Assessment Lien (the "Annual Installment Amount"). The Annual Installment Amount shall be levied by EIC, on behalf of Monroe County, on the Benefited Property in the same manner as levies for county charges and shall become a lien on the Benefited Property at midnight on the thirty-first day of December of the preceding year (the "Annual Installment Lien") and shall remain a lien until fully paid or otherwise satisfied or cancelled as provided by law. The creation or any recording of the Annual Installment Lien shall be exempt from any charge, mortgage recording tax, or other fee in the same manner as if recorded by Monroe County. Payment to the Financing Party shall be considered payment for this purpose. Such payment shall partly or wholly discharge the Annual Installment Lien. Delinquent Annual Installment Amounts may accrue Financing Charges as may be provided in the Finance Agreement. Any additional Financing Charges imposed by the Financing Party pursuant to the Finance Agreement shall increase the Annual Installment Amount and the Annual Installment Lien for the year in which such overdue payments were first due.
- C. The Benefit Assessment Lien shall be reduced annually by the amount of each Annual Installment Lien when each Annual Installment Lien becomes a lien. Each Annual Installment Lien shall be subordinate to all Municipal Liens, whether created pursuant to the RPTL, the Monroe County Tax Act, or by any other State or local law. No portion of a Secured Amount shall be recovered by Monroe County, EIC, or an assignee upon foreclosure, sale, or other disposition of the Benefited Property unless and until all Municipal Liens are fully discharged. Each Annual Installment Lien, however, shall have priority over all Non-Municipal Liens, irrespective of when created, except as otherwise required by law.
- D. Neither the Benefit Assessment Lien nor any Annual Installment Lien shall be extinguished or accelerated in the event of a default or bankruptcy of the Benefited Property Owner. Each Annual Installment Amount shall be considered a charge upon the Benefited Property and shall be collected by EIC, on behalf of Monroe County, at the same time and in the same manner as real property taxes or county charges. Each Annual Installment Lien shall remain a lien until paid. Amounts collected in respect of an Annual Installment Lien shall be remitted to EIC, on behalf of Monroe County, or the Financing Party, as may be provided in the Finance Agreement.
- E. EIC shall act as Monroe County's agent in collection of the Annual Installment Amounts. If any Benefited Property Owner fails to pay an Annual Installment Amount, the Financing Party may redeem the Benefited Property by paying the amount of all unpaid Municipal Liens thereon, and thereafter shall have the right to collect any amounts in

respect of an Annual Installment Lien by foreclosure or any other remedy available at law. Any foreclosure shall not affect any subsequent Annual Installment Liens.

- F. EIC, on behalf of Monroe County, may sell or assign for consideration any and all Benefit Assessment Liens and Annual Installment Liens to Financing Parties that provide financing to Qualified Properties pursuant to Finance Agreements. The Financing Parties may sell or assign for consideration any and all Benefit Assessment Liens and Annual Installment Liens received from EIC, on behalf of the Municipality, subject to certain conditions provided in the administration agreement between EIC and the Financing Party. The assignee or assignees of such Benefit Assessment Liens and Annual Installment Liens shall have and possess the same powers and rights at law or in equity as Monroe County would have had if the Benefit Assessment Lien and the Annual Installment Liens had not been assigned with regard to the precedence and priority of such lien, the accrual of interest and the fees and expenses of collection. Notwithstanding the foregoing, no sale or assignment of a Benefit Assessment Lien and/or Annual Installment Lien shall be valid unless notice of such sale is recorded in the Monroe County Clerk's Office against the particular Qualified Property(ies) for which the Benefit Assessment Liens and/or Annual Installment Liens are being sold or assigned.

§9. Verification and report. EIC, on behalf of Monroe County, shall verify and report on the installation and performance of Renewable Energy Systems and Energy Efficiency Improvements financed by the Program in such form and manner as the Authority may establish.

§10. Separability. If any clause, sentence, paragraph, section, or part of this local law shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, section, or part thereof involved in the controversy in which such judgment shall have been rendered.

Section 2. This local law shall take effect upon filing with the Secretary of State.

Subject: Enact a Local Law Establishing a Sustainable Energy Loan Program (OPEN C-PACE) in Monroe County and Authorize a Contract with Energy Improvement Corporation to Administer the Energize NY Open C-PACE Program

Honorable Legislators:

We recommend that Your Honorable Body enact a local law establishing a Sustainable Energy Loan Program (OPEN C-PACE) in Monroe County and authorize a contract with the Energy Improvement Corporation to administer this program for a period of ten (10) years commencing on or about July 1, 2021, with the option to renew for two (2) additional five-year terms.

The Commercial Property Assessed Clean Energy program, known as the Energize NY Open C-PACE Financing Program ("Open C-PACE") in New York, channels private capital to commercial and non-profit building owners to make energy upgrades to existing buildings or build new construction to higher energy standards. Open C-PACE enables building owners to improve their properties, lower operating expenses, and reduce energy consumption.

