**Subject:** Authorize a Contract with CHA Consulting, Inc. for an Environmental Assessment Pursuant to the National Environmental Policy Act for Obstruction Removal for Runway 4 at the Frederick Douglass-Greater Rochester International Airport

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with CHA Consulting, Inc. in the amount of \$210,000 for an Environmental Assessment pursuant to the National Environmental Policy Act ("NEPA") for Obstruction Removal for Runway 4 at the Frederick Douglass-Greater Rochester International Airport.

This project provides the framework for managing obstructions on properties not owned by the Airport. These obstructions were identified in a previous study performed as required by the Federal Aviation Administration. Data to be collected relates to wetlands, hazardous materials, property ownership, and other items that are a part of the NEPA Environmental Assessment.

This project will be funded by a Federal Aviation Administration grant of 90%, a New York State Department of Transportation grant of 5%, and a local share of 5%.

The Department of Aviation recommends authorization of a contract with CHA Consulting, Inc., a designated airport consultant per Resolution 320 of 2020, to provide consultant services for an Environmental Assessment for Obstruction Removal in the amount of \$210,000.

**The specific legislative action required is to authorize the County Executive, or his designee, to execute a contract with CHA Consulting, Inc., 16 Main Street West, Suite 830, Rochester, New York 14614, for an Environmental Assessment pursuant to the National Environmental Policy Act for Obstruction Removal for Runway 4 at the Frederick Douglass-Greater Rochester International Airport in the amount of \$210,000, along with any amendments necessary to complete the project within the total capital fund(s) appropriation.**

This action is a Type II Action pursuant to 6 NYCRR Section 617.5 (c)(27) ("conducting concurrent environmental and feasibility studies necessary to the formulation of a future proposal for action, provided that these activities do not commit the Agency to commence, engage-in, or approve such action") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this contract, consistent with authorized uses, is included in capital fund 1736 and any capital fund(s) created for the same intended purpose. The local funding for this project will ultimately be provided by the Monroe County Airport Authority from Airport generated revenues. No net County support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury have indicated that neither CHA Consulting, Inc. nor any of its principal officers owe any delinquent Monroe County property taxes. The principal officers of the firm are:

James Stephenson, CEO-CHA Holdings, Inc., President – CHA Consulting, Inc.  
Michael Carroll, Chairman of the Board  
Dom Bernardo, Executive Vice President, Chief Financial Officer  
Michael Platt, Executive Vice President, General Counsel

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello  
Monroe County Executive
