The duly adopted current Capital Budget of the County, to the extent inconsistent herewith, is hereby amended to provide for the appropriation of an additional \$14,900,000 to pay the cost of the aforesaid class of objects or purposes (\$21,700,000 having been heretofore appropriated from one or more Capital Budgets). The period of probable usefulness of the aforesaid class of objects or purposes is twenty-five (25) years, pursuant to subdivision 12(a)(1) of paragraph a of Section 11.00 of the Local Finance Law.

Section 2. The maximum estimated cost thereof is \$36,600,000, and the plan for the financing thereof is by the issuance of \$36,600,000 bonds of said County herein authorized, provided, however, that to the extent any state and/or federal aid and/or grant and/or gift is received for the aforesaid purpose, such aid shall be used to redeem any outstanding indebtedness incurred for such purpose or shall be applied, dollar for dollar, to reduce the amount of bonds to be issued for such purpose.

Section 3. The faith and credit of the County are hereby irrevocably pledged for the payment of the principal of and interest on such obligations as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such obligations becoming due and payable in such year. The Director of Finance - Chief Financial Officer is also authorized to enter into such agreements and take such other action as may be necessary or appropriate and lawful to assure that, to the extent possible, (i) interest on the bonds and notes authorized hereby will not be includable in the gross income, for federal income tax purposes, of the recipients thereof, and (ii) to enable the purchaser thereof to comply with Securities and Exchange Commission Rule 15c2-12. The Director of Finance - Chief Financial Officer is hereby further delegated all powers of this County Legislature with respect to agreements for credit enhancement, derived from and pursuant to Section 168.00 of the Local Finance Law, for such bonds or notes, including, but not limited to the determination of the provider of such credit enhancement facility or facilities and the terms and contents of any agreement or agreements related thereto.

Section 5. All other matters, except as provided herein, relating to such bonds or notes, including prescribing whether manual or facsimile signatures shall appear on said bonds or notes, prescribing the method for the recording of ownership of said bonds or notes, appointing the fiscal agent or agents for said bonds or notes, providing for the printing and delivery of said bonds or notes (and if said bonds or notes are to be executed in the name of the County by only facsimile signatures, providing for the manual countersignature of a fiscal agent or of a designated official of the County), the date, form, denominations, maturities, interest rate or rates, terms of and manner of sale and interest payment dates, place or places of payment, and also including the consolidation with other issues, shall be determined by the Director of Finance - Chief Financial Officer. Subject: Amend the 2021 Capital Budget and Bond Resolution 189 of 2018 to Provide an Increase in Funding for the Specialized Secure Detention Facility Project and Authorize Contracts with the Dormitory Authority of the State of New York

Honorable Legislators:

I recommend that Your Honorable Body amend the 2021 Capital Budget and Bond Resolution 189 of 2018 to provide an increase in funding for the Specialized Secure Detention Facility project and authorize contracts with the Dormitory Authority of the State of New York.

Your Honorable Body, through Bond Resolution 189 of 2018, authorized financing for the Specialized Secure Detention project at the Children's Detention Center ("CDC"). This project includes the design and construction of new facilities as required by New York State's Raise the Age initiative. Phase One involved reconstruction of a portion of Building 67 at the CDC to establish ten initial beds for Adolescent Offenders. Phase Two of the project will involve construction of new housing units to optimize accommodations for the fluctuating number of mixed populations of male and female Adolescent Offenders, Juvenile Offenders, and Juvenile Delinquents, and expanding and modernizing the program space necessary for education, health care, counselling, security, administration, food service, and recreation so that proper sight-and-sound separation is achieved for the mixed populations of male and female Adolescent Offenders, Juvenile Offenders, and Juvenile Delinquents.

The Departments of Human Services, Finance, and Environmental Services have met several times with stakeholders from New York State to review the conceptual plans for Phase Two, including local and regional population projections, facility configuration, program space, opinions of probable cost, and cost allocations. As a result of those discussions, costs for the design and construction of the new facility's various components will be reimbursed by New York State at different rates depending on their function to serve the mixed populations housed. The County is interested in funding this project through the Dormitory Authority of the State of New York. The Departments of Human Services and Finance are continuing discussions with New York State to achieve the most favorable financing and cost sharing opportunities for Monroe County.

The specific legislative actions required are:

1. Amend the 2021 Capital Budget to increase funding for the Specialized Secure Detention Facility project in the amount of \$14,900,000 from \$0 to \$14,900,000, for a total project authorization of \$36,600,000.
2. Amend Bond Resolution 189 of 2018 to increase financing for the Specialized Secure Detention Facility project, capital fund 1894, in the amount of \$14,900,000 from \$21,700,000 to \$36,600,000, for a total project authorization of \$36,600,000.

3. Authorize the County Executive, or his designee, to execute contracts with the Dormitory Authority of the State of New York for various design, construction, and financing services and to purchase furniture, fixtures, and equipment for the Specialized Secure Detention Facility project, and any amendments necessary to complete the project within the total capital fund(s) appropriation.

The provisions of the New York State Environmental Quality Review Act shall be complied with prior to Your Honorable Body undertaking, funding, or approving the action requested in this referral.

Funding for this project, consistent with authorized uses, will be available in capital fund 1894 once the additional financing authorization requested herein is approved and in any capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