Open C-PACE differs from traditional bank loans as follows:

- Financing is available up to 100% of the project cost and may be combined with other financing.
- Competitive private financing from EIC-approved capital providers.
- Customizable loan terms up to the expected life of the improvements.
- Benefit assessment lien is subordinate to municipal taxes and senior to other liens (consent from mortgage holder is required).
- Automatically transfers to new owner upon sale of property.

Open C-PACE financing is a public benefit authorized by state law, with repayment secured through a benefit assessment lien on the improved property. The Energy Improvement Corporation ("EIC"), a non-profit, statewide local development corporation, administers Open C-PACE on behalf of its member municipalities. According to New York State Energy, Research, and Development Authority, EIC is the only authorized Open C-PACE program provider in Upstate New York. There are presently 61 member municipalities, including the City of Rochester.

To offer Open C-PACE, the County must pass a local law and sign an EIC municipal agreement. The County would have no fees to join the program, nor any financial exposure or responsibility to administer the program. Because the City of Rochester offers Open C-PACE within the City limits, the County's Open C-PACE Program would only be available to commercial and non-profit building properties within the County but outside the City municipal boundaries.

Once enabled, the County would provide the public benefit of Open C-PACE financing and EIC would administer the program. EIC would record the lien on the land records, bill the property owner directly, and administer collection of the payment. The capital provider would enforce the Open C-PACE lien only after paying any delinquent municipal taxes owed by the property owner to the municipality.

The specific legislative actions required are:

1. Schedule and hold a public hearing on the proposed Local Law.
2. Enact a Local Law establishing a Sustainable Energy Loan Program (OPEN C-PACE) in Monroe County.
3. Upon the effective date of the Local Law, authorize the County Executive, or his designee, to execute a contract, and any amendments thereto, with Energy Improvement Corporation, 2875 Route 35, Katonah, New York 10536, or any subsidiary or successor, to administer the Open C-PACE program for a period of ten (10) years commencing on or about July 1, 2021, with the option to renew for two (2) additional five-year terms.

This is a Type II Action pursuant to 6 NYCRR §6217.5(c)(26) ("routine continuing agency administration and management not including new programs or major reordering of priorities that may affect the environment") and (33) ("adoption of regulations, policies, procedures and local legislative decisions in connection with any action on this list") and is not subject to further review under the State Environmental Quality Review Act.

No net County support is required in the current Monroe County budget.

The records in the office of the Monroe County Treasury have indicated that neither the Energy Improvement Corporation, nor its principal officer, Susan Morth, CEO, owe any delinquent Monroe County property taxes.

We recommend this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

Delinquent Annual Installment Amounts may accrue Financing Charges as may be provided in the Finance Agreement. Any additional Financing Charges imposed by the Financing Party pursuant to the Finance Agreement shall increase the Annual Installment Amount and the Annual Installment Lien for the year in which such overdue payments were first due.
- C. The Benefit Assessment Lien shall be reduced annually by the amount of each Annual Installment Lien when each Annual Installment Lien becomes a lien. Each Annual Installment Lien shall be subordinate to all Municipal Liens, whether created pursuant to the RPTL, the Monroe County Tax Act, or by any other State or local law. No portion of a Secured Amount shall be recovered by Monroe County, EIC, or an assignee upon foreclosure, sale, or other disposition of the Benefited Property unless and until all Municipal Liens are fully discharged. Each Annual Installment Lien, however, shall have priority over all Non-Municipal Liens, irrespective of when created, except as otherwise required by law.
- D. Neither the Benefit Assessment Lien nor any Annual Installment Lien shall be extinguished or accelerated in the event of a default or bankruptcy of the Benefited Property Owner. Each Annual Installment Amount shall be considered a charge upon the Benefited Property and shall be collected by EIC, on behalf of Monroe County, at the same time and in the same manner as real property taxes or county charges. Each Annual Installment Lien shall remain a lien until paid. Amounts collected in respect of an Annual Installment Lien shall be remitted to EIC, on behalf of Monroe County, or the Financing Party, as may be provided in the Finance Agreement.
- E. EIC shall act as Monroe County's agent in collection of the Annual Installment Amounts. If any Benefited Property Owner fails to pay an Annual Installment Amount, the Financing Party may redeem the Benefited Property by paying the amount of all unpaid Municipal Liens thereon, and thereafter shall have the right to collect any amounts in

respect of an Annual Installment Lien by foreclosure or any other remedy available at law. Any foreclosure shall not affect any subsequent Annual Installment Liens.

- F. EIC, on behalf of Monroe County, may sell or assign for consideration any and all Benefit Assessment Liens and Annual Installment Liens to Financing Parties that provide financing to Qualified Properties pursuant to Finance Agreements. The Financing Parties may sell or assign for consideration any and all Benefit Assessment Liens and Annual Installment Liens received from EIC, on behalf of the Municipality, subject to certain conditions provided in the administration agreement between EIC and the Financing Party. The assignee or assignees of such Benefit Assessment Liens and Annual Installment Liens shall have and possess the same powers and rights at law or in equity as Monroe County would have had if the Benefit Assessment Lien and the Annual Installment Liens had not been assigned with regard to the precedence and priority of such lien, the accrual of interest and the fees and expenses of collection. Notwithstanding the foregoing, no sale or assignment of a Benefit Assessment Lien and/or Annual Installment Lien shall be valid unless notice of such sale is recorded in the Monroe County Clerk's Office against the particular Qualified Property(ies) for which the Benefit Assessment Liens and/or Annual Installment Liens are being sold or assigned.

§9. Verification and report. EIC, on behalf of Monroe County, shall verify and report on the installation and performance of Renewable Energy Systems and Energy Efficiency Improvements financed by the Program in such form and manner as the Authority may establish.

§10. Separability. If any clause, sentence, paragraph, section, or part of this local law shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, section, or part thereof involved in the controversy in which such judgment shall have been rendered.

Section 2. This local law shall take effect upon filing with the Secretary of State.

Monroe County Legislature

Subject: Enact a Local Law Establishing a Sustainable Energy Loan Program (OPEN C-PACE) in Monroe County and Authorize a Contract with Energy Improvement Corporation to Administer the Energize NY Open C-PACE Program

Honorable Legislators:

We recommend that Your Honorable Body enact a local law establishing a Sustainable Energy Loan Program (OPEN C-PACE) in Monroe County and authorize a contract with the Energy Improvement Corporation to administer this program for a period of ten (10) years commencing on or about July 1, 2021, with the option to renew for two (2) additional five-year terms.

The Commercial Property Assessed Clean Energy program, known as the Energize NY Open C-PACE Financing Program ("Open C-PACE") in New York, channels private capital to commercial and non-profit building owners to make energy upgrades to existing buildings or build new construction to higher energy standards. Open C-PACE enables building owners to improve their properties, lower operating expenses, and reduce energy consumption.

Open C-PACE differs from traditional bank loans as follows:

- Financing is available up to 100% of the project cost and may be combined with other financing.
- Competitive private financing from EIC-approved capital providers.
- Customizable loan terms up to the expected life of the improvements.
- Benefit assessment lien is subordinate to municipal taxes and senior to other liens (consent from mortgage holder is required).
- Automatically transfers to new owner upon sale of property.

Open C-PACE financing is a public benefit authorized by state law, with repayment secured through a benefit assessment lien on the improved property. The Energy Improvement Corporation ("EIC"), a non-profit, statewide local development corporation, administers Open C-PACE on behalf of its member municipalities. According to New York State Energy, Research, and Development Authority, EIC is the only authorized Open C-PACE program provider in Upstate New York. There are presently 61 member municipalities, including the City of Rochester.

WAYS & MEANS

To offer Open C-PACE, the County must pass a local law and sign an EIC municipal agreement. The County would have no fees to join the program, nor any financial exposure or responsibility to administer the program. Because the City of Rochester offers Open C-PACE within the City limits, the County's Open C-PACE Program would only be available to commercial and non-profit building properties within the County but outside the City municipal boundaries.

Once enabled, the County would provide the public benefit of Open C-PACE financing and EIC would administer the program. EIC would record the lien on the land records, bill the property owner directly, and administer collection of the payment. The capital provider would enforce the Open C-PACE lien only after paying any delinquent municipal taxes owed by the property owner to the municipality.

The specific legislative actions required are:

1. Schedule and hold a public hearing on the proposed Local Law.
2. Enact a Local Law establishing a Sustainable Energy Loan Program (OPEN C-PACE) in Monroe County.
3. Upon the effective date of the Local Law, authorize the County Executive, or his designee, to execute a contract, and any amendments thereto, with Energy Improvement Corporation, 2875 Route 35, Katonah, New York 10536, or any subsidiary or successor, to administer the Open C-PACE program for a period of ten (10) years commencing on or about July 1, 2021, with the option to renew for two (2) additional five-year terms.

This is a Type II Action pursuant to 6 NYCRR §6217.5(c)(26) ("routine continuing agency administration and management not including new programs or major reordering of priorities that may affect the environment") and (33) ("adoption of regulations, policies, procedures and local legislative decisions in connection with any action on this list") and is not subject to further review under the State Environmental Quality Review Act.

No net County support is required in the current Monroe County budget.

The records in the office of the Monroe County Treasury have indicated that neither the Energy Improvement Corporation, nor its principal officer, Susan Morth, CEO, owe any delinquent Monroe County property taxes.

We recommend this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

Sincerely,
